## Pastor's Corner – Gracious words

By Rev. Dennis Van Gorp Family Life Christian Center

In Proverbs 15:1 we read, "A gentle answer turns away wrath, but a harsh word stirs up anger. (vs 4) The tongue that brings healing is a tree of life, but a deceitful tongue crushes the spirit."

Some people don't bother to think before they speak. King Solomon tells us that our words can and do make a difference. It is up to us to guard our tongues and not let any unwholesome talk come from our mouths, Ephesians 4:29.

The best thing our words can do is to bring healing into someone's life.

Healing words encourage and build up a person. They never tear down someone's confidence or crush their spirit. A good word strengthens their attitude and mind.

Paul, in 1 Corinthians 13:1-3, tells us that all we say or do must originate

from a heart of love. The words we speak must be bathed in love, to be effective. Without that love, what we say is simply noise.

Let your words be gracious, spoken in true love; resulting in comfort, encouragement and healing to those who are listening.

# Coronado National Forest not lifting fire restrictions; significant, wide-spread rain needed to reduce fire danger

Tucson – Monsoon season is upon us, with rain falling across southeastern

Arizona, but, with multiple fires currently burning on the Coronado, Stage

2 fire restrictions, which are dependent upon both weather conditions and fire activity, will not be lifted.

“As is typical of our monsoon season this time of year, storms are scattered and rainfall is patchy,” said Coronado Forest Supervisor Jim Upchurch. “While some areas on the Forest have received precipitation, others have not and remain dry. Widespread, wetting rain is needed before fire danger will be reduced to the point we can safely lift or reduce fire restrictions.”

The sale of fireworks, and their use in some areas, are now legal in Arizona, but, fireworks are always prohibited, year-round, on federal lands. Under Stage 2 fire restrictions, the following are also prohibited:

\*Building, maintaining, attending, or using a fire, campfire, charcoal, coal, or wood stove including fires in developed campgrounds or improved sites.

\* Smoking, except within an enclosed vehicle or building.

\* Discharging a firearm except while engaged in a lawful hunt pursuant to state, federal, or tribal laws and regulations.

\* Operating any internal combustion engine, except operating motorized vehicles on designated roads so long as you park in an area devoid of vegetation within 10 feet of the roadway.

\* Welding, or operating

# Shipman Fire threatens town of Kearny; one home destroyed

By Mila Besich Lira

Monday evening about 5 p.m. a lightning-caused fire forced evacuations for many residents of Kearny. The fire began near the Gila River which has been dry for several weeks. Those dry conditions helped the fire to spread quickly, advancing towards the Town of Kearny. Pinal County Sheriff's Office assisted the Kearny Police Department with notifying residents of the evacuations. The evacuation of the Steven's Trailer park is still in effect and further evacuations have not been ordered.

In early reports it was said that the fire had spread to 200 acre. However by Tuesday morning the State Forester had reported that the fire had only spread to close to 100 acres and at press time the fire was only actively burning on five acres. Twenty fire agencies

were on hand to assist with the blaze overnight. The State Forester also ordered a type 2 command team and an air tanker to help combat the blaze. Those crews were expected to arrive at the fire Tuesday morning. Once the Type Two Command team is in place they will take over command of the fire.

Pinal County Animal Care & Control mobilized its emergency response trailer, which includes kennel space for dogs and cats whose owners may be seeking shelter. Livestock affected by the fire or smoke are being cared for by neighboring ranchers.

On Tuesday afternoon the fire advanced and burned the power lines between Kearny and Hayden. Due to the power outage the Hayden Town Hall was closed. At press time it was unknown when the power would be turned back on.

One residence and an out building were burned in the blaze. Thankfully there have been no reports of casualties or injuries. Cell phone communication also remains limited due to damage of the Verizon Tower near Kearny.

The crews at the Copper Basin Railway also worked through the night to keep the tracks and land around the rail road wet. Highway 177 was closed for a while on Monday night but opened with the use of pilot cars around midnight. The Highway closed again Tuesday after the fire blazed up a second time.

The American Red Cross opened a shelter for those who were evacuated at the Ray Elementary School. The shelter did not officially open until 1 a.m., it took a while to get volunteers staffed at the Red Cross Shelter because a large number of volunteers are still assisting with the

Yarnell Hill and Dean Peak Fires.

State Senator Barbara McGuire, a Kearny resident, has maintained contact with Pinal County Emergency Management since the fire began. "I want to commend all the first responders who are on scene here. Fire crews from Kearny, Hayden, Winkelman, Dudleyville, Globe, Superior, the state forest crews, County Sheriff's office and the Red Cross are here working hard. Helicopters are also on scene dropping water on the advancing fire. It is very unnerving because the fire is so near my home but I am putting my faith in knowing that these crews are doing all they can."

Supervisor Pete Rios has also visited the evacuation center through the early morning hours. "Agencies and first responders have trained for many years for just this type of scenario. Although wildfire response

resources are stretched thin across the west, I have been impressed with the response to the Shipman Fire so far," Rios said. "This is a beautiful but vulnerable part of Pinal County and I pray that we can keep the property and vegetation loss to a minimum."

Pinal County Public Health officials recommend that people who have respiratory difficulty, asthma or other lung conditions remain indoors and take every effort possible to avoid the smoke. People with swamp coolers should limit their use to avoid bringing smoky air into their homes or businesses.

# Superior Fourth of July enjoyed by all

By Mila Besich Lira

The Town of Superior Parks and Recreation department hosted another wonderful Fourth of July event for the community. Due to the dry conditions the town was not able to host a fireworks display but there were plenty of free activities, food, swimming and entertainment for everyone to enjoy.

The Red Bear Outfitters cooked hundreds of burgers and hot dogs, and there were plenty of cupcakes to share from the cupcake contest along with free watermelon and snow cones.

The Superior High School lil Panther Cheer camp

entertained the crowd and Angie Gomez and the Manic Hispanic played music while the crowd danced through the night.

Winners of the cupcake contest were: Best Tasting, Elizabeth Magallanez, Best Decorated, Christina Magallanez, Most Original, Lila Torres and Best of Show, Liana and Samantha San Miguel. See more photos online at <http://bit.ly/14H1e5p>. Photos taken by: Ashley Milagros Lira and Mila Besich Lira

The family of Dolly Brito would like to send out a sincere thank you to all who came out to share in the loss of my mom and our sister. Dolly endured many health issues in what were her final months of life and many of you visited or called her in either the nursing home or hospital, bringing a little happiness to her during those trying times.

We would like to offer a special thank you to Father James Aboyi of St. Francis' Catholic church and also to Steve Lopez and the ladies and gentlemen who assisted in the preparation of the St. Mary's Center reception following Dolly's services. To all who came and offered support and prayers for our family during this time of our loss, thank you so very much for your love, kindness, and understanding.

Superior is a great place to live because we are all a family here and it truly shows at times like this. Thank you for making Dolly's life full, interesting, and one rich with love from great friends. Your kindness will not be forgotten.

Sincerely, Melissa Brito, sister Ofelia Lopez and brother Mike Garcia
