Kearny Interim Chief Corso placed on paid leave; recall started against Mayor

By Mila Besich-Lira
Copper Basin News

Last Tuesday, following a 15-minute executive session meeting, the Kearny Town Council voted in public session unanimously to allow Interim Chief Richard Corso to remain the interim chief with pay, pending the completion of an investigation regarding allegations

made against Corso. Corso was placed on an administrative leave with pay on Monday, July 6. The council also voted unanimously to work with DPS to have a temporary interim police chief come to the town through the investigation. Supporters opposing this decision have taken out petitions to recall Mayor Sam Hosler.

Supporters of Corso distributed a

letter that the Town issued to Corso on Facebook. That letter indicated that Corso was being placed on administrative leave because there were reports that Corso was unable to cover his shifts due to alcohol use and that he had made threats to “get rid of” the Mayor, Town Manager and Council. The letter does not disclose who reported the allegations. Comments have been made to both the Copper Basin News and through the Kearny “Rants and Raves” Facebook page say that the allegations were made to the town administration from an officer who is currently under investigation for another matter.

The details regarding Corso’s administrative leave would not normally be shared with the public due to privacy given in personnel matters. There has been discussion that a disgruntled police officer currently employed at Kearny Police made these allegations, unconfirmed due to the confidentiality involved and the pending investigation. Another comment made was the officer making the allegations was also under investigation. It is possible for a sworn police officer or staff to be under investigation and still be allowed to work for the department.

Town Manager Anna Flores explained to Copper Basin News that the town cannot comment on the investigation of Corso or if another officer is under investigation

due to the pending investigation involving personnel matters. The Department of Public Safety is conducting the investigation of Corso. DPS has assured the town that there is no threat to the security or safety of the town pending the investigation. There has not been a timeline given for when the investigation should be completed.

DPS has assigned Sgt. David Blue as the interim chief. Sgt. Blue was sent to Kearny last year when Chief Inguilli retired. Flores also explained that Sgt. Blue will not play a role in the investigation.

In protest of the investigation and the actions of town administration, supporters of Corso have taken out a recall petition on Mayor Sam Hosler. Recall organizers have until Nov. 3 to collect 139 signatures of registered voters in Kearny. The signatures will have to be verified and approved by the Town Clerk and the Pinal County Elections department. Once signatures are approved the council will have to call for a recall election, and set the date for an election.

Supporters of Corso, started to become more vocal at council meetings in June when several community members asked for Corso to be hired as the chief. In June, the town council voted to keep Corso as the interim chief and would continue to review his performance.

Proud of Civil Procedure

All of us who went to school in Arizona took Arizona history and government. In that class we learned how essential our emergence from Territory to State depended on our desire to have Initiative, Referendum, and Recall.

MAYOR'S CORNER

By Sam Hosler
Special to the Copper Basin News

These were new concepts at the time, and the U.S. Government kept refusing our desire to have them in our state Constitution. We were refused Statehood so often that we finally relented, achieved Statehood in 1912, and celebrated our new Statehood by placing Initiative, Referendum, and Recall back into the Arizona Constitution at the next meeting of the Legislature. In doing so, we made the proud assertion that the people of Arizona are the ultimate Legislature.

I feel pride in Arizona even as petitions are now being circulated for my recall as Mayor of Kearny. This is how the system should work.

Many years after Statehood, Arizonans instituted another new legal concept, the Open Meetings Law. Arizona's Open Meetings law is a model for the nation. Governmental meetings are always conducted in public. There are provisions for private Executive Sessions, which are confidential gatherings to receive legal advice, consider personnel issues, and deal with such things as real estate transactions. The confidentiality of these sessions is guarded with the proviso that any release of information from these meetings is a felony. No business can be conducted at these sessions and the actual decisions are always made in public.

I take pride in this law as well. It enables sound legal guidance, protection of personnel from unwanted disclosure of information, and the conduct of real estate transactions with full knowledge of all that is involved.

This weekly column is meant to be a service to the public. It is for information about current and future events of interest to the people of Kearny and the Copper Basin, and about other things which affect our

Monsoon trouble strikes Copper Basin

The monsoons are in full swing and, as is usual for this time of year, wreaking havoc with the railroad crossing signals. Last week, the Copper Basin Railway crossing on Hwy. 177 at Hayden Junction got stuck in the down position during the rainstorm. Drivers cautiously went around the downed arms. If you should see this when you are driving, please be very careful when crossing the tracks.

Councilmen learn about one of Arizona's 5 Cs

Can you name the 5 Cs of Arizona? Ask a Queen Creek Councilman or the Superior Mayor and he will be able to tell you that one of those Cs is 'Copper.' A request was made by Towns of Queen Creek and Superior to tour our ASARCO's Ray Mine on June 27. They were introduced to on-site safety procedures and a short video on "Copper How its Made." Mike Kotraba (General Manager Ray Mine) gave a short presentation of the Ray Mine Operations and the area economic impacts before entering the field portion of the tour. The councilmen noted how they enjoyed the tour prior to leaving on the hot June day. with the book selection for the children who visit the Closet. Each child is invited to select two books with each visit to the Closet. Elizabeth decided to turn the June food collection into something a bit larger. Called "Feed the Mind and Body" program, she requested food and books suitable for the youngsters in age groups up to 8th grade.

Not only did the congregation bring in food, but they also donated 265 books, both new and modestly used.

Cornerstone Christian Academy, with the assistance of MSPC member Julie Wiens,

provided a large portion of the books that went to Kids' Closet. During the last fiscal period, 5,464 books went home with 1,823 kids. Children are selected by school administrators, based on need, and visit

the closet for a seasonal wardrobe that includes pants, shirts, underwear, shoes, hygiene items

and, of course, the books. Winter wardrobes include a windbreaker, knitted hat and warmer clothing.

Utility assistance grants offered to limited income households

Applications for utility assistance grants under the Low Income Home Energy Assistance Program (LIHEAP) will be taken on Wednesday, July 22, in Mammoth. The special intake will take place at 9 a.m. at the Mammoth Community Center/Senior Center, 101 W. 5th Street in Mammoth, Az for households from Mammoth, Oracle, San Manuel and Dudleyville. Senior Citizens will be seen first from 9 to 10:30 a.m. Anyone else interesting in applying for assistance will be allowed to sign in at 10:30 but no later than 11 a.m. The length of time staff will remain at the Special Intake will be based on the number of participants present. Individuals will be seen on a first come first serve basis. Only those signed in prior to 11 a.m. will be considered.

CAHRA staff and volunteers will meet with limited-income individuals who meet income guidelines. The services are aimed at helping households to stretch their income. Applications will be limited to LIHEAP utility assistance only.

Those applying for assistance are asked to come prepared. This helps staff to make immediate determination of eligibility and allows more households to be assisted. Those interested in applying for the Utility Assistance grant, must bring with them their most recent electric and gas billing statements (paid or unpaid) and the following documentation for all household members:

- Most recent utility bill(s). (Must be original most current billings(s)-paid or unpaid).
- Applicant Identity original document Verification: Drivers License, Photo Identification
- Original document verification/Social Security Cards for ALL Household members
- Proof of U.S. Citizenship or Permanent Legal Resident Status for ALL household members: Birth Certificate, Certificate of Naturalization, U.S. Passport, Verification of current Social Security Disability benefit, or proof of current legal resident status (original document).
- Proof of Gross income (before deductions) for everyone in the Household, for the past 30 days, from June 23 to July 22, 2015. (earned or unearned income)

This assistance can be received once every 12 months. If you have questions you may call the CAHRA receptionist at (520) 466-1112.

“We are pleased to offer these special intake efforts to reach as many individuals as possible”, Mary Lou Rosales, CAHRA Executive Director said. “We appreciate the Mammoth Senior Citizens Association for working so closely with us to bring these services to your community,” Rosales added. Other special intakes will be scheduled in other communities. They will be publicized when finalized.

life as a community. It is written from my perspective, but I promise to do all in my power to advance the Town of Kearny and not to advance my personal position in this column.

One last thing: I am proud of the response of our Public Works employees during the recent waterline break on Alden Road. These are the oldest waterlines in town. A large excavation was required, and service was restored as quickly as possible. As the Town of Kearny begins working on its ten-year plan, it must include the replacement of these lines as a high priority, and then we can seek grants.

CAC's 'College for Kids' receives big support from Eastern Pinal County

Pinal County, AZ – Each year numerous Eastern Pinal County community donors are instrumental in providing the College for Kids summer program at Central Arizona College. This year, more than \$17,000 has been donated to cover the cost of supplies and provide student scholarships for eastern Pinal County youth to attend the eight day program.

The 2015 donors include: SaddleBrooke Community Outreach; APS Grant; Winkelman Resource Management Center; SRP Grant/Community Outreach; Resolution Copper; SMITHCO Enterprises; Capstone/Pinto Valley Operations; United Methodist Church/Good Shepherd; ASARCO; San Manuel Rotary Club; William Stanbaugh; Delta Kappa Gamma Zeta Chapter; P.E.O. Sisterhood, Chapter AR; Copper Area News Publishers; Town of Winkelman; Town of Kearny; Town of Hayden; and Pinal County RICO Funds.

“We are very grateful for the tremendous amount of support from our community

members.” stated Jamie Wolgast, College for Kids Program Coordinator. “Because of their financial assistance, our program has grown over the years and will continue to provide fun, summer learning experiences for our local kids.”

Desert Critters is the theme for the 2015 College for Kids hands-on summer program happening at the CAC Aravaipa Campus. Classes began last week and already have enriched the lives and minds of those attending. Fifty children, exiting grades two through six, have had the opportunity to study the critters so often found in our local deserts up close. The first day included owl pellet dissections and last Thursday, kids were bused to the Oracle State Park to participate in Environmental Education.

The closing ceremonies for the camp will take place on Thursday, July 16, at 12:30 p.m. in the Cafeteria of the Aravaipa Campus (80440 E. Aravaipa Road, Winkelman, AZ 85192). Students will be presented with certificates and a

slide show featuring the camp activities will be shown to the friends, family and community members in attendance. All projects created by the students during the program will be on display as well.

About CAC

**Wherever you live...
Natural gas is
your neighbor.**

Natural gas lines can be buried anywhere, even in areas that don't use natural gas, like all-electric or propane neighborhoods. So it's important that EVERYONE knows how to recognize and respond to a natural gas leak, wherever they are.

A leak may be present if you:

SMELL: An odor similar to rotten eggs, even if it's faint or momentary.

HEAR: A hissing or roaring coming from the ground or above-ground piping.

SEE: Dirt or water blowing into the air, unexplained dead or dying grass or vegetation, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, **whether you're a customer or not.** A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated doors.

For more information about natural gas safety, visit swgas.com/safety or call **1-877-860-6020**.
