OBITUARIES

Claudia Roybal

Claudia Roybal 96, long time resident of San Manuel and Oracle, passed away May 18, 2015.

Claudia and her family moved to San Manuel in March of 1954 from Utah. Claudia cooked at the local hospital for 35 years before retiring and moving to Oracle.

Claudia was preceded in death by her husband, Lalo, and sons, Ramos (Ray) and Larry. She is survived by two sons, Fred (Marie) and John (Gilda); three daughters, Anna Murray (Scot), Dorothy Hidalgo (Richard) and Michelle Roybal; 19 grandchildren, 21 great-grandchildren and four great-great-grandchildren.

Helen Adams Mansager

Helen Adams Mansager died May 20, 2015 in Portland, Oregon, where she lived, after a

brief illness. She was 59. Helen was preceded in death by her brother Victor and parents Zigi and Jeanie Adams, who lived in San Manuel. Zigi worked for Magma in the 60's and 70's.

Tri-Community members may remember Helen helping them in the garden department of the Oro Valley Home Depot where she shared her intense love of plants and gardening.

"You can't live without plants," she declared in elementary school to her big sister Maria as she was learning about the food chain and cycle of life from Maria's high school biology books.

Helen is survived by her children Ryan (Edward) and Alyssa Drew (Macrina) Mansager, as well as her sister Maria Thweatt of Houston and brother Andy (Carol) Adams of Tucson. She was aunt to more than 12 nieces and nephews who will also "keep her memory alive forever."

LETTERS TO THE EDITOR

Kudos to Alex Gort and the Sea Lions Swim Team

I would like to acknowledge the hard work and good deeds of Alex Gort and the Sea Lions Swim Team. It is because of their hard work and dedication to the community that the San Manuel swimming pool continues to be a positive focal point in the Tri-Community area, something that we all can be proud of. So if you or your family and friends use the pool or if you benefit from the out-of-town visitors that attend Sea Lions swim meets, please be sure to thank Mr. Gort and everyone on the swim team for everything they do for this community.

The Sea Lions swim team is successful due to the vision and commitment of Alex Gort, who started the team over 10 years ago. His unwavering dedication has made and is continuing to make a real difference in the lives of kids. The summer swim team has won the Central Arizona Swimming League Championship for the past 8 years, beating teams from larger communities such as Coolidge and Florence. The success of the team over the years has led to the formation of a San Manuel High School Swim Team and a USA Swimming Team (yep, that's the same organization that Michael Phelps and Missy Franklin swim for). The USA Team has multiple State Champions. San Manuel High School swimmers have qualified for State.

The swim team teaches around 80 kids each year the benefit of hard work, exercise, discipline, teamwork, competition, tenacity, and dedication. In addition, the kids learn a life skill that they can use the rest of their lives. Parents of the swimmers volunteer as life guards, coaches, swim officials, meet helpers, and fund raisers for both the summer league, USA swimming, and high school swimming.

In addition to teaching kids from age 4 to 18 how to swim, the team provides goggles and team swim suits to those who cannot afford to buy them. USA swim meets

are held at the San Manuel pool, bringing in swimmers from all over the State to compete.

The swim team spends 5 - 6 hours a week of volunteer time cleaning and vacuuming the pool. They bought and installed both a solar heating system and pool covers to help keep the water warm in the spring and fall, and to reduce chemical use and operating costs. All of this time and effort benefits the entire community and it is all done with 100% volunteer labor.

So, if you support Mr. Gort and the Sea Lions Swim

Team and all that they do for the kids in our community, please, please, please let the School Board, Community Schools, the School Superintendent, the Miner and everyone know because this program is in danger of being wiped out by people who are incapable of recognizing and understanding the enormous positive impact the swim team has on the kids, the swimming pool and this community.

Thank you,

/s/ Jericho Barrons

County, Town Reviewing Options for PCSO Police Coverage

The most recent question in Mammoth, AZ, is whether the town and Pinal County should enter into an Inter-Governmental Agreement to provide Law Enforcement services for the town. This is clearly a question that needs to be answered by the incorporated Town of Mammoth and its citizens. I understand this past Thursday the Mayor and Council voted to pursue negotiations with the county to see if this is possible and cost effective for both entities. I also understand the town will hold an additional public forum at the Mammoth Community Center on June 10th at 7:00 PM to accept additional information and public input. Thanks goes to the Mayor and Council for seeking more public input and support.

Pinal County staff will be reviewing Mammoth's fiscal status and meeting with the town's contracted financial consultant to ascertain that IF an IGA is entered into for 3 or 5 years, that the town will be able to fulfill its financial obligations under any proposed agreement.

Issues over cost, liability, police dispatch services, which court will citations be cited to, and other questions will still need clarification. Dispatch services for the Mammoth Fire Dept. will need to be addressed if Mammoth police dispatch is moved to Florence.

As more meetings and communications occur between the town and county, more information and answers should be provided. This issue is at a negotiation stage at the request of Mammoth as they struggle to balance their

budget and reimburse the State of AZ for misspent HURF Funds over the past years.

No agreement will be finalized without the approval of the Pinal County Board of Supervisors. I will continue to receive input from the town and the citizens of Mammoth. I will also be present at the June 10th forum, not to present, but to listen to the citizens and Mayor and Council.

LETTER TO THE EDITOR

Unreasonable approach to property taxation

On May 19th, my wife and I attended the budget hearing at CAC Signal Peak campus. This was a public hearing and a meeting by the Board to consider a tax increase for all of Pinal County.

Many of our taxpayers in the county were present at this meeting and voiced strong opposition to the proposed budget increase. As the hearing was scheduled in a room that held only 80 people many concerned taxpayers were not allowed into the facility. Many people were upset over the conduct of this Board.

To my recollection, all who spoke before the Board were in opposition to the proposed increase. I don't believe any one spoke in favor of this new budget.

The Board voted on this issue after everyone had a chance to speak. The Board voted 4 to 1 to approve the Board budget.

There is a recall effort for the those 4 members of the Board who voted for the budget increase. A complaint has also been filed with the Attorney General's office for violation of the open meeting law by this board. We should all respond to this recall effort by attending all meetings that will be held on this issue in the County. We should be prepared to sign petitions against the four members being recalled. If we as taxpayers in this County allow the CAC Governing Board to get away with this proposed tax increase we should be ashamed of ourselves. It is time for all taxpayers to say to our governing bodies whoever they may be that we have had enough of this unreasonable approach to property taxation.

Bicyclist killed near Oracle

On Thursday, May 28, 2015, at approximately 6:37 p.m., officers from the Arizona Department of Public Safety

were dispatched to milepost 99.3 on Hwy. 77, Oracle. It was reported that a vehicle had struck a bicyclist.

According to the DPS Public Information Officer, Quentin Mehr, a pickup truck, driven by Gary L. Colvin, 44, Tucson, struck a bicycle, ridden by Raphael D. Sagarin, 43, Tucson, from behind, throwing Sagarin off his bicycle. Both were northbound on Hwy. 77.

According to several news sources online, Sagarin was an associate research scientist with the University of Arizona at the Biosphere 2. An Oracle business owner described him as "kind of a mover and shaker at the Biosphere 2." He was the professor who is really working on

the Sea of Cortez/Ocean exhibit, the business owner added. "He was a super nice guy."

Sagarin was fatally injured in the accident. He was wearing a helmet at the time of the collision.

Gary L. Colvin was allegedly impaired at the time of the collision. He was arrested and booked into the Pinal County Jail on a charge of manslaughter. He is being held on a \$100,000 secured bond. Further charges are pending and the accident remains under investigation.

Hayden-Winkelman district seeking public comment on budget cuts

The Hayden-Winkelman School District will hold a public meeting at 6 p.m. on Thursday, June 4, in the Governing Board Room to discuss the District's Plan to address the reduction of District additional assistance for the coming school year.

The purpose of the meeting is to receive public input on how best to make budget

reductions without reducing classroom spending. In addition, the District will provide the percent of dollars in the classroom being spent.

The public meeting is required under Arizona's new law. The law is design to protect dollars in the classroom to increase student learning.

Your input will be greatly appreciated.

Sheriff donates to Elks Project Graduation

Pinal County Sheriff Paul Babeu Monday presented a check for \$5,000 to the San Manuel Elks to help offset the cost of Project Graduation, held May 21-22 for local graduates. Project Graduation has kept local graduates safe on graduation night for many years. It takes more than \$15,000 to host Project Graduation. Project Graduation is an all night lock-in party for all local graduating seniors plus one of their friends on the night of graduation. The Elks provide food, soft drinks, movies, games and lots of prizes to entice the kids to stay the entire night. In the morning, several laptop computers and sometimes other big ticket items are given away in a random drawing. The top prize, of course, is a car. This year's car was a 2000 Pontiac Grand Prix and was won by Victoria Cazares. Babeu, center, presented the check to Fred Creeley and Dave Martin, and while it was a little late, it was welcome nevertheless.

Family History Center opens for genealogy researchers

By **John Hernandez**
Copper Area News

For those Tri-Community residents interested in genealogy and tracing their family roots, a new local resource is available.

In early May, the Church of Jesus Christ Latter-day Saints in San Manuel hosted an open house for its brand new Family History Center. A good crowd attended, enjoying displays of family histories, photographs and memorabilia set up for viewing including old items such as a Singer sewing machine, a table butter churn and a gramophone. But the best part was the opportunity to learn how to research family history.

The Family History Center has 10 computers set up with genealogical programs that will be open to the public for people to research their family history. Some of the programs you will learn to use are Family Search; Find a Grave; Footnote; Roots Web; Roots Magic; and My Past. Volunteer staff will assist people, providing hands on experience with their research while showing them how

to use the computer to search for their family history. The staff can show you how to start your family history, how to organize what you have already collected, how to research and verify your records using the computer programs available, how to set up an account on Family Search, how to fill out a family group sheet, and much more.

Use of the Family History Center is free. Sharon Evans is the San Manuel Family History Center Director. Group workshops are available as well as one on one training

sessions.

The Family History Center is located in the Church of Jesus Christ Latter-day Saints, 101 S. Giffen Avenue in San Manuel. The Center is open Tuesday: 4-8 p.m.; Wednesday: 9 a.m. – 1 p.m.; and Thursday: 9 a.m. – 1 p.m. It is closed the fourth Thursday of the month.

If you would like to learn more about the Center or volunteer, contact Sharon at the Family History Center at (520) 385-4855 or visit during its open hours.

Visitors to the Family History Center at the LDS Church in San Manuel learn how to use the special programs for genealogy research.

Oracle Patio Café opens brand new market

By John Hernandez
San Manuel Miner

The Oracle Patio Café, known for its eclectic menu and use of natural and organic ingredients in their food, has now opened a natural foods market section.

Owners David and Stacey Raneri saw a need in Oracle for some type of market to provide groceries for people in the area. They tried to find a way to take over the Oracle Market after it closed down but ran into too many obstacles.

"We felt there was a real need in the community for a place to get all the stuff to make a good healthy meal," said Stacey. They saw the challenges with transportation in the community and living in a "food desert."

The Patio Café & Market is focusing on more organic food. They are bringing together local vendors and using their products in the restaurant and market. "This allows us to save on waste and keep the prices down," Stacey said. Some of the local vendors whose products are being used and carried include Huntington Family Farms non-GMO eggs, Jojoba Beef Company, Quentin Branch's organically grown produce, Mi Pueblito tortillas and Sky Island Roasters coffee. They also sell Sunizona Farms fresh "veganically" grown produce.

The market carries prepared meals in grab and go boxes. "The prices are affordable and a better alternative to fast food,"

Andrade completes wrestling triple crown

By Andrew Luberda
San Manuel Miner

Rocky Andrade

Rocky Andrade, a member of the Comet Wrestling Club, won the Triple Crown of Wrestling – state championships in Folkstyle, Greco, and Freestyle – one weekend before horse-racing fans hope to see the first Triple Crown winner in 37 years.

Andrade, along with other members of the Comet Wrestling Club, traveled to Highland High School last weekend to wrestle at the 2015 Arizona Freestyle Championships.

More than 500 wrestlers around the state were there to compete for an individual title with 11 of the 500 attempting to complete the Triple Crown.

After previously winning the Folkstyle and Greco state tournaments earlier this year, Andrade successfully pulled off his third state championship, pinning all challengers before recording a first-period win in the finals to claim the rare achievement.

Teammate Samico Salazar also won a state championship at the tournament with a second-period win. The victory was Salazar's second state championship – he also won the Folkstyle tournament – as he just missed being the second Comet's member to win a Triple Crown.

Three other Comet wrestlers placed at the tournament, including Anthony Saiz (3rd), Blake Vargas (4th), and Azaiah Saiz (4th).

"Our team has worked so hard," Comet head coach Daniel Najera told *The Miner* in an email. "We had a lot of first year wrestlers who made the commitment to be the best in the state. They came in not knowing the type of commitment this sport demands. There isn't a better

sport to get your kids involved with. The character and work ethic this team has is impressive. They accepted the challenge and their accomplishments say it all."

Najera also acknowledged parents and the community in the email saying: "Our parents have been amazing and the support from our community is much appreciated."

Acadia Ranch rocks with an evening with Bob Scarborough

By John Hernandez
San Manuel Miner

Bob Scarborough is a geologist. He has taught geology, archaeology and astronomy and given geology-type guided tours throughout the southwest. He has given presentations at Oracle State Park and the Acadia Ranch Museum in Oracle.

Most recently he guided a geological tour through the San Pedro Valley which included stops at Cascabel and Hooker's Hot Springs in the Mule Shoe Ranch area. His

talks and tours have been popular and are always well attended.

On Friday, June 5, at 6:30 p.m., Bob will be at the Acadia Ranch Museum. The Oracle Historical Society invites everyone to bring those mystery rocks and minerals they may have to the museum where Bob will identify them for you. He will talk about the geology of the area and answer any questions you may have.

Admission is free.

The museum is located on Mt. Lemmon Rd. near the intersection with American Ave. in Oracle.

School garden creates positive impact on students

By **Kathie Griffin**
Coordinator

SaddleBrooke Master Gardeners

This school year kindergarten and first grade students at Mountain Vista Elementary School in Oracle, AZ learned about life science, scientific processes, health and wellness, and teamwork through creating a school garden and growing their own vegetables, herbs, and flowers. The project was a collaboration between three teachers, Julie Formo, Windy Messing, and Chantel Sloan and the University of Arizona Pinal County Cooperative Extension. Representing Extension were Everett Rhodes, Extension Agent, Jim Jepsen, School and Community Garden Coordinator, and volunteers from the SaddleBrooke Master Gardeners led by Laurie Bryant.

An after school garden club was formed and over 30 students signed up to

participate once a week.

Throughout the year students worked with teachers and Master Gardeners to plant and grow vegetables and herbs, compost, and develop a worm farm. They learned about bees, butterflies, insects and their relationship to the garden. Students used scientific tools such as magnifiers, rulers, and thermometers to help them observe, measure, and test. They learned about soil composition, composting, mulching, and weeding all while working as a team.

But the most fun was harvesting and eating! How often can you get a five or six year old to eat a Spinach, Kale, and Lettuce Salad, with a side of radishes and cherry tomatoes and then come back for second and third helpings?

One parent said that after eating "real" carrots from the garden her son no longer wanted those little smooth carrots that come in a plastic package. He wanted the

real deal! These are positive impacts that can have a long-term effects on health and wellness.

The school garden will continue next school year with some returning students who will act as mentors to new students who elect to join this wonderful after school program. The project was

recently given a thumbs up by the Oracle School Board. With the first year in the rearview mirror, the SaddleBrooke Master Gardeners are already developing lesson plans and projects for the upcoming year to make this an even bigger and better learning experience for these beautiful children.

Two CAC students named Coca-Cola Scholars

Pinal County, AZ – Two Central Arizona College students were recently named 2015 Coca-Cola Community College Academic Team scholars. David Rowlands, a student at the Aravaipa Campus, has been named a Gold Scholar and Nathaniel Bush, who attends the Superstition Mountain Campus has been selected as a Silver Scholar.

The Coca-Cola Scholars Foundation sponsors the Coca-Cola Community College Academic Team program by recognizing 50 Gold, 50 Silver and 50 Bronze Scholars, and providing nearly \$200,000 in scholarships annually. Each Gold Scholar receives a \$1,500 scholarship and a special medallion and each Silver Scholar will receive a \$1,250 scholarship and silver medallion.

This announcement comes on the heels of both Rowlands's and Bush's selection to the All-Arizona Academic First Team last month.

Phi Theta Kappa Honor Society administers the Coca-Cola Community College Academic Team Program and recognizes Coca-Cola Academic Team scholars during the Phi Theta Kappa Annual Convention slated for April 16 through 18 in San Antonio, Texas.

Community college presidents or their designated nominators may submit two nominations per campus for this award. An independent panel of judges considers outstanding academic rigor, grade point average, academic and leadership awards, and engagement in college and community service in the selection process.

Bush, holds a 4.0 grade point average and plans to transfer to Arizona State University to pursue a liberal arts degree. A member of Phi Theta Kappa, Bush has served as Vice President of the college project and publicity coordinator for the Superstition Mountain Student Leadership Organization. His career goal is to "help those who have lost themselves to find themselves again." He was named the Outstanding first year student for CAC for

the 2013-2014 academic year.

Rowlands, a resident from San Manuel, AZ holds a 3.92 grade point average. He has been on the dean's list for four consecutive semesters, and was named outstanding general science student in spring 2014 for the Aravaipa Campus and Outstanding First Year Student in spring 2013. In addition to his work with Phi Theta Kappa on campus, Rowlands volunteers at the San Manuel Library and San Manuel Rotary Club. He plans to transfer to the University of Arizona to become a biotechnology researcher.

"We thank the Coca-Cola Scholars Foundation for their vote of confidence in community college students by investing in their futures," said Dr. Rod Risley, Executive Director of Phi Theta Kappa. "Their support is especially welcome during this challenging economic climate, as more and more community college students need additional resources to help them complete their degrees."

"The Coca-Cola Scholars Foundation has a long history of providing financial assistance to outstanding students at community colleges," said J. Mark Davis, President of the Coca-Cola Scholars Foundation. "We are proud to partner with Phi Theta Kappa and make it possible for deserving students to achieve their educational goals."

Phi Theta Kappa Honor Society, headquartered in Jackson, Miss., is the largest honor society in American higher education with more than 1,285 chapters on two-year and community college campuses in all 50 of the United States, Canada, Germany, Peru, the Republic of Palau, the Republic of the Marshall Islands, the Federated States of Micronesia, the British Virgin Islands, the United Arab Emirates and U.S. territorial possessions. More than 3 million students have been inducted since its founding in 1918, with approximately 134,000 students inducted annually.

June calendar full of events at Oracle State Park

Oracle - Summer is calling and Oracle State Park is open to those who heed the lure of discovery, reveling in learning of the wild plants and animals and the world they inhabit.

From June through September, take the on-going self-guided weekend tours of the historic multi-level Kannally Ranch House. This Mediterranean-Revival style ranch house was built in 1929, as the home of one of the earliest cattle ranching families in the Oracle area, and is listed on the National Register of Historic Places. In addition to the self-guided tours, 45-minute Docent or Ranger-Led guided tours are offered only by reservation or on select dates over the summer months. The tours are free with park admission.

Guest speaker Jim O'Connor will lead visitors on a Saturday evening 'Storytelling Sky Tour' program, beginning at 7:30 p.m. in the patio of the Kannally Ranch House on June 6. Take a look at the night sky from different points of view, as Jim share's his core astronomical interest in how various cultures use the night sky. Learn to tell time at night like a cowboy or an Apache for ceremonies.

Learn more about the constellations and stars through multicultural tales. Oracle State Park telescopes will be set up to continue star-viewing following the one-hour program. The park gates will remain open past 5 p.m., so take advantage of a sunset trail walk or patio picnic, before the program begins.

Saturday, June 13, the Guided Bird Walk, begins at 6:30 a.m. Please call for a reservation and details as space is limited.

On Sunday, June 21, an Extended Guided House Tour begins at 9 a.m. Learn more about one of the earliest cattle ranching families to Oracle, and the architectural treasure they left behind. The Mediterranean-Revival Style ranch house built in 1929, is listed on the National Register of Historic Places. The tour will continue past the cottages to the corrals.

A reservation-preferred Guided Night Walk and Lunar Viewing with Binoculars will be held on Saturday, June 27, starting at 7:30 p.m. Meet at the Oak-Woodland Area.

Bat night! Saturday, July 25 is bat night! Joel M. Diamond Ph.D., AZGF Research Ecologist will tell us all about

the romantically winged rodents. Full information will be posted after July 1 on the park website.

All these events mentioned above are free

with paid admission to the park. For more information, visit online at azstateparks.com/Parks/ORAC. For reservations, call 520-896-2425.

The family of **Paul Dionne** would like to thank everyone in the community for the love and support shown during the loss of our loved one. Paul was an amazing man who had an amazing farewell.

Thank you Father Joseph, the St. Bartholomew Parish, Roman Rodriguez and the Knights of Columbus, Donald Lopez and fellow musicians, and Taylor and Tina at Desert Sunset Funeral Home for a beautiful service. Thank you to Gloria Terrazas, Irene Castro, Ana Martinez, Irene Romero, Sandi Otero, JoAnn, Lisa and Janice Vigil, Veronica Agredano-Ellis, Norma and Ted Chavez and all the beautiful people that donated money or food and served for the lunch.

To all of you that attended the service or came to our home, your presence was a tremendous gift of love and even though it was a sad day, it was a blessed day to have been able to see the many faces from grade school, high school, those that worked with Paul and so many we've known for many years. To everyone that sent flowers or made a donation to Cancer Research in his name. To our wonderful friends and family that came to visit Paul, called him or sent prayers his way, he was moved by the love and support shown to him. Our neighbors Amy and Jack Carbajal and Robert Jones. Dawn Austin and Pastor Horn for their healing prayers. The staff of Valor Hospice.

To our family that helped us get through such a difficult time Debbie, Fred, Regina, Gabriel and Maricela Peraza, Cisco Barragan, Frank and Patty Cutrone, Frankie Gashler, Nettie, Chelo, Richard, Olivia, Ralph and Nancy Magallanes, Ernie Harper, Carmen Clark, Steve Salazar and the Monarrez families, we are forever grateful.

We feel honored to be this loved.

Sea Lions Swim Team opens season with a win

The San Manuel Sea Lions hosted the first swim meet of the 2015 season on Saturday at the San Manuel Swimming Pool against the Parkside (Florence Anthem) Piranhas and San Tan Valley Barracudas. The Sea Lions won the meet with 992 points, while the Piranhas finished with 312 points and the Barracudas finished with 163 points.

In the Central Arizona Swimming League, the Sea Lions have won every swim meet over the past eight years and hope to make a run at a ninth consecutive League Championship this summer.

The coaches were excited to see how the team performed at the first meet. While the team has many strengths, it was the 13-14 Girls who put on a sizzling performance on Saturday. Led by Gianna Sweeney (13) and Darien Apuron (13), the girls finished first and second in every race breaking team records in every individual event. Sweeney and Apuron were joined with Kayla Parker (13), Jasmine Smith (14), BaiLee Hill (13), Bonnie Bridges (14), and Jessi Rice (14) to finish first and second in both the Medley and Free Relays. Head Coach Alex Gort was proud of the fact that the 13-14 Girls Sea Lion Swimmers took all the 6 top spots in the 200 Individual Medley (IM). "The 200 IM is the all-around event in swimming and the Sea Lions really shined," the coach said.

A total of 16 team records were broken on Saturday. Swimmers breaking team records included the following: Johnny Smallhouse (8), Hunter Hill (11), Riley Stewart (11), Evan Apuron (11), Nate Fister (12), Darien Apuron, Gianna Sweeney, Jessi Rice and Will Newman (15).

Three swimmers entered the maximum number of events and won them all. Briana Castellanos (10), Evan Apuron, and Will Newman each won all 8 events they swam. Additionally, Kayla Lambiotte (6) and Johnny Smallhouse (8) won all the individual events in their respective age groups.

The following swimmers had first place finishes on Saturday:
 Kayla Lambiotte, 6, (Fly, Back, Breast, Free, Medley Relay);
 Jessica Rouse, 7, (Medley Relay);
 Juliana Ramirez, 8, (Medley Relay);
 Johnny Smallhouse, 8, (IM, Fly, Back, 50 Free, Breast, Free, Free Relay);
 Nevaeh Derrick, 9, (Medley Relay, Free Relay);
 Ethan Kellam, 9, (Free Relay);
 Rocky Andrade, 9, (Medley Relay);
 Joey Castellanos, 9, (Medley Relay);
 Emerik Zovko, 9, (Free Relay);
 Mason Stewart, 9, (IM, Breast, Medley Relay, Free Relay);

Desiree Galarza, 10, (Medley Relay, Free Relay);
 Ashley Parker, 10, (Medley Relay, Free Relay);
 Briana Castellanos, 10, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);
 Ben Fister, 10, (Back, Medley Relay, Free Relay);
 Evan Apuron, 11, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);
 Riley Stewart, 11, (Medley Relay, Free Relay);
 Hunter Hill, 11, (Medley Relay);
 Brian Mulholland, 11, (Medley Relay);
 Genevieve Estrada, 11, (Medley Relay, Free Relay);
 Rianna Estrada, 11, (Medley Relay, Free Relay);
 Star Chavez, 11, (Breast, Medley Relay, Free Relay);
 Hannah Smallhouse, 11, (Medley Relay);
 Nate Fister, 12, (Medley Relay);
 BaiLee Hill, 13, (Medley Relay);
 Darien Apuron, 13, (Fly, Back, Medley Relay, Free Relay);
 Gianna Sweeney, 13, (IM, Breast, 100 Free, Free, Medley Relay, Free Relay);
 Jayden Smith, 13, (Medley Relay, Free Relay);
 Jessi Rice, 14, (Medley Relay, Free Relay);
 Michael Primero, 14, (Fly, Back, 100 Free, Free, Medley Relay, Free Relay);
 Will Newman, 15, (IM, Fly, Back, Breast, 100 Free, Free, Medley Relay, Free Relay);
 Jacob Christian, 16, (Medley Relay, Free Relay).

This was the first swim meet for several swimmers on the team and they performed extremely well and had lots of fun! Swimmers who competed in their first swim meet as a Sea Lion on Saturday were: Annie Nemans (4), Jordyn Hinojos (5), Laila Ruiz (8), Israel Gonzales (8), Mikayla Hinojos (9), and Brianna Mullens (11).

Ethan Kellam was named Sea Lions Beast of the Week. Despite the fact that his right arm was in a (waterproof) cast healing from a recent break, he worked hard at every practice, entered eight events at the swim meet (which is the maximum) and achieved personal best times in each one. His determination to not let a little thing like a broken arm slow down his summer, shows his beastly spirit.

The Sea Lions will host the Globe Piranhas, Eloy Otters, and Florence Sharks at the San Manuel Pool on Saturday, June 6 (9 a.m.).

There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the San Manuel Pool between 4 and 6 p.m. (Monday through Friday) for more information.
