Superior Town Council approves 2017 budget, transfer station remediation plan

By James J. Hodl
Superior Sun

With an assist from modern telecommunications technology, the Superior Town Council got done what needed to be finalized at the July 14 Council meeting. As the meeting hour approached, it

appeared that the meeting might not take place. Only two council members (Stephen Estatico and Mila Besich-Lira) were present and a quorum of four is required for the meeting to take place.

However because two items on the meeting agenda had to be finalized by mid-July, Town Manager Todd Pryor arranged for a conference call that brought

Vice Mayor Olga Lopez and Councilman Gilbert Aguilar as remote presences to the meeting. With the cellphone connecting the two additional council members placed under a microphone, their input to the meeting was heard by meeting attendees through the auditorium's speaker system.

First up was approval of the Town of

Superior's Fiscal Year 2017 Budget. The total sum budgeted is \$6,954,317; an increase of about \$200,000 over fiscal 2016. This resulted from higher expected tax revenues, mostly from Resolution Copper. The Budget allocates more spending next year on road and sewer improvements, the town library,

swimming pool, and senior citizen programs.

The Council then approved the Transfer Station Remediation Plan negotiated with the Arizona Department of Environmental Quality (ADEQ) that will enable Superior to avoid nearly \$1 million in immediate payments to clean up the site of the Superior Transfer Station, which has been closed since March 2012. At that time, the station, then operated by Orion Recycling, was found by ADEQ to be in violation of Arizona environmental regulations with the most egregious violations was the stockpiling of asbestos contaminated construction material. While some cleanup of the site was then performed, Superior lacked funding to continue the work and the station was put under an

ADEQ consent decree in March 2014.

Under the approved plan, Superior is acquiring an air curtain burner that performs low-pollution burning of vegetative matter. To be installed by the end of September, the burner will immediately tackle the 6,500 yards of green waste (including wood) that has been sitting on the site since 2012. As the burner can reduce to ash green waste at the rate of four tons an hour, this project could take from 100 to 170 days. The resulting ash would be only about 3% the volume of the existing green waste.

Beginning in mid-September, Superior also will initiate the removal of asbestos-contaminated material currently housed in two bulk containers on the site. Once completed, the area under these piles will

be cleaned, decontaminated and graded, leaving behind 50,000 square feet of clear space. This part of the plan is expected to be completed by early April 2017.

Once these two ADEQ mandated tasks are completed, Superior will continue to operate the Transfer Station handling incoming materials.

The \$96,000 cost of the air curtain burner has already been paid with HURF (Highway User Revenue Funds) revenues, which is allowable as much of the green waste comes from vegetative matter removed from along highways. During the April Town Council meeting, it was noted that the air curtain burner also could generate revenues for Superior as the ash from wood waste is a nutritious soil additive and can be sold at plant nurseries, farms, and as potting soil to homeowners.

An advantage for Superior provided by the plan is the spreading out of costs over three years so that less than \$290,000 need be budgeted annually for the transfer station cleanup project.

Once these two items were approved all that remained was the Call to the Public segments. And while a number of people came to the meeting, only citizen Nancy Vogler took the floor, saying, "I and some other people were going to ask Mayor Jayme Valenzuela to resign following his recent indictment for misusing the town debit card. But since he isn't here tonight, I'll instead invite everyone to attend the Prickly Pear Festival on August 20-21."

The meeting was then adjourned after less than 30 minutes. Two other items on the July Meeting agenda were tabled until the next meeting on August 11.

In Your Biz

Porter's Cafe, home of the world famous Superior Burger, is much like the eighties television show: it's a place where everyone knows your name. The cafe has a full service bar, plenty of food choices and a patio. It is also one of Superior's dog friendly establishments where you can bring your pet to dinner on the patio.

Lynn Heglie, owner of the restaurant, came to Superior 20 years ago. He became interested in Superior after many of his customers at his barber shop in Mesa were from Superior.

"I started coming to Superior and just checking things. It was so beautiful so I decided to move up here," he said.

At first he opened a barber shop then he grew his business to include a restaurant. His first restaurant was Cafe Piedra Roja which he ran for several years and then sold.

"I missed the restaurant business," he explained, "so when Billy Holmquist offered me the opportunity to rent Porter's I decided to go with it." Heglie also got involved

with the Superior Chamber of Commerce and eventually also served as a member of the Superior Town Council. He has stayed an active member of the community and is always there to support local causes.

Over the past few years, the restaurant has grown in popularity as more and more visitors flock to Superior to enjoy local events, outdoor recreation and the Boyce Thompson Arboretum. But it remains a favorite of the locals as well. Porter's has become an unofficial campaign stop for many elected officials throughout the years; the patio has hosted many benefit corn hole tournaments and celebrations. Heglie explained that he hopes to expand the hours later in the evening once the Magma Hotel opens.

The menu features a daily special, salads, nachos and one of the biggest club sandwiches around along with their handmade burgers. Fresh cut fries are a favorite but they always have fresh fruit for those who are counting their calories. Heglie purchases a large portion of his restaurant needs from local stores.

Heglie's advice to fellow entrepreneurs and future entrepreneurs: "Get into something you enjoy. If you don't enjoy it, don't do it," he said. "The restaurant and bar business is hard work so you really have to enjoy it."

Porter's is located at 404 W. Main St. and is open from 11 a.m. to 6 p.m. Monday through Saturday and Sundays until 5 p.m.

The "In Your Biz" column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. The Chamber meets the third Wednesday of every month at their building 165 Main St. in Superior, Arizona. Those planning on attending the Chamber luncheons do need to RSVP prior to the meeting, please call Deb McKee to RSVP at 520-827-1773. Superior is Softball

By **Andrew Luberd**
Superior Sun

The town of Superior is again the home of a state champion softball team. The small copper-mining city and its Senior League softball team will represent the state of Arizona at the Western Regional Tournament, which will take place in Missoula, Montana beginning July 21. This will be the first time a Senior League

team from Superior has advanced to the regional tournament.

The Senior League state champions cruised through the Arizona District 4 Tournament in lopsided fashion last month, sweeping three games to win their second-straight district title, which earned them a berth at last week's state tournament in Nogales, Arizona.

Behind pitching ace KiKi Arriola and some hot bats, Superior continued its dominance

and remained undefeated at the state tourney, winning four-straight games by an average run differential of 11 runs per game

to claim its first-ever Senior League State Championship.

Superior rallies to send softball team to Western Regional Tourney

On Saturday, the Superior Senior League Girls Softball team clinched the State Championship tournament in Nogales, Arizona. Within hours of the announcement that the team would be traveling to Missoula, Montana to represent the entire state of Arizona at the Little League Girls Softball Western Regional Tournament.

Almost immediately local groups and businesses set out to gather funds to cover the expenses for the trip. The trip will cost the league \$18,000 to cover the airfare, hotel, food and miscellaneous expenses for the 13 teammates, three coaches and two female chaperones. Resolution Copper, Superior Optimist Club - #BeLikeBilly Fund, Superior Rotary and the Superior Chamber of Commerce all set out immediately to raise funds through online sites like Go Fund Me along with donating funds from their own budgets. Resolution Copper donated \$7,000 to the fund and is also hosted a community ice cream social. Many Superiorites, local businesses and residents also contributed to the funds.

The team will fly out of Sky Harbor Airport on Wednesday night and will be in Missoula, Montana through Wednesday, July 27, 2016. The team must be present for the opening ceremonies on Thursday evening and they will also take team photos at the tournament. The tournament bracket is available online at: www.montanalittleleaguedistrict2.org or

www.llbws.org/llbws/slsbws/west.htm

Superior will play three days of pool play where they will play two games each day to determine final seeding in the tournament. Other states represented in the tournament are Montana, Northern California, Southern California, Hawaii, Oregon and Washington. Should Superior win the Western Regional Tournament, they will advance to the Senior League Softball World Series in Lower Sussex, Delaware. In the event of advancing to the World Series, Little League International and the Arizona State Little League will cover those expenses.

If you would like more information on how to make a donation to the league Western Regional Tournament expenses you can visit the Superior Little League Go Fund Me page at: <http://bit.ly/2a703Ze> or contact Virginia Alonzo at 480-215-9144 or Vanessa Navarrette at 520-827-0203.

Members of the team include: Coaches: Martin Navarrette, Michael Alonzo, Sonia Estatico; Players: Amber Alonzo, Alicia Arriola, Deandrian Bogenschutz, Anisah Cardenas, Casandra Drennan, McKenna Duarte, Marisa Estatico, Marlee Estatico, Julissa Garcia, Naomi Bo Hing, Victoria Juarez, Sivanna Lopez, Yuvithzia Romero. *Copper Area News - Superior Sun will be updating coverage of the tournaments via Facebook throughout the tournament as information becomes available. “Right now, the dominant force we do

have is KiKi Arriola,” said Superior Senior League manager Martin Navarrette, who also led Superior High School to the 2015

Division IV Softball State Championship. “She’s been mowing opposing batters down left and right, and that’s from district all the

way through the state tournaments. There really isn’t anyone who can catch up with her.”

“Our hitting has been tremendous as well,” Navarrette added. “I’m talking about (the entire lineup) and our bench players who come in; everyone is swinging the bat and making good contact.”

Because of the recent success of its softball teams, Superior has to be considered one of the state’s softball meccas, something that Navarrette acknowledged he is proud to be associated with.

“It means a lot to me and especially the girls,” he told the Superior Sun. “This is the first time that we’ve had a girls’ team from Superior make it past the state tournament, so that’s making history for them. It’s been a great experience for the girls.”

The team will fly to Montana on Wednesday evening, a day before the start of the regional tournament on Thursday. A social ice cream sendoff party was hosted by Resolution Copper at the office on Main Street (next to Porter’s Café) on Tuesday, July 19 at 5 p.m.

Monique Sanchez makes bid for Fiesta Queen

By Yolanda Nájera-Ewing
St. Francis Fiesta Committee

Monique Aryanna Sanchez is the first young lady to step up to the plate and announce her candidacy for queen of the 37th Annual Fiestas Patrias sponsored by St. Francis of Assisi Church and set for Sept. 17 and 18.

Monique Aryanna has agreed to campaign and vie for the position of queen for the Fiestas. She has already begun working toward this goal with various fund raisers. Having recently sponsored a breakfast, she is now working on a pastry event set for Sunday, July 31st at 1:00 p.m. in St. Mary's Center on Sunset Drive. Also in the works are a corn hole tournament, a 50-50 giveaway, and a fund raiser featuring a 40 inch television set. Donations for a try at the T.V. are \$5.00. As evidenced, Monique Aryanna and her family have been busy consulting with Marcella Garcia who is the queen candidate director and coordinator of candidate fund raising activities. These fund raising events will

continue until the week before the Annual Fiesta. Additionally, the candidate and her family will be selling fiesta tickets which count as votes for her candidacy.

The young candidate resides locally on Copper Street with her family. She is the daughter of Brianne "Niki" Fernandez and Michael Perea. Monique Aryanna has three sisters: Allysia, Miranda and Analyse. Her brothers are Dominic and Michael. Monique Aryanna is thirteen years old and will be starting the eighth grade at Superior Junior High. The queen candidate enjoys doing math and writing, which are her favorite school subjects. She has played volleyball and softball. Additionally, she enjoys cheerleading. Spaghetti and watermelon are the foods she likes the best.

The young candidate volunteers at the Superior Senior Center and at the Superior Library. She also makes it a practice to help in any way she can when she sees someone in need.

Monique Aryanna said she decided to run for Fiesta Queen because, "I want to help our church raise money, and I also want to

be an example for my little sister." She added with a smile that it also seemed to her like a fun thing to do.

Anyone wanting to help Monique Aryanna in her endeavors or to buy tickets from her or to make a donation to her candidacy can do so by calling the church office at 689-2250. She can also be reached by calling Fiesta Royalty Chairperson Marcella Garcia at 480-939-1313.

The Fiesta Committee is still seeking candidates for Fiesta Queen. Queen candidates are being actively sought and ALL young ladies of the local area ages 5 to 18 are strongly urged to consider being queen candidates. Candidates do not have to be members of the Catholic Church. Each candidate will receive a formal gown, a crown, shoes, a sash and 10% of the funds which they raise. Those interested in being a queen candidate can contact Marcella Garcia, Chairperson Olga Lopez (520-827-4119) or the church office.

with the tools and resources they need to serve our rural communities

• Maintaining our agriculture industry

I have the courage to put the interests of my constituents ahead of those of special interests and lobbyists. By threatening KidsCare, taking money away from our public schools, and promoting the use of dark money, our current leaders have made it clear whose interests they serve. Our great state deserves better and we must work to move it forward by electing new leaders.

I am asking for your vote to create a better Arizona and a brighter future of our children.

Thank you,
