OBITUARIES

Isabel Velez Trujillo

Isabel Velez Trujillo, 91, of Kearny AZ entered into heaven to be with her husband Alfredo R. Trujillo on July 15, 2015. Isabel, known to her friends as "Chavela" and family as "Nana Bell" was born on June 17, 1924 in Sonora, AZ to Jesus and Rafaela (Saenz) Velez. She was a loving wife, mother, grandmother, sister, tia, daughter, and friend.

On Aug. 10, 1947, she married Alfredo R. Trujillo and they shared four beautiful daughters. Isabel was hardworking and devoted to her husband and family. She had many jobs during her lifetime which included homemaker, seamstress, nanny, and caregiver to many of her grandchildren and great-grandchildren. Isabel will be remembered by her family as a woman who took great pride in her home and providing for her children and grandchildren. She loved gatherings in her home and

enjoyed being surrounded by her loved ones. She was a devoted Catholic who was active in her church as well as an active Senior Citizen in Kearny AZ. In her later years, Isabel was living in Gilbert, AZ. Her greatest joy was being visited by her family members, receiving the Holy Sacrament every Sunday, and talking about all of her memories.

She is survived by her sister, Cruz Gonzales of San Jose, CA; daughters, Irma (Dave) Weatherford of Mesa, Bernice "Googoo" (Armando) Lechuga of Kearny, Dorothy Trujillo of Florence and Selma (Daniel) Hatfield of Kearny; 12 grandchildren; 18 great-grandchildren; four great-

great-grandchildren; and many nieces, nephews, and godchildren.

Isabel is preceded in death by her parents; husband, Alfredo; siblings, Ramon, Ignacia, David, Arturo, and Margaret; and nephew, Jesus Velez.

Funeral services for Isabel will be Friday, July 24, 2015 at Infant Jesus of Prague Catholic Church in Kearny beginning with the viewing at 8 a.m. The Rosary will begin at 9 a.m. and the Mass will begin at 9:30 a.m. Isabel will then be laid to rest at Fairview Cemetery in Superior, AZ. Luncheon is to follow at Infant Jesus of Prague in Kearny AZ.

LETTER TO THE EDITOR

Mammoth mayor offers 'State of the Town' for 2015

The Mayor and Councilman Brewer have been added to an ex-employee's pending claim against the town.

The # 2 main water storage tank is being filled and should be online within the week. The job has been completed and is being reconnected at this time. The PW crew is doing an excellent job of getting the tank back online. Filling the tank has started. The contractor, MMI, did an excellent job and CAG also did an excellent job overseeing the project. I did the final inspection for both CAG and NCS Engineering.

I had the pressure tank at #2 tank tested at 50 locations for gauge thickness. Averages were .191. There were three areas that tested .171 and these were repaired. The cost of a \$22,000 replacement tank was not an option and the repair saved the town the 22K cost of replacement.

There is a carryover of \$16,000 and I have asked CAG to direct these funds to the town for administrative costs. CAG has agreed to this request. I feel that when the town receives grants for the town improvements there needs to be a maximum of 15 percent for administrative costs to the office and into the town general fund for the work done behind the scenes.

The water is better and even tastes better. I make my coffee, now, using it. The new chlorinator should take some of the calcium and hardness out, when installed. Thanks to Juan Ponce and Pablo for this success and a job well done.

The swimming pool has taken in \$4,649 since opening. At this date we have spent \$4,930 plus chemical costs. This is a \$281.20 deficit and the town will have to pay this. Far better than the many thousands of dollars of deficits in the past. We need to plan for a pool recoating in the future and the town will need to search for grant funding. We still have \$2,600 in grant funding available for the pool, so, if we use these funds, the pool will end up in the black for the year. A Council Person and a grant writer will be needed to search for these funds.

I am thinking with the success of the pool a Labor Day free swim for one or two days might be a good idea, maybe a week after Labor Day? Possibly ask the Fire Department and the Lions for help in cooking burgers, etc. Maybe the Senior group could invest in burgers and dogs. A Council Person will be needed to head this party up.

The water system in the town needs several upgrades, including four timers for the new sewer aeration in the ponds. I have cut the power usage in half with the help of Juan Ponce. This totals a \$450 a month savings in the town's electric bill. The timers will cut man-hours and should save more funds. We need two flow meters for proper water distribution. These run approximately \$325 each. We also need two cast-iron water impellers for the booster pumps. Cost is \$787 each. One is a back-up. We also need three phase power electrical service and three transformers. Cost of electrical work is between \$2,500-\$3,500. We also need a second automatic chlorinator for the #1 storage tank. The cost is \$6,500. A grant writer and a Council Person in charge will be needed.

Thanks to Chief Nash for the equipment from the Air Base: a Humvee, 30KW gen set, and a one ton flatbed with stake side panels. I just got a new driveline and Charles installed it, and, the truck drives great with six new tires. I

am thinking the gen-set could be used for backup electrical power for the community center. If a long power outage should come about, we could use the CC as a place for people to get in out of the heat. An auto switch would be needed at a cost of \$2,500, plus or minus, and the electrical contractor. The power switch and gen-set could also be used as a Well backup in a catastrophic shutdown where water tanks are getting low. A Council Person will be needed for this grant and parts acquisition.

Thanks to Pat Walker Consulting, LLC for the help, the

professionalism, and the hard work to get the Town of Mammoth back on track. We are close to getting in the black and in a shorter period of time than I had projected, all due to Pat. Thanks to her, again.

Many thanks to Sharon Christensen for the hard work and the dedication to the town library. I have witnessed the youth in action and on their computers. The youth I talked to are very energetic and wish I had some of their energy. People should see the garden!

STATE OF THE TOWN

Continued from page 3

There will be no Town Hall meeting this month. I was swamped with the water storage tank and a meeting can be held the fourth week of this month if persons want me to get a meeting going. The meetings are beneficial for the Town, and, persons are invited to join in and voice their concerns, present new ideas, and talk openly. Thanks to all the persons that have

attended the past meetings and voiced their concerns.

A grant needs to be started for new water main lines, and road paving after the mains are installed. Grants need to be submitted and funding applied for. A council person is needed to head this up.

Suspicious circumstances raise concern about possible arsonist

The Pinal County Sheriff's Office is working with the Oracle Fire Department on a possible arson case.

According to Tim Gaffney, Public Information Officer for the sheriff's office, a local deputy was dispatched to the 900 block of Estill Dr., Oracle, on July 13 to meet with Oracle Fire Chief Larry Southard regarding a recent wildfire in that area.

Southard told the deputy that the previous day, July 12 at approximately 2:45 a.m. fire crews were called out to a brush fire. The crew extinguished the fire and left the scene at 3:30 a.m.

The following day, Southard went to the scene to conduct a check and noticed that several pieces of dried Manzanita wood has been placed on top of the area where

the fire was. The crew, Southard told the deputy, reported that they put out the fire and cleared the area of any flammable material nearby.

Southard also told the deputy that approximately two months earlier, the fire department was dispatched to the same area for a brush fire. The older fire was located approximately 20 yards to the north of the July 13 fire.

The fire chief believes that both fires are suspicious. In both cases, there were no lightning strikes which could have started the fires.

The fires will remain under investigation by the Oracle Fire Department and Pinal County Sheriff's Office was requested to perform extra patrols in the area during the nighttime hours.

DO YOU BELIEVE?

YOUR ANSWER CHANGES EVERYTHING

First Baptist Church of San Manuel challenges the Community with Life's Most Important Question.

It's perhaps the most significant question people will face in their lifetime – and it is also the title of a popular movie called *Do You Believe?* from Pure Flix, the creators of the hit movie *God's Not Dead*.

Do You Believe? is about 12 different souls – all moving in different directions, all longing for something more. As their lives unexpectedly intersect, they are each confronted with the question, *Do You Believe?*

The movie features an all star cast – Mira Sorvino, Sean Astin, Alexa Penavega, Ted McGinley, Lee Majors, Cybill Shepherd, Andrea Logan White and Brian Bosworth. The movie which was in theaters last March will be shown at First Baptist Church of San Manuel, on the corner of 1st and Nichols, at 6 p.m. Sunday, July 26th, and is absolutely free. It will be shown on 2 big screen TVs in our air-conditioned auditorium.

We will be providing childcare for ages 6 years and under during the movie. We will also provide refreshments following the movie. We hope to see you there.

Oracle Schools now has a foundation to help out in hard financial times

The Oracle School District (OSD) may be small, but their dreams are big. With 2014's override renewal funding and additional efficiencies instituted by administration, the District has begun to realize some of these dreams. This year, they were able to hire a music teacher and a school counselor. Additional academic tools, the arts, and facility upgrades continue to be unmet needs.

Funding increases though, are hard to come by these days. That is why a few concerned citizens decided to start a foundation to help fill in the gap. Their efforts resulted in the Oracle Schools Foundation's (OSF) recent approval as a 501(c)(3) tax-exempt organization by the IRS. The OSF's vision is to be a beacon of excellence in public education and the mission is to provide financial and related support to ensure that every

Oracle student has unlimited opportunity to succeed.

The foundation is headed by President Edwin Hartman, a retired professor and Oracle resident. He is joined by three retired SaddleBrooke residents: Vice-President, Alan Levenson, (lawyer); Secretary Maria Menconi, (school superintendent); and Treasurer Richard Borland (banker.) Two additional board members are both Oracle residents: the OSD Superintendent Dennis Blauser and Andrea Jennings, a District parent. OSD Governing Board member Linda Lyon (retired USAF Colonel) is on the foundation board as a non-voting member.

Foundation board members have scheduled a foundation charity gala for Nov. 14 at The Vista at SaddleBrooke One and have been the first to step forward with donations totaling

Mammoth Council approves ordinances and celebrates a birthday

By **John Hernandez**
San Manuel Miner

Several changes to the Mammoth Town Code were discussed, approved and tabled at a meeting held last

week. Those in attendance also helped one councilman celebrate a milestone.

Ordinance number 196 concerning the recall from office and ineligibility of a recalled official from running and being elected to office for eight years or two election cycles

was tabled for more information. The town's attorney is looking into the issue.

Ordinance number 199 to add Town Code Section 2.04.03 Vacancies in Council was passed. The ordinance includes the positions of Mayor or Council member becoming vacant upon death, resignation, removal from office, absence of three Council meetings, non-residency in Town limits, conviction of felony, failure to file oath of office, or void election.

Ordinance 198.1, an amendment to Ordinance 198, was approved. The amendment changed the effective date of increasing the Transaction Tax Rate from 2% to 4% to Sept. 1, 2015.

In other action, the Council:

- Approved a Town policy to charge for delivery of surplus dirt to town residents. The charge will be \$30 for a truckload delivered within the town limits.
- Approved the recommendation to the State Liquor Board for a Special Use permit for the Blessed Sacrament Church Fiesta on Sept. 16.
- Tabled the matter of scheduling and removing tree trimmings, brush and vegetation from a residents property because the resident did not show up for the meeting.
- Approved the expenditure of up to \$500 for the roofing repair and materials for the Town Park.
- Discussed Mayor Don Jones' State of the Town. A copy of this is in the San Manuel Miner.

Councilman Joe Brewer asked those in attendance to remember and offer prayers for those Marines who were killed in the terrorist attack in Tennessee and their families.

Councilman Bob Sloan was surprised by the Council who wheeled out a cake for Bob's 80th birthday. The cake was enjoyed by all in attendance after the meeting.

The Town of Mammoth helped Councilman Bob Sloan celebrate his birthday at the meeting last week. Congratulations, Mr. Sloan.

Oracle Schools preparing to head back for new year

Guess what, kids? Your parents are super-excited that you are heading back to school!

But before you can board that bus and set off the most joyous jig your moms and dads will ever dance, there is some information that they need.

Yes. Back to School Information for Mountain Vista School students!

The Oracle School District #2 will be holding a school registration on July 29 from 9 a.m. to 1 p.m. and later the same day there will be a special evening session from 5-7 p.m. Don't forget to come and meet the teachers and staff and enjoy Eegees and sandwiches on Monday, Aug. 3,

from 5:30 to 7 p.m.

The Oracle School District has a D.E.S. sanctioned early childhood center that features a state of the art preschool. Preschool is open four days per week featuring both an afternoon and a morning session and is closed on Wednesdays. Pre-school is \$10 per day with some tuition scholarships available.

Mountain Vista School in the Oracle School District has enrollment space in grades Pre-K through 8. Mountain Vista includes a one of a kind 5/8 super accelerated combination class. This program in conjunction with

Nine years and running: Sea Lions win the championship!

The Sea Lions swim team hosted the Central Arizona League Championship Swim Meet on Saturday, July 18, at the San Manuel Swimming Pool and won the competition by more than 300 points.

The overall team scores were as follows:

- 1st place - San Manuel Sea Lions 1238 points
- 2nd place - Coolidge Dolphins 854 points
- 3rd place - Parkside Piranhas 539 points
- 4th place - San Tan Valley Barracudas 282 points
- 5th place - Eloy Otters 246 points
- 6th place - Globe Piranhas 161 points
- 7th place - Florence Sharks 59 points

This is the ninth consecutive year that the Sea Lions have won the League Championship Meet.

In the championship meet format, each swimmer is limited to three individual events and two relays. The following Sea Lion Swimmers won all five of the races that they swam: Tabitha Kellam, Evan Apuron, Riley Stewart, Darien Apuron, Gianna Sweeney, and Will Newman.

Sea Lion Swimmers broke 18 League Championship Meet Records. Since the championship brings the best swimmers from all the teams in the league, it is a tremendous achievement to break a Championship Meet Record. Sea Lion Swimmers who set new Championship Meet Records include: Johnny Smallhouse, Evan Apuron, Riley Stewart, Hunter Hill, Nate Fister, Gianna Sweeney, Darien Apuron, Will Newman, Taylor Woods, Colbey Stratton, and Jacob Christian.

Several swimmers also broke Sea Lion Team records at the meet. Johnny Smallhouse, Evan Apuron, Gianna Sweeney, Will Newman, Taylor Woods, Colbey Stratton, and Jacob Christian all set new team records at the championship meet.

Medals were awarded for the top three finishers in each event. Out of the 88 events, Sea Lions swimmers came home with 51 gold medals, 33 silver medals, and 19 bronze medals, which was much more than any other team.

With all seven teams in the league competing, any finish in the top eight places is an impressive achievement. The following Sea Lion swimmers had top eight finishes in their age groups at the Championship.

Annie Nemans, 4, (7th Fly, 6th Breast, 8th Free);

Kayla Lambiotte, 6, (1st Fly, 2nd Breast, 1st Free, 2nd Medley Relay, 2nd Medley Relay);

First Baptist Church invites Tri-Community to movie event

It's the most significant question people will face in their lifetime and it's also the title of a popular movie from Pure Flix, the creators of the hit movie God's Not Dead: Do You Believe?

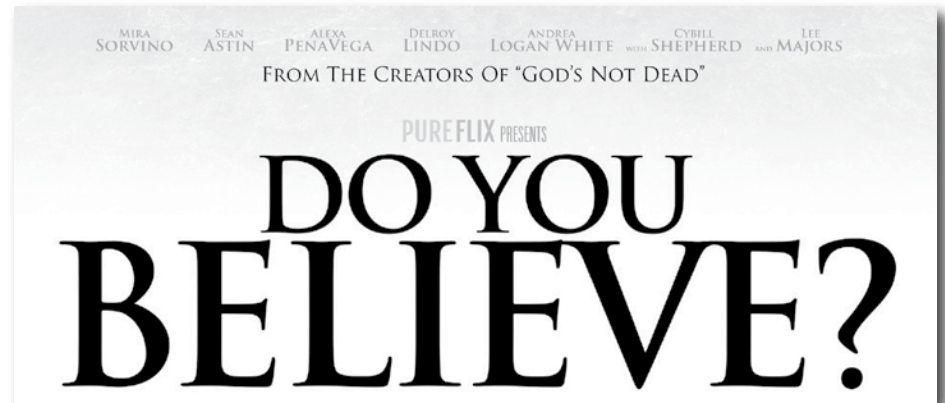

The movie, which was in theaters last March, boasts an all-star cast including Mira Sorvino, Sean Astin, Alexa Penavega, Ted McGinley, Lee Majors, Cybill Shepherd, Andrea Logan White and Brian Bosworth. It tells the tale of 12 different souls all longing for something more, whose lives are moving in different directions until

they intersect and they are confronted by this question.

First Baptist Church of San Manuel, on the corner of First and Nichols, will be showing this movie on two big screens, in their air conditioned auditorium at 6 p.m. on Sunday, July 26, for free.

Childcare will also be provided for ages 6 and under during the movie. Refreshments will follow the movie.

To see a trailer for the movie, go online to <https://youtu.be/ogIX2Q7tEdc>.

BACK TO SCHOOL

awesome technology and several new text book series prepares students for the Mountain Vista "pre-advanced placement" curriculum in which students can earn up to two high school credits in Algebra I and Geometry. Students that complete this program easily transition into high school advanced placement programs which allow them to earn college/university

credits.

In addition to an outstanding academic program the Oracle School District offers a full range of athletics which include tackle football, wrestling, boys and girls basketball, volleyball, softball, baseball and even track.

The Oracle School also offers a wide array of enrichment opportunities such

as music, a talent show, sewing and horsemanship. The Oracle School District has put maximum effort into its schools to earn your respect and the privilege of educating your children. Of course we always welcome "drop in" registrations. If you have further questions please do not hesitate to contact Superintendent of Schools Dennis Blausler at 896-3074

(dblauer@osd2.org) or Principal, Nannette Soule at 896-3003 (nsoule@osd2.org).

And kids, if you catch your parents doing their happy dance, be sure to snap a picture. Send them to us at editor@minersunbasin.com. We'd love to post them on our Facebook page. www.facebook.com/copperarea.

almost \$3,000. Half of this funding came from Alan and Betsy Levenson for creation of the Levenson Reach Scholarship. This first year's recipient, sixth grader Natalye Pinedo will attend the Sally Ride Science Camp at UC San Diego this summer. Providing opportunities like these to very deserving students like Natalie is indicative of the type of life-changing experiences the foundation hopes to facilitate.
 Donations to the Oracle Schools

Foundation are tax deductible, but totally separate from Arizona's tax credit program. Under the state's tax credit program, individuals are allowed to donate \$200 to any public school district and reduce their state tax bill by that same amount. Donations to the OSF reduce a taxpayer's tax liability on Federal taxes and may be made in addition to making a tax credit contribution.
 Interested in helping? The foundation website address is www.

OracleSchoolsFoundation.com and its Facebook page is at www.facebook.com/OracleSchoolsFoundation. You can also email the foundation at info@oracleschoolsfoundation.com. Opportunities to give on-line will be available in the future, but for now you can send a check to P.O. Box 5454, Oracle, AZ 85623. We may not be able to change the world, but together, we can make a real difference for our local children.

Expedited Rulemaking Board of Supervisors Public Hearing
Pinal County Air Quality proposes that the Board of Supervisors amend existing rules pertaining to air quality control. A formal notice, including the full text of the proposed revisions was published in the June 5, 2015 edition of the Arizona Administrative Register, which is available on-line at www.azsos.gov. Several Pinal County Air Quality rules adopted by the Board of Supervisors in the 1990s were not officially acted on by the Environmental Protection Agency (EPA) and as such are on their "SIP Backlog". Recently EPA contacted Pinal County Air Quality to inform the department of an impending limited disapproval related to these submitted rules. This rulemaking proposal is an attempt to formally remove these several rules from EPA consideration for inclusion into the Arizona State Implementation Plan (SIP). Given the obligatory nature of the proposed rulemaking, this rule adoption will follow the expedited rulemaking process defined in A.R.S. 49-471.08. Following publication of the notice of expedited rulemaking and a 30-day public comment period, the proposal along with a summary of any comments will be submitted to the Board of Supervisors for consideration and possible adoption. The date, time and location of the Board of Supervisors public hearing-of-adoption is August 26, 2015, 9:30 a.m. at the Pinal County Administrative Complex, Board of Supervisors Hearing Room located at 135 N. Pinal Street, Florence, AZ 85132. The agenda for the Board of Supervisors meeting on August 26, 2015 can be found online at <http://pinalcountygov/bos/Pages/AgendaMinutes.aspx>.

Oracle Piano Society purchases former lodge; will turn building into performance and arts center

The Oracle Piano Society, widely known for presenting high-caliber classical music performance events along with sponsoring regional youth music education programs, has announced it will soon have its own permanent home in Oracle. The three-year old non-profit is purchasing the former Oracle Masonic Lodge, a 3,600 sq ft building for \$200,000, according to Elaine Helzer, chairman of the society's directors.

"This facility gives us not only a performance venue for our Baldwin concert grand piano, its versatile space lends itself to becoming Oracle Arts Center — for music, art, educational lectures, and workshops sponsored by us and other community organizations," said Ms. Helzer.

Previously, Piano Society concerts were held at Desert View Performing Arts Center in SaddleBrooke. "We appreciate all the support we received from the Center and the entire community," said Mary Huebner, treasurer, adding "and look forward to possible encore

performances at Desert View". Concerts were also held at Tempe Center for the Arts, music festivals at the Triangle L Ranch "Glow," and lectures at the Oracle State Park Kannally Ranch House.

Located just off American Avenue on E. Kingston St., the masonry building features a performance hall with high wood ceiling and moveable seating, a spacious lobby, modern kitchen, and large parking area. The purchase is expected to be finalized by January 2016. Improvements to bathrooms and construction of a raised stage to hold the Baldwin piano and musicians will begin shortly after closing.

Dr. Steven Cook, founder and artistic director, revealed preliminary plans for a concert featuring a bassist from the National Symphony Orchestra, performance of a work by Irish composer Dr. Christopher Norby at Biosphere 2, and a collaboration with the biosphere science academy.

Major capital fundraisers are being scheduled. Must-attend events will

include a white-tablecloth dinner and concert in October, piano concert in November, and Ravel concert next spring. The goal, of course, is \$200,000, with benefactors and major donors joining families, small businesses, and individuals from throughout the Tri-Community, the SaddleBrooke communities, Catalina, and Oro Valley in achieving the vision of the Oracle Piano Society.

Information is posted on the website: OraclePianoSociety.org. Persons can follow activities on facebook.com/OraclePianoSociety, call 623-295-9677, or write to Oracle Piano Society, PO Box1564, Oracle 85623.

Dozens of volunteers in the greater Oracle area, including directors Ms. Helzer, Rachel Opinsky, Mary Huebner, Earlene Lewis, and Mark Freshwater;

local artists; and local businesses and organizations are welcoming this milestone in Oracle's reputation as a destination for tourists and cultural center for residents of all ages.
