OBITUARIES

Mary R. Castro

Peacefully and surrounded by her family, Mary R. Castro passed away on Friday, July 22, 2022, at the age of 96 years. Mary was born in Jerome, Arizona on Jan. 24, 1926, to parents Adolfo and Priscillianna Rodriguez. Mary graduated from Jerome High School class of 1944. She always loved returning to Jerome every

October for the annual "Spooks Night Homecoming Reunion" held for former Jerome residents who attended school in Jerome. Mary grew up in Jerome with seven siblings; six brothers and a sister whom she loved dearly.

Shortly after graduating from high school, Mary relocated to Superior, got married and raised her six sons: Tony (Cuca) Donlin, Eddie (Jenny) Tameron, Joseph (Elvira) Tameron, Richard (Rosie) Tameron, John (Bharathi) Tameron, Rudy (Laura) Tameron.

Mary loved cooking and entertaining, and in 1976 she started Los Hermanos Restaurant with her sons. The restaurant has been serving patrons for more than 45 years.

Mary played the piano and guitar on occasion and loved singing her favorite Mexican classics. She loved mariachi music and dancing, but most of all she loved spending time with her 22 grandchildren, 33 great grandchildren and 23 great-great grandchildren. She also leaves behind many nieces and nephews.

Mary was immensely proud of her family, and leaves behind nothing but beautiful memories.

Mary was preceded in death by her husband: Joe L.

Castro, her siblings and many friends and loved ones she cherished. She will be joined together with them in Heaven.

Services for Mary will be Saturday July 30, 2022, at St. Francis of Assisi Catholic Church. Visitation will begin at 9 a.m., Rosary at 9:30 and Mass at 10. She will be laid to rest at Fairview Cemetery.

Ynez 'Nechie' Lopez

Ynez "Nechie" Lopez left his family and friends to return home to the Lord on Wednesday, July 13, 2022. Nechie was born in Hayden, Arizona on Dec. 30, 1931, to parents Jesus and Ignacia Lopez. He had 90 wonderful years filled with love, laughter, and family. Nechie was dedicated to his church at St. Joseph's Parish and very devoted to his faith.

Nechie was born and raised in Hayden, AZ as the youngest of 13 children. Nechie was the last sibling in Lopez Legacy. He was a man of many skills, who started his career at Kennecott in Hayden right after graduating from Hayden High School. As a strong man, he joined the Army serving his country as Specialist 3rd Class Medical Corpsman. He enjoyed traveling the world and sharing his stories with his family and friends. He was a proud man of his accomplishments but nothing more than his three daughters, Anna, Lydia and Carol and niece Stella. His proudest moments were when he was blessed

with 8 grandchildren and 11 great-grandchildren. He supported them in all their accomplishments which made him smile with pride. His stern look and deep powerful voice had many people fooled. The depth of his voice was like a meter of how much love he shared. He was a loving caring man, a dad to many nieces and nephews and a godfather to many.

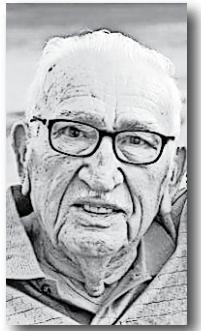

Nechie was a man that believed in the people and protecting what was best for them. He was a strong union man and a fire chief for the town of Hayden. There he fought to establish a retirement for the firefighters. He believed that the people of the community needed to stay strong and fight for each other.

Nechie is preceded in death by his parents, Jesus and Ignacia Lopez, his wife, Gloria Lopez, his 12 siblings, his granddaughter, Angelica Guzman, and nephew, Randy Manriquez.

He is survived by his daughters, Anna Guzman, Lydia (Thomas) Martinez and Carol (Jeronimo) Lorona; 7 grandchildren, 11 great-grandchildren and many nieces and nephews.

Nechie will be remembered as a strong, generous, loving, kind man. We follow in your footsteps and love you more.

Services for Nechie were held Tuesday, July 26, 2022, at St. Joseph Parish in Hayden, AZ. Nechie was laid to rest with Military Honors at Mountain View Cemetery in Hayden, AZ.

Rep. O'Halleran visits Copper Corridor

On Friday, Congressional District 1 Representative Tom O'Halleran visited the communities of Superior, Kearny and Hayden.

Rep. O'Halleran makes frequent visits

to the area and on this particular trip he caught up with leaders in Superior on the development of the Superior Multi-Gen Center. O'Halleran chose this project to receive a \$2 million dollar congressional

appropriation. The money will be used to fund the renovations of the original high school to be used as the Multi-Gen Center and Enterprise Center. Superior Town leaders reported that construction is beginning and they anticipate moving into the facility in early 2023. Funding for the renovations and elevation construction is fully lined up.

During his visit to Kearny, he presented a check for \$417,228 to the Town of Kearny

for the CopperNet Broadband internet improvements. CopperNet was awarded the funding from the Arizona Department of Commerce as part of the broadband funding from the federal government. CopperNet is one of the primary internet service providers in the Copper Corridor region.

O'Halleran and his staff also met with leaders in Hayden and Winkelman during his visit to catch up on their needs as well.

Local leaders met with Congressman Tom O'Halleran last week to discuss the state of the town and the new Multi-Gen Center in Superior.

CVIT hires guidance counselor

Guidance counselors are often thought of as the person at a school who creates and manages a student's academic schedule, a person who may also help with college and career placement, assist with scholarships and may lead a club or assist a school principal, depending on the size of the school. The emphasis on the need for school counselors has grown, as there has been more evidence that when students have access to support for social and emotional well-being, they also perform better as students. While there has been a push to hire more counselors across the state, the overall ratio is 700 students to one counselor across the state. This means the case load for a school counselor is usually met with insurmountable challenges.

Understanding that student success is tied to having a strong support system, the Cobre Valley Institute of Technology (CVIT) Governing board hired its first ever guidance counselor, Aja DeZeeuw. Aja is a 1997 graduate of Superior High School and attended the University of Arizona for a business degree. After many years maintaining a successful career in retail sales management, she decided to go back to school to earn a master's degree to become a certified guidance counselor. Prior to coming to CVIT, she worked for the Globe Unified School district as its guidance counselor.

CVIT leadership determined that adding a guidance counselor to its staff would benefit all of the school districts they serve: Globe, Miami, Hayden/Winkelman, Ray, San Carlos and Superior. Many of the schools in the Cobre Valley Institute of Technology district only have a student services director or academic advisor, who may not have the full qualifications to help with social and emotional behavioral needs along with the traditional student guidance. Career Technical Education (CTE) programs allow students to be dually enrolled in a local community college, which means that their college grades in CVIT count towards their permanent college transcript. In the role of the CVIT guidance counselor, DeZeeuw can help ensure that students participating in these program have the support they need to succeed.

DeZeeuw will be visiting each school on a regular basis to provide programing and support for

social and emotional skills to all high school students, while also assisting students to sign up for advanced

education programs through the CVIT district. Some of the social and emotional skills include how to work with different people and learning some of the professional soft skills students need to succeed both in school and in their careers. While she will definitely miss her students at Globe High School, she is excited to be able to serve more students across the Copper Corridor achieve their academic and career goals, but also to provide some of the emotional and behavioral support that many students need.

Sophomores, juniors and seniors can sign up for a variety of Career Technical Education programs through their local school and at the CVIT central campus in Globe. Local classes and opportunity vary by school district but there are courses in everything from hospitality, culinary, law enforcement and business. The CVIT central campus also offers programs in nursing, welding and cosmetology. Depending on the program, there may be some prerequisites needed. CTE programs allow students to graduate from high school with a career certificate, while also giving them the opportunity to learn about career opportunities. DeZeeuw also explained that CVIT is working on programs to assist with transportation from a students home district to the CVIT Central Campus.

"We want to be as supportive as possible to our students," she explained.

Students who are homeschooled but who live in the CVIT district may also sign up for the programing. You can learn more about CVIT and the programs they offer at www.cvit81.org.

DeZeeuw is a resident of the Copper Corridor, living in Superior with her husband Josh and their menagerie of pets. She enjoys spending time with her family and friends and traveling to see as many places in the world that she possibly can.

FCCLA students attend national conference

After several years of hiatus due to COVID, the Superior High School FCCLA students were back in action this year.

Myika Cruz and Nathan Taylor attended the Family Community Career Leaders Association national conference in San Diego, earlier this month. Both are students from Superior High School and were invited to attend the national FCCLA convention and competitions after qualifying for the national competitions during the state FCCLA competition.

Myika Cruz, who graduated in 2022 as the class Salutatorian, won a gold medal at the state competition in professional presentation. She competed at the national level amongst peers from across the country where she won a silver medal.

"It was a blast attending the FCCLA National Leadership Conference in San Diego! I do not believe I would have been able to attend if not for the amazing financial support from CVIT

and VFW. I am thankful I was able to experience this trip in my last year of high school. I made so many great memories and learned new things I will be able to apply into my life to come," she told the *Sun*. "I thank my Advisors Mrs. Garcia-Denogean and Mrs. Villaverde, without them I would not have made it to Nationals to begin with! I also want to thank the National Leadership Conference Chaperones and active members of CVIT Louie Rabago and Mike Fane who also made the trip so much more fun and memorable!"

Nathan Taylor, an incoming Senior at Superior High School, won a gold medal in the state level competition in job interview. He competed in the national competition and placed in the top ten

finalists in the nation.

"Attending the FCCLA National Leadership Conference in San Diego was an amazing experience to further my leadership and educational knowledge," he said. "I am thankful for the opportunities the conference gave me and I am sure I will apply the skills I have gained from it to my future. I want to thank CVIT, specifically Louie Rabago and Mike Fane, and the VFW for supporting us financially. Finally, I want to especially thank my advisors, Mrs. Garcia-Denogean and Mrs. Villaverde for the help in preparation for
