Elizabeth Magallanez to run as write-in candidate

Fellow Residents of Superior,

I am happy to announce that I am an official write-in candidate for the Superior Town Council in the upcoming Primary Election on August 2, 2022.

Serving on the Town Council is something that I have considered for years. I am a graduate of Mesa High School and have attended Central Arizona College. I am married to Superior native Max Magallanez. We have raised our children here: Christina, Ignacio F. and Matthew. We moved to Elko, Nevada for 8 years when the mine closed, keeping our home because we knew one day we would return. I am a property owner of 30 years and resident of Superior for 23 years. I love music and dancing but most of all spending time with family and friends an especially enjoying community events.

On Jan. 30, 2022, I was able to take the Superior Chamber of Commerce Home Tour and this is when I made the decision to stop working out of Town and seek ways to be part of the future growth of Superior. It would be an honor and pleasure to be an advocate and represent the people of Superior. In July 2021, I completed the online survey "Planning for the Future of Superior – Community Feedback." I encouraged other residents to do so as well. I believe we all need to give our input. It is crucial to our future as residents to make sure our voices are heard and that we can help guide the future.

It has been my desire to help make positive changes in Superior and neighboring communities which is evident in my work history and years of community service. You may know me from the positions I have held or community service roles. At the Town of Superior, I was the Accounts Receivable Clerk, Interim Deputy Clerk, Finance Clerk and AP & Payroll Clerk. I was the Community Liaison Coordinator for Resolution Copper and facilitated many community meetings, events and tours where we may have crossed paths. As a Hospice Healthcare Advisor for Gemini/Centrix Healthcare Resources I worked closely with many families in the Copper Corridor as difficult as it may have been getting families the resources they needed was rewarding. Serving as the Grant Coordinator for Adelante Juntos/Luz Social Services for prevention and community education was an amazing opportunity to work with our youth teaching them the importance of life skills and substance abuse awareness. I had the wonderful opportunity to graduate from the Hispanic

Elizabeth Magallanez

Leadership Program Pinal in Coolidge, AZ. I became familiar with the importance of community involvement and service. Several years later I became the Facilitator for the Hispanic Leadership Institute, Copper Corridor by Valle del Sol. I had the privilege of meeting and getting to know several leaders and future leaders, now my HLI Familia.

I humbly ask for your support in the upcoming election on Aug. 2, 2022, as a write-in candidate for the Superior Town Council. Respectfully,

/s/ Elizabeth Magallanez

Ninth Circuit Court rules in favor of the Resolution Copper Land Exchange

On Friday, the Ninth Circuit Court of Appeals in San Francisco ruled that Resolution Copper Southeast Arizona Land Exchange and Compensation Act must be upheld.

The Apache Stronghold group appealed a lower court's decision, saying that if the mine is allowed to open and the land is exchanged it will prohibit their right to worship and limit their freedom of religion. It is reported that the Apache Stronghold group will appeal the Ninth Circuit Courts decision to the Supreme Court. They have 45 days to file a case.

The 2-1 ruling was based on whether the United States Government can do what it wants with its land. The court

Arboretum hosts summer camp

The Boyce Thompson Arboretum received a grant from the Governor's Office to expand Summer Learning opportunities. Students at John F. Kennedy elementary school in Superior have been enjoying a daily summer school program that teaches them about plants and life sciences.

Due to the generosity of the grant award, the Arboretum was able to expand this Summer School program to all students in the area to attend on special days. The program included a half day of activities, learning and a snack.

Education director John Bello explained that students participated in nature walks and journaling activity where students employed observation skills and their senses. They measured the

current weather conditions to understand how to use scientific instruments to draw conclusions; they learned how to identify plants in the wild through using observations; and students learned about the plant life cycle through growing beans in small plastic bags and the different parts of a plant.

"Some of their favorite activities were nature walks as they connected with nature through observing lizards, butterflies, different types of birds, spiders, and bees. Another favorite activity was looking at the different types of leaves in the greenhouses where they practiced measuring, counting, and writing descriptions of the leaves shape, size and color," he said.

Meet new staff at Superior Town Hall

If you haven't been in to the Superior Town Hall in awhile you may not have met some of the new staff working for the Town of Superior.

Elizabeth Eminowicz recently joined the Town Hall staff as the front desk receptionist. She is likely who you will interact with when you call town hall or stop in to pay your sewer bill. Elizabeth enjoys customer service jobs and has worked at the Department of Motor Vehicles and at Porters. Elizabeth grew up in Superior and graduated from Superior High School in 2003.

Her favorite part of her job is working with the customers who come in and being able to represent the Town.

In her spare time she enjoys spending time with her friends, going to the movies, and going to car shows with her dad, Mr. Eminowicz in his hot rod.

Karla Luedke is the Administrative Assistant at the Town of Superior. She is responsible for Accounts Payable and Payroll along with other administrative tasks that support the administration department at Town Hall.

Karla lives in Kearny with her husband and commutes daily to Superior. She was born and raised in Kearny and graduated from Ray High School. She enjoys reading, spending time with her husband and adult children and grandchildren. She also enjoys working on her photography skills.

Elizabeth Eminowicz

Prior to working for the Town of Superior, she worked for Caddock Electronics in Oregon. She and her family moved to Oregon for a while and eventually returned home to Kearny. As she says, "There's no place like home."

Karla has been on staff at the Town Hall starting first as a front desk receptionist and now is the administrative assistant. She enjoys the tasks and duties of accounts payable but truly enjoys working with the staff and residents.

RULING

Continued from page 2

ruling explained that the mine would not prohibit tribal members from worshipping.

The Save Oak Flats bill proposed by Rep. Raul Grijalva has not made much progress through this Congress. The Save Oak Flats bill would repeal the land exchange legislation and would prohibit mining in the area. The land exchange bill was passed in December 2014 under the National Defense Authorization Act.
