# Superior Police Department welcomes new full time officer

Officer Dan Munslow is the newest member of the Town of Superior Police Department.

Dan was born and raised in Seattle, Washington. Upon graduation from high school, Dan joined the United

Superior Police Officer Dan Munslow

States Navy as a Cryptographic Technician Operator. Dan spent nine years in the Navy where he participated in numerous deployments. Dan was assigned to the staff of the US Commander, Sixth Fleet and was a Communications Watch Officer.

When Dan separated from the Navy, he lived a short time in Mississippi before accepting a contract position with Northrop Grumman and moved to Germany for five years. While in Germany, Dan met his wife Ala. When Dan and Ala decided to move to the US, they chose to live in Chandler where Dan accepted a job with Wells Fargo as a Systems Security Analyst. Dan and Ala moved briefly to Washington, D.C. where Dan worked for the US

Department of Justice before returning to Arizona.

Once back home in Arizona, Dan worked in the private sector as a Security Engineer, Security Operations Center Manager and eventually a Director of Operations. After years of working in an office, Dan decided to pursue his dream of becoming a Police Officer.

Dan attended the Phoenix Regional Police Academy and completed a three-month Field Training Program with the Pinal County Sheriff's Office. Dan is grateful for the opportunity to start his law enforcement career in Superior and looks forward to many years of faithful service.

Welcome to Superior, Dan.

## Superior officer named to regional SWAT team

Over the last year, the Superior Police Department has accomplished some amazing things. Their most recent accomplishment was putting an officer, Officer Colin Madeya, on the SWAT Team as a SWAT Medic.

Officer Madeya is an Arizona native. He comes from a long line of family members who have served their communities through public service. Officer Madeya is currently a full time firefighter/paramedic for the Phoenix Fire Department. While working as a full-time firefighter, Officer Madeya followed in his father's footsteps and put himself through a police academy.

Shortly after graduation he was brought on by the Superior Police Department as a Reserve Police Officer. Officer Madeya has honorably served the Town of Superior as a Reserve Police Officer for more than three years. This is a non-paid volunteer position.

Having Officer Madeya on the SWAT team is a big win for both the Superior Police Department and Town of Superior.

"I am proud to brag that this is SPD's first officer to join the Pinal County Regional SWAT team. Joining the SWAT team opens up a lot of opportunities and improves upon our wonderful relationship with the Pinal County Sheriff's Office.," Superior Police Chief Frank Alanis said.

The Pinal County Regional SWAT Team is made up of law enforcement agencies throughout Pinal County. Through the joining of resources into a single fully functional tactical team it benefits each law enforcement agency and the communities they protect and serve. A regional team will meet the occasional needs of a community, while maintaining a sense of fiscal responsibility.

"This is in line with the vision I have set for this department," Alanis continued. "As I have stated many times, my goal is to be the premier law enforcement agency in the Copper Corridor and one of, if not the best small department in Arizona."

# Superior Food Bank receives needed help

Last week the Superior Food Bank received nine pallets of non-perishable food from the Jesus Christ of Latter-day Saints food pantries. This week households also received 10 pounds of flour. Staff from Resolution Copper and members of the Arizona National Guard assisted with the food deliveries this past week. These partners have all helped to ensure that residents of Superior do not go hungry.

# Sawtooth Fire grows

On Saturday, a lightning strike ignited the Sawtooth fire within the Superstition Wilderness of the Tonto National Forest. At press time (Tuesday morning) the fire had grown to 18,500 acres and is 8% contained. The Tonto National Forest has ordered the area closed to the public to allow firefighters to work safely and protect the public.

The fire is burning in the scar of the Woodbury Fire which burned last Summer. The vegetation is mostly dry

grass and brush. Residents of Elephant Butte, Hardt Tank and Angel Basin have been evacuated to the Queen Valley Community Center.

Two hundred firefighters and air support have been deployed to the fire. Air support has been dropping fire retardant to keep the fire from reaching private property.

Smoke and flames from the incident continue to be seen from the eastern Valley. Smoke is forecast for the Queen Valley and Superior areas. Smoke has

also been reported in the Roosevelt Lake area. Those living or traveling in these areas should take precautions to avoid smoke inhalation, especially for those with respiratory conditions. For an updated smoke forecast, visit: <http://azdeq.gov/wildfire-smoke-forecast?fire=sawtoothfire>

“The lives and safety of the public and firefighters is at the forefront of all our decisions and actions,” says Incident Commander Jim King, “Our team is working hard to provide structure

protection and minimize impact to heritage, recreation, watershed, and wildlife values in the area.”

Additionally, the Tonto National Forest has issued a closure order for the Sawtooth Fire. The detailed order can be found on the Tonto National Forest website at <https://www.fs.usda.gov/tonto> by clicking on the “Closure Orders & Restrictions in Effect” link. State Highway 88 remains open to Fish Creek overlook.

## Governor Ducey issues statewide curfew

On Sunday, Arizona Governor Doug Ducey surprised a majority of Mayors, Police Chiefs and County Sheriffs across the state when he declared an emergency and issued a statewide curfew order. The order came after a night of looting and destruction of property occurred in Scottsdale and is aimed to stop group gatherings after 8 p.m. to help reduce violence at protests. In his Executive Order, Governor Ducey also called up the National Guard to assist with the enforcement and crowd control.

Protests have been started across the nation, state and even in other foreign countries in protest of the death of George Floyd by a Minneapolis Police Officer. The protests have been a call to action and awareness in the Black Lives Matter movement.

The order issued on Sunday afternoon calls for people to be in their homes by 8 p.m. until 5 a.m. every night through Monday, June 8, 2020 at 5 a.m. The order does allow for people to travel to and from religious services; commercial delivery services and trucking to operate; you can obtain food and patronize a private business, care for a family member or animal; escape an emergency situation; or travel to and from work. Violators of the curfew will face misdemeanor charges and up to a \$2,500 fine. According to various other news reports and via Twitter, Ducey is quoted, “We’ve learned some lessons over the last three days. First, the more aggressive approach does work.” Further tweets said that he had the Mayors and Police Chiefs across the state “on board.” President Donald Trump complimented

Governor Ducey on his actions.

Many Mayors and Police Chiefs opted to announce that they would not be enforcing the curfew order in their communities, Payson, Holbrook, Eager and Springerville were a few that immediately announced they would not be enforcing the order. Officials in Kearny and Superior issued similar statements on their Facebook pages, asking residents and business owners to abide by the Governor’s order and that if groups assembled after 8 p.m. the curfew would be enforced through education. Hayden Police Department announced on Facebook that they would not enforce the curfew. All three communities stated that there were no credible or active threats against the communities. The Town of Mammoth is also following an

enforcement by education process.

The unincorporated areas of the Copper Corridor (San Manuel, Oracle, Dudleyville) fall under the jurisdiction of the Pinal County Sheriff’s Office. In a statement on Facebook PCSO did not indicate if they would be actively enforcing the curfew order but did say they are monitoring the situation closely, including social media.

Mayors from the Copper Corridor explained that they were not given any advance knowledge and were not consulted. Media reports and comments on Twitter also indicate that Mayor Regina Romero of Tucson and Mayor Kate Gallego of Phoenix were not contacted prior to the order. The Governor’s announcement said that his order came at the request of local mayors.

## Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

## Rios continues to advocate for fair funding

MAMMOTH – The Pinal County Board of Supervisors have dropped their litigation against the Federal Government after the State announces the distribution of the CARES Act funding. Pinal County has been allocated \$27,170,006, while Pinal County towns and cities will receive individual funding.

“Had it not been for the Pinal County Board of Supervisor taking action to bring a lawsuit against the US Treasury, I believe that the Governor would not have moved on the distribution of the \$1.8 billion dollars of CARES Act funds,” said Supervisor Pete Rios. “Even though this is a good start for Pinal County and our cities/towns, there is still additional funding that the Governor needs to distribute to rural counties and small cities/town.”

Cities and towns in Pinal County will receive the following: Pinal County \$27,170,006; \*Apache Junction \$4,887,430; Casa Grande \$6,731,338; Coolidge \$1,507,410; Eloy \$2,253,079; Florence \$3,148,226; Kearny \$248,901; Mammoth \$193,679; Maricopa \$5,984,522; Superior \$364,855; \*Winkelman \$40,297; \*Hayden \$72,443.

\*City/town boundaries are in two (2) counties, total allocation

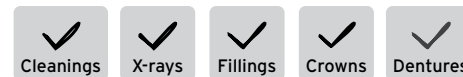

combined

Local governments may use their allocation to cover regular payroll costs of public health and public safety personnel, freeing up existing local budget capacity to be deployed elsewhere. The fund is designed to provide maximum flexibility, while minimizing red tape, so municipalities can determine how best

# CAC and four other community colleges begin their work to strengthen student success

SILVER SPRING, MD (June 2, 2020) – Five colleges from five states across the country have strengthened their commitment to improving student success by becoming part of the Achieving the Dream (ATD) National Network. These colleges are joining ATD at a time when COVID-19 has caused unimaginable disruptions that can only be met with resilience, innovation, and a deepened commitment to student success and equity, a response seen across the nation by ATD's Network of community colleges.

“Transformational change is difficult under normal circumstances, and it's particularly pronounced during such a challenging time. We are encouraged by the commitment of these five institutions who have shown that student success is at the core of their work,” said Dr. Karen A. Stout, president and CEO of Achieving the Dream. “We look

forward to working with these colleges on building their capacity for change over the next three years, and we are excited to welcome them to the Network this summer.”

Teams from each of the five colleges will convene at a Virtual Kickoff Institute in July, which will set the stage for their work as ATD Network institutions. During Kickoff, college teams will meet virtually with their ATD coaches and begin to organize their student success work for the year, including preparing for campus-based Kickoff work in the fall. Their Kickoff experience will include an introduction to ATD's approach, a capacity-building framework and companion self-assessment Institutional Capacity Assessment Tool, that enables colleges to pinpoint their strengths and areas for improvement across seven institutional capacities that are needed to facilitate

change. This framework integrates and aligns efforts that the colleges may have already begun to implement, such as guided pathways, integrated planning and advising, developmental education redesign, and assesses readiness for other large-scale change work.

“COVID-19 has further exposed equity gaps for many of the students served by community colleges, and student success work is now more important than ever,” said Dr. Stout. “The institutions that built a strong student success foundation are doing better during COVID-19, and we're excited to work with this exceptional cohort as they build a post-COVID future at their institutions.”

2020 Cohort includes:

Central Arizona College (AZ)  
Compton College (CA)  
Milwaukee Area Technical College (WI)  
Northwest State Community College (OH)

## CARES ACT

Continued from page 9

to use the funds to meet their needs.

In an effort to benefit all Pinal residents, the Board of Supervisor will have to discuss and vote on how to disperse this funding to unincorporated areas of Pinal County. The focus for these areas will be services like rental assistance, utility payments, food banks, social services, businesses, job training and more.

Supervisor Rios is grateful to the Governor for making an effort to treat rural areas on a more equitable basis and will continue to advocate for Pinal County.

*Editor's note: The Pinal County Board of Supervisors held its regular meeting today, June 3. On the agenda was an item addressing the CARES Act funds and how best to allocate them throughout the county. The agenda item reads:*

*"Discussion/approval/disapproval to direct staff to prepare an expedited Pinal CARES initiative process targeting coronavirus-related needs mainly throughout unincorporated Pinal County but to coordinate with municipalities within Pinal County so as to not duplicate programs or assistance, unless necessary, so that programs and assistance can be quickly implemented meeting the greatest number of needs of residents, non-profits and local businesses. (Louis Andersen)"*

*Copper Area News will continue to follow this issue and inform our readers of the outcome.*
