OBITUARY

Mary 'Jane' Cates

Mary "Jane" Cates, 80, passed on May 16, 2016 in Oro Valley. She was born in Antlers, Oklahoma on June 20, 1935.

She married Conrad Hogan on Dec. 12, 1953. They moved to Tucson in 1956, then to San Manuel in 1967, where she lived for 49 years, raising her four sons and many neighboring children. Jane married Joe Cates on March 31, 1990.

Many called her Mom or Granny, and remember her for her love and guidance, as well as her strict rules. She was very active in her church and could be counted on to help with any need that arose. It is unlikely that Jane even knew how many lives she touched. She is probably smiling down from heaven at all of the calls and prayers that her husband and sons have received from the many, many people whose lives she touched.

Jane was preceded in death by her parents, Will and Grace Williams; and, granddaughter, Cassidy Cates. She leaves behind her husband, Joe Cates; sons, Barry Hogan, Rick Hogan, Joey Hogan and Scott (Heather) Hogan; stepson Danny Cates; grandchildren, Brandon Hogan, Jenna (Daniel) Fillion, Jordan (Josh) Huston, Trevor Hogan, Tyson Hogan, Mason Hogan, Hallie Hogan, Ashleigh Richardson, Alycia Richardson, Andrew Cates, Austin Cates, Tyler Cates and Dylan Cates; and, great-grandchildren, Asher Fillion, Brynlee Fillion, and, Ryker Houston.

A memorial service was held on May 20 at the Church of Christ in San Manuel.

Pinal Supervisors adopt tentative budget for FY 2016/17

FLORENCE -- The Pinal County Board of Supervisors has adopted the 2016/2017 fiscal year tentative budget for \$410,193,288. It is a structurally balanced budget for the county.

This tentative budget is \$11 million less than the

Correction

In last week's *San Manuel Miner*, the San Pedro Valley Lions Club were credited with placing the flags on the graves of persons who had served in the military at the Valley View Cemetery in Mammoth.

That was incorrect.

The VFW Pedro Reynoso Post 2767 of Mammoth, in fact, placed the flags on the graves including four flags at the old Mammoth cemetery. The VFW held a ceremony at the cemetery on May 30, Memorial Day, beginning with reading the names of the fallen military out loud. The Chaplain, Lloyd Bradshaw recited In Flanders Fields. The flags were placed on the graves and then the American Flag was raised on the flagpole at the cemetery.

We apologize for the error and thank the members of the VFW for their service both in the military and now, caring for the fallen.

2015/2016 budget. The property tax will remain the same at \$3.99 per one hundred dollars of assessed valuation.

Assistant County Manager Leo Lew made the presentation before the board and his message was that of cautious optimism for the upcoming year.

"Related to the property valuations, our new construction is still relatively modest, but there has been some growth over last year at \$37.7 million." Lew said. "This year we are looking at \$50.9 million. So we are headed in the right direction and slowly increasing from the bottom which looks to be the norm for us."

He also pointed out that general fund sales tax revenues have been growing healthy over the past two years and are

continuing to grow.

Looking at the general fund distribution, 60 percent will go to the public safety and law sector that includes the Sheriff's Office, Courts and the County Attorney's Office. General government expenditures comes out to 24 percent in the distribution of the general fund and 16 percent to public health and a category other.

On every dollar of property tax that is collected by Pinal County, only 25 cents goes to the county, while the rest goes to school districts, Central Arizona College, cities and towns along with other taxing entities.

By law, the tentative budget can decrease and monies can be transferred, but the total cannot increase.

San Manuel Alum

By Andrew Luberda
San Manuel Miner

All Warner Smith wants is a fighting chance.

Smith, who grew up in San Manuel and currently resides in Tucson, was diagnosed with Amyotrophic Lateral Sclerosis (ALS), more commonly known as Lou Gehrig's disease.

ALS is a rapidly progressive, invariably fatal neurological disease that attacks the nerve cells (neurons) responsible for controlling voluntary muscles. The average life expectancy once an individual is diagnosed is 2 – 5 years.

No cure has yet been found for ALS.

Smith was diagnosed two years ago. A 1991 graduate of San Manuel High School, Smith earned a football

scholarship to the University of Arizona (1991-94), where he was an All-Pac 10 offensive lineman. He was drafted by the Indianapolis Colts and enjoyed a brief NFL career before it was ended by injuries.

His San Manuel upbringing makes him an admiral opponent versus ALS, which can expect to face its toughest foe yet.

"Growing up in a mining town instilled a level of toughness that helped me throughout my whole career," Smith told the Miner during a recent interview. "It was a childhood and a high-school career that I wouldn't trade with anybody."

"I think I was incredibly lucky to be raised in the miners' lifestyle that I don't think exists anymore," he added.

"When the mine was still open there was commonality between everyone that was there and that was special. I don't think

you can find that anywhere else."

Smith and his wife, Becky, have a young daughter, Carlee.

Friends, family and former teammates are putting on a "Give Warner a Fighting Chance" event to help raise funds for future medical expenses, living expenses and Carlee's college fund.

Steve Hopkins, the event chairman and one of Smith's friends, has organized the weekend at the Starpass Marriott Resort & Spa, June 24-26. It includes a dinner, auctions, raffles and a roast of Warner on June 24, a golf tournament, lunch and a barbeque on June 25, and a family day on June 25.

Other friends have organized additional

fundraisers, including t-shirts and a Big 15 Raffle, which is limited to only 300 tickets. All proceeds from the raffle will go into a trust to cover Carlee's college education. Fifteen prizes will be awarded as part of the Big 15 Raffle, including a \$5,000 cash grand prize. Other prizes include Apple laptops, five cash prizes ranging \$100-\$2,500, and more.

Tucker Johnson, a lifelong friend, classmate and teammate of Smith's, is heading the Big 15 raffle. He called the pair's friendship "one in a million."

"Obviously, Warner has been a big part of my life since I attended school," Johnson said. "To see him and know what he and his family going through now really breaks

my heart because this guy is a machine and he always was. To see that machine kind of break down in front of our eyes is tough."

"He's more of a brother than a friend," he continued. "To see someone that I love like that and know what he is going to go

through, that's why I'm doing everything I can to help."

Johnson is one of what he called a "chore group" of friends who have known each other for 35 years. They still hunt and "hang out" together.

Why has the small, close-knit group remained so close of the years?

"Probably because I guess we're all nuts," Smith responded in jest. "Just being from the Tri-Community I think everybody understands each other in a way, and has things in common with people, (that's different) from others who aren't from the area."

It's been that group of friends and more who have to come together to support the man Hopkins called a "local hometown hero."

"On the day I learned of my diagnosis, which was before the Ice Bucket Challenge, nobody really knew what ALS was," Smith recalled. "I can remember feeling like I was the only person on the planet and it was a very lonely feeling."

"I've completely did a one-eighty from that," he continued. "I'm touched and

honored from the support I'm receiving from people."

Smith moves around mostly by scooter these days, avoiding the unnecessary risk

of falling and causing significant injury. He still continues to work his full-time job and enjoys hunting and fishing. He called

Fire at ASARCO Hayden crusher

Last Tuesday, big plumes of smoke billowed out of the crusher at the ASARCO complex in Hayden after sparks from a welder started a blaze. The fire started about 9 a.m. and it was extinguished within an hour and a half. Local fire departments assisted with the blaze.

All appropriate environmental and safety agencies were notified. About 30 people work at the crusher. Thankfully no one was injured in the blaze.

At press time there was not a estimated cost for the damages.

ups, and find, as well as implement, ways to boost college enrollment and retention numbers.

At the end of every year the Central Arizona College Phi Theta Kappa members and advisors from all five campuses take part in a cultural excursion. This event is not just about gaining knowledge on the business or event they take part in, it's about fun. This year the Aravaipa Campus chapter pitched a day of fun and adventure in Oracle.

The 2016-2017 Honors theme the chapter will be researching and writing about is "Natural versus Engineered" (PTK, 2016). One of the subtopics looked into was ways to bring people closer to nature without leaving a giant environmental footprint. Arizona Zipline Adventures fell right into the topic of possible research themes.

Emily, the owner of Arizona Zip Adventures, was more than helpful to the Phi Theta Kappas, answering their questions regarding how the business was able to bring people closer to nature without leaving a large impact on the wildlife of the surrounding areas. She revealed that the ziplines were carefully constructed with consideration to breathtaking views and winds. The creation of Arizona Zip Adventures took only two years when the idea of it was initially brought up.

Thirty-one members and advisors of Phi Theta Kappa Alpha Theta Delta Chapter got to experience the beauty and exhilaration of Arizona Zip Adventures first hand on May 18, some driving over two and a half hours to join in on the experience. They spent a very cool morning, blessed with light rain, ziplining over the beautiful Arizona desert and hiking light trails that showcase the gorgeous

surrounding mountains. They also participated in the giant 50-foot swing, which emphasized team building as all the members pulled a rope, to hoist up someone to be launched. Additionally, members panned for gold and, of course, engaged in fellowship with one another.

"Everyone had a great time, especially with an enthusiastic and passionate staff," said one member. Another, Heath Moulton, added, "The Oracle excursion was one of the best team-building and fellowship activities I've ever participated in. Everyone was supportive of everyone else, and there was much laughter and fun had by all. Thank you, Arizona Zipline Adventures and Oracle Inn!"

Michelle Gomez stated, "I had a blast at Arizona Zipline Adventures. The staff was very friendly and supportive (especially since I'm afraid of heights). I had my mind

set on going to take pictures; but to my amazement, I was up on the zip lines! It was so fun and the scenery was absolutely gorgeous too! I'm ready to go back.”

Cheyenne Dickey shared, “My experience at Arizona Zipline Adventures was one to remember forever. The staff who work there were so kind and they did their very best to make you feel as comfortable as possible, and the zip lines themselves were an absolute blast.”

Anthony Parrish Larson said, “The experience was exhilarating, uplifting and overall very amazing. My experience has reminded me that whatever is going on in your life, things will always get better.”

“Having this amazing adventure with my chapter, who are my family, was just wonderful! Through this excursion, I've gotten to know each and everyone and I can feel our love and happiness bursting with fireworks. I thank Arizona Zipline Adventures because I've never gone ziplining before and it was awesome,” shared another

member, Kaira Natalia Cortez

Finally, Tigest Maru is quoted as saying, “I felt like the Excursion was a good team building activity that that helped members encourage each other when we were scared of heights and created camaraderie when we hiked and zipped.”

A representative of the chapter stated, “The Alpha Theta Delta Chapter of Phi Theta Kappa would like to thank Emily and the entire Arizona Zip Adventures team for helping us put together a great day of fun and fellowship, as well as the Oracle Inn Steakhouse and Lounge for accommodating our very large group for lunch.”

himself the "same guy as always."

Although he is keenly aware of his circumstances, as he said in a video produced by the Muscular Dystrophy Association, Smith knows some live with ALS for 20 years or more. His doctor says his diagnosis is slowly progressing and called ALS the "Snowflake Disease" – it affects everyone differently.

Smith said he tries to approach each day like his father did when his dad was fighting brain cancer – with dignity and not feeling sorry for himself.

"You can't wake up in the morning with a doomsday scenario," he said. "You have to keep living."

When asked how he defines "a chance," Smith answered no differently than you might expect anyone else with a wife and children, and without ALS.

"I want everything out of life that everyone else does and dreams of," he said.

"You want to watch your daughter grow up and you want to spend time with my wife. You want all of those things that everybody else has. I'm going to wake up every day and fight for those things just like everybody else does."

Won't you help give Warner a fighting chance?

Sea Lions open season with a win

The Sea Lions Swim Team traveled to Parkside (Florence Anthem) for the first swim meet of the 2016 against the Parkside Piranhas, San Tan Valley Barracudas and Globe Piranhas. The Sea Lions won the meet with 500 points, while Parkside finished with 418 points, San Tan Valley finished with 284 points, and Globe finished with 74 points. In the Central Arizona Swimming League, the Sea Lions have won every swim meet over the past nine years and hope to make a run at a 10th consecutive League Championship this summer.

The meet was very competitive and the outcome of the meet was not clear until the Sea Lions won the Freestyle Relays in the majority of the age groups at the end of the meet. The 82 point margin of victory by the Sea Lions is the smallest in many years. Coach Alex Gort commented, "The competition level of the rest of the league is considerably better this summer. If not for some great relay swims by the Sea Lions, the final standings may have ended up differently."

Two swimmers entered the maximum number of events and won them all. Anya

Zovko (8) and Evan Apuron (12) both won all six events they swam at the meet.

The following swimmers had first place finishes on Saturday:

Kayla Lambiotte, 7, (Medley Relay);
 Jessica Rouse, 8, (Medley Relay, Free Relay);
 Anya Zovko, 8, (Fly, Back, Breast, Free, Medley Relay, Free Relay);
 Juliana Ramirez, 9, (Medley Relay, Free Relay);
 Johnny Smallhouse, 9, (Medley Relay, Free Relay);
 Nevaeh Derrick, 10, (Fly, Back, Free, Medley Relay, Free Relay);
 Ethan Kellam, 10, (Free Relay);
 Rocky Andrade, 10, (Medley Relay, Free Relay);
 Joey Castellanos, 10, (Medley Relay, Free Relay);
 Emerik Zovko, 10, (Medley Relay, Free Relay);
 Mason Stewart, 10, (Fly, Back, Breast, Free);
 Briana Castellanos, 11, (Fly, Medley Relay, Free Relay);
 Mia Dale, 11, (Medley Relay, Free Relay);
 Robert Sanz-Anton, 11, (Medley Relay);
 Rianna Estrada, 12, (Breast, Medley Relay, Free Relay);
 Evan Apuron, 12, (Fly, Back, Breast, Free, Medley Relay, Free Relay);
 Riley Stewart, 11, (Medley Relay);
 Hunter Hill, 12, (Medley Relay);
 Aubrey Bridges, 13, (Medley Relay);
 Ann Marie Campbell, 13, (Medley Relay);
 Star Chavez, 13, (Medley Relay, Free Relay);

BaiLee Hill, 13, (Medley Relay);
 Darien Apuron, 13, (Fly, Back, Breast, Free, Free Relay);
 Andres Valenzuela, 14, (Breast, Medley Relay, Free Relay);
 Rebekah Head, 18, (Back, Free);

This was the first swim meet for several swimmers on the team and they performed extremely well and had lots of fun! Listed are swimmers who competed in their first swim meet as a Sea Lion on Saturday: Jocelyn Hudson (6), Vicente Curry (10), Nate Vance (10), and Ann Marie Campbell (13).

Juliana Ramirez was named Sea Lions Best of the Week. Nine year olds have a tough time adjusting to the longer races, which are twice as long as when they were eight year olds. Juliana put in a great week of practice and it paid off at the meet. She swam all the events, and achieved best times in each event. Her grit and determination was most evident in the 50 Meter Butterfly, where she kept going strong and steady, and passed several swimmers in the last 15 meters to finish second – a great accomplishment as a 9 year old. Additionally, she swam double legs in both the Medley and Freestyle Relays, to help ensure wins in both.

The Sea Lions will travel to Florence to face the Florence Sharks on Saturday, June 11.

There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the Mammoth Pool between 4 and 6 p.m. (Monday through Friday) for more information.

HOW MANY GALLONS?

For all you swimmers and sun worshippers out there: the date draws nigh. The San Manuel Pool will be opening SOON!

Repairs have been made and volunteers are using their time to repaint EVERYTHING that can be painted including the bottom of the pool. As soon as the painting is done and the repairs have been tested, it will be time to fill the pool. And we at the San Manuel Miner want to know:

HOW MANY GALLONS WILL IT TAKE TO FILL THE POOL?

We're even going to make a contest of it. The person who guesses the closest to the amount it actually takes to fill the San Manuel Pool will win a season pass to the pool, courtesy of M-SM Community Schools.

There are a couple ways to win.

- Send us a PM with your guess.
- You can email your guess to editor@minersunbasin.com.
- Or you can drop off your entry through the slot in the Miner office door.

Only one entry per person. Be sure to include your name, address and phone number. The winner will be announced at the grand reopening of the pool, tentatively set for June 15.
