# Fire Hydrants, Recycling and Eagle One

The new fire hydrants started being installed around town last week, and so far things are going very well. The contractor has the right equipment and skilled operators, so the holes are being dug with minimal damage to yards and the hydrants and valves are quickly installed. No one is happier about this improvement than our volunteer fire fighters.

Bids are being solicited for some important road work. Public Works is

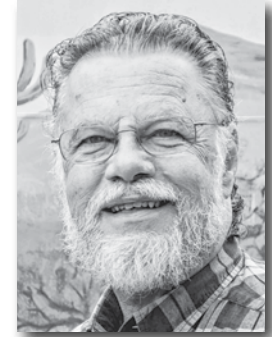

seeking paving on Mountain View Road and the 400 blocks of Essex, Fairhaven, and Greenwich. Crack repair, leveling, and sealing will be done on Alden Road. Work will begin soon after the contract is let.

Well, we finally have recycling back in Kearny. The new site is on Emery Road in the gated yard next to the tall eucalyptus tree. There is one large container with easier access than the old ones we used. The county has erected a sign clearly listing what can, and what cannot, be

placed in the bin. The yard will be open from 6:30 a.m. to 2 p.m. Monday through Friday.

The container is quite large, but we must be careful about placing too much in it because of wind and transportation needs. So I ask that all of us break down our boxes and make them as flat as possible, allowing more room for everyone. We thank Pinal County for helping to make this possible.

## Truth in Taxation Hearing Notice of Tax Increase

In compliance with A.R.S. §42-17107, the Town of Kearny, Arizona, is notifying its property taxpayers of the Town of Kearny's intention to raise primary property taxes over last year's level. The town is proposing an increase of primary property taxes of \$57,981 or 47.74%.

For example, this proposed tax increase will cause the Town of Kearny's total annual primary property taxes on a \$100,000 home to increase from \$224.71 to \$331.98 or \$107.27 a year or the equivalent of \$8.94 a month.

This proposed increase is exclusive of increased primary property taxes received from new construction. The increase is also exclusive of any changes that may occur from property tax levies for voter-approved bonded indebtedness or budget and tax overrides.

All interested citizens are invited to attend the public hearing on the tax increase that is scheduled to be held on Thursday, July 28, 2016, at or after 6 p.m. at the Kearny Town Hall at 912-C Tilbury Drive, Kearny, Arizona.

There will be a special budget meeting of the Town Council on Thursday, July 28, at 6 p.m. This is a tough year to match town needs with available resources.

Our municipal pool will be open through Saturday, July 30. I sure wish we could keep it open longer, but school begins in early August and our pool manager and lifeguards will not be available. So,

everyone, make good use of the pool while it is available. I'm thankful to everyone who made our renovated pool possible.

Finally, Eagle One's visit to Kearny brought out the largest number of veterans the mobile unit has worked with in any town in Pinal County! The mobile center will make a special return on Tuesday, July 26, from 9 a.m. to 3 p.m.

## LETTER TO THE EDITOR

# Sam Hosler seeks reelection as Kearny Mayor

I am Sam Hosler, the current Mayor of Kearny, and I am seeking your support for another two-year term of office. Yes, I very much want to serve again, not only to finish work which has begun but also to help reshape our economy and our future.

When you first chose me, the economy of Arizona and the nation was in a tailspin. Four years later the economy of Arizona has largely recovered, but not in rural Arizona and certainly not in historic copper towns such as ours. We are smaller and poorer; the same can be said for our school district. The price of copper has moved upwards by only a small margin.

In these four years we have also suffered many calamities, including the closing of our bank, the Shipman Fire, the Kearny River Fire, and the severe layoffs at the mine.

I don't list these unhappy events to discourage us, but instead to praise the caring and dedicated service of all who live here. During both fires, the Kearny Volunteer Fire Department and our Police Department worked day

and night to keep us safe. Citizens rescued animals from the corrals and opened their homes to provide shelter to all. Food, water, and other kinds of support emerged.

The work continues now, as the Town of Kearny is partnering with the Winkelman Natural Resource Conservation District to eradicate the invasive and highly flammable tamarisk plants from the banks of Gila, and to provide new plants to stabilize the banks and burned areas.

Just before the Shipman Fire the town had providentially restored the flow of water into Kearny Lake, and the full lake became a huge resource in putting out the fires.

Economically, Kearny suffered greatly when the bank closed. The safe transfer of cash is a real necessity for businesses large and small. But during this time the Vache family invested in and improved the NAPA Store, and Norm and Myra Warren purchased and revitalized Norm's IGA Market. The Family Dollar expanded its operations, and Liebherr began business here. The Kearny Clinic has grown and, although all of us will miss Brad Richards

who is moving to Utah, we have confidence in the future development of the Kearny Clinic.

We are now undertaking the making of Kearny's ten-year plan, which will provide a basis for seeking state and federal grants, and additionally include work on an economic plan for the good of the town. This plan will involve all of us, as it should. Additionally, we are working in tandem with Hayden, Winkelman, and Mammoth to

develop the possibility of a larger, better, policing agency for all the towns.

My accomplishments as Mayor of Kearny are only part and parcel of the work of the Town Council and our Town Manager, Anna Flores, and all the people who work for the town. I'm a non-partisan town 'volunteer with a fancy title' who loves our town and its history, and has great hopes for its future. I invite town groups to ask me in to speak and answer questions. My home number is 520-363-9781, and I want to hear from you. I want to make Kearny the cleanest, safest, and happiest town in Arizona. And I want some good economic prosperity for all of us.  
/s/ Sam Hosler

# Kearny Elks to host indoor flea market

Kearny Elks Lodge will be hosting an indoor flea market on the weekend of Aug. 6, which will be free to the public to attend. This is a good opportunity to look for bargain deals on needed items or future gifts, as well as getting out into the community and visiting with friends and neighbors while beating the heat.

As the flyer that the Elks have put out says, "Shop cool. Keep out of the sun. Shop many garage sales in one stop."

For those who are more in need of clearing and cleaning the house than adding items in, this is an excellent

opportunity to inexpensively access many shoppers who are definitely in the mood to buy and turn your excess treasures into extra cash. A 12' x 12' space rental is \$25 per market, which includes one table and two chairs. For more information on renting a space call Wanda at 520-356-7626 or 928-812-5701.

The flea market will be held from 9 a.m. through 5 p.m. on Saturday, Aug. 6, and 1 p.m. through 5 p.m. on Sunday, Aug. 7. Save the dates and make your plans for what you want to look for, and, or, what you want to offer for sale.

## Tips for Back-to-School Reading and Beyond

(StatePoint) As summer comes to a close, it can be hard for both kids and adults to get back into an academic mindset. Whether you're a parent that's dreading the start of the school rush or struggling to help your children rediscover reading success, the trick is to plan ahead.

"Identify strategies and approaches to stay organized to help ease your child seamlessly back into a reading and

learning mindset," says Christine Willig, President of McGraw-Hill Education's School Group. "Savvy parents use the week or two before school begins to give kids a jumpstart on refreshing their reading skills, and help prepare them for the school year ahead."

Willig offers parents the following tips to ease kids back into a reading and learning

# SUMMER READING

Continued from page 8

mindset:

- Make it entertaining: Reading should be fun. Let kids pick their own material to ensure the subjects engage them and help them develop a love of reading.

- Play games: Reading board games can be very useful in helping kids build their spelling, vocabulary and comprehension skills. Games can reinforce skills in ways that are fun and memorable, so concepts truly stick.

- Take advantage of free library programs: Many community libraries offer special programs for kids, particularly in the summer or weeks leading up to school. Beat the heat and take advantage of these opportunities whenever possible.

- Incorporate technology: There's no denying it, children today are comfortable using all forms of technology, whether computers, tablets or smartphones. Getting kids to enjoy reading and to do it more often could be as simple as presenting it in a preferred medium. Many great books for kids of all ages are available digitally and provide interactive experiences that bring reading to life.

For example, Fusion Reading, a mobile learning app from McGraw-Hill Education, is a comprehensive, research-based reading intervention program for students in grades 6-12. It features interactive lessons and games to make reading fun, so struggling students can quickly become fluent, competent, and confident readers. To learn more about how educational games like Fusion Reading are helping kids get a jumpstart on literacy, or to buy the \$0.99 mobile app visit [bit.ly/FusionReading](http://bit.ly/FusionReading).

- Build on schoolwork: These tips can also be used when your child

is back in school. For example, parents should stay involved with their

children's schoolwork to help them build on progress made throughout

the school year. Many classrooms are improving the way reading is taught

in order to make it fun, modern and interactive, while ensuring students meet state and national standards.

To help improve grades across the board, make reading a priority in your home. For greater success this school year and beyond, find opportunities to read that are fun, stress-free and engaging.
