OBITUARY

Catherine 'Katie' Trujillo

Catherine "Katie" Trujillo entered her eternal home on July 19, 2023, at the age of 97. She was born in Sonora, Arizona on April 30, 1926, and later married Manuel "Nelo" Trujillo in November of 1946. Together, they moved from Sonora to Kearny in 1965, where they continued to raise their four children.

Katie was a homemaker who loved to cook for family and friends. She was devoted to her Catholic faith, and her favorite hobbies included sewing and watching Westerns on TV. Katie was a loving wife, mother and nana. She was generous and caring and will be remembered for her

beautiful smile and loving heart.

Katie was preceded in death by her husband Manuel, son Richard "Dicky," and brothers Thomas, Celestino, Manuel and Alfredo.

She is survived by her son, Manuel (Irma); daughters, Angie Guzman and Cathy Trujillo; eight grandchildren and 11 great-grandchildren. She is also survived by her 103-year-old brother, John.

Services for Katie took place on Wednesday, July 26, at St. George's Catholic Church in Apache Junction. Katie was laid in her final resting place at Mountain View Cemetery in Mesa.

The family was assisted with exceptional service by Griffith Mortuary.

Pinal Airpark may soon have a control tower

Pinal Airpark may soon have a much-needed air traffic control tower thanks to a successful amendment added by U.S. Congressman Juan Ciscomani to the Federal Aviation Administration (FAA) reauthorization package which passed the House last week.

Currently, there is no tower at Pinal Airpark, which raises safety and operational challenges for the airpark and stifles economic growth. More than 100,000 commercial and military flight operations are conducted at the airpark each year.

“I am thrilled to see the Pinal Airpark prioritized in this year’s bipartisan FAA reauthorization package,” said Ciscomani. “This is a step in the right direction to encourage growth in the county and region, while making our skies safer.”

Jeffrey McClure, who serves as the Vice Chairman for the Pinal County Board of Supervisors and is the representative to the board for part of the Copper Corridor, thanked the Congressman for these efforts.

“Providing Pinal Airpark with an air traffic control tower not only improves safety in the area but will create jobs, spur economic development, and enhance critical military readiness and training,” said McClure.

Parrish Traweek, who manages both the Pinal Airpark and the San Manuel Ray Blair Airport, agreed with McClure.

“We need that tower,” Traweek said, “but it won’t affect (the San Manuel) airport. They have been working on Control Towers for both Pinal Airpark and Marana airport for many years. Local pilots will need to be proficient in flying into and around controlled airspace, which extends several miles around the control towered airport once the tower is online.”

He explained that the small airports in the county do not have controlled airspace, but sometimes there are temporary flight restrictions around local airports that pilots must obey – usually during a wildfire when fire crews are staging at local airports. Pinal Airpark, he said, is a 25-minute flight from San Manuel’s airport, so pilots flying into Pinal Airpark will need to remember how to get in and out of the controlled airspace.

Except for San Manuel Airport and Pinal Airpark (which are owned by the county), the other airports in the county are municipally owned: Kearny, Coolidge, Eloy, Casa Grande and Superior. Superior’s airport is the only one with an unpaved runway and is the only one that does not have hangars.

Superior Mayor Mila Besich said that paving the runway at the airport is a complicated issue, but one they are

currently working on.

“We have a study on paving it but finding the grant funding can’t happen till we have so many tail numbers. We also need to get out fire hydrants in first so we can build hangars,” Besich said. “The glider company is our first business venture and we are on the list to receive a federal earmark for the hydrants and the water infrastructure to the BTA (Boyce Thompson Arboretum).”

AZ STRUT to host second Tech Camp in Superior

AZ STRUT is one of the newest local non-profits to open a small business in Superior at the Superior Town Hall Complex. AZ Strut was introduced to Superior in partnership with Chicanos Por La Causa and the Superior Enterprise Center which helped to arrange a free computer give away in Superior earlier this year. During the initial give away, over 300 computers were given away to residents across the

Copper Corridor.

AZ STRUT a non-profit that refurbishes computers offers free computer training. It now has a physical location in Superior and is offering another tech camp for students in grades 6th - 12th. These programs help to train students on how computers work and how to repair computers. This program also helps to build

Public Meeting Notice

Pinal County Public Meetings on the FY2024 – 2028 Consolidated Plan and the FY2024 Annual Action Plan Program Funding

The U.S. Department of Housing and Urban Development (HUD) requires Pinal County to publish a five-year Consolidated Plan, Analysis of Impediments to Fair Housing, and an Annual Action Plan outlining the use of HUD funds for the Community Development Block Grant Program (CDBG), HOME Investment Partnership (HOME), and Emergency Solutions Grant (ESG) funds. Pinal County, in conjunction with the cities of Eloy, Florence, Mammoth, and Maricopa would like to invite you to a public meeting. The meetings are to get input into housing and community development needs and priorities for the next five years, and to solicit ideas for potential projects. All Pinal County citizens are invited to voice their comments regarding housing and community development needs, strategies to meet identified needs, and identifying barriers to those needs. Public input is an essential component of this planning effort. Pinal County has published and posted a Citizen Participation Plan that outlines the public process at www.pinal.gov/grants. CDBG projects must benefit low to moderate income residents and address one of the national objectives of the CDBG program. Sample projects include public facilities, infrastructure, housing, and public services. HOME projects must provide housing opportunities for low and moderate income residents. Sample projects include owner-occupied housing rehabilitation, down-payment assistance, and housing development. ESG projects must benefit persons experiencing homelessness or at risk of homelessness. Sample projects include homelessness prevention and rapid re-housing. Information may be found on our website at www.pinal.gov/grants. For the fiscal year 2024, Pinal County anticipates to receive an amount similar to the FY2023. HUD will post the total award amount in March 2024. For planning purposes, the county anticipates approximately \$2 million in CDBG funding, \$650,000 in HOME funding, and \$150,000 in ESG funding for each year of the Consolidated Plan period. Funding may fluctuate during the 5-year planning period. Please contact Heather Patel at (520) 866-6422 or by email at heather.patel@pinal.gov with questions, comments, or project ideas. Comments must be received prior to the last public meeting date.

Public Notice

un Plan consolidado de cinco años, un Análisis de impedimentos para la vivienda justa y un Plan de acción anual resumiendo el uso de los fondos del HUD para el Programa de Subvenciones en Bloque para Desarrollo Comunitario (CDBG), Asociaciones de Inversión HOME (HOME) y Subvenciones para Refugios de Emergencia (ESG). El condado de Pinal, junto con las ciudades de Eloy, Florence, Mammoth y Maricopa le gustaría invitarlo a una asamblea pública. Las asambleas son para obtener información sobre las necesidades y prioridades de vivienda y desarrollo comunitario para los próximos cinco años y solicitar ideas para posibles proyectos. Todos los ciudadanos del condado de Pinal están invitados a expresar sus comentarios sobre las necesidades de vivienda y desarrollo comunitario, estrategias para cubrir las necesidades identificadas e identificar los obstáculos para esas necesidades. La opinión pública es un componente esencial de este esfuerzo de planificación. El condado de Pinal ha publicado y presentado un plan de participación ciudadana que resume el proceso público en www.pinal.gov/grants. Los proyectos de CDBG deben beneficiar a los residentes de ingresos bajos a moderados y tratar uno de los objetivos nacionales del programa de CDBG. Los proyectos de muestra incluyen instalaciones públicas, infraestructura, vivienda y servicios públicos. Los proyectos de HOME deben ofrecer oportunidades de vivienda para residentes de ingresos bajos y moderados. Los proyectos de muestra incluyen restauración de viviendas ocupadas por propietarios, ayuda para pago inicial y desarrollo de viviendas. Los proyectos de ESG deben beneficiar a las personas en situación de calle o en riesgo de quedarse sin casa. Los proyectos de muestra incluyen la prevención de situación de calle y realojamiento rápido. Puede encontrar información en nuestro sitio web en www.pinal.gov/grants. Para el año fiscal 2024, el condado de Pinal anticipa recibir una cantidad similar a la del año fiscal 2023. El HUD presentará la cantidad total de la subvención en marzo de 2024. Para propósitos de planificación, el condado anticipa aproximadamente \$2 millones en fondos de CDBG, \$650,000 en fondos de HOME y \$150,000 en fondos de ESG para cada año del período del Plan consolidado. El financiamiento puede variar durante el período de planificación de 5 años. Comuníquese con Heather Patel a (520) 866-6422 o por correo electrónico a heather.patel@pinal.gov si tiene preguntas, comentarios o ideas de proyectos. Se deben recibir los comentarios antes de la fecha de la última asamblea pública.
