## OBITUARY

# Olivia Virginia Ochoa

After a prolonged battle with cancer, Olivia Virginia Ochoa passed away on Friday, July 21, 2017 at Hospice of the Valley, Friendship Village in Tempe, Arizona.

She was born Oct. 22, 1943 in Ray, AZ. Virginia was born to Joe Ochoa and Pearl Abril Chavez. She is survived by her two sisters Lorinda DeLong and Dolores Ochoa and by numerous nieces, nephews, and god children. Nieces and nephews include Tina Ochoa Quinonez, Frank Joseph Ochoa Jr., Monica Garcia, Daniel Ochoa, Angela DeLong, and Alexandria DeLong. Great nieces and nephews include Anthony Corral, Michael Corral, Eric Corral, Abrianna Ochoa, Frank Ochoa III, Clarissa Garcia, Alexis Garcia, Adriel Garcia, Daniel Ochoa Jr., and Scarlett Ochoa. Great-great niece and nephew are Natalie Corral-Quinonez and Henry Corral. She had countless god children that she loved throughout her life. She will be forever missed by them all.

Virginia was an incredible teacher for many years. She began her teaching career in Hayden, Arizona and shortly transferred to Kearny, Arizona. She taught many years at Ray School where she touched so many lives. Virginia, "Miss Ochoa" is what she was known as to many adults and children of who she taught. She enjoyed being in her classroom and teaching her junior high students. She loved all sports, but most of all she loved the Los Angeles Dodgers. She would travel near and far to see them during Spring Training and the regular season. Virginia spent most of her life visiting family/friends and exploring the world. Her love for traveling took her all over the world many times over.

What she treasured most in life was her family, her friends, and her students. Above all, she valued the

relationships she had with each and every person that was a part of her life. More than anything else, she loved being a sister, an aunt, and a god mother. She reveled in her family's love and cherished her time watching it grow. When diagnosed with cancer, she remained dedicated to her family and friends in her will to fight her illness. She remained a brave, iron-willed woman, even throughout her final days.

Services for Virginia will be held Saturday, July 29, 2017 at 10:30 a.m. at the Church of the Good Shepard, 509 Danbury Road in Kearny, Arizona. There will be a small reception following the service.

## Specialty license plates help Arizonans be generous to the tune of \$9.8 million; record number of dollars raised for charitable causes

PHOENIX – Arizona's specialty license plates come in many different colors, but one color they have in common is green – as in dollars.

In the most recent fiscal year ending June 30, sales of these plates generated more than \$9.8 million for charitable causes and public programs. In the previous fiscal year, that figure totaled just under \$9.4 million.

Many long-time plates continue to see growth in their sales, and the overall figures were bolstered by the introduction of four new plates midway through the fiscal year. Those plates support the 100 Club of Arizona, Special Olympics, Grand Canyon University scholarships and preservation efforts for Historic Route 66.

"The specialty plate program is a real point of pride for Arizona and is a tremendous success," said Arizona

# Pinal RTA on the Ballot in November

The citizens of Mammoth, Kearny, and Superior will want to learn about two November ballot items, Propositions 416 and 417, because if they pass each of the town governments will receive \$300,000 a year for transportation uses. The Town of Eloy will also receive the same amount.

The big purpose of the ballot items is to strengthen and sustain a new transportation system for Pinal County, connecting East to West and North to South and making new community developments possible. The system is to be funded with a 1/2 cent sales tax for the next 20 years. Since the bulk of the system is located in urban or soon-to-be urban areas, the propositions include the \$300,000 per year as a "balance of benefits" to rural Pinal County.

It is my opinion that the passage of these propositions to enable the Pinal Regional Transport Authority (RTA) to begin work is positive, for both urban and rural areas. This new funding would not reduce existing state funding for town roads. Also, since the State of Arizona periodically "raids" the state allocation for towns, the amount varies considerably from year to year, making transportation planning for the towns difficult. The \$300,000 figure could be counted on, and the state's additional funding would be a plus.

As news accounts come out, please study the ballot issues carefully before you vote in November. I'll say more about these issues after I read the full text of the propositions.

Kudos to the Town of Kearny for being responsive to citizen desires regarding the summer swimming program. The family fun nights at the pool have been well received, and only slight adjustments had to be made to the fee schedule. The pool staff are to be commended as well for their fine job.

The final family fun night at the pool will be this Saturday, July 29, from 6:30 to 8:30 p.m. The fee is \$5 per family, and pool passes will be honored.

Special to Copper Area News

School is about to begin (yes, already!). The faculty, administration, and supportive staff of the schools in Kearny and Hayden/Winkelman will have conferences next week. For several years now, the people of The Church of the Good Shepherd in Kearny have provided a meal for everyone working at the schools. This year the Ray Schools will gather at Ray Hall of the church for a luncheon and relaxing fellowship on Tuesday, August 1, at 11:30 a.m. The Hayden/Winkelman Schools will be treated to a breakfast on Wednesday, August 2, at 7:30 a.m. in the district office mini-auditorium. The congregation raises the funds and prepares and serves the food to let everyone know that education is valued in the Copper Basin.

Speaking of Good Shepherd Church, the congregation has a new pastor, The Rev. Michael Eaton, who began three weeks ago after the retirement of Pastor Nina Yardley. Pastor Eaton is "riding the circuit" of St. Paul's Church in Globe and Good Shepherd in Kearny. He is in Kearny each Sunday for the 9 a.m. worship service, which is preceded at 8:30 a.m. with a light breakfast and time for fellowship. Pastor Eaton is also in residence in Kearny on Tuesdays and Wednesdays.

(StatePoint) At a time when math is becoming an increasingly important subject for students to master, students are exploring ways to better understand the subject of math and improve their test scores.

To help students stand out from the pack and increase their math grades and scores, consider the following. Don't Skip Ahead One math skill builds on another. The same way that skipping an episode of a plot-

driven show will make you feel lost when you return to the program, missing a math lesson can create confusion all semester long. To keep up, be sure to pay careful attention in class, taking copious

notes, doing all your assigned homework, and being sure to talk to the teacher about what you missed on sick days. Don't move to the next chapter until you have full comprehension of the current chapter. If the class is moving at a pace that feels too fast, visit your teacher before or after the school day for some extra help, or consider working with a tutor.

Better Math Gear

Higher level math courses require the right tech tools. Since tests are most often timed, be sure to select a calculator with fast processing speeds, an easy interface that reduces the amount of time it takes to work out an equation, and is permitted on standardized tests.

For example, the intuitive icon-based menu of the fx-CG50 PRIZM from Casio, has a natural textbook display

that makes it easy to use. Supporting students from middle school to college, it also offers USB connectivity that helps students take their lessons from calculator to computer. More information can be found at CasioEducation.com.

Form a Study Group

The benefits of being in a study group are numerous, from accountability to expanded opportunities to explain the material to others. Different students will bring different skills to the table, helping everyone fill in knowledge gaps. Consider forming such a group with classmates, and setting regular meetings to go over the latest material together.

Math class doesn't need to seem so formidable. Improve your grades and test scores with the right tools and study habits.

### 2017 - 2018 National School Breakfast and Lunch Program

H-W - Hayden Winkelman Unified Schools will be participating in the National School Lunch Program and / or School Breakfast Program. As part of this program, Hayden-Winkelman Unified Schools will offer healthy meals every school day. Breakfast is free; lunch will cost \$2.70 for grades PreK-12. Your children may qualify for free or reduced-price meals. Reduced-price is free for breakfast and \$.40 for lunch.

Qualifications for children to receive free or reduced price meals include: belonging to a household whose income is at, or below, the Federal Income Eligibility Guidelines, belonging to a household that receives public assistance, or if the child is homeless, migrant, runaway, foster, or participates in a Head Start or Even Start pre-Kindergarten program.

Household size and income criteria are used to determine eligibility for free and reduced-price benefits if the household does not receive assistance or the children are not in the other categories mentioned above. Children can get free or reduced-price meals if the household's gross income falls at, or below, the limits on the Federal Income Eligibility Guideline chart.

Federal Eligibility Income Chart for School Year 2017-2018

Household Size	FREE			REDUCED-PRICE

Each additional person:	+\$5,434	+\$453	+\$105	+\$7,733	+\$645	+\$149

To apply for free or reduced-price meals, households can fill out the application and return it to the school unless the household has already received notification that their children are approved for free meals this year. Application forms are being distributed to all households, with a letter informing households of the availability of free and reduced-price meals for their children and what is required to complete on the application. Applications also are available at the Leonor Hamby K-8 Office, Hayden High School and the District Office.

Only one application is required for all children in the household, and, the information provided on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified at any time during the school year, by the school or other program officials. An application for free or reduced-price benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions. In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, national origin, age or disability. Families can apply for benefits at any time. If a household member becomes unemployed, or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at, or below, the Federal Guidelines. Contact Barbara Martinez, Food Service Director at 520-356-7876 ext. 2602, any time, to request an application.

Under the provisions of the free and reduced-price policy, the Food Service Director will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Mr. Jeff Gregorich, Superintendent and Hearing Official at P. O. Box 409, Winkelman, AZ 85192; 520-356-7876 ext. 1310.

When known to Hayden-Winkelman Unified School District, households will be notified of their children's eligibility for free meals if they are members of households receiving assistance from the Supplemental Nutrition Assistance Program (SNAP); Food Distribution Program on Indian Reservations (FDPIR); or Temporary Assistance for Needy Families (TANF), if the State program meets Federal standards.

An application is not required for free meal benefits for Assistance Program participants and all of the children in the household are eligible for free meal benefits. If any children were not listed on the notice of eligibility, or if a household does not receive a notice of eligibility, the household should contact the school to have free meal benefits extended to them. Participants in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) may be eligible for free or reduced-price meals, but, they will need to turn in an application including household size and total income.

When known to Hayden-Winkelman Schools, households will also be notified of any child's eligibility for free meals if the individual child is considered "Other Source Categorically Eligible", because, the child is categorized, as defined by law as: Foster; Homeless; Migrant; Runaway; Enrolled in an eligible Head Start; or, Enrolled in an eligible pre-kindergarten class.

If any children were not listed on the notice of eligibility, the household should contact the school about their eligibility through the list above, or should submit an income application.

Households notified of their children's eligibility must contact the school if the household chooses to decline the free meal benefits.
