our state, county, and communities. There is clear evidence that getting vaccinated appears to be the best firewall to prevent getting the virus or severe illness, hospitalization, and death.

I believe strongly in our personal rights of free speech and individual freedoms, which are all important parts of our great country and democracy. At this time, I am somewhat concerned that more Americans are not stepping up to the plate and getting vaccinated because of politics. They are not listening to our health experts and scientists.

In addition, I am worried and confused why we are not able to require masks to be worn at school and inside the classroom. It was one of the few tools we had to fight the spread of the COVID-19 virus in our schools. I still will ENCOURAGE students and staff to wear masks when social distancing is not possible and while indoors. It is just common-sense! I believe masks, social distancing, and handwashing can help us complete a full school year in-person.

I am still optimistic that we can open schools in-person

Free COVID-19 vaccination clinic at Hayden High School on July 28; open to everyone

San Carlos Apache Healthcare will be providing a COVID-19 vaccination clinic on Wednesday, July 28, from 10 a.m. to 2 p.m. at the Hayden High School Library.

The clinic will offer the first or second dose of both Pfizer and Moderna vaccines. In addition, the one-and-done Johnson and Johnson vaccine will also be available.

Students 12 years of age or older can get vaccinated when accompanied by a parent or guardian. The clinic is open to anyone in the Copper Corridor. No appointments are needed.

For questions about the vaccination clinic, feel free to contact San Carlos Apache Health Care at 928-475-1310.

safely, while encouraging more students, staff, and community members to get vaccinated. I am very thankful to the Gila County Health Services and the San Carlos Apache HealthCare for hosting four vaccination clinics onsite over the summer.

I know working together with our community and health professionals, we can prevent the deadly spreading of COVID-19 again. Be part of the solution and roll up your sleeve and take one for the team and our children. Help to keep children in school by getting vaccinated today.

Selenna Espinoza is one brave 4-year-old and soon to be Lobito Preschool student. She was screened for exposure to Covid-19 with an antibody test administered by a Gila County Health Service professional on Wednesday, July 14, at the Hayden-Winkelman Unified School District.

Pinal County Supervisor Cavanaugh awards non-profit grants; prioritizes funding for those offering food, shelter, social services

Each year the Pinal County Board of Supervisors sets aside \$100,000 for each district to grant to local nonprofit organizations for the benefit of Pinal County residents. The County staff reviews the grant applications and scores them based on a rubric, rating each organization with a score of 1 to 5 in several different categories.

This year District 1 Supervisor Kevin Cavanaugh awarded \$8,000 (8%) towards education projects, \$20,000 (20%) towards Economic Development projects, and \$39,500 (39.5%) towards projects relating to food, shelter, and social services. Supervisor Cavanaugh reserved approximately one-third

of the funds for requests anticipated during the balance of the fiscal year.

The organizations receiving funds in District One include:

- Boyce Thompson Arboretum
- Copper Corridor Economic Development Coalition
- Local First Arizona
- Winkelman Resource Management Center
- Hope Women's Center
- Pinal Hispanic Council
- Hope International Food Pantry
- Horizon Health
- Salvation Army
- HOHP

Hundreds expected to travel along Arizona Trail from Mexico to Utah in one day

ARIZONA – Eight hundred miles is a long distance to attempt to drive in a day. If traveling by foot, bike, horse or any other self-powered means, it's impossible within 24 hours.

Or is it?

On Saturday, Oct. 9, hundreds of outdoor enthusiasts from across Arizona stage themselves along the Arizona National Scenic Trail (AZT), from the Mexico border to the Utah border, ready to complete the entire trail in a single day. Each person will have a few miles to complete and 24 hours to do it.

A Sizable Challenge

"This is no small feat," said Karrie Kressler, coordinator for the challenge. "We're going to need hundreds of committed folks out there to pull this off."

In the previous three years of AZT in a Day, over a thousand hikers, runners, bikers and equestrians have come very close to covering the whole trail in one day, amassing over 5,000 trail miles each year and in their best year completing 97.5% of the trail in a one day.

A sign on the Arizona Trail.

The Arizona Trail has always been about group effort, and this challenge is no different. "It took tens of thousands of volunteers over three decades to build the Arizona Trail, and now we're delighted to be able to invite everyone to share this amazing public resource during one of the best times of the year," said Matt Nelson, Executive Director of the Arizona Trail Association. "No matter how far you can hike, run or ride, we hope everyone can enjoy some time on the AZT with the ATA this October."

Choosing Your Section

The 800-mile trail has been divided into sections ranging in length from 1.8 to 18 miles. Participants will have 24 hours to complete their portion of the trail. Online registration is free and open to everyone.

The Arizona Trail offers the public a unique way to experience some of the most scenic and wild parts of Arizona. Participants can choose between desert, mountain, canyon, forest or urban segments of the trail. The AZT passes through eight wilderness areas, four National Forests, two National Parks, one National Memorial, one State Park, and passes through or near 32 gateway communities.

"We advise participants be well-prepared. Some access points require 4-wheel drive or high clearance vehicles," said Karrie Kressler, Administrative Director.

A few sections of the trail are remote and require extra

AZ TRAIL

Continued from page 4

planning. For these sections, participants familiar with backpacking will be required to camp in particular areas at least a day before the actual event to be ready to complete their portion on October 9, according to Kressler.

Fundraising Opportunities

Participants who want to help raise money to support the Arizona Trail Association can appeal to family, friends and others to pledge dollars to support their commitment on October 9. "Last year AZT in a Day participants raised over

\$50,000 for the trail, an incredible show of support that we are hoping to reach again this year." said Nelson. "It takes a strong organization to protect and maintain 800 miles of trail. As we attempt to raise the funds necessary to sustain the ATA, please think about what your experiences on the AZT are worth."

How to Get Involved

To sign up, or for more information about AZT in a Day, visit aztrail.org/ events/aztinaday-2021/, email karrie@aztrail.org, or call (520) 261-8460.

Public Notice

**PINAL COUNTY - PUBLIC NOTICE
NOTICE OF NEIGHBORHOOD
MEETING FOR A ZONING
ORDINANCE TEXT AMENDMENT, IN
AN UNINCORPORATED AREA OF
PINAL COUNTY, AZ**

Please be advised that Pinal County is proposing a Zoning Ordinance text amendment to Title 2 of the Pinal County Development Services Code, establishing a new section, Section 2.365 "LARGE MASTER PLAN COMMUNITY (L-MPC) ZONING DISTRICT". This amendment establishes the L-CMP zoning district to provide flexibility, specifically for large property holders seeking residential master plan development, without relying on "one-off" PAD zoning requests which are tailored to specific properties. PADs can be difficult to manage and enforce, but also, for large developments, PADs often undergo multiple amendments, which can further complicate enforcement. Encouraging flexibility and large-scale residential development will encourage interest and development activity, which supports the County's growth and economic development goals. This will advance other goals, such as those related to transportation and connectivity, cooperation with public agencies, and resource conservation. Unlike the PAD zoning option, the L-CMP zoning district will provide flexibility and uniformity in regulation across all properties with the same zoning. Additionally, this amendment provides the public a level of certainty as to how a property might develop, thereby encouraging a more transparent entitlement and development process. In compliance with the Pinal County Development Services Code requirements, a Neighborhood Information Meeting will be held to provide an opportunity for residents and property owners to become aware of this amendment and provides an opportunity to influence the form of future development. Should you have questions prior to the meeting, please contact:

Support Local: Griffith Mortuary

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly

began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something

back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 84 businesses in the Copper Corridor.

As the COVID-19 Pandemic took its toll, businesses, families and even local groups had to adjust their strategies to keep their missions moving forward while working through the pandemic. Churches had to close their doors and move worship services to Zoom. Another unexpected twist to the pandemic involved funerals.

Bulman Family Funeral Homes, which operates in the Superior and Kearny areas as Superior Funeral Home and Griffith Mortuary, is owned by Rob Bulman, who also serves as the funeral director.

Bulman said they were affected by the pandemic when most, if not all, funerals

had to be cancelled or postponed.

Superior Funeral Home and Griffith Mortuary have been a mainstay of both communities for many years, first under the ownership of the Griffith family and, as of 10 years ago, by Bulman.

Assistant and Intern, Nichole Aranda, explained that the funeral homes offer prearranged funeral plans and counseling, as well as at need funeral planning, burials and cremations, and headstone and monument sales.

"We take pride in assisting and serving the communities of Kearny and Superior," Aranda said, "and do so with honor and grace."

Griffith Mortuary, which is located at 101 Johnston Dr., Kearny, is open Monday through Friday, 9 a.m. to 3 p.m. Superior Funeral Home is open only by appointment at 379 Ray Rd., Superior. Phones for both are answered 24 hours a day: (520) 363-5353 for Griffith Mortuary; and (520) 689-2692 for Superior Funeral Home. Find them online at GriffithMortuary.com and SuperiorFuneral.com.
