Pinal RTA on the Ballot in November

ALONG THE GILA

By Sam Hosler
Special to Copper Area News

The citizens of Mammoth, Kearny, and Superior will want to learn about two November ballot items, Propositions 416 and 417, because if they pass each of the town governments will receive \$300,000 a year for transportation uses. The Town of Eloy will also receive the same amount.

The big purpose of the ballot items is to strengthen and sustain a new transportation system for Pinal County, connecting East to West and North to South and making new community developments possible. The system is to be funded with a 1/2 cent sales tax for the next 20 years. Since the bulk of the system is located in urban or soon-to-be

urban areas, the propositions include the \$300,000 per year as a “balance of benefits” to rural Pinal County.

It is my opinion that the passage of these propositions to enable the Pinal Regional Transport Authority (RTA) to begin work is positive, for both urban and rural areas. This new funding would not reduce existing state funding for town roads. Also, since the State of Arizona periodically “raids” the state allocation for towns, the amount varies considerably from year to year, making transportation planning for the towns difficult. The \$300,000 figure could be counted on, and the state’s additional funding would be a plus.

As news accounts come out, please study

the ballot issues carefully before you vote in November. I’ll say more about these issues after I read the full text of the propositions.

Kudos to the Town of Kearny for being responsive to citizen desires regarding the summer swimming program. The family fun nights at the pool have been well received, and only slight adjustments had to be made to the fee schedule. The pool staff are to be commended as well for their fine job.

The final family fun night at the pool will be this Saturday, July 29, from 6:30 to 8:30 p.m. The fee is \$5 per family, and pool passes will be honored.

Corona Signs

Signs – we take them for granted. There are signs for safety, signs to give directions, signs to explain things, advertisements and even some home decor is signs. Signs can be on any kind of material, from vinyl banners, wood, billboards and brick. You name it, a sign could be placed on it. Paul Contreras of Corona Signs is a second generation, sign maker. His shop is located in Globe but he travels throughout the Copper Corridor to install signs and lettering.

He has been in business since 1987 following in his father

Lazo Contreras footsteps. Lazo got his start pin striping vehicles and hand painting signs. Lazo eventually went to work in the mines as a sign painter, some of his signs are still in use at the Freeport McMoRan rod plant in Miami.

Today, Corona Signs combines both the modern computerized sign making and hand painted signs to create a one of a kind sign. Their primary customers are the local mines who need safety signs that need to have high visibility, but they also install vehicle decals and vinyl window signage. From the simple event banners to the more complex billboards, Paul can help you with all of you

signage needs. Paul and his father have this motto: “If it doesn’t move, we can paint it.”

Paul explained that he joined the Superior Chamber of Commerce as a way to give back to the community of Superior. For a while his father worked at Magma and they have always provided sign and decal services to many businesses in Superior.

“We have a connection to the area,” he said.

His best business advice? “Love what you are doing!” he exclaimed. He also said there is great satisfaction in having a seeing your product when it is finished.

The “In Your Biz” column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. The Chamber meets the third Wednesday of every month at their building 165 Main St. in Superior, Arizona. Those planning on attending the Chamber luncheons do need to RSVP prior to the meeting, please call Deb McKee to RSVP at 520-827-1773.

Specialty license plates help Arizonans be generous to the tune of \$9.8 million

PHOENIX – Arizona's specialty license plates come in many different colors, but one color they have in common is green – as in dollars.

In the most recent fiscal year ending June 30, sales of these plates generated more than \$9.8 million for charitable causes and public programs. In the previous fiscal year, that figure totaled just under \$9.4 million.

Many long-time plates continue to see growth in

their sales, and the overall figures were bolstered by the introduction of four new plates midway through the fiscal year. Those plates support the 100 Club of Arizona, Special Olympics, Grand Canyon University scholarships and preservation efforts for Historic Route 66.

"The specialty plate program is a real point of pride for Arizona and is a tremendous success," said Arizona Department of Transportation Motor

Vehicle Division Director Eric Jorgensen. "To see this kind of continued growth proves Arizonans are both

generous and eager to support great causes."

Specialty plates typically cost \$25. Of that, \$17

is committed to the benefiting organization. For more information about specialty plates

including how to order, please visit ServiceArizona.com or azdot.gov/mvd.

The specialty plate program was established by state law in 1989.

School is about to begin (yes, already!). The faculty, administration, and supportive staff of the schools in Kearny and Hayden/Winkelman will have conferences next week. For several years now, the people of The Church of the Good Shepherd in Kearny have provided a meal for everyone working at the schools. This year the Ray Schools will gather at Ray Hall of the church for a luncheon and relaxing fellowship on Tuesday, August 1, at

11:30 a.m. The Hayden/Winkelman Schools will be treated to a breakfast on Wednesday, August 2, at 7:30 a.m. in the district office mini-auditorium. The congregation raises the funds and prepares and serves the food to let everyone know that education is valued in the Copper Basin.

Speaking of Good Shepherd Church, the congregation has a new pastor, The Rev. Michael Eaton, who began three weeks ago after the retirement of Pastor Nina

Yardley. Pastor Eaton is "riding the circuit" of St. Paul's Church in Globe and Good Shepherd in Kearny. He is in Kearny each Sunday for the 9 a.m. worship service, which is preceded at 8:30 a.m. with a light breakfast and time for fellowship. Pastor Eaton is also in residence in Kearny on Tuesdays and Wednesdays.
