## OBITUARIES

# Robert Wayne Boatman

Robert Wayne Boatman of Dudleyville, passed away at the age of 62 in Hayden, Arizona on Wednesday, May 27, 2020. Robert was born on Oct. 27, 1957 in Prescott, Arizona to parents Dennis and Patricia (Haydorn) Boatman.

Robert spent the majority of his life in Kearny and spent what he would call the best years of his life working for Asarco. He worked for Asarco for 38 years where he was an active member of the union, local 5252.

Robert had many hobbies and would always lend

a helping hand to anyone in need. He became the neighborhood father to his daughters' friends, who fondly referred to him as "Pops" or "Big Guns."

Robert is preceded in death by his mother Patricia and father Dennis. He is survived by his son, James; daughters, Aleynia, Ashley and Stacey; his brothers, Kenny (Robyn) Boatman and Dennis (Cheryl) Boatman; and sister, Lynn (Jack) Hafer. Robert also leaves behind six grandchildren.

Services for Robert will be decided at a later date and will be open to the public.

In lieu of flowers, the family has asked for donations to be made to the Robert Wayne Boatman Memorial Fund at Ray Federal Credit Union.

# Tom Miller

You've probably have seen or are at least familiar with Tom Miller. A man so true and authentic to himself that he will forever be remembered as ornery.

Born June 2, 1946 in Martinsville Louisiana to loving parents William and Mary Miller alongside his siblings, David and Carol, Tom passed away on April 29, 2020. Tom was a kind boy but his individual and resilient nature was apparent early on.

Tommy was quick witted with those around him, smart, energetic and incredibly spirited. After moving to Ajo, Az where he finished his high school career. In '66, Tommy was drafted and served proudly for two years.

By 1968, after returning home Tommy worked hard and he traveled hard. Roaming to and fro across America Tom had many stories of his travels none so fondly remembered as his time spent in Alaska panning for gold. many other

tales included his trips to Sturgis in North Dakota, Wyoming and parts of Mexico.

In 1972 Tommy married Susan Miller, with whom he loved and would remain friends until his death. Always putting himself 100% into his whatever he did, Tom displayed a great love for his work and is personal life.

By the mid 1970s Tom was ready to settle into a steady life, hearing that there were jobs available in the copper mines. Tom and a few friends moved into Kearny where he would live, love and build friendships that would last a lifetime.

In '88 his granddaughter was born and his entire world changed. Even though he still lived to be true to himself, never compromising his own happiness.

Tom Miller and his longtime partner Marsha Feliz were able to re-open up the fondly remembered Tucker Tire. Jumping at the opportunity to be his own boss Tom quickly created a one-of-a-kind atmosphere. By utilizing his unique skills, he was able to help everyone in town and some of the most interesting people to ever roll through town.

Before long his infectious personality and skills were known throughout the region. With Tom able to fix just about any vehicle imaginable.

Throughout the last decade Tom continued to work "The Shop" working on cars and tinkering away on various projects.

Tom was a man always ready for an adventure with new and interesting characters, he never backed down from an excursion. Whether it be into the desert or upstate. Tom was a man who really knew how to enjoy the journey.

A hole has been left in my heart there is no replacing a man like Tom S. Miller.

He came, he saw, he was ornery, he made an impact on those around him. He had his moments, but most of all he had a kind heart.

Gone but not forgotten.

# Governor Ducey issues statewide curfew

On Sunday, Arizona Governor Doug Ducey surprised a majority of Mayors, Police Chiefs and County Sheriffs across the state when he declared an emergency and issued a statewide curfew order. The order came after a night of looting and destruction of property occurred in Scottsdale and is aimed to stop group gatherings after 8 p.m. to help reduce violence at protests. In his Executive Order, Governor Ducey also called up the National Guard to assist with the enforcement and crowd control.

Protests have been started across the nation, state and even in other foreign countries in protest of the death of George Floyd by a Minneapolis Police Officer. The protests have been a call to

action and awareness in the Black Lives Matter movement.

The order issued on Sunday afternoon calls for people to be in their homes by 8 p.m. until 5 a.m. every night through Monday, June 8, 2020 at 5 a.m. The order does allow for people to travel to and from religious services; commercial delivery services and trucking to operate; you can obtain food and patronize a private business, care for a family member or animal; escape an emergency situation; or travel to and from work. Violators of the curfew will face misdemeanor charges and up to a \$2,500 fine. According to various other news reports and via Twitter, Ducey is quoted, "We've learned some lessons over the last three days. First, the more aggressive approach does

work." Further tweets said that he had the Mayors and Police Chiefs across the state "on board." President Donald Trump complimented Governor Ducey on his actions.

Many Mayors and Police Chiefs opted to announce that they would not be enforcing the curfew order in their communities, Payson, Holbrook, Eager and Springerville were a few that immediately announced they would not be enforcing the order. Officials in Kearny and Superior issued similar statements on their Facebook pages, asking residents and business owners to abide by the Governor's order and that if groups assembled after 8 p.m. the curfew would be enforced through education. Hayden Police Department announced on Facebook that they would not enforce the curfew. All three communities stated that there were no credible or active threats against the communities. The Town of Mammoth is also following an enforcement by education process.

The unincorporated areas of the Copper Corridor (San Manuel, Oracle, Dudleyville) fall under the jurisdiction of the Pinal County Sheriff's Office. In a statement on Facebook PCSO did not indicate if they would be actively enforcing the curfew order but did say they are monitoring the situation closely, including social media.

Mayors from the Copper Corridor explained that they were not given any advance knowledge and were not consulted. Media reports and comments on Twitter also indicate that Mayor Regina Romero of Tucson and Mayor Kate Gallego of Phoenix were not contacted prior to the order. The Governor's announcement said that his order came at the request of local mayors.

# Hayden's Arbizo named Waddell Award recipient

By Andrew Luberda  
Copper Basin News

Recent Hayden High School graduate Ahleah Arbizo was selected as the 2020 Norberto "Chuco" Waddell Inspirational Award recipient.

The annual award recipient is chosen by a committee and is a Lobos' student-athlete whom "Chuco" enjoyed watching compete. "[He] would comment how they played with passion, heart, and a fierce desire to win," Hayden athletic director Lydia Martinez told the *Copper Basin News*. "So, we will continue to find a Lobos' athlete that plays with these qualities."

According to Martinez, Waddell graduated from Hayden in 1966, when he ranked eighth in his class of 58 seniors. He was inducted into The National Junior Honor Society as a freshman before becoming a member of the National Honor Society as a sophomore. He lettered in football and baseball, receiving many honors in both sports. After his graduation, he attended Phoenix College and later returned to Hayden to become a foreman at ASARCO. He married the love of his life, Gloria Garcia.

The couple has five children – Brandon, Anthony, Kevin, Matthew, and Julia Amanda – all are Hayden High School graduates and accomplished athletes of their own.

Arbizo was a three-sport athlete during her four-year career at Hayden, including volleyball, basketball and softball. She signed her Letter of Intent to attend Eastern Arizona College, where she will

play softball and study Sports Medicine.

"Being named the recipient of the Waddell Award means so much to me," Arbizo said. "Chuco was one of our biggest Lobos' supporters. I can remember him being at every game ever since my sixth-grade year.

"Chuco is a well-known man and holds a big place in my Lobo heart," she continued. "I'm so honored to receive the award. Not only because of the man he was, but it showed I have a big heart for any game (and) sport I played, and that is what he had was a big heart. He will be the reason I will play every game like it's my last."

Arbizo acknowledged he athletic career at Hayden has helped prepare her for the next chapter of her life and beyond.

"Softball, I can say has prepared me for my life," she said. "(It) has taught me how to have trust, how to have good people skills, and how to get along with girls even when they aren't the friendliest.

"Most of all, sports showed me how to have fun, create memorable moments, and sometimes [develop] friendships."

Martinez takes great pride in seeing Hayden student-athletes achieve their goals; it is her job, she says, to help provide these opportunities.

What attributes does Arbizo display that will serve her well going forward?

"Ahleah's attributes that will serve her in the next chapter of life are her ambition to be successful, her courage to face challenges, her integrity to continue doing the right thing, and having the faith of family and friends," Martinez responded.

Chuco Waddell's wife Gloria, Chuco's son Brandon and granddaughter Yvana Waddell present the Waddell award to Ahleah Arbizo (pictured second from left).

## Rios continues to advocate for fair funding

MAMMOTH – The Pinal County Board of Supervisors have dropped their litigation against the Federal Government after the State announces the distribution of the CARES Act funding. Pinal County has been allocated \$27,170,006, while Pinal County towns and cities will receive individual funding.

"Had it not been for the Pinal County Board of Supervisor taking action to bring a lawsuit against the US Treasury, I believe that the Governor would not have moved on the distribution of the \$1.8 billion dollars of CARES Act funds," said Supervisor Pete Rios. "Even though

this is a good start for Pinal County and our cities/towns, there is still additional funding that the Governor needs to distribute to rural counties and small cities/town."

Cities and towns in Pinal County will receive the following: Pinal County \$27,170,006; \*Apache Junction \$4,887,430; Casa Grande \$6,731,338; Coolidge \$1,507,410; Eloy \$2,253,079; Florence \$3,148,226; Kearny \$248,901; Mammoth \$193,679; Maricopa \$5,984,522; Superior \$364,855; \*Winkelman \$40,297; \*Hayden \$72,443. \*City/town boundaries are in two (2)

counties, total allocation combined

Local governments may use their allocation to cover regular payroll costs of public health and public safety personnel, freeing up existing local budget capacity to be deployed elsewhere. The fund is designed to provide maximum flexibility, while minimizing red tape, so municipalities can determine how best to use the funds to meet their needs.

In an effort to benefit all Pinal residents, the Board of Supervisor will have to discuss and vote on how to disperse this funding to unincorporated areas of Pinal County. The focus for these areas will

be services like rental assistance, utility payments, food banks, social services, businesses, job training and more.

Supervisor Rios is grateful to the Governor for making an effort to treat rural areas on a more equitable basis and will continue to advocate for Pinal County. *Editor's note: The Pinal County Board of Supervisors held its regular meeting today, June 3. On the agenda was an item addressing the CARES Act funds and how best to allocate them throughout the county. The agenda item reads:*

## Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.
