## PHASES OF THE MOON

Have you ever looked up at the sky and noticed how the moon changes shape each night? Why does it do that? How does it do that? It doesn't "change shape" at all!

We know that the moon orbits or circles around Earth. As it does, the sun lights up different parts of it, making it seem as if the moon is changing shape. But really, it's just our view of it that keeps changing.

The moon is Earth's only natural satellite (a celestial body that orbits a planet). It takes the moon 27.3 days to make a complete orbit around Earth, but because Earth is moving around the sun at the same time, it takes the moon 29.5 days to go through its eight different "phases", also called a lunar month.

When the moon appears to be getting bigger, it's "waxing" and when it looks like it's getting smaller, it's "waning". During a full moon, the moon is turned towards the sun. As the moon moves

around Earth, the face pointing towards Earth gradually becomes hidden from the sun and then it can barely be seen at all. That is called a new moon.

On Saturday, June 27, at 2 p.m. Arizona time, the Tucson Amateur Astronomy Association will be doing a Facebook Live event to explore the moon. This will be a great activity for the entire family.

"We will help participants see familiar outlines on the moon like the Lunar Poodle, the Lady on the Moon, the Man on the Moon, and the Apollo Lunar landing sites," said Jim Knoll, Tucson Stargazing Adventures Coordinator for Tucson Amateur Astronomy Association. "We will also explore some other interesting objects and lore about the moon. When we are done with the event, you can go outside and look up at a First Quarter Moon."

The TAAA Facebook Page address is: <https://www.facebook.com/TucsonAstronomy/>.

## OREO COOKIE MOON PHASES

Oreo cookies were made for this activity!

### You will need:

- An Oreo cookie for each moon phase
- A Popsicle stick or other tool for scraping the frosting

### What to do:

- Slowly twist the Oreo cookie to keep as much of the frosting on one side. You can also cool the cookies in the refrigerator, but then you can't eat the mistakes.
- Use the popsicle stick or other tool to scrape off frosting to create the phases of the moon out of the frosting.
- Arrange the phases of the moon in order to show how the moon changes from new moon, to full moon, and back every 28 days. Recreate each phase in cookies and frosting, and then snack on the results. Yum!

## FUN FACTS ABOUT THE MOON

1. The moon moves away from the Earth about 2.8 cm every year.
2. Twelve humans have walked on the surface of the moon.
3. The gravity on the moon is 1/6th the gravity of Earth.
4. The moon averages a distance of 238,600 miles from Earth.
5. Most mythologies include a legend about the sun and moon. One such mythology is Skalli/Skoll and Hati, a pair of wolves in Norse (Viking) mythology that chase the sun and moon across the sky and eat them, causing the beginning of Ragnarök, the end of the world in Viking legends.

# To mask or not to mask –

Last week, Arizona Governor Doug Ducey signed an Executive Order to allow Mayors and County Supervisors to make their own ordinances and policies to mandate mask wearing in their local communities.

Here is our local breakdown of communities in the Copper Corridor.

**Hayden:** At press time, Mayor Dean Hetrick was working to call a council meeting for the Town of Hayden to discuss and approve an ordinance to wear a mask. Hayden shows one case according to the Gila County Health Department.

**Kearny:** The Town of Kearny said in a statement to Copper Area News, “Rather than placing restrictions on Kearny’s residents, the Town Council instead believes the residents of Kearny are capable of making their own decisions. With that in mind, the Town Council wishes to extend their trust and faith in residents, and asks everyone to exercise responsible decision-making.” During a phone call with Town Manager Jeff McCormick, he stated that residents, visitors and business owners were “encouraged to make the decision best for them.” Kearny is showing 6-10 positive cases according to the Arizona Department of Health Services data dashboard. (Read the Town of Kearny’s complete statement

in the Copper Basin News or online at copperarea.com.)

**Mammoth:** In a brief phone call with Mayor Joe Dietz, he reported that the Mammoth Town Council voted to approve a resolution requiring everyone to wear a mask.

**Superior:** Mayor Mila Besich signed an emergency proclamation requiring everyone in Superior to wear a mask when in public in Superior. The order took effect on Friday, June 19. The ordinance will remain in effect until 11:59pm on Thursday, July 9, 2020 to allow the full Town Council to vote on the policy and ratify her decision.

**Winkelman:** The Town of Winkelman recently announced that effective July 1, 2020 they will close the Winkelman Flats Park indefinitely. Mayor Louis Bracamonte explained that he would be working with Gila County to determine a mask ordinance for Winkelman. Currently the Winkelman zip-code shows 12 positive cases. That zip code also includes residents of Aravaipa, Dudleyville and Dripping Springs; the zip-code also crosses into Pinal and Gila counties.

and Gila counties, both counties will be discussing and voting to determine what is best for each county. The Pinal County Board of Supervisors held a meeting on Friday, June 19, 2020, after several hours the meeting was adjourned and the board is expected to vote on the matter on Wednesday, June 23, 2020. Gila County Board of Supervisors have not announced when they will officially discuss this matter. San Manuel and Oracle both show that they are in the 1-5 case category.

The larger communities in Gila County,

Globe and Payson have adopted policy to require the wearing of masks. The Town of Miami has not announced their policy as of press time.

The City of Casa Grande, Town of Superior and Town of Eloy all have mask mandates. The communities of Coolidge and Florence are developing their plans and the Mayor of Apache Junction, Jeff Serdy, has announced that Apache Junction will not mandate masks, but they will encourage everyone to follow mask requirements of each business.

Masks are becoming more commonplace in the business environment. Above, employees of the Oracle Patio Cafe don masks while working with the public. At left, customers and cashiers alike wear masks to protect each other.

# Spike in number of wildfires concerning for fire management officials

A spike in the number of wildfires this year is concerning to fire management officers as resources become spread thin and fires compete for firefighters, equipment, and aviation.

The Bighorn Fire, which has threatened the communities of Oracle and San Manuel, was started by a lightning strike on June 5 in the Catalina Mountains

northwest of Tucson. It has burned 58,553 acres (as of 8 a.m. Tuesday, June 23) and is 33 percent contained. In the Copper Corridor, it forced the evacuation of Peppersauce Canyon, High Jinx and the Campo Bonito areas. The evacuation orders lifted Monday, June 22, but those areas and most of Oracle is under a "set" order.

As of Tuesday, June 16, 2020, 941 wildfires have burned nearly 170,000 acres of private, federal, and tribal lands. Last year, during the same time frame, 689 fires burned close to 47,000 acres of land.

Ninety-five percent of this year's fires are human caused, and while a majority of the fires are not intentional, they are most

certainly preventable.

Department of Forestry and Fire Management investigators found multiple ignitions sources, including an abandoned campfire, fireworks, and cigarette butts at the point of origin on the Stage Fire, near New River, back in May. The multiple ignition sources made it difficult for investigators to pinpoint the exact cause of the fire.

The East Desert and Ocotillo Fires were also determined to be human caused. Investigators say East Desert was started by someone using a weed eater to clear vegetation in their yard.

The ignition source of the Ocotillo Fire remains under investigation.

This year, state fire investigators report some wildfire starts on private

and state lands include, target shooting, escaped burn barrels, abandoned campfires, grinding metal, welding, and a barbecue grill that blew over in the wind.

"All of these fires could have easily been prevented by paying attention to your surroundings, the weather, and fire restrictions. Fire crews are over extended and fire managers are competing for ground and air resources. We are throwing every available resource at these fires, yet upon ignition, fires are showing signs of extreme behavior. They are burning fast and hot through retardant lines and making containment efforts challenging. It is extremely important that people help us out by doing their part," said John Truett, DFFM Fire Management Officer.

DFFM asks Arizonans to do their part by never burning on windy days or using equipment that may throw sparks. If you must work outdoors, do so in the early morning or early evening hours when temperatures are cooler.

Before getting on the road, check to ensure tow chains are secure and your car is in proper working order. Fires can start by overheating vehicles, blown tires, and drivers pulling off into tall grasses.

Residents need to create defensible space around their property and establish a buffer zone between the home and potential wildfire.

Stage II fire restrictions are in place across Arizona; on both federal and state lands. Under Stage II,

# Dasch In Thrift Shoppe reopens after COVID-19 lockdown eases

**By John Hernandez**  
San Manuel Miner

The Dasch In Thrift Shoppe, located at 375 American Ave. in Oracle, re-opened on June 16, 2020 following the end of the governor's COVID-19 stay at home order.

The store officially opened April 13, 2019, selling a variety of lovingly used items including furniture, clothes, jewelry, books, DVDS, music CDs, housewares, art, and more. They also carry Avon products.

The owner of Dasch In Thrift Shoppe is Jimmie Dasch. Her family is from outside Philadelphia. They moved to Arizona so that Jimmie could help take care of her mother who lived in Tucson. As they did not want to live in Tucson, they instead found a house in Oracle and have lived here for about two and a half years. Jimmie said she was amazed at the welcome she received from people in Oracle.

"Lots of customers are thrilled to have us here," she said. "We get lots of donated

items from people."

Dasch In Thrift Shoppe accepts donations of gently used items.

The family owned and operated business believes in giving back to the community. They are a drop off site for Oracle Animal Rescue & Rehabilitation (OARR). People can drop off pet food, toys, leashes, muzzles and any items for these rescued animals. Jimmie said that they donated formal dresses and suits for the San Manuel High School prom for kids of families impacted by the strike at

ASARCO.

# Sea Lions compete against Tucson Aquabears

The Sea Lions travelled to Tucson to swim against the Aquabears on Saturday, June 20. In what has been a drought of youth sports so far this year, it was nice to begin competitions. The Sea Lions were excited to take on the Aquabears after narrowly finishing second to them at the League Championship Meet in 2019. Even though the Sea Lions won many races and achieved 73 best times, the Aquabears held off the Sea Lions 759 - 681.

Coach Alex Gort was excited with the way the Sea Lions swam at the meet.

“The Sea Lions looked very sharp and

had some nice time improvements. We were just outnumbered at their pool. The meet in our pool on July 11 (against the Aquabears) should be good one,” he said.

A couple of 7 year old girls swam very well at the meet. Alianna Riney and Kori Andrade had an awesome meet and topped it off with a 1-2 finish in the Breaststroke.

Jocelyn Hudson (10) knows that her biggest competition is on the Aquabears team and came to race. Joceyln won the Butterfly and Freestyle by a large margin.

Ethan Erickson and Cooper Dale finished 1st and 2nd in every 11-12 Boys race.

Cooper won the Backstroke, while Ethan won the Breaststroke, Butterfly, and Freestyle.

The 13-14 Boys, finished 1-2-3 in every event. Mason Stewart lead the way winning all of his races on Saturday. Martin Madrid and Joey Castellanos help finish the sweep.

Some of the best competition was in the 15-18 Boys age group. Every race was close, but at the finish Evan Apuron found a way to get to the wall first, winning all 5 of his races.

The following swimmers had first place finishes on Saturday:

Alex Ervin, (6), (Fly, Breast);

Kori Andrade (7), (Breast);

Jocelyn Hudson (10), (Fly, Free);

Cooper Dale, (12), (Back);

Ethan Erickson, (12), (Fly, Breast, Free);

Mason Stewart, (14), (Fly, Back, 100 Free, Breast, Free);

Evan Apuron, (17), (Fly, Back, 100 Free, Breast, Free);

Both Martin Madrid and Genaveeve Lopez showed that they have what it takes to be named Sea Lions Beast of the Week.

Genaveeve Lopez (11) had a good week of

practice and looked very strong at the meet against some older and more experienced 12 year old girls. Genaveeve began swimming just last year in swimming lessons and has improved to where she is finishing a close second in several races against the fastest 12-year-old girl in the league. Coaches are delighted about how she is developing as a competitive swimmer.

Martin Madrid participated in his first swim meet as a 13-year-old on Saturday and showed great form and endurance in all his events. Beginning at age 13, swimmers compete in longer races – what used to be a 50 yard Butterfly becomes a 100 yard Butterfly. He competed against bigger stronger boys and finished in the top 3 in all his races. Martin showed he can compete against anyone.

The combination of chlorinated swimming pool water and sunshine makes swimming a safe and fun way for kids to exercise and compete. There is still time to join the team – contact Alex or Wendy Gort at 896-2190 or stop by the Mammoth Pool between 4 and 5:30 p.m. (Monday-Friday) for more information.

## Pinal Democrats support striking miners

Pinal County Democrats were given a warm reception by the striking Asarco miners on Friday, June 5th, as they delivered food and checks to the recently reopened food pantry in Kearny. The visit was a demonstration of support for collective bargaining and for the United Steel Workers (USW) Local 915 critical food distribution operation.

More than 1,700 Asarco miners in Arizona and Texas have been on strike since October 2019. Manny Armenta, USW spokesman in Arizona, told KOLD News 13 last year, “We’ve been in negotiations for over a year now trying to make some sense about this and to try to get a fair agreement. This is a last resort, we don’t like going on strike but when we get pushed against the wall we are going to take action and we did.” Armenta said many workers had not received a pay increase in about 10 years, and according to various reports, the proposal would more than double the out-of-pocket

contribution individual workers would have to pay for healthcare.

There are signs the strike is having an effect on Asarco and its parent organization, GrupoMexico. Along with the effects of the COVID-19 pandemic, the strike has cut Asarco production by about half.

One of the Democratic volunteers was a retired mine worker who had briefly worked in Kearny decades before and had the opportunity to discuss more recent operations with some of the striking miners. Another of the volunteers who lives in Coolidge, discovered that she and one of the miners have a mutual friend who is also a relation to a third miner who was there. These Local 915 members are more than steelworkers or union members, they are family. The Pinal County Democrats are proud to stand with them as they fight for fairness.

# 3 Bees BBQ opens in San Manuel

**By John Hernandez**  
San Manuel Miner

A new restaurant has opened in San Manuel. The name of the new eatery is 3 Bees BBQ. It is the idea of Pat and Robert Wynn.

Pat and Robert are from Peoria, Illinois and have lived in San Manuel for four years. Pat said that they enjoy living in San Manuel.

“People are friendlier and the weather

is 100% better,” she said. “We like barbecue and it was not available in town. Seemed like a good idea for a barbecue place.”

Pat added that she thinks San Manuel would be a good place for a lot of businesses to start.

The 3 Bees name comes from three of the restaurant’s main menu items: Baby Back Ribs, Brisket and Burgers. Besides these three barbecue staples, they have pulled pork and beef

sandwiches, barbecued chicken, wings and more. Sides include macaroni and cheese, baked beans, French fries or potato logs, applesauce, cole slaw and potato salad. They have a variety of desserts to choose from.

3 Bees BBQ offers inside or patio dining and takeout. They are open Wednesday through Monday from 11 a.m. to 7 p.m. and closed Tuesdays. They are located at 505 S. McNab Pkwy. You can view their menu at

<https://3beesbbq.com/>. For ordering, you can contact them at (520) 385-1214.

*Editor’s Note: It’s a mark of how popular this new eatery will be. Pat and Robert had to postpone their official grand opening. They had a soft opening earlier this month and actually ran out of meat! We tried it the other day. So good. The prices are good and the portion size is just about perfect. Try it. You won’t be sorry! ~jrc*

## Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

## Mammoth Pool is Open

The Mammoth Pool is open to the Public. The schedule will be changing throughout the summer, so please check out our Facebook page for the latest news and schedule updates. You can also check the Town of Mammoth website or call the pool at 487-2031.
