## OBITUARIES

# Mary Frances Lease

Mary Frances Lease, age 78, of Dudleyville, arrived in her promised place of eternity on Thursday, May 23, 2019.

**AZTECA GLASS  
EAST, INC.**

1324 N. Broad St. 928-425-8212  
Globe, AZ 85501 Licensed • Bonded • Insured

As well as being in the presence of Jesus, she is having a blessed reunion with the many loved ones that preceded her in death. They include: her parents, LeeRoy and Vivian "Dutch" Schoonover; husband, James; son, Charles Boyd; daughter, Theresa Fisher; son-in-law, Chad DeCino; and grandson, Christopher DeCino.

Frances had an enormous amount of love for her family and friends. She always let you know how much you meant to her. She enjoyed gardening, sewing, attending church, watching and caring for her many, many variations of birds. Her most important role was being a mother and grandmother. She loved getting together with

her family to play dominos. She'll be sorely missed by all.

She is survived by her son, David (Camie) Boyd of Kearny; daughter, Char DeCino of Dudleyville; seven grandchildren and 18 great grandchildren; sister, Iva (Amos) Cline of Oracle; brother, Richard (Gayle) Schoonover of Tucson; and many nieces and nephews.

The family is grateful for THEMA and Griffith's Mortuary for their care and assistance.

# Leonor 'Noni' Marquez

Leonor "Noni" Marquez passed in peace on May 26, 2019 at the age of 65. Leonor was born to Dalia and Manuel Marquez on March 11, 1954 in Ray, Arizona. She was preceded in death by her father, Manuel "Cholla" Marquez, and brother, Jimmy Marquez.

Leonor was a free spirited person who never harbored hate or anger.

She is survived by her mother, Dalia Marquez; and sons, Joseph

Gonzales and Derek Gonzales. She is also survived by her grandsons, Joseph and Antonio Gonzales.

Services for Leonor were held Friday, May 31, 2019 at Calvary Church in Kearny. She was laid to rest at Fairview Cemetery in Superior.

# Jerry 'Bug' Farris

On May 20, 2019, at the age of 59, Jerry "Bug" Farris peacefully passed away after a long battle with illness.

Jerry was born on Nov. 17, 1959 in Ray, Arizona to Ellis and Patsy Farris. He was preceded in death by his parents and oldest brother, Dennis Farris.

He is survived by his brother, Jeff, and sister-in-law, Brenda, of Queen Creek, as well as several nieces and nephews.

Jerry Bug will be most remembered for his success in the rodeo world where he won multiple championships.

His wishes were to have no services, so we will honor that and pay our respects quietly as a family.

## LETTER TO THE EDITOR

# Tariffs on Mexico will harm Pinal County

In just the past month, we have seen some impressive articles about our grand county:  
 “Pinal County prepares for influx of thousands of new jobs”  
 “Pinal County on the road to becoming an automotive manufacturing juggernaut”  
 “Pinal County solar project picks up tech, retail, mining

and government customers”  
 “Pinal County has some economic lessons for Gila County”  
 On Friday we learned that one person can throw that all away.  
 I’m speaking of our President.  
 On Friday, President Trump announced that he will

enact tariffs on Mexico in order to punish them for the influx of illegal immigration. First of all, the only people who will be hurt by these tariffs will be you and me by spending more on fruits and vegetables.

Next, there are a lot of large projects slated to come to Pinal County in the next year such as Lucid Motors and Nikola Motors that depend upon favorable trade with Mexico. Our proximity to our neighbors to the south is one of the reasons they chose Pinal County for their multi-billion dollar enterprises that will also supply our residents with high paying jobs.

Like a bad target shooter, the President is going to be hitting Americans (particularly Pinal County residents) hard by this tariff, meanwhile Mexico will feel little, if no effect. In the end, there will still be illegal immigration.

Even the Arizona Chamber of Commerce and Industry, and Senators Sinema and McSally are against this bad idea.

If Pinal County’s Economic Development engine is stopped by these tariffs and other actions of the President, I can guarantee you it will be extremely difficult, if not impossible to get it started again. We have a once in a lifetime opportunity to become a major player in the international markets, but with the swoop of one signature, we can see that go away forever.

I am asking Governor Doug Ducey to stand against these tariffs and stand with Arizonans. Don’t let small minded ideas take away our shot at greatness.

/s/ **Pete Rios**  
**Supervisor, District 1**

## Arizona Fire Fighters caution public: fraudulent fundraising phone calls happening statewide

PHOENIX – The Professional Fire Fighters of Arizona, the state’s largest fire fighters’ organization, has issued a warning to Arizona consumers: Beware of telephone solicitors pretending to raise money for fire fighters’ charities.

“These scam phone calls happen frequently and recently we have had reports of an uptick in fake charity solicitations,” said Bryan Jeffries, the president of the PFFA. “No reputable fire fighters organization in the state is using phone solicitors to raise money. If you get a phone call asking for a donation on behalf of an Arizona fire

fighters’ group, it’s a fraud.”

Consumers who get such calls are encouraged to take notes of the content of the call and the caller’s phone number, then contact the Arizona Attorney General’s Office either by phone or online. Consumer complaints can be filed at <https://www.azag.gov/complaints/consumer>.

Recent fake calls have included solicitors reportedly citing a group known as the “Fire Fighter Support Association.”

According to Jeffries: “To my knowledge, that group has done nothing to support fire fighters in Arizona, nor do they have any affiliation with our organizations either at the state or local level. Every dollar donated to a fake group like this is a dollar siphoned away from legitimate charitable causes. That’s an absolute shame.”

The PFFA represents more than 7,000 fire fighters across the state of Arizona.

For interviews or for more information, please contact David Leibowitz at 602-317-1414 or by email at [david@leibowitzsolo.com](mailto:david@leibowitzsolo.com).

## Community Working Group to explore various local issues of interest on June 12

The Superior Community Working Group (CWG) will meet on Wednesday, June 12, to discuss issues of interest to members including community comments from the Kearny, Winkelman, and Hayden areas about a potential Resolution Copper Project tailings disposal site. This CWG meeting will be held at the Superior Chamber of Commerce from 6 to 8 p.m.

The CWG includes residents and stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, Hayden, the San Carlos Community and around the area. The group deals with the social and environmental issues, science and policy,

and the pros and cons of the

# Anheuser-Busch delivers emergency drinking water to volunteer firefighters nationwide; deliveries to help departments prepare for upcoming wildfire season

Last week, Anheuser-Busch began to deliver approximately 300,000 cans of emergency drinking water to 26 of the country's volunteer fire departments, in partnership with the National Volunteer Fire Council (NVFC), to provide critical hydration to first responders in advance of wildfire season.

The Copper Corridor had two departments who were the recipients of this delivery: Pinal Rural Fire & Medical District and Hayden Fire Department.

Anheuser-Busch announced the expansion of its 30-year-old emergency drinking water program in April, and has committed to donating one million cans of clean drinking water in support of volunteer fire departments in 2019.

"Eighty-three percent of the nation's fire departments, which protect our communities from hazards of all kinds, are all- or mostly-volunteer," said Steve Hirsch, Chair of the NVFC. "Funding for needed resources is a constant challenge for many of these departments, making this donation even more important as it directly supports the health and safety of our firefighters and the communities they serve."

To officially kick off the expanded program, the brewer has worked closely with the NVFC to identify and select some of the most vulnerable markets across the country to receive this initial water delivery to help prepare for the upcoming wildfire season.

"As the country faces more natural disasters, like wildfires, preparation plays a major role in ensuring fire departments across the country have the resources they need to protect

their friends and neighbors," said Adam Warrington, Vice President of Corporate Social Responsibility at Anheuser-Busch. "In the same way we have utilized our production strengths to can water throughout the year to support our communities at a moment's notice, these water donations – in advance of wildfire season – will provide critical hydration to help our nation's volunteer firefighters stand ready for our communities in times of need."

The program will also implement a rapid-response approach to support volunteer departments nationwide actively fighting wildfires throughout the year. Starting in June, volunteer fire departments across the U.S. will be able to request Anheuser-Busch emergency drinking water through the NVFC for their immediate or upcoming wildfire response needs. Additional information will be available at [www.nvfc.org/water](http://www.nvfc.org/water).

Through their local wholesaler partners, and in connection with the NVFC, Anheuser-Busch began delivering emergency drinking water to the following volunteer fire departments last week week:

- Arizona: Pinal Rural Fire & Medical District (Mammoth, AZ)
- Arizona: Hayden Volunteer Fire Department (Hayden, AZ)
- California: Mi Wuk Sugar Pine Fire Protection District (Twain Harte, CA)
- California: Suisun City Firefighters Association Inc. (Suisun City, CA)

- California: Graton Fire Department (Sebastopol, CA)
- California: Geyserville Volunteer Firefighters Association (Geyserville, CA)
- Colorado: Southwest Washington County Fire Protection District (Anton, CA)
- Colorado: Brush Volunteer Fire Department (Brush, CO)
- Colorado: Hillrose Snyder Volunteer Fire Department (Hillrose, CO)
- Idaho: Donnelly Rural Fire Protection District (Donnelly, ID)
- Iowa: Harlan Fire Department (Harlan, IA)
- Kansas: Girard Fire Department (Girard, KS)
- Kansas: Linn County Rural Fire Department (Pleasanton, KS)
- Massachusetts: Carver Fire Department (Carver, MA)
- Montana: South Kalispell Volunteer Fire Department (Kalispell, MT)
- Nebraska: Chadron Volunteer Fire Department (Chadron, NE)
- Nevada: Lovelock Volunteer Fire Department (Lovelock, NV)
- New Hampshire: Brookline Fire Department (Brookline, NH)
- Oklahoma: Darwin Volunteer Fire Department (Antlers, OK)
- Oklahoma: Konawa Volunteer Fire Department (Konawa, OK)
- Oregon: Ontario Fire & Rescue (Ontario, OR)
- South Dakota: Rockerville Volunteer Fire Department

- Texas: Edinburg Fire Department (Edinburg, TX)
- Washington: Grant County Fire District 3 (Quincy, WA)
- Wyoming: Goose Valley Fire Department (Sheridan, WY)

Anheuser-Busch has a longstanding tradition of providing emergency drinking water and supplies for disaster relief efforts in partnership with the American Red Cross. Every year, the brewer periodically pauses beer production to can emergency drinking water, to be ready to lend a helping hand during natural disasters and other crises. Since 1988, Anheuser-Busch and their wholesaler partners have provided more than 80 million cans of water to U.S. communities affected by natural disasters nationwide.

## ABOUT ANHEUSER-BUSCH

For more than 165 years, Anheuser-Busch has been woven into the cultural fabric of the United States, carrying on a legacy of brewing great-tasting, high-quality beers that have satisfied beer drinkers for generations. Today, we own and operate 23 breweries, 14 distributorships and 23 agricultural and packaging facilities, and have more than 18,000 colleagues across the United States. We are home to several of America's most recognizable beer brands, including Budweiser, Bud Light, Michelob ULTRA and Stella Artois, as well as a number of regional brands that provide beer drinkers with a choice of the best-tasting craft beers in the industry.

From responsible drinking programs and emergency drinking water donations to industry-leading sustainability efforts, we are guided by our unwavering commitment to supporting the communities we call home.

For more information, visit [www.anheuser-busch.com](http://www.anheuser-busch.com) or follow Anheuser-Busch on LinkedIn, Twitter, Facebook and Instagram.

# Hayden pool to remain closed for summer; revenues continue to drop

**By Mila Besich**  
Copper Basin News

The residents of Hayden will not be swimming at the Hayden swimming pool this summer. During the May Hayden Town Council meeting, the Council decided that they were unable to open to open the swimming pool for the summer.

General Superintendent, Gary Cruz explained that with the decreased revenues the Town would need to lay off a staff member or two, in order to fund the pool operations and maintenance. The decision weighed heavy on the local council, but it

was determined that it would be best to keep the pool closed for the summer in order to maintain daily town operations.

These budget concerns come after projected revenue have come in much less than were originally anticipated. The Town has transferred \$500,000 from the Town savings account to cover the budget loss, just to stay in the black.

Town Accountant (Contractor) Teresa Williams explained in an interview that the Town has \$1.4 million dollars in its savings, however if the spending continues at the same rate, those funds will only last about 14 months. The shortfall is

due to a decrease in sales tax revenue and a reduction in the total property tax valuation.

Mayor Dean Hetrick explained that everyone on the Council is working to come up with solutions to solve the budget crisis. The Council is expected to make more decisions on how to balance the 2019-20 budget and make additional decisions on where cut costs at their meeting scheduled for June 11.

"Each member of our Council is working hard for the Town and our citizens to come up with the best solutions to overcome this," he said.

Over the past five years, sales tax and property tax revenue have continued to decline for the Town of Hayden. To date, the total revenues have dropped by half the amount they were in 2014. Sales tax amounts paid by each individual business are not allowed to be disclosed as per state law. Hayden does collect a three percent sales tax on items bought and sold within the Town's boundaries, but there are not many businesses within the Town limits. The total property valuation for the Town of Hayden is expected to decline from \$7.5 million to \$7.2 million, a \$300,000 decrease in the 2019-20 budget.

## COMMUNITY WORKING GROUP

Continued from page 3

proposed Resolution Copper Project. Topics include environmental impacts, health, safety, natural resource issues, engineering, water quantity and quality, geology, economics, air quality, community investments, recreational

changes and other related subjects.

Meetings are usually held at the Superior Chamber of Commerce at 165 W. Main St. in Superior 6-8 p.m., most often on the second Wednesday of each month. The public is

welcome, and time is reserved on the agenda for everyone's comments, questions and discussion.

More information about the CWG as well as agendas, meeting summaries, and past

presentations are available for public review at the Superior Chamber of Commerce offices and at the Superior Public Library at 99 N. Kellner Ave., as well as online at <http://SuperiorAZCWG.org/>

# Copper Communities Food Hub is looking for local vendors for Superior and Dudleyville markets

The Copper Communities Food Hub invites local farmers and gardeners to sell at the Farm to Fantastic Markets in Superior and Dudleyville.

The Dudleyville market will be open the first and third Friday during the months of June, July, August and September from 9 a.m. to noon at the

Dudleyville Multigen Center.

The Superior Farm to Fantastic Market will be open on the second and fourth Friday from 4 to 7 p.m. The Superior Farm to Fantastic Market will be held at the Superior Food Court located on Main Street. On June 14, the Town of Superior will celebrate the

grand opening of the newly remodeled Food Court Park.

For more information on how to become a vendor at the markets please call Holly Brantley at 928-701-3097 or Shelbi Lindesmith at 330-592-4842.

The Copper Communities Food Hub - Farm to Fantastic Markets

is a collaborative project between the Copper Corridor Economic Development Coalition and the Southern Gila County Economic Development Corporation. The projects are funded through a grant from the United States Department of Agriculture.

## Public Notice

Arizona Water Company (the "Company") has released its 2018 Water Quality Report (Consumer Confidence Report) for its Winkelman water system, PWSID 04-003. The Company will not be mailing a copy of the report to its customers, because Arizona Administrative Code R18-4-117, granted a mailing waiver to small water systems with a population less than 10,000 people. Copies are now available: at the Oracle office located at 470 E. American Avenue; via mail by sending a request to Arizona Water Company, P. O. Box 5209, Oracle, AZ 85623; via our website at [www.azwater.com](http://www.azwater.com); or by calling the local office at 520-385-2226. The entire report is also printed in the newspaper today. The Company recommends that customers serving more than one housing unit post a copy of the 2018 Water Quality Report in a conspicuous place.

### ARIZONA WATER COMPANY

– 2018 ANNUAL WATER QUALITY REPORT FOR WINKELMAN, ARIZONA, PWSID NO. 04-003 –

This report contains important information about your drinking water.  
Este informe contiene información importante sobre su agua potable.  
Tradúzcalo o hable con alguien que lo entienda bien.

Arizona Water Company provides groundwater to its Winkelman customers from wells located throughout the Winkelman area.

All water samples are collected by state-certified employees of Arizona Water Company or by the Arizona Department of Environmental Quality ("ADEQ"). Samples are analyzed by state-certified independent laboratories and the results are forwarded to ADEQ. The following report provides detailed information about the quality of the water delivered to customers. The water supplied by Arizona Water Company complies with all state and federal safe drinking water standards and regulations.

### DETECTED WATER QUALITY CONSTITUENTS - GROUNDWATER

Primary Standards							
Water Quality Constituent	Units	MCLG	MCL	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent	
<b>Inorganics</b>							
Arsenic	ppb	0	10	5	2012	Erosion of natural deposits; runoff from orchards; runoff from glass and electronics production wastes	
Barium	ppm	2	2	0.03	2012	Discharge of drilling wastes; discharge from metal refineries; erosion of natural deposits	
Fluoride	ppm	4	4	1	2012	Erosion of natural deposits; water additive which promotes strong teeth; discharge from fertilizer and aluminum factories	
<b>Radiological</b>							
Alpha Emitters	pCi/L	0	15	5	2015	Erosion of natural deposits	
<b>Disinfectant / Disinfection Byproducts</b>							
Water Quality Constituent	Units	MCLG (MRDLG)	MCL (MRDL)	Average Level Detected	Range of Levels Detected	Sample Year	Typical Source of Detected Constituent
Chlorine Residual	ppm	(4)	(4)	0.9	0.4 - 1.5	2018	Drinking water disinfectant
Haloacetic Acids (five)	ppb	NA	60	3	3	2018	Byproduct of drinking water disinfection
Total Trihalomethanes	ppb	NA	80	11	11	2018	Byproduct of drinking water disinfection
<b>Additional Constituents (Unregulated)</b>							
Sodium	ppm	NS	NS	160	160	2018	Unknown
<b>Lead and Copper Monitoring</b>							
Water Quality Constituent	Units	MCLG	Action Level	90 <sup>th</sup> Percentile of Sample Results	Number of Samples That Exceeded the Action Level	Sample Year	Typical Source of Detected Constituent
Copper	ppm	1.3	1.3	0.2	0	2016	Internal corrosion of household water plumbing systems; erosion of natural deposits; leaching from wood preservatives
Lead	ppb	0	15	7	2	2016	Internal corrosion of household water plumbing systems; erosion of natural deposits

Your drinking water complies with the United States Environmental Protection Agency's ("USEPA") safe drinking water standard for arsenic, though it contains low levels of arsenic. USEPA's safe drinking water standard balances the current understanding of arsenic's possible health effects against the costs of removing arsenic from drinking water. USEPA continues to research the health effects of low levels of arsenic, which is a mineral known to cause cancer in humans at high concentrations and is linked to other health effects such as skin damage and circulatory problems.

Note: In addition to the constituents listed in this report, Arizona Water Company conducted monitoring for over 90 additional constituents and the results show none of those constituents were detected in the water. Data presented are from the most recent testing done in accordance with applicable regulations. Some constituents are monitored less frequently than once a year because either their concentrations do not change frequently or they are not likely to be detected. Therefore, some of the water quality testing data contained in this report, although representative, may be more than one year old. If you have questions about this water

## Public Notice

quality report please contact Regina Lynde, Environmental Compliance Manager, Arizona Water Company, P. O. Box 29006, Phoenix, Arizona 85038-9006; telephone (602) 240-6860 or e-mail [mail@azwater.com](mailto:mail@azwater.com).

In 2000, ADEQ completed a Source Water Assessment of the water sources used by Arizona Water Company's Winkelman water system. ADEQ reviewed the adjacent land uses that may pose a potential risk to the water sources. ADEQ determined that activity on an adjacent land use poses a high risk to two water sources. Arizona Water Company regularly monitors drinking water sources to make sure your drinking water complies with the Safe Drinking Water Act.

The complete Assessment is available for inspection at ADEQ, 1110 West Washington Street, Phoenix, Arizona 85007, between the hours of 8:00 a.m. and 5:00 p.m. Electronic copies are available from ADEQ at [dml@adeq.gov](mailto:dml@adeq.gov). For more information visit ADEQ's Source Water Assessment and Protection Unit website at: [www.azdeq.gov/environment/water/dw/swap.html](http://www.azdeq.gov/environment/water/dw/swap.html).

### The USEPA and ADEQ require Arizona Water Company to provide the following information:

Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some constituents. The presence of constituents does not necessarily indicate that water poses a health risk. More information about constituents and potential health effects can be obtained by calling the USEPA's Safe Drinking Water Hotline (800-426-4791).

Some people may be more vulnerable to constituents in drinking water than the general population. Immuno-compromised persons such as persons with cancer undergoing chemotherapy, persons who have undergone organ transplants, people with HIV/AIDS or other immune system disorders, some elderly, and infants can be particularly at risk from infections. These people should seek advice about drinking water from their health care providers. USEPA/CDC guidelines on appropriate means to lessen the risk of infection by *Cryptosporidium* and other microbial constituents are available from the Safe Drinking Water Hotline (800-426-4791).

The sources of drinking water (both tap water and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs, and wells. As water travels over the surface of the land or through the ground, it dissolves naturally-occurring minerals and, in some cases, radiological material, and can pick up substances resulting from the presence of animals or from human activity.

Constituents that may be present in source water include:

- Microbials, such as viruses and bacteria, which may come from sewage treatment plants, septic systems, agricultural livestock operations, and wildlife.
- Inorganics, such as salts and metals, which can be naturally-occurring or result from urban stormwater runoff, industrial or domestic wastewater discharges, oil and gas production, mining, or farming.
- Pesticides and herbicides, which may come from a variety of sources such as agriculture, urban stormwater runoff, and residential uses.
- Organics, including synthetic and volatile organic chemicals, which are byproducts of industrial processes and petroleum production, and can also come from gas stations, urban stormwater runoff, and septic systems.
- Radiological material, which can be naturally-occurring or be the result of oil and gas production and mining activities.

In order to ensure that tap water is safe to drink, USEPA prescribes regulations which limit the amount of certain constituents in water provided by public water systems. FDA regulations establish limits for constituents in bottled water which must provide the same protection for public health.

If present, elevated levels of lead can cause serious health problems, especially for pregnant women and young children. Lead in drinking water is primarily from materials and components associated with service lines and home plumbing. Arizona Water Company is responsible for providing high quality drinking water, but cannot control the variety of materials used in plumbing components. When your water has been sitting for several hours, you can minimize the potential for lead exposure by flushing your tap for 30 seconds to 2 minutes before using water for drinking or cooking. If you are concerned about lead in your water, you may wish to have your water tested. Information on lead in drinking water, testing methods, and steps you can take to minimize exposure is available from the USEPA's Safe Drinking Water Hotline or at <http://www.epa.gov/lead>.

### DEFINITIONS, ABBREVIATIONS, AND UNIT DESCRIPTIONS:

- Action Level = The concentration of a constituent which, if exceeded, triggers treatment or other requirements which a water system must follow.
- CDC = United States Centers for Disease Control and Prevention
- FDA = United States Food and Drug Administration
- MCL = Maximum Contaminant Level, the highest level of a constituent that is allowed in drinking water. MCLs are set as close to the MCLGs using the best available treatment technology as is economically and technologically feasible.
- MCLG = Maximum Contaminant Level Goal, the level of a constituent in drinking water below which there is no known or expected risk to health. MCLGs allow for a margin of safety.
- MRDL = Maximum Residual Disinfection Level, the highest level of a drinking water disinfectant allowed in drinking water
- MRDLG = Maximum Residual Disinfection Level Goal, the level of a drinking water disinfectant below which there is no known or expected risk to health. MRDLGs do not reflect the benefits of the use of disinfectants to control microbial constituents.
- NA = None adopted
- ND = None detected
- NS = No standard
- pCi/L = Picocuries per liter
- ppb = Parts per billion, or micrograms per liter (µg/l)
- ppm = Parts per million, or milligrams per liter (mg/l)
- PWSID = Public Water System Identification

# THIS 'N THAT

## COMMUNITY CALENDAR

### New Hours for Hayden Town Hall, Sr. Center, Library

The Hayden Town Hall, Hayden Senior Center and Hayden Public Library will begin new hours April 8. The new hours are from 7 a.m. - 5:30 p.m., Monday -Thursday and closed on Friday. The town hall will be closed from noon -12:30 p.m. for lunch.

### Caretaker Sought

The Association of Universal Philosophy's Church to God needs a caretaker to look after the property, do some odd jobs and maintenance. There is a self-contained RV unit in our church lot, free or free minus the cost of electric use. You would be welcome to come in the church during the day.

### Church of God Ownership

Ray Elkins built the Association of Universal Philosophy's church to God in 1982. This church on Dripping Springs Road is in no way affiliated with WindSpirit Community, which is across the street. Each is an independent non-profit organization. WindSpirit neither owns nor rents the church.

### Eagle One Veteran Outreach

Visit Eagle One Veteran Outreach Center online at [hohp4heroes.org](http://hohp4heroes.org). Eagle One provides veterans a place to learn about and apply for all services available to them.

### September Fiesta King and Queen Candidates

We are looking for candidates for September Fiesta King and Queen High School and Princes and Princess (Jr. High) in the Kearny - Hayden/Winkelman area, to be held on Saturday and Sunday, Sept. 14 and 15. Please email [KHWFiestas@gmail.com](mailto:KHWFiestas@gmail.com) if you would like more information.

### Dudleyville Burn Ban

Effective May 1 - Sept. 30 a BURN BAN is in effect for the Dudleyville Volunteer Fire District which includes the area of Dudleyville, Indian Hills and Aravaipa. Burn permits for both residential and agricultural purposes are not valid during this time.

### Kearny Swimming Pool Schedule

The Town of Kearny Swimming Pool schedule for the season is Monday - Saturday, 1 p.m. - 5 p.m. Public Swim, and 5 p.m. - 6:30 p.m. Lap Swim. On Wednesday and Friday, 7 p.m. - 9 p.m., Public Swim. Daily Pass price is \$3 per person regardless of number; Season Pass for one person is \$45; \$10 for each additional person, ending at \$95 for 6 or more persons. All Copper Basin swimmers are invited to the Kearny pool. Hayden announced that it will not be opening the Hayden pool this summer due to budget constraints.

## JUNE

### 12 Winkelman NRCD Meeting Moved

The Winkelman NRCD quarterly meeting has been moved to June 12 at 10 a.m. at the General Kearny Inn. Lunch will be potluck.

### 18 Free Summer Youth Program

A Free Summer Youth Program will offer fun for ages 9 -15 in four sessions at Hayden High School, 824 N. Thorne Ave. in Winkelman on Tuesdays June 18 and 25 and July 9, from 10 a.m. - noon and on July 16 from 6 p.m. - 8 p.m. If you are interested, please contact Aly Buhler at 801-660-9409 or Bridget Pendre at 520-391-0485.

### 19 Active Parenting Program

There will be an Active Parenting: First Five Years program held at Hayden High School, 824 Thorne Ave. in Winkelman. Sessions will be from 4 p.m. - 5:30 p.m., Session 1 will be held Wednesday, June 19, Session 2 on Thursday, June 20, Session 3 on Wednesday, June 26 and Session 4 on Thursday, June 27. For more information, contact Bridget Pendre at 520-391-0485.

## JULY

### 4 Cobre Valley Independence Day

Celebrate American Independence on our nation's 243rd birthday. Gather in historic downtown Globe on Thursday, July 4, beginning at 8 a.m., for music from the Celebration Band performing patriotic melodies from over the years. Witness the escorting of the American flag by the American Legion Riders up Broad St. for the singing of the national anthem. Cheer on as the Independence Day Parade passes by! It is not too late to join the parade and help make this the most memorable year, yet. Gather your horses. Show off your classic car. Advertise your business or club. Enter your church van or decorate the family ATV. Public officials and candidates for office can ride along and thank the voters for their support. Our celebration is only limited by your imagination, so enter today and paint the Cobre Valley red, white and blue! Entry forms are available for pickup at the Globe-Miami Chamber of Commerce, or call with questions at 928-425-4495, or email [visitorinfo@globemiamichamber.com](mailto:visitorinfo@globemiamichamber.com).

## ON THE AGENDA

**KEARNY CLEAN UP:** Kearny's free dump day is held on the second Saturday of every month at the old transfer station.

**UNITED FOOD BANK:** United Food Bank will be in front of the Court House, on the first Friday of each month.

**MASONS TO MEET:** Ray-Winkelman Masons Lodge #24 will hold its regular meeting at 318 Fairhaven Road, Kearny, on the second Tuesday of each month at 7:30 p.m. All Masons are invited. The Order of the Eastern Star meets the second Thursday of each month.

**HAYDEN SENIOR CENTER:** The Hayden Senior Center, 520 Velasco Ave., is open every weekday, from 8 a.m. - 4 p.m., to serve the needs of senior citizens and low-income families. A warm, nutritious lunch is served every day. Call 520-356-7035 for information or to check on the daily meal.

**KEARNY LIBRARY HAPPENINGS:** Story hour for preschool children is held on Mondays from 10-11:30 a.m. Coffee and Conversation for seniors over 50 is held Tuesdays and Thursdays from 8:30-10 a.m. (use the SW door in the back). Crochet class is held Wednesdays from 1-2:30 p.m. for beginners to advanced (we'll teach you). Ladies Day Out once a month potluck and friendship is held the third Tuesday of the month. Time is noon to 3 p.m. Bring a covered dish to share. There will be activities, games and a craft. The KLAC (Kearny Library Activity Center) is open for kids 8-14 on Fridays from noon to 1 p.m. For more information call 363-5861.

## ANNOUNCEMENTS

### Winkelman Early Head Start

Pregnant Women, Children - Birth to Three: You are your child's first teacher. Early Head Start provides classroom experiences or home visits to support your parenting challenges and celebrate your success. ## Prescribed fire planned for Aravaipa Canyon area the week of June 3; project will improve grasslands on the south rim

SAFFORD, Ariz. – The Bureau of Land Management's (BLM) Safford Field Office and Gila District Fire Management Office will conduct a multiple day prescribed burn in the Aravaipa Canyon area, pending appropriate weather and seasonal conditions, within the week of June 3, 2019. The South Rim Burn will cover approximately 15,726 acres of BLM and private land in the Aravaipa Canyon Ecosystem Management Area located 50 miles west of Safford. Most of the prescribed area lies within Pinal County.

Prescribed fires are intended to mimic natural

fire frequency and intensity. They improve the health of the land by stimulating growth of desirable grasses, reducing invasive plants and managing fuel loads so that natural fires are less destructive. Large prescribed burns have been conducted in the Aravaipa Canyon Ecosystem Management Area since 1998. The burn is being coordinated with the Arizona Game and Fish Department and The Nature Conservancy Aravaipa Canyon Preserve.

The Aravaipa Canyon Ecosystem Management Area contains 69,000 acres of desert grasslands and permanently flowing waterways under the stewardship of the BLM and The Nature Conservancy. The organizations work

together to conserve and enhance the ecosystems in the area while providing recreation opportunities such as hunting, hiking and horseback riding. The area is located in Pinal and Graham counties.

"The Aravaipa Canyon has some impressive natural values, and these fire treatments are part of a long-term combined effort to conserve the area," said Safford Field Office Manager Scott Cooke.

Aravaipa Canyon area roads listed below will be closed from 6 p.m. the day before each burn to 6 a.m. the day after each burn is completed.

Specific road closures:

- Turkey Creek from the confluence of Aravaipa Canyon to the conjunction with the Rug Road.

- Rug Road from the conjunction with Turkey Creek to the conjunction with Dry Camp Canyon.

Fire crews will monitor the burned area during and after all prescribed burns. Prescribed burn information will be available the day of the burn at the Safford Field Office.

The BLM manages more than 245 million acres of public land located primarily in 12 Western states, including Alaska. The BLM also administers 700 million acres of sub-surface mineral estate throughout the nation. Diverse activities authorized on these lands generated \$96 billion in sales of goods and services throughout the American economy in fiscal year 2017. These activities supported more than 468,000 jobs.
