Hortencia B. Gonzales

Hortencia B. Gonzales entered her eternal home on Sunday, July 9, 2023, at the age of 97. Hortencia was born on July 6, 1926, in Hayden, Arizona. She was the eldest of six children born to Lucas and Sara Baldenegro.

In September of 1946, she married the love of her life, Juaquin Gonzales. They were blessed with 70 years of marriage. Throughout their marriage they were committed to each other, and they opened their home to friends and family. They enjoyed camping, road trips and the great outdoors. Hortencia loved spending time with family and friends, sewing, reading westerns, tending to her plants, and making sure all who entered her home were nourished with love and her amazing cooking. Hortencia will forever be remembered for her generous heart, love of her family and unwavering faith and devotion to God. She was a loving mother, nana, sister, and friend.

Hortencia was preceded in death by her husband, Juaquin; son, Gene; siblings, Rafael Baldenegro, Paulina Romero and Edward "Nicky" Baldenegro; and son-in-law, Richard Martinez.

Hortencia is survived by her children, Maria, Juaquin "Jackie", Sara and Amelia; daughter-in-law, Robyn; eight grandchildren; eight great-grandchildren; and two siblings, Sara "Cheri" Martinez and Rodolfo "Clody"

OBITUARY

Criss E. Romero

Criss E. Romero, 92, of Superior, AZ, passed away peacefully in his own home on July 5, 2023, the day of his beloved wife, Mary's, birthday. Criss was born on Dec. 17, 1930, in Pecos, New Mexico to parents Melisandro, better known as Jose, and Matiana (Ortiz) Romero. In 1939, Jose found a job in Superior and the family relocated to the area.

Criss attended Superior Public Schools and joined the U.S. Army in 1946. After serving in the military, Criss returned to New Mexico to find work. It was there in Santa Fe where he met his future wife, Mary Fernandez. He and Mary were married in 1951 and Mary blessed him with 2 beautiful sons together they built a good home to raise their family. Criss made his living working for Magma Copper Company for 31 years followed by working for the Pinal County Sheriff's Department and Homeland Security, where he worked for 10 years.

Criss was very proud of his family's military service. Like Criss, his father and brothers also served their country with honor and courage, and they all volunteered. Beginning with World War I and up to the Vietnam War, the Romero's were involved in every major conflict of the United States.

Criss was a devout Catholic. He held religion high. He was an altar boy in Pecos as well as Superior. He attended Mass weekly until the pandemic. He watched the Catholic Mass daily on TV up until his passing. He was active in the St. Francis Parish, helped Father during Mass well into his later years. He was also a member of the Knights of Columbus.

Criss was an avid rock collector with museum quality pieces on display. He enjoyed looking at his rock collection every day. He also enjoyed automobiles, especially classic cars. His dream car was the GTO Judge which was basically a race car. He settled for the regular GTO which he purchased in 1969. He was proudly featured with a photo of him and his GTO in the Arizona Republic in the 1990s. Criss was a lifelong poker player and loved playing with his family.

Criss is preceded in death by his parents, Jose and Matiana; sisters, Vangie, Maria, Antonia, Herlinda and Teresa; brothers, Jose, Pitacio, Silviano and Melisandro; and by his beloved wife, Mary, who passed away in 2021.

Criss is survived by his sons, David (Alfreda Tsosie) and Criss Jr. (John Melichar); sister, Eulalia Maldonado; his sister-in-law, Juanita Valdez; and his one and only granddaughter, Avenicia Romero. He also leaves behind numerous nephews, nieces, cousins, and all those who were blessed to know and love him.

Services for Criss will be held on Saturday, July 22, 2023, at St. Francis of Assisi Catholic Church in Superior, AZ. Visitation is set to begin at 8:30 a.m. followed by Rosary at 9 a.m. and Mass at 9:30 a.m. He will be laid to rest at Fairview Cemetery.

ADEQ launches Arizona Brownfields Grant StoryMap

Tool shows how millions in brownfields grant investments in Arizona communities are cleaning up blighted properties and reaping public health, environmental and economic benefits

Arizona communities have leveraged brownfields grants to revitalize blighted properties statewide since 2005. Brownfields grants help municipalities and nonprofits identify and reduce environmental hazards, mitigate public health threats, create new business opportunities, increase tax revenues and restore impacted properties to beneficial reuse.

"Brownfields grants are a wonderful avenue for municipalities and nonprofits to address local environmental issues. These projects serve the people of Arizona by giving good attention and care to these properties that too often become obstacles to a community's ability to grow," said Arizona Department of Environmental Quality Director Karen Peters.

To start this year's grant cycle, the Arizona Department of Environmental Quality (ADEQ) introduces its Brownfields Grant Program Online StoryMap (<https://bit.ly/44zAztM>), an ArcGIS tool anyone can use to view and read all the stories behind the brownfields transformations we helped make happen. This GIS-driven tool was created and launched primarily by two ADEQ interns.

With just a click and a scroll, anyone can see photos and read stories about historic structures and main streets redeveloped to boost tourism and community services, new greenspaces created, and health care facilities added where they are most needed.

"Arizona's brownfields grants help create opportunities for our communities that weren't there before," said

ADEQ Brownfields Coordinator Travis Barnum. "When a blighted site is cleaned up, it's a boon to local families and businesses, and with this online story map, you can see their inspiring stories all in one place."

In fiscal year 2023, ADEQ awarded \$1,275,000 in brownfields grants to support 17 projects to assess and clean up brownfields sites, including two in the Copper Corridor:

- Globe, AZ: The City of Globe took ownership of a defunct commercial space that struggled to keep tenants after the

Copper Basin Community Health Care Foundation makes donation to the Community Health Care Volunteers

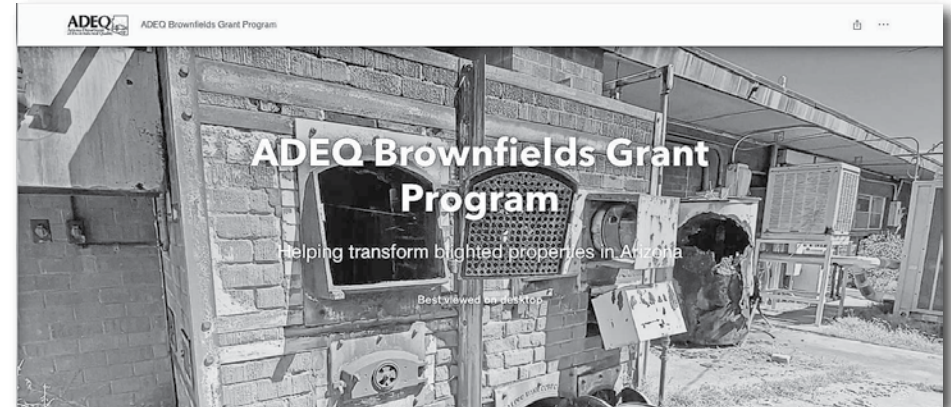

The folks who run the Hand-Me-Up Shop just received a hand-me-up.

Copper Basin Community Health Care Foundation President, Dave Orzell (pictured at left), presented Barb Carrell of the Community Health Care Volunteers with a check in the amount of \$1,269.41.

The Copper Basin Community Health

Care Foundation is in the process of dissolving and donated its remaining monetary assets to the Community Health Care Volunteers. The Foundation also donated the land to Cobre Valley Regional Medical Center for the future site of a state of the art clinic with construction scheduled to start in the very near future.

anchor business moved to a new location. The City of Globe approved a reuse plan for the site as a new

firehouse station. Before the existing structure could be demolished, the building materials needed

to be cleared of asbestos containing materials. ADEQ awarded the City of Globe \$52,000 to remove the asbestos from the building to make way for the new fire station.

• Superior, AZ: The Town of Superior acquired the historical Superior High School which is being renovated into a new Town Hall as well as a campus for job training, entrepreneurial support and co-working, featuring library services, a senior center, community recreation, and more. Our \$155,000 grant covered the cost of safely removing asbestos from the former high school, allowing renovations to go forward.

ADEQ both administers a state-level brownfields assistance program to provide brownfields grant funds and helps municipal and nonprofit applicants prepare successful federal grant applications.

Hayden Library continues with fun activities for kids

The Hayden Library had the Arizona Science Center brought Stomp Rockets to the library on July 7. Kids made their rockets out of paper and launched them using foot-powered air pumps.

On July 14, Melissa Amarello, executive director of ASP (Advocates for Snake Preservation) did a wonderful presentation about snakes. She brought out a gray-banded king snake for the kids to interact with up close. She also showed videos of snake behavior and brought snakeskin sheds and a rattle.

Several little girls got their groove on July 11 at the kids ZUMBA class, which is held every Tuesday and Wednesday from 5-5:30.
