OBITUARY

Jillian Leonor Rabago

Jillian Leonor Rabago, age 36, passed away peacefully July 5, 2019. She was born July 23, 1982 in Mesa, Arizona to Isabel M. Mavis and Frank Rabago Jr.

After graduating from Dobson High in 2000, she went on to attend and graduate from Side Chair Dental Academy. After earning her degree Jillian continued to work as a

dental assistant for the last 13 years. Even though she would have to dry patient's mouths and sterilize dental equipment she genuinely loved her job. It allowed her to use her compassion to calm nervous or scared patients, her ability to be a good listener, and provided her with someone to talk to that couldn't move for an hour.

Jillian would constantly dance like no one was watching (or recording), even though we all clearly were doing both. She loved listening to music, but above all singing music. Whether it was karaoke, a family gathering, in the car, an impromptu high note solo during "happy birthday," if there was a chance, she would have an audience she would grasp that and take center stage every time. (even if the stage was her sister's dining room)

Jillian had an immense love and spiritual connection with the town of Superior (not just because her family makes up a quarter of the population) but would often refer to it as God's country.

She had no problem making friends at any time, with anyone. All it took was a conversation and that was it, you were in her phone, you were followed on social media, you were locked in. She was reaching out to you on your birthday, checking on you if she thought you needed someone, or just because she hadn't heard from you in a while. She truly was a selfless, loving, caring woman with a heart of gold.

Jillian is predeceased by her grandparents Dora Rabago, Alfonso and Irene Coronado. She is survived by her son, Isaiah Christopher Everette; parents, Isabel and Gabriel Mavis, and Frank Jr. and Pamela Rabago; sisters and brothers-in-law, Denise and Rey Flores and Samantha and Josh Boettcher; brother and sister-in-law, Christopher and Miranda Mavis; step-siblings, Salina, Monica and Cal Bryant; Tata Frank Rabago; nieces and nephews, Joseph, Armando, Isaac, Cash, Maddox, Danika, Zachary, Tyler, Peyton, Cal Jr, Conor, Shelby and Olivia.

She will be missed by all her family and friends.

Services for Ms. Rabago were held Tuesday, July 16, at St. Francis of Assisi Catholic Church in Superior. Interment followed at Fairview Cemetery.

Firefighters respond to nearly 50 wildfires over July 4th weekend

The 4th of July holiday weekend keeps Arizona firefighters extremely busy.

The Arizona Department of Forestry and Fire Management reports, between Thursday, July 4, and Sunday, July 7, firefighters responded to 46 wildfires across Arizona, on all land

A brush fire in the Galiuros above Mammoth was caused by lightning. The photo was taken just before the July 4th holiday.

John Hernandez | Copper Area News

jurisdictions. Those 46 fires burned a combined total of nearly 4,000 acres.

Most of the fires over the holiday weekend were human caused, including vehicles parked in tall grass, debris burns, and welding.

Fire activity remains high across the state, including the desert areas, due to an abundance of grass from last year's winter rain and snow.

Residents need to use caution when conducting outdoor activities that require an active heat source and should have water nearby if debris burning or using any equipment with an open flame.

Drivers should avoid pulling off to the side of the road into tall grasses, ensure tow chains are properly secured, and vehicles are inspected before getting on the road.

Campers need to check area fire restrictions before leaving for their destination. Stage I fire restrictions are in place on some state and federal lands.

Where campfires are allowed, always make sure they are cool to the touch before leaving. Drown campfires with water, stir, and then repeat until completely out.

As of today, 935 wildfires have burned more than 205,000 acres on private, state, federal, and tribal lands. Of the 935 wildfires so far this year, 94 percent of them were determined to be human caused.

Smoke and flames from the Woodbury Fire could be seen from as far away as Oracle. While the fire didn't threaten Superior, it took firefighters a long time to contain. Photo Courtesy US Forest Service

Applicants are individually underwritten and some may not qualify.

Supervisors vote to open negotiations with Public Works Director Louis Andersen for County Manager position

Louis Andersen

FLORENCE – The Board of Supervisors have ended a month of speculation and guessing by voting to begin negotiations with Public Works Director Louis Andersen for the soon-to-be open County Manager position.

The vote was 3-2 with Supervisors Todd House, Pete Rios and Anthony Smith in the affirmative, Chairman Mike Goodman and Vice-Chairman Steve Miller as no votes.

The County Manager position was posted in May after Greg Stanley announced his intention to retire in October. Three

candidates were the finalist for the position – Andersen, Assistant County Manager Leo Lew and Chief Civil Deputy Attorney Chris Keller.

Following the vote, District 5 Supervisor Todd House said Andersen has demonstrated excellent professional aptitude in this position which he has held for many years. In conjunction with his professional history/education, Mr. Andersen and his family contribute in the public sector.

Chairman Mike Goodman said that he fully supports the outcome of the Board's

decision, and looks forward to working with Andersen in improving our County.

“We had three extremely qualified and competent candidates for this position.” Goodman said. “It was a difficult decision as we knew all of the final candidates would do a great job in this role. It was a very tough choice.”

The County Manager is the top administrative post for Pinal County. The Board of Supervisors develop and vote on policy initiatives for the county, the County Manager is in charge of having those policies implemented.

Imerys hosts public meeting on Forest Road 4

The Imerys perlite mining plant manager Tom Hawk and a corporate representative from Imerys, Todd Whitacre, hosted a public meeting on Friday evening to address the closure of Forest Road 4 south of Superior.

In June, Imerys closed access to Forest Road Four when the company began developing a plan to conduct ore sampling in the Old Chicago pit and the New Chicago Pit. Both of these pits have been inactive for over a decade, but a new type of drywall being manufactured may require the grade of perlite that may be present in the inactive pits. In order to determine if the grade is sufficient the mining company must test ore. If the ore can be used the company may go into production. However it could be up to a year or more before the mining pits are prepared for active mining. Imerys owns the land and patented mining claims where both pits are located – they are not located on Forest Service land.

Imerys corporate headquarters are located in Paris, France and there are multiple operations in America and across the world.

For many years, this area, despite being private property, has been an important recreation area for residents of Superior and visitors to the area. This year, the Forest Service created a southern access hiking trail into Arnett Canyon near the pit, with the closure of the Forest Road 4, access to this trail head is now closed off. One of the pits has been the location of an unofficial shooting range and the pits do cross some riparian habitats near the creek.

Forest Road 4 is a major four wheel drive/ATV route connecting Superior to the Box Canyon area near Florence. It also provides one of the main access routes to deliver water and maintenance supplies to the Arizona Trail near Superior and also is a main route that hunters use to access various hunting camps. The Town of Superior is concerned that the closure of this road will pose a health and safety issue and have long term negative affects on the local economy.

Local residents Hank Gutierrez and James Schenck were vocal during the meeting, expressing concern that the officials from Imerys did not have

any real answers or solutions to the problem. There were no officials from the Tonto National Forest present at the meeting. There was discussion during the meeting that Forest Road 4 may pre-date statehood, which would mean that it is a historic route, thus access should not be restricted. Superior Town Manager explained that one of the entities concerned about the closure would need to file a lawsuit and retain an attorney to fight the restricted access.

Officials from Imerys, did not have any immediate answers but suggested that

a meeting with Tonto National Forest be held to discuss potential options to re-route Forest Road 4 away from their mining operations. Recreation users in the area are concerned that permitting a new road on the Forest Service lands could take up to three years or more which would limit their access to the recreational areas.

Anyone who is concerned about the closure should contact Todd Whitacre at todd.whitacre@imerys.com or via phone at this office in Nevada 775-404-6271. Whitacre shared his contact information with those in attendance at the meeting.

Superior businesspeople and residents listen as officials from Imerys Perlite talk about the closure of Forest Road 4 and the reopening of their closed mining pit.

Central Arizona College supports manufacturing industry

As part of a regional consortium of community colleges and industry partners, Central Arizona College will receive \$1.2 million in federal funding to develop industry-recognized apprenticeships in manufacturing. Pima Community College will lead the \$4.23 million federal grant to develop Arizona's consortium project, named the Industry-Recognized Apprenticeship Model in Manufacturing, or i-RAMM.

Under i-RAMM, Central Arizona College, along with education partners Pima Community College, Estrella Mountain Community College, GateWay Community College, and Mesa Community College, will work with industry to develop apprenticeships

that are competency-based and blend classroom and on-the-job experience.

The National Institute of Metalworking Skills (NIMS), The Manufacturing Institute of the National Association of Manufacturers (NAM), and the National Tooling & Machining Association and Arizona Chapter (NTMA and ATMA) will provide assistance to the consortium by offering workforce credentials, certifications and technical assistance for apprenticeships at employer sites and promote opportunities to their members in Arizona and nationwide. In collaboration with the Arizona Commerce Authority Office of Economic Opportunity, the model will be expanded

to other participating employers and colleges in the Arizona Advanced Technology Network (AATN).

"CAC is pleased to collaborate with our educational colleagues and industrial partners in Pinal County to positively impact the manufacturing workforce," said Dr. Jackie Elliott, CAC President. "This enhances the work we have done as a member of the AATN to develop Automated Industrial Technology program curriculum, which is a result of our work with Pima and the Maricopa County Community College District, to address employer's needs."

Beginning this fall, CAC will offer a 16 credit

Automated Industrial Technology Certificate I and a 16 credit Automated Technology Certificate II. Students who complete these certificates will be able to troubleshoot, maintain, and repair a variety of automated electromechanical, product assembly, process control, and product distribution systems that use programmable controls and other methodologies to accomplish system management. These systems include robotic, mechanical, hydraulic, pneumatic,

electrical, and electronic devices. Graduates will gain the skills to define, integrate, install, program, and maintain complex control and production systems.

After completion of the certificates, students may continue on to complete an Associate of Applied Science in Automated Industrial Technology.

For additional information about the Automated Industrial Technology courses, please contact Sandra Zires at (520) 494-5308.

REQUEST FOR PROPOSALS (RFP) TO DESIGN, PROCURE AND INSTALL PLAYGROUND EQUIPMENT AND DOG PARK AT US 60 PARK

Issue Date: July 17, 2019
 The Town of Superior, hereinafter known as the TOS, requesting proposals to design, provide and install playground equipment and Dog Park alternative for this project. The TOS will select one (1) Supplier and or Contractor to provide equipment and materials for the playground as outlined in this request. RFP Closing Time: 3:00 pm local time RFP Closing Date: Friday, August 30, 2019

Delivered to: Town of Superior
 199 N. Lobb Avenue Superior, AZ 85173
 Attn: Todd Pryor, Town Manager

SCOPE OF THE WORK:
 This project includes procurement, furnishing, delivering, installing composite play structures, equipment footings at US60 Park, 830 W US Highway 60, Superior, Arizona 85173. The successful respondent must provide performance, labor & materials bonds, each for 100% of the amount bid, before a purchase order can be issued. The TOS reserves the right in the negotiation phase to increase or decrease scope of work and budget based on proposals from applicants.

All equipment will be assembled and installed by the Supplier and or Contractor. Each respondent is limited to a maximum of (2) two design proposals for this RFP.

The TOS requires Suppliers to design a play system that meets or exceeds all current federal CPSC, ASTM, IPEMA standards and ADA requirements. The proposals shall include the costs of delivered play systems as designed, inclusive of the equipment structures, components, hardware, detailed technical installation instructions and maintenance & operations manuals from manufacturer.

RESOLUTION NO. 2019-04 A RESOLUTION OF THE PLANNING AND ZONING COMMISSION OF THE TOWN OF SUPERIOR RECOMMENDING THAT THE TOWN COUNCIL APPROVE THE ABANDONMENT OF ROADWAY PORTION ON NEARY AVENUE

WHEREAS, the Planning and Zoning Commission has, at its regular meeting held on July 3, 2019, studied and considered Resolution No. 2019-04, a resolution recommending that the Town Council approve the Abandonment of Roadway portion on Neary Avenue; and WHEREAS, the Planning and Zoning Commission has determined that it is in the best interest of the Town to enact this amendment to the Town's General Plan and Development in order to enhance the quality of life and to protect the health, safety and welfare of its citizens; and WHEREAS, a timely and properly noticed public hearing upon Resolution No. 2019-04 was held by the Planning and Zoning Commission during its public hearing on July 3, 2019, at which hearing evidence, oral and documentary, was admitted on behalf of said amendment.

NOW, THEREFORE, BE IT RESOLVED that the Planning and Zoning Commission of the Town of Superior, in a session assembled on the 3rd day of July, 2019, resolved to approve Resolution No. 2019-04, a Resolution of the Planning and Zoning Commission recommending that the Town Council approve the Abandonment of Roadway portion on Neary Avenue, as well as attached Exhibit "B" attached to this Resolution as though fully set forth herein.

BE IT FURTHER RESOLVED that a copy of this Resolution be delivered forthwith by the Planning and Zoning Commission Secretary to the Town Council of the Town of Superior.

PASSED AND ADOPTED THIS 3rd DAY OF JULY, 2019.

/s/ Matthew Mashaw, Chairman

CERTIFICATION

I, Ruby Cervantes, hereby certify that the foregoing Resolution No. 2019-04 was passed and adopted by the Planning and Zoning Commission of the Town of Superior at a scheduled meeting held on the 3rd day of July, 2019, by the following vote:

Cards of Thanks

Our family would like to thank relatives and friends who attended our mom's services. Many thanks to Father Jundeh for the beautiful mass and the wonderful volunteers from the St. Mary Center who helped with the luncheon, along with the generous people who donated the delicious food.

Special thanks to the Reyna family for your assistance and support during this difficult time.

The generosity of the Superior community is greatly appreciated.

God bless.
The family of Teresa U. Denogean

On behalf of the Camacho Family we would like to thank family, friends, and the Kearny community for all the kind words, thoughts and prayers during our difficult time. We would especially like to thank the vocalists who sang at the service and the ladies who served at the luncheon. Olivia will be dearly missed.

Sincerely,
The Camacho Family
