Back to School Reminders from JFK Elementary and Superior Jr./Sr. High School

Superior - It's almost time for the 2016-2017 school year to start for Superior students. Which means this is also the time of year when parents and soon-to-be students, alike, start to panic, wondering just when they should do this, if they remembered to do that, and, trying to stock up on all the needful things while they are still on sale.

Consider this your mini-memory enhancement guide to help you get to the right places at the right times to get the school year started off right. No, sorry, it won't help you find the coolest gear or an alarm clock that actually props a person up and sends them on their way, but, we can help you, thanks to the information submitted from the JFK Elementary and Superior Jr/ Sr. High, to meet the teachers and get to the first class on time.

First up, JFK Elementary, where on Monday, Aug. 1, they will be holding Meet Your Teacher Night. This will be followed by the first day of school for grades 1 through 6 on Wednesday, Aug. 3. The first day for Kindergartners on Monday, Aug. 8, and students enrolled in Pre-Kindergarten begin on Aug. 15. All classes, Kindergarten through 6th grade, start the day at 8 a.m. and end at 2:30 a.m. Pre-Kindergarten morning class begins at 8 a.m. and ends at 11 a.m.; the afternoon class begins at noon and ends at 3 p.m.

Superior Senior Leaguers' magical season ends

By Andrew Luberda
Superior Sun

Arizona Senior League Softball State Champion Superior saw its season come to an end following a 6 – 3 loss to Northern California – Antioch on Monday night at the Senior League Softball West Regional Tournament in Missoula, Montana.

Superior, which finished pool play with a record of 3 – 3, earned the No. 4 seed in the single-elimination tournament bracket. Antioch, the No. 5 seed with a 2 – 4 record in pool play, proved it's always difficult to defeat the same team twice after Superior edged the Northern California representative on the opening day of pool play last Friday, 2 – 1.

Antioch will now face top-seeded and tournament host Garden City from Missoula in the semifinals.

Superior pitcher KiKi Arriola dominated opposing teams at the district and state tournaments, leading her team to an undefeated 7 – 0 record on the way to

the district and state titles. In addition to Arriola's performance in the circle, Superior was swinging the bats well in Arizona.

The outstanding pitching continued at the West Regional Tournament for Superior, which allowed less than three runs per game in its three victories. Even in two of Superior's three losses, the pitching was good enough to win.

Unfortunately, the others teams at the tournament brought strong pitching as well and silenced Superior's offense throughout the tournament, less a 13 – 6 win against Washington in the tourney opener last Friday.

Although difficult to comprehend at this moment, the Superior Senior Leaguers have much to be proud of, including a lasting memory for the town's residents. In time, the memory of this season and the summer of 2016 will be a great one.

Congratulations to all of the players, coaches and parents associated with the State Champion Superior Senior League Softball Team.

Superior Senior League Softball Team

Resolution Copper hosts ice cream social send off

Last week, Resolution Copper hosted an ice cream social in front of its offices on Main Street to celebrate the Superior Little League - Senior League Softball Team who won the state softball championship. The team advanced to the Western Regional Softball Tournament in Missoula, Montana.

Coaches Martin Navarette and Michael Alonzo thanked the community for their

support of the team. The league had to make travel arrangements for the team, coaches and chaperones in a very short time frame. In less than three days the entire trip, which cost \$17,000, was funded through generous donations from local community groups, residents, Superiorities and businesses.

It's safe to say that the whole town cheered for the girls.

Pinal County donates to Hayden Senior Center

By John Hernandez
Copper Area News

On Tuesday, July 19, the Hayden Senior Center received a \$20,000 donation from the Pinal County Board of Supervisors for the Meals on Wheels program. District 1 Supervisor Pete Rios presented the check to Hayden Senior Center Director Anita Hinojos. Hayden Mayor Bobby Smith and Council Members Enrique Lopez and Jeremy Garcia were in attendance.

“The Town of Hayden ran the program for many years and

have been very supportive of us,” said Hinojos.

Supervisor Rios said that even though the Hayden Senior Center is located in Gila County, “we found that they serve a significant percentage of seniors in Pinal County.”

“Gila County and Pinal County have been sister counties for a long time and have worked together as members of Central Arizona Governments (CAG),” Rios added.

The Meals on Wheels program serves seniors in Hayden, Winkelman, Kearny, Superior, Dudleyville, Mammoth, San Manuel, Oracle and SaddleBrooke. The Pinal County Board of Supervisors has provided \$40,000 for the program over the

last two fiscal years. This donation is for the fiscal year 2016-2017. The Board of Supervisors voted unanimously to support the program.

“We will try and get it every fiscal year,” said Rios.

The Meals on Wheels program provides 600 to 700 congregate meals and 1,800 to 2,000 meals for homebound seniors per month. Congregate meals are those meals served at senior centers in the different communities. Supervisor Rios said that the homebound deliveries “serve a dual purpose.” Not only does it provide a nutritious meal but the people who make the delivery also check on the welfare of the seniors.

In Your Biz

Rolling Rock Gallery - Copper Triangle

In the late 90's, the Town of Superior started to buy some of the vacant buildings that were available for sale in hopes of preserving the downtown and having an area for business owners to have a place to open shop. In 2005 Debra and David Knight decided that they would like to expand their mining and geology services and gift shop store. They had heard about the Resolution Copper project from a mutual friend and decided that expanding their operations to Superior would be a good business opportunity.

Debra and David are both natives of Arizona, even though they have lived in Elko, Nevada for many years. David is a geologist and Debra is a middle school science teacher and their business and retail selections reflect their interests.

They purchased the three office buildings on Magma Ave. and the Wing's building on Main St.

"We promised the town we would get a store open, renovate the buildings and most importantly we promised not to raise the rent on the Cobre Valley Clinic," they said. The sale of the buildings took over 18 months to complete but once the sales closed, the Knights set out to work on remodeling the buildings and opening their Rolling Rock Gallery and the Copper Triangle, which is a mining supply store that also offers temporary job services.

The gift shop is very unique to the area. "There is a little bit of everything," said store manager Kathy Long. The store has a wide variety of merchandise from fun and playful hats for adults and kids to educational toys and puppets. There is also lots of local art work, housewares, wind chimes and even some clothing.

The mining supply store has everything someone might need for mining, from core sample boxes and maps to safety equipment. They can also order supplies that someone may need. The Copper Triangle also offers temporary job services, those looking for a job can go in and leave an application for an employer. Many of the local mines and other employers use the hiring service to hire temporary employees. That is the busiest aspect of their business.

Their advice to their fellow business owners and fellow entrepreneurs: "Lower the sales taxes; that will help with retail sales," said Debra.

"The youth need to get their education. Finish high school and go to college," said Dave.

"We were able to get loans to grow our business because of our education. We were less of a risk," added Debra.

David also recommended that you have at least one year of expenses saved when you start a business. "It takes a while to really start making money," he said.

The "In Your Biz" column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. Chrysocola Inn

Looking for a place to have a staycation or maybe you have guests coming, but not enough room in your home? Chrysocola Inn is a bed and breakfast located near downtown Globe. This B & B is a labor of love for the owners Heidi and Holley Rooney.

After they remodeled their historic adobe home, they decided to take on another project. But this project was much larger than a small home. They decided to save an old miner's boarding house. They wanted to preserve a piece of history for the area. The renovation took almost seven years, however they cut no corners and insisted in perfection. After all those years of hard work and patience the business opened.

Since 2012 the B & B has hosted hundreds of guests, either traveling though the area or some who needed a longer term stay. Libby Rooney is the hostess and manager of the inn. She has many years of experience: she managed a 22-room bed

and breakfast in Galilee, Israel.

Each room is decorated colors of the gems and minerals associated with copper mining. The three-level building has six guest rooms, multiple sitting areas, patios and a chef's kitchen. The turquoise room features a wood burning stove which is unique to the area and each room has an attached bathroom and some have a claw foot tub and shower. The rooms are decorated with antiques and fine furnishing, much of which was purchased at local antique stores.

Guests checking in get a full tour of the building and a history of the building. Libby explains that in the mining hey days often two miners shared one room. One would sleep in the room during the night while the other was at work. Before the other miner returned from his shift the housekeepers would flip the mattresses and prepare the room for the second miner. This is where the term "flop house"

Town of Superior approves beautification for Besich Park

By Mila Besich-Lira
Superior Sun

At its June meeting, the Superior Town Council approved a beautification project for Besich Park. The project is coordinated by Veto Cervantes and Bruce Armitage; the duo worked on a beautification project at the Bob Jone's museum last year which

included the construction of a new rock wall, sign and custom lighting at the entry.

Their next project has a much larger scope and will include a perimeter wall around Besich park, the installation of a water feature, stucco repair to existing walls and a small playground. They anticipate that they will need to raise \$15,000 to complete the project but they

plan to complete the project in phases as funding becomes available.

The Superior Optimist Club and the Superior Chamber of Commerce have both endorsed the project and committed some support and funding to the project. The Superior Optimist Club is hosting a Go Fund Me fundraiser online to help raise funds for the project. You can

donate online at: <https://www.gofundme.com/BesichPark> or you can make checks payable to the Town of Superior. All funds will be used to complete the beautification projects.

For more information or to get involved in the project, contact Bruce Armitage at 480-773-8233 or Veto Cervantes at 520-827-1808.

Chair art auction to benefit Superior Schools

Several local artists with support from local residents Merilee Lasch and Leslie Martin have started a chair art fundraiser to benefit art programs at the John F. Kennedy Elementary school.

These recycled chairs have all received a make over by several Superior residents and artists. The chairs will be auctioned off during a silent auction during the Prickly Pear Festival on Aug. 20 and 21. The chairs can be seen at the old Superior High School gymnasium during the event and several of the chairs are already on

display at the Rolling Rock Gallery and Wild Cow Gallery.

Chuck Davidson, a renowned local artist, has also designed and painted a chair. His chair will be raffled off. His art work is sold throughout the world.

This idea was planned and coordinated by Merilee Lasch and Leslie Martin after they learned that the school has a limited budget for art supplies. Leslie Martin has been specifically working with the school through her Awesome Possum project.

All funds raised will go to the John F. Kennedy school art program.

This artistic 'sit upon' is part of the Awesome Possum raffle.
