## OBITUARY

# Kimberly Danell Hamilton

On May 26, 2017, Kim's two year battle with cancer came to an end as she slipped gently into the arms of the Lord, surrounded by family members, at the Vista Grande nursing home in Cortez, Colorado.

Kimberly Danell Hamilton was born March 24, 1967 in Kearny, Arizona where she attended her K-12 schooling at Ray District schools. After graduating from high school, she then attended Northern Arizona University in Flagstaff for two more years. Over the past several years, she had also taken online classes and earned a degree in criminal justice, and a certificate in photography and most recently was pursuing a certificate in massage therapy.

Kim enjoyed being with family and friends engaging in outdoor activities such as camping, shooting, hunting, and photographing people and nature. She loved to plan and organize parties and events such as fundraising, birthdays, retirements, school events, and volunteered her services for county fairs and ranch rodeo's and was always ready to use her skills to photograph them. She

loved country music, especially music by her idols, George Strait, and Sammy Kershaw, and would attend their concerts whenever possible. Kim was also a member in good standing with the NRA, in addition to being a great patriot for her country.

Kim's work history consisted of being a waitress, bartender, hostess, acid unloading technician for ASARCO copper, store clerk, automobile title clerk, and was a public notary.

Kim is survived by her parents, Ron and Tres Hamilton; two sisters, Laurie Schoen and Rhonda (David) Dunaway; her brother, Toby (Becky) Hamilton; her son, Cody (Heather) Hamilton; her daughter, Lacy Hamilton; and her two beautiful grandchildren, Raylee Cheyenne and Easton Roy Hamilton. She is also survived by many nephews, nieces, aunts, uncles, and cousins in addition to many great friends.

Kim was preceded in death by her grandparents, Wayne and Wilodine Levitt, and Robert and Violet Hamilton; her brother, Darrel, and many uncles, aunts, cousins, and great special friends.

No service is scheduled at this time, but contributions in her memory can be made to Hospice of Montezuma at PO Box 740, Cortez, Colorado 81321, or at 970-565-6123.

The Hamilton family sends a special heartfelt thank you to the Hospice of Montezuma and the Vista Grande nursing and social staff members that were extremely compassionate, cordial, and caring during Kim's ordeal. She is now in a better place and will be greatly missed by all.

# Keeping the Copper Corridor Beautiful

bet you noticed the bright colors in Superior, not on the front of the downtown buildings, but on the back. The purpose of the paint job is simple: to make people aware that there is downtown district, despite having to get off the main road to see it.

And it worked! Superior's Chamber of Commerce figured that tourism was up at least twenty percent with a corresponding increase in income. Now, the paint job along didn't do it all. Once people turned off the road to see the downtown, they saw well-cared for buildings and interesting shops. But if people hadn't gotten off the

highway, they would have missed it all.

In the Copper Basin, three of our towns have worked to get people to stop – Mammoth, Winkelman, and Kearny. What was done and how has it worked?

Mammoth has its roadside park with its Ore Cart as well as a display of other sculptures and narrow gauge ore cars. Winkelman has its Ore Cart (a fine piece of art) and a pleasant corner with trees and flowers. Kearny has its Rail and Copper Park. There are some similarities (mining and trains) but there are dissimilarities too.

Mammoth's park is readily accessible

from the highway. It is not as well marked as it could be, but many people do stop to visit the exhibit and enjoy the shade of the trees. Winkelman's park is smaller, but is designed very well. It, too, has shade for visitors. But it is very poorly marked and parking is difficult to find.

The Rail and Copper Park in Kearny is very visible from the road (like Mammoth) but it is not nearly as accessible. The red caboose is particularly noticeable, but the plantings have suffered over the years from a lack of water. As a result, there is no shade. There's plenty of parking, but "newbies"

have to figure out that the entrance is off Alden Road in the uptown area.

Not only that, but there is no signage letting people know about the park (or where to park, for that matter).

I state all this not to complain, but to state a need. I have long operated on the mantra of "Find a need and fill it." But we can't fill the need unless we know what it is. By the way, Bill Dunn (of ranching and the

GKI) has been helpful cleaning Kearny's park and watering the plants, and people from ASARCO have been helping with the electrical needs for the fountain and park lights. They have found a need and they are

helping to fill it.

What other needs are there in the towns of the Copper Corridor? I hope you will let me know by calling me at 480-220-9349 or by e-mail at sam\_hosler@msn.com.

## Kearny Elks and Little League celebrate annual Flag Day Ceremony

On Friday June 2, the Kearny Elks Lodge performed their annual Flag Day Ceremony at the Kearny Little League field with help from some members of the Desert Blues Minors team.

The Kearny Elks Lodge presents this ceremony, which includes a history lesson on the American Flag, every year to help the Kearny Little League celebrate the end of the season.

Here is the ceremony as it is presented: The History of Our Flag

For more than 200 years, the American flag has been the symbol of our nation's strength and unity. It's been a source of pride and inspiration for millions of citizens. And the American Flag has been a prominent icon in our national history. Here are the highlights of its unique past.

On January 1, 1776, the Continental Army was reorganized in accordance with a Congressional resolution which placed American forces under George Washington's control. On that New Year's Day the Continental Army was laying siege to Boston which had been taken over by the British Army. Washington ordered the Grand Union flag hoisted above his base at Prospect Hill. It had 13 alternate red and white stripes and the British Union Jack in the upper left-hand corner (the canton).

In May of 1776, Betsy Ross reported that she sewed the first American flag.

On June 14, 1777, in order to establish an official flag for the new nation, the Continental Congress passed the first Flag Act: "Resolved, That the flag of the United States be made of thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field,

representing a new Constellation."

Between 1777 and 1960, Congress passed several acts that changed the shape, design and arrangement of the flag and allowed for additional stars and stripes to be added to reflect the admission of each new state.

Act of January 13, 1794 - provided for 15 stripes and 15 stars after May 1795.

Act of April 4, 1818 - provided for 13 stripes and one star for each state, to be added to the flag on the 4th of July following the admission of each new state, signed by President Monroe.

Executive Order of President Taft dated June 24, 1912 - established proportions of the flag and provided for arrangement of the stars in six horizontal rows of eight each, a single point of each star to be upward.

Executive Order of President Eisenhower dated January 3, 1959 - provided for the arrangement of the stars in seven rows of seven stars each, staggered horizontally and vertically.

Executive Order of President Eisenhower dated August 21, 1959 - provided for the arrangement of the stars in nine rows of stars staggered horizontally and eleven rows of stars staggered vertically.

Today the flag consists of thirteen horizontal stripes, seven red alternating with 6 white. The stripes represent the original 13 colonies, the stars represent the 50 states of the Union. The colors of the flag are symbolic as well: Red symbolizes Hardiness and Valor, White symbolizes Purity and Innocence and Blue represents Vigilance, Perseverance and Justice.
