Donald 'Don' Michael Cline Sr.

Donald "Don" Michael Cline Sr., 87, entered into rest June 10, 2020, at his home in San Manuel with Dorothy, his wife of 64 years, at his side.

Governor Ducey orders some business closures and postpones back to school

Within weeks of the end of Arizona Governor Doug Ducey's Stay at Home order in May, the State of Arizona experienced a rapid increase of COVID-19 cases. The increase in positive cases has thrust Arizona into the national headlines for the State's inability to get the virus under control. The Governor issued these new executive orders to help flatten the curve of the virus growth. He also highly recommended that Arizonan's wear masks, but did not mandate a statewide mask requirement.

Governor Ducey's order mandated bars, gyms, tubing and water parks closed for 30 days. The order also called for the cancellation of any events with over 50 people in attendance and limits the use of private pools to less than 10 people. Bars with Class 6 or 7 liquor licenses may continue to sell alcoholic beverages to go.

The Governor also announced that in-person attendance at schools must be pushed back to Aug. 17, 2020. Schools may start with an online class format, but cannot allow in person classes. Copper Area News will be working on a comprehensive story on how local school districts are working through these new timelines.

Public and private events with more than

50 people are ordered to be cancelled or postponed; some accommodations can be allowed if physical distancing can be assured. The State Liquor Board will not be issuing any special event liquor licenses during these next 30 days. County health officials and the local jurisdictions will be required to enforce these orders.

Due to the ongoing surging growth of the COVID-19 Pandemic, the State of Arizona is also offering \$10,000 grants to nursing homes and long term care facilities to allow residents of those facilities to visit with their friends and family in a virtual format.

At press time, the Town of Superior has announced that its laser light show for the Fourth of July has been postponed and they will be closing the local swimming pool.

Current positive in cases at press time:

- Hayden 1-5 (masks required)
- Kearny 11 (masks personal choice)
- Mammoth 14 (masks required)
- San Manuel 6-10 (masks recommended)
- Oracle 1-5 (masks recommended)
- Superior 40 (masks required)
- Globe 80 (masks required)
- Miami 34 (masks required)

County offers financial relief to businesses in unincorporated Pinal affected by COVID-19; Rios urges businesses to apply

The Business Sustainability Program is a one-time reimbursement of up to \$15,000 to qualifying businesses for rent, mortgage and/or utilities expenses for a three-month period. Qualifying expense periods are either March-April-May 2020 or April-May-June 2020. Applications will be accepted from June 15 - July 15, 2020. Funding will be awarded on a first come first served basis to qualifying small businesses in unincorporated areas of Pinal County, so applicants are encouraged to apply early.

"I encourage all eligible businesses to apply for this funding opportunity. Times are hard and I understand that COVID-19

has seriously impacted many small businesses. Please take advantage of this grant and apply soon," said Supervisor Pete Rios.

To qualify, applicants must be a for-profit business, located at a physical, commercial address in an unincorporated area of Pinal County. Individual Arizona franchised businesses may qualify if the applicant location is within unincorporated Pinal County and the individual franchise location is not owned by a national chain or out-of-state corporation. At this time, non-profit organizations and home-based businesses are not eligible. Applicants

Strong social connections key to supporting families

As Arizona's early childhood agency, First Things First (FTF) recognizes that babies, toddlers and preschoolers need positive interactions with adults for healthy development. It's equally important that their parents and caregivers have positive connections in their community to help them face the challenges of parenting.

During these times of social distancing, FTF, along with community partners remind families that there are ways to reach out and find places to make these social connections – for example, within local communities of faith, online support groups and local health providers. Social connections that provide emotional support to parents is one of five protective factors that families are encouraged to develop as a way to mitigate or eliminate stress more effectively. The other four are parenting skills, concrete support through meeting basic economic needs like food and shelter, resilience (ability to manage and bounce back from challenges) and social and emotional competence in children.

"Having someone to reach out to is important when you're stressed and searching for support," said Sandy LaCava, community development manager at Southwest Human Development, which runs the Birth to Five Helpline, a statewide helpline that is partially funded by FTF.

The helpline is a free service for all Arizona parents or caregivers to call, text or email with questions about their young child's development. The helpline can also offer families connections to local resources and supports.

The Birth to Five Helpline is available at 1-877-705-KIDS (5437) from Monday through Friday, 8 a.m. to 8 p.m. You can also leave a voicemail, submit your question online, or text the Helpline 24 hours a day, seven days a week. Or download the Birth to Five app for your phone through

Before the coronavirus pandemic hit, the helpline had started meeting with parents to answer questions over online video chat.

"The specialists are able see mom or dad face-to-face," LaCava said. "It's an opportunity to enhance that support."

Aside from help from early childhood experts, families can seek out social connections in a variety of ways. Immediate family can provide the support in home, or reaching out to non-immediate family, friends and neighbors through the use of video chat programs such as FaceTime, Zoom and Skype.

Support can also be found in communities with local organizations such as the Community Actions Human

During these times of social distancing, First Things First, Arizona's early childhood agency, reminds families that there are ways to reach out and find places to make social connections, including use of video chat.

Resources Agency (CAHRA), a non-profit agency that provides Pinal County with services such as a food pantry and weatherization improvements for homes.

CAHRA understands that the overall health and wellbeing of the entire family impacts a child's ability to be ready for school and set for life. With this in mind, CAHRA provides services that benefit everyone in the home, knowing that work will deeply impact that home's youngest members, said CAHRA Executive Director Mary Lou Rosales.

"We know that children that have regular healthy meals do better in school," Rosales said. "The Food Pantry's goal is to provide those healthy foods. Weatherization benefits can also be felt by the cooler air in the home environment. Children and other household members feel better with cool air in the summer and warm air in the winter."

During this time, CAHRA has seen a dramatic uptick in the needs of Pinal County families. According to Rosales, the agency has seen a 51% increase in families asking for food donations and as the weather gets warmer, more

San Manuel seniors earn nearly \$800K in scholarships;

This year, 2020, has been a year that no one expected. Traditional ways of life were put on hold and we scrambled to find new ways of getting things done, of coping and moving forward. This is true for everyone, young and old. Without knowing how long it would last or how intense protocols for protecting ourselves and each other could get, it was hard to plan ahead and think about what to do to, to honor the traditions that had been and should be, while maintaining the isolation and distancing guidelines that were in place.

Due to COVID-19 and the distancing

guidelines that are in place, the Mammoth-San Manuel PK-12 School could not meet to honor the graduating students of the Class of 2020 in the traditional manner. Instead, on Friday, June 26, at 7 p.m. a live-stream graduation ceremony, held at the football field, was shared over Facebook.

For those who missed seeing the graduation or who wish to see it again, a video entitled SMHS Graduation 2020 may be viewed by visiting the Mammoth-San Manuel PK-12 School Facebook page, then clicking on the Video link on the left hand

side of the page. There is also an eighth Grade Promotion 2020 video. Search @MSMPK12 to find the page easily. The high school graduation can also be viewed on the San Manuel Miner's Facebook Page (search @copperarea).

The San Manuel High School (SMHS) Graduating Class of 2020 shines as an example to us all of how to not only adapt and overcome to survive, but, to thrive in these strange days. While we do not have the full information on all scholarships and grants earned by each of these fine students, we have gathered what is

available from the website and through information was sent to us, and, we present to you, here, a list of students and accomplishments to celebrate, to the tune of near \$800K.

Oracle Schools close bond transaction

The Oracle School District Governing Board is very pleased to announce its \$13.2M bond transaction successfully closed on June 17, 2020. The staff can now begin paying for those items that voters approved.

First on the list is to pay off the District Office building and existing bus loan, which will provide savings on interest expense, the board reported. "Next, we will order three new buses to continue to update our aging fleet which prior

to recent purchases, had an average mileage of 300,000. This should help with our bus maintenance and operational costs," they added in a statement to the Miner. "We will also make payments to both BWS Architects and the H2 Group (project managers) for the great service they have already provided, and will continue to provide, our District."

BWS continues to develop a master plan that will guide design and timelines for all projects. This master

plan will ensure new additions or changes to the campus are designed in a way that maximizes space utilization and increases synergy.

"Rest assured that your elected Governing Board is providing very careful oversight of the bond projects and purchases. We are incredibly grateful for the confidence you've placed in us and are intent on delivering for our students and our

taxpayers," the board said. Residents of Oracle School District are invited to attend the board meetings which are normally held the third Thursday of every month at 6 p.m. As projects are completed, the district plans to have additional updates and even some events to include, and thank the voters.

Sea Lions host 'Whiskers vs Thunder' swim meet

The Sea Lions' season continued with a home meet on Saturday, June 27. The Sea Lions Team was split into two squads, Team Whiskers and Team Thunder (both named after team mascots), to compete against each other. In addition to the normal individual events, several fun relays were added that include all age groups on each relay team. Team Whiskers won the meet by a score of 364 – 354. Team Thunder won a more individual events (22-18) than Team Whiskers, but Team Whiskers won 4 out of the 6 Relays and that proved to be the difference in the meet.

For the Sea Lions as a whole, the meet was a success. Swimmers achieved 59 best times in a fun event and got another opportunity to compete. Older swimmers served as team captains and used strategy to set the relay line ups and get swimmers at the correct end of the pool for each of the relays.

One of the most memorable events of the meet was the Kick Relay. In this relay, every swimmer on each squad had to kick the length of the pool using a kick board. It was required that swimmers in this event went oldest to youngest. The older swimmers on team Thunder jumped out

to a pool length and half lead over team Whiskers. However, as the relay progressed, Team Whiskers battled back with an extremely fast leg by Genaveeve Lopez (11). Then it was Alianna Riney's (7) rocket fast leg that brought Team Whiskers from half a pool length behind to taking the lead going into the final swimmer on each team. This pitted two 5 year old boys head to head. Both teams cheered loudly as the two boys pulled even midway down the final length. But it was Asher Riekofski that kept his kick going the entire length of the pool to pull ahead at the wall for the win for Team Thunder.

The two teams were balanced so closely that no swimmer won every race. It was Alianna Riney from Team Whiskers and Evan Apuron from Team Thunder who both had 8 wins at the meet.

The following swimmers had first place finishes on Saturday:

Asher Riekofski, (5), (Kick Relay);
Gabriel Hudson, (5), (Noodle Relay);
Alex Ervin, (6), (Fly, Back, Breast, Free, Kick Relay);
Alianna Riney (7), (Fly, Back, 50 Free, Breast, Free, Medley Relay, Back Relay, Noodle Relay);

Kori Andrade (8), (IM, Breaststroke Relay, Kick Relay);
Arizona Axe (8), (Noodle Relay, Free Relay);
Annie Nemons (9), (Kick Relay);
Simon Fletcher (9), (Kick Relay);
Jocelyn Hudson (10), (IM, Fly, 100 Free, Noodle Relay);
Hannah Dougherty (11), (Kick Relay);
Genaveeve Lopez (11), (Back, Free, Back Relay, Noodle Relay);
Lily Axe (12), (Noodle Relay);
Jessica Rouse (12), (Breast, Kick Relay);
Cooper Dale, (12), (Back, Kick Relay, Breaststroke Relay);
Athan Riekofski, (12), (Medley Relay, Free Relay, Noodle Relay);
Ethan Erickson, (13), (IM, Fly, 100 Free, Breast, Free, Medley Relay, Free Relay, Noodle Relay);
Arriana Ervin, (13), (Noodle Relay);
Julie Ramirez, (13), (IM, Fly, Back, 100 Free, Breast, Free, Kick Relay);
Martin Madrid, (13), (Noodle Relay);
Mason Stewart, (14), (Medley Relay, Back Relay, Noodle Relay, Free Relay);
Ethan Kellam, (14), (Breaststroke Relay, Kick Relay);

Mia Dale, (15), (100 Free, Back, Breast, Free, Kick Relay);
Star Chavez, 17, (Noodle Relay);
Evan Apuron, (17), (IM, Fly, Back, 100 Free, Breast, Free, Kick Relay, Breaststroke Relay);
Darien Apuron, (19), (IM, Fly, Back, Medley Relay, Back Relay, Noodle Relay).

Hannah Dougherty and Asher Riekofski were named Beasts of the Week.

This was the first swim meet for Hannah Dougherty. She swam all six individual events in her age group which is Beastly achievement for a first meet. She also swam the Noodle Relay and was part of the Team Thunder winning Kick Relay.

Asher had huge time improvements in every individual race he swam. On average he swam 10 seconds faster in each event than he had ever swam before! Asher brought home the Kick Relay victory in the most exciting Beastly worthy moment of the meet.

The Sea Lions still need a few more swimmers. There is still time to join the team – contact Alex or Wendy Gort ay 896-2190 or stop by the Mammoth Pool between 4 and 5:30 p.m. (Monday-Friday) for more information.

Paths to great careers.
