OBITUARY

Ernest Charles Munoz

Ernest Charles Munoz passed away at his home in Superior, AZ on June 27, 2020, at the age of 65.

He was born to Doris and Charles Munoz on Dec. 5, 1954 in Phoenix, AZ. The eldest of six children, he grew up in Superior, and as a child was very involved with the Boy Scouts of America, receiving all of his medals, badges and

recognition for his participation.

He attended and graduated from Superior High School in 1974. During his school years he played the saxophone for the school band. His passion for music was a constant his entire life.

After attending a year of college at Arizona Western, he returned to his hometown of Superior and began a career with the Magma Copper Mine until the mine's closing in 1982. Following the closure, he spent five years working for immigration services until returning to BHP and then onto ASARCO to finish out his career in mining after which he retired.

He met his wife of 42 years, Maria Munoz, when they were children, but it wouldn't be until 1972 that they began their life together. They were married Sept. 9, 1978 and began their family, raising two children and another child who passed in infancy. In his retirement years Ernie enjoyed being home spending his time with his family, both immediate and extended.

He is survived by his wife of 42 years, Maria Munoz; son, Christopher Munoz; daughter, Jennifer Munoz; mother, Doris Martinez; and siblings, Roseanna Ojeda, Hector Munoz, Ruben Munoz, David Munoz and Lisa Lannet.

He is preceded in death by his father, Charles Q. Munoz; and son, Andrew Munoz.

He will be laid to rest at Fairview cemetery in his hometown of Superior, AZ after services at the St. Francis of Assisi Catholic Church on Friday, July 31, 2020. Rosary is set for 9:30 a.m. and Mass at 10 a.m.

Ernie was loved and will be missed by many, but he lives forever in our hearts until we meet again.

Arizona open for education – local schools prepare

On Thursday, Arizona Governor Doug Ducey announced that schools will need to re-open by Aug. 17 and they must offer some opportunity for in-person services to students who are in need of in-person education. On Sunday, the Arizona Interscholastic Association announced that practicing for Fall Sports will also begin on Aug. 17.

Governor Ducey and State School Superintendent Kathy Hoffman also indicated that decisions on fully re-opening schools would be made using data

provided by the Arizona Department of Health Services to the County health departments. The data thresholds were not announced at the press conference; the parameters are expected to be released by Aug. 7, 2020.

The day before Governor Doug Ducey's press conference, school districts across the state received notification that their insurance carrier "The Trust" will not cover any COVID-19 related lawsuits. This has left districts scrambling to understand how the lack of insurance

coverage will affect their operations.

COVID-19 has created a constantly changing environment when it comes to communication and up to date information. At press time, our local school districts have indicated their current plans. We advise parents to check in with their local school districts on registration and education options.

Ray Unified School Governing Board voted to start school on Aug. 6 with an all online format through fall break in October; the board also

voted to cancel all Fall sports district wide.

The Superior Unified Governing Board voted on its operating plan on Tuesday, July 28; their decision was not available at press time. The district was preparing for an all online format through fall break. The district announced online that they would have devices for all students of the Superior Unified School District.

Three-peat for Arizona 3D State Champion Denogean

Raymond Anthony Denogean Jr., son of Ray Denogean (Superior) and Julie Judd (Kearny), competed on May 30 and became the 2020 State 3D Archery Champion for a third time, capping off his 41st career win.

Raymond, who won the Championship back to back in 2016-17 Overall in the 9 and under division, knew that moving up to the next division and age group (10-13) was going to have its challenges. The years 2018 and 2019 were about rebuilding and growth. Although he won 10 events during this time, he only placed fifth overall in the 3D Championship Series. It became his goal to work hard and get better to make it back to the top of the standings.

There were setup changes for both his Traditional and Compound equipment and about seven months of time to shoot and prepare the 2020 Season. Raymond was driven in which he competed in the weekly Summer Night League and practiced every day. At the Start of 2020 Raymond was ready and competed in the first three Shoots across different series of the year in January and February started off great as Raymond earned two first places and a close second.

Due to Covid-19 shutdown of the Schools, Olympics and Sports Leagues around the world as well as the 3D Championship Series would also cancel their shoots and seasons. Raymond was

disappointed as he felt this was his year due to the early success of all the work, he had put in the off season.

During the stay at home quarantine, Raymond stayed the course shooting every day and practicing as usual. Once it was announced that that series would be hosting one final event cut short from 4 events to 3. He was ready.

During final event of the Arizona 3D Championship. Raymond shot the high score that was significantly higher than the next closest scores and placements cementing his tournament win and his third Overall Arizona 3D State Championship. To make the day even better, Raymond met his Idol #1 Archer in the world Brady and wife Toja Ellison. Raymond was ecstatic about winning another Overall Series Championship and Belt Buckle. Raymond's parents and family couldn't be prouder.

Raymond wanted to say thanks to Mom for the love and support. Dad for pushing him every day to practice and be his best. His Tata (Dico) for keeping him and his fundamentals sharp. His Tio (Brandon) for working on all his equipment and keeping it working to optimal performance.

Looking forward with one more year in his current division Raymond plans to keep shooting and practicing as much as possible to keep improving to stay on top before moving up to the next division.

Raymond Anthony Denogean Jr. just won his third state championship in 3D Archery.

Hiking, climbing – Superior becoming a destination for ADVENTURE

The Town of Superior has been focussing on developing tourism to help diversify the local economy. In 2020, the Town in partnership with the Legends of Superior Trails Inc. completed the full alignment of the LOST trail and the Recreation Users Group plan will add 51 new miles connecting current hiking, mountain biking and four wheel drive trails on the Tonto National Forest as part of the Resolution Copper recreational loss mitigations.

Recently the Town released the new tourism logo with tagline “adventure elevated”. Be on the look out for more promotion of Superior as a safe place for physically distant recreation.

Local photographer, author and social media influencer Cat Brown captured video and photographs of climbers tackling the challenges of Queen Creek canyon. Follow her on Instagram: @aroundsuperioraz.
