Preparing your child for kindergarten success starts early

San Manuel (July 20, 2016) – For young kids entering kindergarten, summer is the ideal time to instill the skills that will make the transition to school smoother. Families can use fun, everyday activities to help kids develop basic skills to build on and prepare them for kindergarten success. First Things First has gathered tips to help families get their little ones ready for success in kindergarten.

“Beginning kindergarten can be exciting and a little scary for some kids, moms and dads, too,” said Jill Broussard, Pinal County School Superintendent. “Make sure you talk about what to expect with your child. From lining up and raising their hand to how you will be waiting for them at the end of the day. I told my sons that being in

kindergarten is a wonderful opportunity for them to show me how mature they are, and a great chance to make new friends. Communicate with the teacher and your child and you will be impressed with the growth you will see from your little ones in just this one year.”

Below are tips to help your family have a fun, easy transition to kindergarten:

- Read with your child at least 20 minutes per day. Try books that repeat words; involve activities like counting, identifying colors, objects or letters; or, are about things your child likes. Ask questions like, “What do you think happens next?”
- Talk with your child everywhere – at home, in the car, at the store. Make up stories or songs about your outings.

- Writing begins with scribbling. Give your child safe writing tools to play with, like crayons, chalk or markers and blank paper. Ask your child to tell you about their drawings.

- Schedule a visit with your child’s doctor and dentist. Health problems make concentrating difficult.

- Teach your child how to use the bathroom by themselves, to wash their hands after going to the bathroom and before eating, to blow their nose and sneeze into their elbow.

- Before the first day: Talk with your child about what to expect during the school day and types of after-school activities they may be involved in. The more details kids know, the less anxious they will feel. Rehearse for the big day with test-runs of the new routine:

SEA LIONS

Continued from page 7

hopes of winning and breaking one of the oldest League Championship Record on the books (22.02 seconds - S. Arellano from Maricopa in 2005). Ophelia had a great start and took the early lead, but by midway Anya cruised past her picking up speed with every stroke and hit the wall first with a sizzling time of 19.92. FIRST THINGS FIRST

Continued from page 5

- Wake up with plenty of time to get ready.
- Fix a healthy breakfast together.
- Lay out clothes the night before.
- If your child takes a school bus, walk to the bus stop and talk about boarding and where to sit. If you will drive to school, talk about landmarks along the way.
- Pack a nutritious, tasty lunch and practice opening things together. Remind them that teachers or lunch staff can help

if needed.

Even if you don't have kindergarteners this year, it's never too early to start helping kids prepare. Children who have positive early childhood experiences tend to score higher on school readiness assessments and are more likely to do well in school and graduate.

By turning everyday moments into learning moments, we can send our children to school with the skills – and

the love of learning – that will help them succeed in kindergarten and beyond!

About First Things First – First Things First is a voter-created, statewide organization that funds early education and health programs to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit azftf.gov.

for a long time and have worked together as members of Central Arizona Governments (CAG)," Rios added.

The Meals on Wheels program serves seniors in Hayden, Winkelman, Kearny, Superior, Dudleyville, Mammoth, San Manuel, Oracle and SaddleBrooke. The Pinal County Board of Supervisors has provided \$40,000 for the

program over the last two fiscal years. This donation is for the fiscal year 2016-2017. The Board of Supervisors voted unanimously to support the program.

"We will try and get it every fiscal year," said Rios.

The Meals on Wheels program provides 600 to 700 congregate meals and 1,800 to 2,000 meals for

homebound seniors per month. Congregate meals are those meals served at senior centers in the different communities. Supervisor Rios said that the homebound deliveries "serve a dual purpose." Not only does it provide a nutritious meal but the people who make the delivery also check on the welfare of the seniors.

SaddleBrooke Community Outreach funds summer food program for Mammoth kids

For a second year, SaddleBrooke Community Outreach hosted a food program for youngsters in the Mammoth area who would be eligible for a national free food program, not offered in the summer when school is closed. Working closely with Basha's Supermarket in Catalina, chairperson Paula Morgan and her close committee of Terri Kunz, Bob Kunz and Frank Morgan selected a variety of nourishing, non-perishable items suitable for breakfasts and lunches.

Many SBCO volunteers helped transport the food to Kids' Closet in Mammoth, and sort it into bags for the kids to take home. Area residents Nancy and Nellie were on hand to greet the families, interpret as needed, and even make a few necessary

phone calls.

On the final day of the program, 57 bags of food were distributed, and "bonus items" (additional packages of food) were available on a first-come-first-served basis. Everyone who attended expressed interest in returning next summer. (One organizer was also pleased to see a youngster select Ramen Noodles over cookies as a bonus item!)

In total, 149 bags of food were given to children on three separate Saturdays over a six-week period. Each bag was intended to supply food for two weeks, and when kids returned with their empty bags they were exchanged for another fully packed sack. Smiles and thank yous were abundant.
