OBITUARY

Luis Lopez Lagunas

Luis Lopez Lagunas, age 71, passed away on Monday, June 15, 2015, surrounded by his family, at the caring and loving community of Maravilla Care Center in Phoenix, Arizona.

He was born on Sept. 12, 1943 in Hayden, AZ to the late Luis and Louisa Lagunas. Luis spent his childhood and early adulthood in Hayden, excelling in academics and sports. Luis was an extraordinary athlete. He competed in football, basketball, track and most importantly

baseball, his true love. After graduating from Hayden High School in 1961, he was offered a scholarship to attend Arizona State University to play basketball and baseball. In 1965, he went on to help his ASU baseball team win their first NCAA championship. Luis' contribution to ASU's baseball tradition was recognized with his induction into the Arizona State University Sports Hall of Fame in 1985. After ASU, he was part of the first baseball draft and was selected by the Minnesota Twins in the summer of 1965.

In September of 1965, Luis married Josie Lopez of Hayden, AZ and they had three children - Luis Matthew, Sonia Denise and Anita Louise - often referred to by him as "his homerun and two singles". He went on to play minor league baseball with the Twins, California Angels,

Kansas City A's and finally in the Mexican League until 1972.

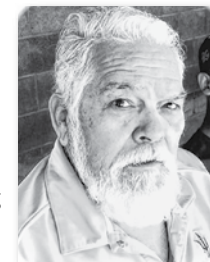

After his baseball playing years, Luis turned his focus to his family, coaching his son in baseball throughout his Little League years. In 1981, he was hired to lead the first South Mountain Community College baseball team, where he had winning seasons. He left South Mountain to pursue a coaching opportunity with the Chicago White Sox organization, under the direction of Bobby Winkles, his former ASU baseball coach. Luis' love for baseball continued throughout his life and he died a SUNDEVIL at heart. GO DEVILS!!

Preceding him in death are his parents, Luis and Louisa Lagunas, and older brother, Federico. Left to celebrate his life and treasure his memory are son, Luis Matthew (Kellie); daughters, Sonia and Anita (Frederick) Gammage; six grandchildren, Bryana and Luis Octavio Lagunas, Shaun Richards, and Frederick III, Alijah, and Adarius Gammage; his sister, Jovita Guzman; brother, David (MaryDee) Lagunas; former wife, Josie Lagunas; his uncle, Inez "Nechi" (Gloria) Lope;, and a host of other cousins, nieces, nephews and other extended family members and friends.

The family is grateful for the staff of Maravilla Care Center and Optum Hospice in Phoenix for their attentiveness and loving care of our father in his last months of life.

Funeral services will be held Thursday, June 25, 2015 at 10 a.m. at St. Joseph's Catholic Church in Hayden, Arizona with a viewing being held prior at 9 a.m.

LETTER TO THE EDITOR

Friends, neighbors establish account to assist wildfire victim

Please note that an account is now open to assist our good friend, Charles W. Stephens.

Charlie had some tragedy strike on June 17, 2015, when the recent fire storm took his shop, storage building, tools and equipment, leaving him empty handed to fix things, help folks and assist residence of his mobile home park south of Kearny. The Stephens family has lived there for 60 years.

Many will remember Charlie from school days up

country in Ray-Sonora, his military service as an Army MP just prior to Vietnam, his many years as the Standard Oil Man serving the Mine, Smelter, Rail Road and many ranches and business in the Copper Basin. Also his dirt work building the sewer and water lines when Kearny as under construction. For many years the thought of "backhoe and digging" brought forward the wide smile and ready hand of Charles Stephens.

Always helpful and friendly and never turning away a

person in need. Charles was my shelter 23 months ago when the Shipman Fire took my place and I was homeless for 8 months.

Please do what you can and don't hesitate to let me know if I may be of assistance.

Thank you.

OBITUARY

Carmen Ruiz Martinez

On June 16, 2015, Carmen Ruiz Martinez, our beloved mother, grandmother, mother-in-law, aunt, sister, and godmother became an angel. She graciously earned her wings while surrounded by her family, her books on saints, rosaries, and all the religious things she loved.

Carmen graced us in her own way; we all feel blessed for that. Now she is in God's hands. Her gain is our greatest heartfelt loss. Our hearts are forever broken. Carmen was the "Best". She lived her life worshipping the Lord. She loved her family, nieces, nephews, siblings, and grandson so much that she prayed a rosary every night for each family.

Carmen always took time to cook and bake for family and friends. She thrived on sharing meals while listening to all the latest news and activities. Her parting has left a huge void. We're filled with remembered joys, family gatherings, her gifts and all that she shared in this life with us. She was always there when needed the most. Carmen followed the path our heavenly father chose for her. She entered eternal rest after lengthy cardiovascular and renal illness.

We love and miss you so very much – until we meet again in joyous reunion.

Carmen was preceded in death by her husband, Mike C. Martinez; her parents, Bartola J. Mares and Jose Maria Ruiz; her brothers, Jacinto Ruiz, Isaias Ruiz, Federico J. Ruiz, and Arnold J. Mares; her sister, Celia R. Acton; grandson, Pius M. Olmos; and her niece, Frances S. Ruiz.

Carmen is survived by her only daughter, Teresita R. Martinez-Olmos (Gilbert Michael) of Hayden; her brother, Oscar J. Ruiz of Winkelman; sisters-in-law, Rosie A. Mares of Tempe, Christina M. Armenta (George) of Kearny, Dolores M. Martinez of Sierra Vista, Susie M. Aguirre (Alfredo) of Dudleyville, and Alice M. Navarro of Tucson; one grandchild, Judas M. Olmos of Hayden; and her beloved pets, Otis, Rufus, Rusty and Jade.

Services for Mrs. Martinez were held Tuesday, June 23, at St. Joseph's Catholic Church in Hayden. Visitation was at 9 a.m. and the Rosary was at 10. The Funeral Mass was celebrated at 10:30 a.m. Interment followed at Mountain View Cemetery in Hayden.

Assisting the family: Lamont Mortuary of Globe.

Truth in Taxation Hearing Notice of Tax Increase

In compliance with Section 42-17107, Arizona Revised Statutes, the Town of Hayden is notifying its property taxpayers of Hayden's intention to raise its primary property taxes over last year's level. Hayden is proposing an increase in primary property taxes of \$11,064 or 4.0%.

The proposed tax increase will cause Hayden's primary property taxes on a \$100,000 home to increase from \$808.00 to \$808.00.

This proposed increase is inclusive of increased is inclusive of increased primary property taxes received from new construction. The increase is also exclusive of any changes that may occur from property tax levies for voter approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on July 20, 2015 at 5:30 PM at Hayden Town Council Chambers, 520 Velasco Ave., Hayden, Arizona.

Handicapped individuals with special accessibility needs may contact ADA Coordinator at (520) 356-7801. Requests should be made 72 hours in advance.

HWUSD to lower tax rates for property owners

It's good news for taxpayers in the Hayden-Winkelman School District. Hayden-Winkelman School District is debt free and will have lower tax rates.

Local property owners and business will get a happy surprise as they open their property tax bills this fall. On July 1, 2015, the HWUSD will make its final bond payment which will result in significantly lower property taxes.

"The District is very grateful to the

community and ASARCO for having the patience and support through these very difficult times," said Superintendent Jeff Gregorich. "Many times over the past two decades, we have faced enormous financial problems as a School District and community, but we overcame the challenge that I believe has only made us more resilient and committed to keep our school district open and strong for our children and theirs."

A.R.S. 15-905.01 requires any School District that budgets for the Small School Adjustment funds to publish a Truth in Taxation notice and hold a Truth in Taxation Hearing.

"The required notice leads the taxpayer to believe that their property taxes will increase," Gregorich said. "The truth is that while the total levy for the Small School Adjustment will increase in FY2015-16, the District's total tax rate

will not increase next year."

He added, "The small school adjustment has been levied for several years now and has helped the District continue to offer quality educational programs to serve our students and community. The additional funds allow small districts like ours, the ability to have the needed resources to operate our schools during ongoing state budget reductions."

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later.

All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damages are estimates.

June 15

A verbal warning was issued for a stop sign violation.

Extra patrol was requested on the 400 block of Essex.

A noise disturbance was reported on the 100 block of Hammond.

June 16

A verbal warning was issued for a stop sign violation.

A disturbance was reported on the 100 block of Griffen.

A domestic disturbance was reported on the

200 block of Jamestown Circle.

A verbal warning was issued for a license plate light violation.

June 17

A citation was issued for no current registration for a ATV.

A disturbance was reported on the 200 block of Jamestown Circle.

A fire was reported on the west side of the corral area. This fire spread quickly and evacuation orders were issued for the lower streets in town and Stephens Trailer Park.

Animals in the corral area were also evacuated.

June 18

Extra patrol was requested on the 400 block of Danbury.

A brush fire was reported behind a residence on the 400 block of Jamestown.

June 20

Assault was reported on the 300 block of Croydon.

During the period of June 15 and June 21 there were 10 ambulance runs, one alarm drop and four information reports.

Truth in Taxation Hearing Notice of Tax Increase

In compliance with §15-905.01, Arizona Revised Statutes, Hayden-Winkelman Unified School District is notifying its property taxpayers of Hayden-Winkelman Unified School District's intention to raise its primary property taxes over the current level to pay for increased expenditures in those areas where the Governing Board has the authority to increase property taxes for the fiscal year beginning July 1, 2015. The Hayden-Winkelman Unified School District is proposing an increase in its primary property tax levy of \$ 141,964.00.

The amount proposed above will cause Hayden-Winkelman Unified School District's primary property taxes on a \$100,000 home to increase from \$140.21 to \$308.48.

These amounts proposed are above the qualifying tax levies as prescribed by state law, if applicable. The increase is also exclusive of any changes that may occur from property tax levies for voter approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the proposed tax increase scheduled to be held July 13, 2015 at 5:30 p.m. in the Governing Board Room located at 824 Thorne Avenue, Winkelman, AZ.

Ray School Board approves tentative budget; comments sought

The Adoption of Ray Unified School District 2016 Expenditure Budget as related to the State District Additional Assistance (DAA) Reduction of Funds, District Spending in the Classroom and General Guidelines for FY 16 Budget development was presented at a Special Board meeting on Monday, June 8, 2015, in the Ray District Office. In addition, the 2015-16 Proposed Expenditure Budget was approved by the Board at the regular June 11 monthly meeting.

The public will have 30 days to provide feedback to the District before the scheduled Budget Adoption takes place at the July 9, Ray Governing Board meeting. The public can view the 2015-16 Proposed Budget on the Ray District

website at: www.rayusd.org. Click on the tab "About Us" at the top of the homepage. The link will take you to the State website where the proposed budget can be viewed.

The public can provide comments in one of three ways:

- By calling the Proposed Budget Hotline at 520-363-5515 ext 502 and leaving a voicemail;
- By emailing comments to District Business Manager, Amanda Kelley at amanda_kelley@rayusd.org; or
- By completing a Public Comment Form located at the Ray District Office.

All comments must be received at the District by the end of the day July 8, 2015 to be considered. All comments received, will be reviewed by the Ray Governing Board at the July 9 meeting.

Athletic Department "Pay to Play" Put on Hold

Despite many schools across the state implementing registration fees for athletic programs at schools, the

Ray Governing Board decided to forego consideration of "Pay to Play" implementation next year upon the recommendation by Ray Athletic Director Jeff Cude. The discussion took place at the Governing Board meeting June 11.

A recent online survey indicated that 70 percent of respondents favored "Pay to Play" but only a small number of people participated in the survey, stated Cude, and "that's not enough respondents for making an informed decision," he said.

In its place, the athletic department will conduct 2 or 3 department-wide fundraisers to offset the loss of revenue Pay to Play would have generated for the program. A golf tournament is one fundraiser currently being considered in August at the Queen Valley Golf Course. More information on exact date, location and times will be shared as details develop.

I would like to take this opportunity to express my sincere gratitude to everyone who help save my house and my property last Wednesday, June 17. As you all know, Kearny had one of its biggest fires threaten our community. It was hot, intense, and spread extremely fast. Thankfully we have a wonderful fire department that did everything they could to suppress the fire and keep it away from our homes. Even with a lot of help from several outside agencies, they were spread just too thin to keep an eye on the entire fire. Therefore, a lot of us were left to defend our properties using any means we had.

I, myself, have so many people I need to thank. First, thank you Kearny Fire, as always, you guys go way above and beyond what anyone could ever ask of you. Thank you Hayden Fire for showing up just in time and hosing down my home and buildings, Dudleyville Fire for keeping an eye on things until it was safe. I would also like to thank all the other agencies that came and helped, thank you. God only knows what would've happened had it not been for the skill and bravery you all displayed.

On a more personal level, I would like to thank my dad, Jay Collins, as always, he was there standing by me doing everything he could.

My mom, Karen Collins for coming and getting all the animals and babysitting them over night. My cousin, Jacob Sawyer, who drove from his home in Dudleyville as soon as he heard I needed help. My good friends, Val Danilow, Fidel Abarca and Bob Zornacki, all of who came down to help with no hesitation. Janet Danilow for making everyone a dinner once it was calmed down enough to eat.

Many of my fellow Steelworker friends, Manny Armenta Jr., Richard Perez, Doug Sweepe, Joe Morales, these guys showed up, grabbed buckets, shovels, hoses and whatever else they could and did everything they could to keep the fire at bay. Not only did they help me, but when my house was safe, they went directly to another home on the other side of town to help protect that one as well.

I would also like to thank Troy Thompson and Dominic Warren of TCC for coming down at the perfect time with a water tank trailer and spraying down the fire and my property. I also need to thank my neighbor James Hosea for his tireless efforts throughout the night keeping water on the hotspots not only near his property but mine as well. I would like to thank everyone who brought us water and checked on us, I know there was many including my sister in law April Crippen and Brandon Herrick, as well as Dorenda Day.

I also would like to say thank you to my daughter, Kimberly Terry, she is always there when needed without hesitation, doing everything she can.

And lastly, I would like to thank my wife, Pam Collins, who for over 13 years has truly been my better half. Although scared and tired, she never left my side.

I know I probably missed some of you who helped, I am truly sorry for that, it is my intention to personally thank all of you. Without the bravery of my family, my friends, and everyone who was fighting this fire, I honestly believe I would've lost my home. I will never be able to thank you enough. We do live in a great community filled with wonderful people.

THANK YOU, Jason Collins

CAC facing cuts following vote to reduce tax levy

Pinal County, AZ – During a special meeting on June 9, 2015, the Pinal County Community College Governing Board listened to community concerns during a call to the public and discussed the tax increase passed in May.

The Board voted to reduce the tax levy from \$2.76 to \$2.30. This amount reflects a decrease of 46 cents to the CAC portion of the total county tax bill.

Since 2006, CAC has seen a reduction of 80% in state funding and has received no capital funding since 2008. Capital funds are used for new construction and renovation of facilities. CAC already faces at least \$43 million in deferred maintenance for its aging facilities. The College faces increased operating expenses each year. With this vote to reduce the tax levy and budget, the College is forced to make difficult decisions on its priorities. The College is evaluating its most critical needs regarding facilities, technology and staffing.

AUGUST

08-09 Free Blood Arsenic Testing Offered

Cobre Valley Superior Clinic (CVSC) and the Arizona Department of Health Services (ADHS), is offering free confidential blood lead and urine arsenic testing to those eligible. Statistics will be shared with the ADHS and the Center for Disease control. Children up to 6 years and pregnant women living in high risk zip codes should receive a blood test. Urine arsenic testing will also be available for children 6 years of age or older who drink from a private well. Ask for a risk assessment questionnaire if living just outside of high risk areas. Lead poisoning can cause learning disabilities, behavioral issues and interfere with growth in children. Arsenic can cause gastrointestinal upset, skin changes, and kidney malfunction. Please call 602-364-3847 or email kaleb.tsang@azdhs.gov for testing which will be available at the CVSC on Aug. 7 and 8 from 9 a.m. - 4 p.m. Call the same number for more information.

SEPTEMBER

25, 26 ATTENTION HAYDEN HIGH SCHOOL, CLASSES OF 1970-1979

A class reunion is planned for Sept. 25 and 26, 2015, for the Hayden High School classes of 1970-1979. For information, you may contact Vivian Quesada Baltierra at vbaltierra@hotmail.com or Odilia Pacheco Aguirre at odie-2@myway.com. There is also a Facebook page, Hayden High School Class Reunion of the 70s, if you wish to follow it for updates.

OCTOBER

10-11 Hayden High Plans 50th Reunion

The Hayden High School Class of 1965 is planning its 50th Class Reunion, Oct. 10 and 11, together with the Classes of the 1960s. The reunion committee is seeking volunteers from the classes of '60, '61, '67, '68 and '69 to help find their classmates' addresses. Contact Gloria Beltran at 480-271-9783 or email gbeltran46@live.com; Margaret Gaston at 520-400-2138; Susan Hillman at 520-356-7551; Anna Quesada at 520-356-7611; James Mank at 520-357-6020; or Robert Goodridge at 520-363-7476 for more information.

ON THE AGENDA

COPPER BASIN SPORTSMEN'S CLUB: The Copper Basin Sportsmen's Club provides a shooting and archery range that is ideal for family use. The club meetings are on the third Wednesday of every month at 7 p.m. at Constitution Hall.

PREGNANCY CARE CENTER HOURS: The Pregnancy Care Center in Winkelman, located at Fourth and Thorne Avenues in Winkelman, is open on Tuesdays from 10 a.m. to 4:30 p.m. You can call (520) 356-6015 for a confidential appointment.

KEARNY SENIOR CITIZENS: The Kearny Senior Citizens group meets every Wednesday at 10 a.m. at Constitution Hall. The group talks about trips to different places in Arizona as well as other subjects. A potluck dinner is held after the social hour on the last Wednesday of the month. New members are needed. Come down and join the group. From May through August, the group meets only on the last Wednesday of the month.

LOBO BOOSTERS: For Lobo Booster Club membership and information, please call Michelle Gonzales at 480-888-6598.

OVEREATERS ANONYMOUS: Overeaters Anonymous will be holding meetings on Friday evenings at 6 p.m. at Ray Hall. If you need help losing weight or finding support, please join us. Call Bob J at 520-464-2156 for more information, and, see the accompanying article.

ANNOUNCEMENTS

SAN MANUEL SENIOR CENTER: Come to the San Manuel Senior Center for fun times. At 8 a.m. on Mondays, Wednesdays and Fridays, there is an exercise program at the San Manuel Elks. Canasta is held every Wednesday at noon; we will teach you if you don't know how to play. The Red Hat meetings are held at 1 p.m. every second Friday of the month, for those 50 years of age or up. A potluck luncheon will take place on the second Thursday of each month, at noon. Bring a dish to share. There is a \$1 fee for utilities. Board meetings are held the first Thursday of each month at 6 p.m.

MAMMOTH SENIOR CITIZENS: Mammoth Senior Citizens will meet Tuesday evenings at 5 p.m. for a light dinner, games and activities. They also meet Thursdays at noon for lunch and will deliver a Mexican meal to businesses and individuals for a \$5 donation. Meetings are held at the Charles Clark Community Center in Mammoth. Please call Wednesday if you would like a meal delivered on Thursday. For more information or to order, call Nancy at 487-2666 or 520-240-5289 or Wanda at 487-0248. All seniors in the Tri-Community are invited.

NARCOTICS ANONYMOUS 12-STEP: NA meetings are held Wednesdays at 6 p.m. at Sun Life in San Manuel. Rear entrance, south facing door. Open meeting. For more information, call San Pedro Valley BH at 520-896-9240.

Kearny River Fire rages past Kearny; area receives national attention

By Mila Besich-Lira
Copper Area News

Last Wednesday, phones started ringing and the town fire emergency alarm sounded. A fire was reported near the corrals in Kearny. What responders and residents didn't know was that this fire would grow quickly to be the first major fire of the 2015 fire season.

The Kearny River Fire at press time has burned 1,428 acres and is 80% contained. The fire damaged five structures and one vehicle; of the five structures, two were primary residences, one was an abandoned home and two were out buildings used for storage.

The fire skirted town along the Gila River and forced evacuations throughout the community. A Red Cross shelter was originally opened in Superior due to the proximity of the fire to the Ray School District where the shelter was originally going to be housed. The cause of the fire is still under investigation. There is expected to be an announcement later this week providing more information about the cause and ongoing investigation. The fire is believed to have started near the corrals and on the other side of the Gila River.

Residents came to the aid of the neighbors and helped to free animals at the corrals and surrounding areas. Thankfully there was a minimal loss in livestock and domestic animals; animals roamed free until their owners could gather them. Many neighbors tied goats to their trees to keep them safe from the fire.

The fire received statewide and national media coverage for the quick spread of the fire but also for the unique resources used to control the blaze such as the all women's hot shot crew from the Perryville Prison and the Copper Basin Railway who watered down the tracks and desert surrounding the tracks to help stop the fire.

Other agencies that assisted the Kearny Fire Department included: Bureau of Land Management, USDA Forest Service, Apache Junction Fire Department, Arizona Public Service, Arizona Department of Agriculture, Avra Valley Fire District, Canyon Fire District, Caminos Fire and Rescue, Eloy Fire District, Globe Fire Department, Golder Ranch Fire District, Hayden Fire Department, Jerome Fire Department, Oracle Fire Department, Picture Rocks Fire Department, Pinal County Sheriff's Office, Queen Valley Fire District, Regional Fire and Rescue, Smithco, Superior Fire Department, Tri City Fire District and Winkelman Fire Department. The Arizona Department of Corrections also sent crews from Globe, Florence, Flagstaff and Winslow. The Arizona Rangers with Bill Lohr also assisted in traffic control and evacuation in the community.

David Ozell, who serves as the town's Public Information Officer, explained to the *Copper Basin News* that after an all agency briefing one of the primary comments was the improvement of communications and response time in this incident compared to the Shipman fire two years ago. "We have made many improvements," he said.

Residents are being advised to remain vigilant with the fire and also keep an eye out for wild life coming into town from the burned areas. Many animals including

rattlesnakes have been seen in yards.

Any new developments from the fire will be reported on our Facebook page: www.facebook.com/copperarea.

Health effects of smoke from wildfires

FLORENCE - The Pinal County Public Health Services District is alerting residents in the Kearny and surrounding area about the health effects of ambient smoke from the Kearny River Fire.

Please take time to read the following information from the Arizona Department of Health Services.

Although a wildfire may be very far away, people should pay attention to ambient smoke.

Wildfire smoke is a mixture of small particles, gases and water vapor. The primary health concern is the small particles. These small particles can cause burning eyes, runny nose, scratchy throat, headaches and illness (i.e., bronchitis). They can also worsen chronic heart and lung disease (i.e., asthma, emphysema and COPD).

Avoid breathing smoke if you can help it. If you are healthy, you usually are not at a major risk from smoke. People at risk include those with heart or lung diseases, children and older adults.

The Arizona Department of Health Services has developed many materials to aid in preparedness and health concerns during a wildland fire. The brochure contains a color-coded scale that ties visibility to health impacts, as well as a list of things to bring if evacuation is necessary, including food, water, medical supplies, documents and identification cards, and pet supplies.

Use common sense to protect yourself and your family. If it looks smoky outside, it is not a good time for outdoor activities. It is also a good time for children to remain indoors. Use the following visibility guidelines to determine air quality conditions, identify health effects, and determine the exertion levels based on the visibility range:

Visibility Range: 10+ miles

Health Category: Good
Health Effects: None

Visibility Range: 5-10 miles

Health Category: Moderate
Health Effects: People who are usually sensitive should consider reducing prolonged or heavy exertion.

Visibility Range: 3-5 miles

Health Category: Unhealthy for sensitive groups
Health Effects: Sensitive people should reduce prolonged or heavy exertion.

Visibility Range: 1.5-3 miles

Health Category: Unhealthy
Health Effects: People who are sensitive should avoid prolonged or heavy exertion.

Everyone else should reduce prolonged or heavy exertion.

Visibility Range: 1-1.5 miles

Health Category: Very unhealthy
Health Effects: People who are sensitive should avoid all physical activity outdoors. Everyone else should avoid prolonged or heavy exertion.

Visibility Range: 1 mile or less

Health Category: Hazardous
Health Effects: People who are sensitive should remain indoors and keep activity levels low. Everyone else should avoid all physical activity outdoors

Generally speaking, the worse the visibility, the worse the conditions. To use the visibility guidelines, face away from the sun, determine the limit of your visibility range by looking for targets at known distances (miles). The visibility range is the point at which even high contrast objects totally disappear. This is not the point at which you can see the smoke.

People who are sensitive include those with heart or lung disease, older adults and children.

If you are advised to stay indoors, keep your windows and doors closed. Run your air conditioner, if you have one. Avoid using anything that burns inside, such as wood and gas stoves, candles and cigarettes.

Air filtration devices that use HEPA filters can reduce the level of particles indoors.

Do not use an air cleaner that works by generating ozone.

If you have asthma or other lung diseases, be vigilant about taking the medications prescribed by your doctor.

If you are supposed to measure your peak flows, make sure you do so. Call your doctor if

your symptoms worsen.

The same particles that cause problems for people may cause some problems for animals. Don't force your animals to run or work in smoky conditions. If your pet has heart or lung disease, follow the same visibility guidelines as for sensitive people.

Mayor Praises Response to Fire Emergency

Firefighters came from throughout Arizona to take on the Kearny River Fire. I did my best to talk with some of the crews, usually when they came back to town to get water. Safford, Globe, Pine/Strawberry. Florence, which sent a full fire truck in case the blaze should enter the town. All the crews were glad to chat. They were covered with dirt and ash, and their eyes looked raw. The heavy garb looked very uncomfortable in the heat of the day.

An all-woman team came from the Department of Corrections in Perryville. All the men spoke about how good and how tough the women were. "They simply take the heat better than us," one firefighter said.

I am thankful for all these people. But I stand in awe of our own Kearny Volunteer Fire Department. They tackled the fire on behalf of their families, their friends. They have spent countless hours in training and

have superbly cared for their equipment. They left their jobs and families, quick as a wink, and rushed to don their garb and begin the fight.

At one point, I personally thought they might be winning. The initial black smoke was turning to a brownish-gray and the volume of smoke was down. But then there was a small, almost imperceptible shift in wind direction, and the fire popped south along the water treatment plant, then quickly roared around it and the southern perimeter of the town. You know the rest of the story.

And I am thankful for the Kearny Police Department and the Volunteers in Patrol. Chief Corso seemed to be everywhere at once. The police and the volunteers worked long and hard, day and night. It is difficult to manage an evacuation. People were deeply concerned for their lives and for their belongings, and tempers

Two vie for St. Francis Fiesta Queen title

By Yolanda Nájera-Ewing
Copper Basin News

Felicity Boltarez and Jordan Danielle Lopez are the two faithful young ladies who have agreed to campaign and vie for the position of Queen for the 36th Annual Saint Francis Church Fiestas Patrias to be held September 12th and 13th.

Jordan resides locally on Richard Avenue with her family, while Felicity and her family reside on Greenwich in Kearny. The girls and their families have been busy consulting with Marcella Garcia who is the queen candidates' director and coordinator of their fund raising activities. These fund raising events will continue until the week before the Annual Fiesta. Both candidates and their families will be selling fiesta tickets which count as votes for the candidates.

Felicity is 10 years old and the daughter of Richard Wade and Liberty Bailey. Felicity will be attending 5th grade at Ray Unified School District #3 Elementary School in Kearny. She is the eldest of four children, and according to her parents, Felicity executes her role as the "big sister" very well. Her eldest brother, Junior, is eight and in the third grade. Her sister, Abigale, is four years old, and baby brother, Aidyn, is only two.

Queen Candidate Felicity enjoys doing math which is her favorite school subject. She has played baseball for three years and basketball for one. Additionally, she is a cheerleader at her school. Felicity's favorite movie is Pitch Perfect. She also likes listening to country music and visiting with her friends. Pizza, burros and hamburgers are the foods she likes the best.

Felicity's church activities include visiting her neighbors who are homebound and making cookies for them. She volunteers policing and cleaning areas of her community, and she loves reading books to the younger students at her school.

Felicity decided to run for Fiesta Queen because she feels that fund raising with the other girls will be fun; and she wants to help her church. "Win or lose, I think it will be great to be a queen or a princess for a weekend," smiled Felicity.

Jordan is 11 years old and the daughter of Mario and Jaclynn Lopez. She will be starting the seventh grade at Superior Junior-Senior High School. She too is the "big sister" to three siblings. She has a 10-year-old brother, Adam, in the sixth grade; a six-year-old brother, Caleb, in the first grade; and a little sister, Lauryn, who is four years old. "The younger children can't lose track of her for very long before they start asking for her and looking for their big sister," said her mother Jaclynn.

This fiesta queen candidate likes math as well and loves America's favorite pastime, baseball. Jordan has been a Little League player for six years, and has played basketball for two years. She has participated in the JFK Nature Club and JFK Student Council. In student council, she has served as Class Representative and as Treasurer. She enjoys listening to hip hop and her favorite movie is The Little Rascals. Her favorite food is Spanish rice.

Jordan has attended religious education classes at St. Francis since she was in kindergarten. She is also a regular at Vacation Bible School. She makes a practice of visiting those who are ill and homebound. Her community involvement includes helping the Optimist Club with different events. About being a queen candidate, Jordan wrote, "I look forward

to dedicating my time to raising funds for our beautiful church. Representing Saint Francis of Assisi Church has been one of my top most goals, and I am so happy that now I will have a chance to do it." She went on to explained that she feels very lucky to be part of a loving family and a supportive community.

As director of the queen candidates and their projects, Garcia

is still accepting queen candidate registrations. She can be reached at 480-939-1313. Other available contacts for the queen candidates are fiestas co-chair Steve Lopez (689-5059), fiestas co-chair Olga Lopez (520-827-4119), and the church office (689-2250). Anyone wanting to make a donation to the queen candidates or to help in their fund raising is asked to call one of the numbers listed above.

Kearny Council keeps Corso as interim chief; no discussion on contracting with PCSO

By Mila Besich-Lira
Copper Basin News

The Kearny Town Council fielded about a half dozen public comments during their monthly meeting last week. Those comments were all to encourage the Mayor and council to hire Interim Chief Corso as the full time chief

of Police of Kearny. Several of the residents commented that Chief Corso is doing a good job for the Town and complimented the fact that he has moved to Kearny. Residents also presented a petition signed by locals to hire Corso as a permanent chief.

The Council was unable to respond to those comments because the item was not on the agenda for discussion but

presented under call to the public. The council did have an executive session to discuss and evaluate Interim Chief Corso. In a phone interview, Town Manager Anna Florez confirmed that Chief Corso will remain the interim chief.

An editorial in the *San Manuel Miner* last week indicated that Kearny was negotiating with Pinal County Sheriff's office to provide police services. Mayor Sam Hosler explained in a phone interview with Copper Basin News that there has been no discussion with PCSO to offer services.

"The town would not be able to afford those services," he said, "even if we entertained the discussion. Our community likes their local police department." Hosler has requested a copy of the email that was referenced to have come from officials in Kearny, the exact email was not brought to Mayor Hosler at this time.

Nearly 400 Mines students named to spring Dean's List

Rapid City, S.D. - Nearly 400 South Dakota School of Mines & Technology students were named to the Dean's List for the 2015 spring semester, including Dominic Rubalcaba of Kearny who stands out in his study of Mechanical Engineering.

In order to merit a spot on the Dean's List, students must earn a grade point average of 3.5 or higher for the semester. Full-time students must have earned a minimum of 12 credit hours that term, while part-time students must have earned between three and 11 credit hours that term.

Established in 1885, the South Dakota School of Mines &

Technology is a science and engineering research university located in Rapid City, S.D., offering bachelor's, master's and doctoral degrees. The university enrolls 2,798 students from 45 states and 39 foreign countries, with a student-to-faculty ratio of 14:1. The SD School of Mines placement rate is 98 percent, with an average early-career salary for graduates of \$65,600, according to the 2014-2015 PayScale report.

For more information on the school visit online at www.sdsmt.edu, on Facebook at <https://www.facebook.com/sdsmt> and on Twitter at <https://twitter.com/sdsmt>.

Fire.

Our deepest sadness is for Stephens Trailer Park and the wonderful people there. They paid a heavy price. Now is the time for us to help them. A fund has been established at the Ray Federal Credit Union. Please support it.

Allow me to give thanks for our whole town crew. The water lines took a terrible pounding, and the men were constantly making repairs. And our Town Manager, Anna Flores? She moved gracefully and wisely through it all. Judge Dave Orzell did a great job as our Public Information Officer. And the dispatchers. And everyone at the school... and.... and.... there's not enough room.

It is done now. Time to tackle other things. Thank you, people of Kearny and the Copper Basin.

20. Help Wanted**Position Announcement
Program Coordinator****Location: Casa Grande, Arizona**

The Central Arizona Governments (CAG) is seeking a Program Coordinator for its Workforce Development programs. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 11 communities, two Native American tribes, and a total population of 402,000 throughout Pinal County. Workforce Development programs serve an important role for the region and provide over one-half million dollars in Workforce Innovation and Opportunity Act funds annually.

The successful candidate will provide training and oversight support to WIOA staff and eligible program participants to ensure successful completion of training and/or employment objectives by performing the following duties:

Ensures compliance to federal/state program regulations at provider and administrative entity level. Responsible for preparation and presentation of numerous reports. Attends meetings of the Workforce Investment Board and its sub-committees and disseminates information to CAG staff and committees. Coordinates local job training activities with other related programs (i.e. social services, economic development). Acts as liaison between staff and educational institutions, related state agencies, federal agencies, CAG's elected officials, municipal staff, and citizen advisory groups. Other duties to include special projects, grant writing, and designing of training programs related to WIOA program needs. This position is responsible for setting an example for other CAG staff regarding CAG procedures as described in the Employee Manual. Manages 3 Case managers and 1 Community Outreach Specialist. Is responsible for overall direction, coordination, and evaluation of these units. Carries out supervisory responsibilities in accordance with the organization's policies and applicable laws. Responsibilities include assisting the Program Manager in interviewing and hiring employees in the Social Services Department. Recommends hiring and disciplinary action of staff to the Program Manager. This position is responsible for planning, assigning, and directing work; meeting performance standards, and appraising performance; addressing complaints and resolving personnel and operational problems with the department. Responsible for file monitoring and oversees Rapid Response under the Dislocated Worker program.

This position requires a Bachelor's degree (B.A./B.S.) within a related field or equivalent from a four year accredited college or university; or four years related experience and/or training; or equivalent combination of education and experience. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$40,000 to \$57,000 DOQ with a competitive benefit package provided.

Send detailed resume and three work related references to: Andrea Robles, Central Arizona Governments (CAG), 1075 S. Idaho Road, Suite 300, Apache Junction, AZ 85119 or e-mail arobles@cagaz.org.

First review of applications will occur on June 29, 2015. Recruitment will remain open until position is filled. CAG is an EOE-male/female, handicapped affirmative action employer.

**Position Announcement
Case Manager I****Location: Casa Grande, Arizona**

The Central Arizona Governments (CAG) is seeking a Case Manager I for its Workforce Development programs. With our central office located in the City of Apache Junction, CAG is a regional governmental planning agency serving 11 communities, two Native American tribes, and a total population of 402,000 throughout Pinal County. Workforce Development programs serve an important role for the region and provide over one-half million dollars in Workforce Innovation and Opportunity Act funds annually.

The successful candidate will provide support to WIOA eligible program participants to ensure their successful completion of training and/or employment objectives by performing the following duties:

Determines eligibility and in conjunction with the client, formulates an Individual Employment Plan (IEP) which identifies vocational goals, barriers to employment and supportive service needs. Also determines the appropriate course of action to overcome identified barriers and records information on training and/or supportive service needs, and reviews IEP on a regular basis to ensure continued progress in training or job search programs. Maintains accurate and complete case notes to outline client progress and to provide reference for all staff involved with the client. Provide counseling to clients to furnish information, resolve problems, motivate and encourage the client. Coordinate with various public service agencies throughout the satellite office's area, to establish effective networking linkages and to gather referral information necessary for clients. Prepare supportive service forms for approval by WIOA Program Manager. Collect information necessary in the preparation of case files. Contact clients to provide information regarding possible employment opportunities. Conduct workshops, orientations and job clubs, and provide ongoing data entry into state's data collection program.

The position requires a minimum of 3 years of experience in client case management, an associate's degree in public administration, social work or an appropriate related degree. Any equivalent combination of experience and training which provides the required knowledge, analytical and communication skills will be considered. Travel throughout the CAG Region is required. Occasional travel in state and out of state may also be required.

CAG provides a small office working environment and conducts business on a four day (10 hours per day) work week, Monday through Thursday.

Salary range is \$28,000 to \$35,000 DOQ with a competitive benefit package provided.

Send detailed resume and three work related references to: Andrea Robles, Central Arizona Governments (CAG), 1075 S. Idaho Road, Suite 300, Apache Junction, AZ 85119 or e-mail arobles@cagaz.org.

First review of applications will occur on June 29, 2015. Recruitment will remain open until position is filled. CAG is an EOE-male/female, handicapped affirmative action employer.

Copper Area players, coach take part in All-Star Game

By Andrew Luberda
Copper Area News

Five recent graduates from area high schools and Ray football head coach Willie Jordan were participants in the Division VI All-Star Football game, which took place at Duncan High School on June 13.

Ray's Destry Yocum, Superior's Richard Ochoa and Matthew Zavala, and Hayden's Jacob Manriquez and Gabe Mariscal were invited to the annual All-Star game.

Yocum, Zavala, Manriquez, and Mariscal were AIA All-Division VI selections as seniors. Ochoa was named All-Section IV.

"It was great and I loved it," Yocum said about playing in the final game of his high school career. "I played with a lot of the guys that I played against while I was playing for Ray and I was able to meet all of them, talk to them, and now I'm friends with a lot of them. It was stiffer competition, so I liked it. I had a blast."

Players selected for the game were split

into teams on the day of the game – Red Team and Blue Team. Yocum, a member of the Blue Team, started at quarterback and middle linebacker in what turned out to be a close game as the Red Team squeaked out a two-point victory, 36 – 34.

Most players who participated in the All-Star game were multi-sport athletes at their respective schools and received postseason recognition for their efforts in each sport. Zavala, for example, was even named the Male Athlete of the Year at Superior.

Yocum, who will attend Central Arizona College in the fall to study Engineering, was named All-Division IV First Team and the Section VI Player of the Year as a member of the Bearcats' state runner up baseball team.

"I couldn't have asked for anything different," Yocum said about his entire athletic experience as a Bearcat. "It all played out the way I would've asked for and nothing would have been better than it was."
