Mark Edward Botkin

Mark Edward Botkin of Mesa, AZ, entered eternal rest after a lengthy illness on June 22, 2014.

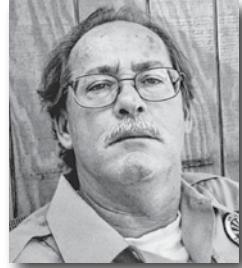

He was born on Aug. 31, 1958 in Tulsa, Oklahoma. He was preceded in death by his father, Bill Botkin, stepmother Cathy, stepfather Jim Painter, brother Kimber Lee Botkin and nephew Kyle Botkin.

He is survived by his mother Maudie "Nora" Painter, brother Scott Botkin of Claremore, Oklahoma, sister Tawanna Blakely of Tucson, brother Ret. Msgt Clay Botkin and Terry Botkin of North Dakota, daughters Lt. Col. Malina Dubbs (SFC Jason Dubbs) of Mesa, Amanda (Brad) Steward of Casa Grande and granddaughters Alexis and Katie Dubbs of Mesa and nieces and nephews.

Mark graduated from Hayden High School in 1976, participated in Varsity Football, Track and Wrestling,

enjoyed swimming and fishing in the Gila River with his life long friends. He earned a Bachelor of Science Degree-Business from St. Gregory's University in Shawnee, Oklahoma.

He honorably served his country for over 20 years in the Arizona Air National Guard, retiring with distinction as a Senior Master Sergeant.

He was employed as a Technician at T-Mobile both in Arizona and Oklahoma. He returned to Arizona three years ago and was currently employed as an Emergency Communications Coordinator for the State of Arizona (DEMA).

He coached Girls Softball, and was an Arizona Diamond Backs and Arizona Cardinals fan.

In 1993, Mark volunteered to deploy to assist with the Winkelman Flood disaster. He was a member of the Lobo Letterman's Club and was a Homecoming Prince. Mark also worked with volunteer HAM Radio operators and obtained his FCC License in 2012. Mark's hobby was attending Gymkhanas' with his granddaughter and riding their horse "Whiskey."

Earlier in June, Mark represented DEMA at a national conference held in Boulder, Colorado.

Mark's Memorial Services were held on Friday, June 27, 2014 at Bunker University Chapel in Mesa, AZ.

Mark is remembered for the love of family and friendship he shared with co-workers, guard members, friends and classmates whom he kept in touch with over the years. The Class of 76 has lost a special friend, until we meet again, in joyous reunion never to be parted again. The Class of 76 suggests donations be made to a favorite charity in Mark's memory.

Got swarms? Leave them BEE!

From the Pinal Rural Fire Rescue

This is the time of year that honeybees are splitting up and moving around to establish new honeycombs.

A clustered swarm of many bees may appear frightening, but most spring swarm clusters of European honey bees—the common honey bees here in our area—are extremely

docile. It takes quite a bit of aggravation, such as being hit by sticks and stones or squirted with a hose, to create defensive behavior.

The reason a bee swarm looks like a clump of bees is because all of the workers are gathered around the queen, forming a clump. The queen is not the strongest of flyers, and so will need to rest at some point, perhaps on a branch, fence, or the side of a house. Meanwhile, 'scout bees' will be sent out to look for a suitable new place for the colony to live.

Are swarms dangerous? They are focused on finding a new nest, not on attacking. That said, it is important to keep your distance from swarming bees, because if the bees feel threatened, then it is possible they will attack. A

swarm may stay around for a few days, depending on how quickly the scout bees find a suitable new home. This could happen very quickly, even within a day.

If the bees don't find a new nesting location, they may begin producing beeswax and forming combs at the spot where the cluster formed, such as a tree limb, the overhang of a house, or another unusual place. These "exposed comb" colonies may exist until fall (or year-round in warm-winter areas), but robbing bees, hungry birds, and inclement weather usually put an end to these colonies and their combs very quickly.

So, the point is...let them be and they will most likely just fly away to a new place. A swarm requires a large cavity, 4-9 gallons in size, to establish a new comb, so unless they have that where you see them they will leave. If you anger them by spraying water or knocking

the swarm they will very well retaliate!

We have responded to several homes in Mammoth where the same swarm is slowly moving from property to adjacent

property trying to find a new home. Pinal Rural Fire and Rescue will remove a swarm if it has stayed for several days, but usually we will just "wait and see" if it moves again.

Once it stays, and makes no sign to be leaving after 4-5 days, we will take care of the swarm for you. But, please, remember all the good honey bees do as they pollenate and create honey before you just try to destroy the swarm. If a swarm stays for more than 3-5 days, call PRF&R at 520-465-5300, and we will help you remove the swarm.

Pinal Rural Fire Rescue forming district

By **John Hernandez**
Copper Area News

Pinal Rural Fire Rescue is forming a new fire district. The new district will be known as the Pinal Rural Fire Rescue and Medical District. Pinal

Rural has filed an Impact Statement with the Clerk of the Pinal County Board of Supervisors which is the first step in the process of transforming from a 501 (c)(3) to a Special Tax District per Arizona Revised Statutes

48-261.

The creation of a fire district will allow Pinal Rural Fire and Rescue (PRF&R) to provide dedicated service by a permanent fire district. It will allow for capital planning based on a

known annual budget.

Added revenues will allow PRF&R to hire shift firefighters and provide the ability to pay stipends to local volunteer staffing.

Property owners living in the district will be assessed a secondary tax

of \$3 per \$100 of assessed value of their property. There is little difference in the tax fees and the current subscription fees. The new district will allow property owners to get fire insurance and/or have a positive impact on fire insurance fees. In some cases the savings in fire insurance premiums exceeds the tax assessed. Once the district is approved and set up, board members will be elected from property owners in the district. If you would like to follow the progress of

the process of creating the district or learn more about Pinal Rural Fire and Rescue, visit their website at www.pinalruralfireandrescue.webs.com.

Copper Basin 4th of July celebration

Kearny - For some, the fourth of July is a day that's marked by the United States of America declaring its independence from the King of England. Other people see it as a birthday celebration, marking the birth of a great nation.

There are those who see it as a reminder of the infallibility of government and the need for the people to watch over the doings of those who have been duly elected to watch over them. Of course, there are people who see it as a reminder of past transgressions of a young government, against the natives of the land or persons who were brought to the land against their will, or, if with will, while misled.

Some dwell on the bravery of the men who signed the declaration of independence, knowing that to do so was to potentially, and for some practically, sacrifice their honor, wealth, and lives for the greater good.

Whatever else the 4th of July means to you, chances are, when you think about it, you'll find that it means a certain

pride of association with the finer ideals, laws and people of this country and a desire to celebrate those attributes which are good.

This year, the Town of Kearny with the assistance of the Kearny Little League is celebrating the joy of being American this 4th of July with events from afternoon until evening. On July 4, from noon to 5 p.m., there will be free swimming for all. Wait, there's more! From 11 a.m. to 2 p.m., there will be free hot dogs, drinks, watermelon, snow cones and lots of fun all served up at Hubbard Park.

At 6 p.m. the fun moves over to the Kearny Little League Field for a good old fashioned game of baseball. The Hayden Little League Majors All Stars will take on the Kearny Little League Majors All Stars. The concession stand will be open.

For a grand finale, fireworks will light up the sky, as soon as it's dark.

Come and spend time with your fellow Americans, and join in the celebration!

Rocket's red glare will light up the sky Friday night.

Asarco sponsors basketball camp

Over 40 youngsters were given the opportunity to sharpen their basketball skills during a Basketball Camp held last week in the RHS gym.

The Asarco sponsored camp was for 8-14 year olds and instruction was given by Corey William, who played professional basketball for 12 years in Belgium and Carl Graham who also played professional ball overseas for 13 seasons. Both men are from the Summer Pro Basketball program for adults and kids in Tucson.

During the two-day session, campers worked on such skills as dribbling, defense, rebounding, speed and sportsmanship.

Asarco also sponsored a similar program in Hayden the week before.

Former pro basketball player Corey Williams helps campers with proper ball handling during the basketball camp held last week.

To be included in the weekly church listing, contact the Copper Basin News at 520-363-5554 or by email at cbnsun@minersunbasin.com.

Hayden Jr. High Students tour Washington, D.C.

For the second straight year, students from Leonor Hamblly Middle School National Junior Honor Society traveled to Washington, D.C. to visit historical sites important in American history. After traveling all night, they began their trip by visiting the Smithsonian Complex and were able to tour the Washington Monument since reopening in May.

Day two began with a tour of the U.S. Capitol. While in the building, the students were granted special permission to enter the U.S. House of Representatives while they were in session. Students also toured the Bureau-Engraving/Printing where they learned the different intense steps of how money is printed. Later in the day they visited Mount Vernon Plantation with a tour of George Washington's home. In the evening, they were able to make stops at the World World II Memorial, Air Force Memorial, Korean Memorial, Lincoln Memorial and Vietnam Memorial.

The third day started with a White House photo stop where students were hoping to catch a glimpse of President Obama. Before lunch they made their way to the National Cathedral and were extremely excited to visit the Holocaust Memorial

Museum. After lunch, their first stop was the Newseum Museum where students enjoyed watching themselves on video as they read a proctor to report the news, weather or sports. The day ended with a visit to the National Archives and then the Martin Luther King, Jr. Memorial, Iwo Jima Memorial, FDR Memorial and the Jefferson Memorial.

On the final day of the trip the Arlington National Cemetery was the first stop. Hayden student, Mychal "Mikee" Mariscal was privileged of having the honor of representing Hayden-Winkelman Schools and our community in the Wreath presentation ceremony in the Tomb of the Unknowns. After this emotional ceremony, students made their way to the final stop of their trip to learn about the assassination of President Abraham Lincoln, the Ford's Theatre.

Students: Mikee Mariscal, Cassie Lopez, Javier Lopez, Ariana Pacheco, Samantha Waddell. Chaperones: Cecilia Lopez, Odilia Pacheco, Terry Waddell. Sponsor: Mrs. Laura E. Lopez

Students are extremely grateful to Hayden-Winkelman Schools, Asarco, local merchants, parents and the

community for their assistance in helping with fundraisers in order for this trip to be possible.

In Memoriam

In Loving Memory of Frances V. Zavala 1934-2008

Dearest Mother, Each day we struggle to heal the emptiness in our hearts. Not a day goes by not thinking of you. Oh how we would love to see you just once more singing and dancing in the kitchen.

Each night we fight back the tears from falling down our cheeks. Not a night goes by that we do not miss you. Oh how we wish to hear your voice just once more, saying "I love you."

Time passes by. Life goes on. Love remains.

You are forever in our thoughts and in our hearts. We love you & miss you.

-XOXO

Ray student participates in Girls State program

By Vicki Clark
Copper Basin News

Summer break has been nothing but for one very busy Kearny teenager. Seventeen-year-old Stephanie Lomeli (Alvarado), who will be a senior at Ray High School this fall, began her vacation by traveling to Tucson early in June to attend Girls State at the University of Arizona.

The Girls State program provides young women of high school age the opportunity to come together to study state government. It teaches them to understand that they are an integral part of the political process. It helps them realize they have a responsibility to make tomorrow a better time, the world a better place, and that this job is up to them regardless of religious or political beliefs. It

gives them the opportunity to live together under their own government, which is executed entirely by them, and to deal with problems as they arise.

For one week each year a NEW STATE comes into being. Boundaries of this new state are the U of A campus. During the week the delegates learn about city, county and state government with emphasis being placed on political parties, campaigns and elections. They are challenged to use their initiative and imagination and make the most of their week by getting involved. Girls State is sponsored by the world's largest women's patriotic organizations...The American Legion Auxiliary.

Stephanie made the most of her week by campaigning for a Lobbyist seat which she won. She also par-

ticipated in the Girls State Glee Club and also had the opportunity to meet and become friends with girls from all over the state.

After a short resting time at home Stephanie was off to the Valley to attend the Arizona Health Care Center's Future Health Leadership Camp at Grand Canyon University. She was one of 40 students out of over 200 applicants from all over the state to be chosen to attend this Camp.

Geared toward students interested in the medical and health care fields, the students were given several opportunities during the week to see what these fields can entail. They visited a cadaver lab where they viewed three cadavers and were able to hold organs in their hands. This was particularly interesting to Stephanie as she plans to study for a ca-

reer as a medical examiner after high school.

The group then went to the Chamberlain College of Nursing where they saw training in action. According to Stephanie, that was "pretty cool." They also toured the St. Vincent de Paul Society facility in Phoenix where they were shown the many facets of the facility including the kitchen, warehouse, showers, clothing and thrift shop. The students volunteered hours while there and were given certificates for the hours they worked.

The students also visited the Tempe Fire Department and were treated to a Diamondbacks game and went rock climbing during the week.

When not out and about the future medical students worked on public service announcements that they presented to their parents and guests during closing ceremonies.

The camp is sponsored and funded by the Greater Valley Area Health Education Center (HVAHEC) and selection is based on application and a letter of recommendation by a teacher or community leader. Stephanie chose her high school science teacher Ms. Varley to write her letter. Although she never saw the letter, Stephanie said it must have been pretty good and she is very grateful to Ms. Varley for the recommendation.

Stephanie Lomeli (Alvarado)

"It was a really nice experience," Stephanie said. "We were housed in the new dorms at GCU, went swimming in the new facility and even had a pool party." The only drawback, Stephanie added, was getting in and out of bed. "The beds were high and built over a desk and study area. I had to climb on a chair and then the desk to get into bed, that was funny."

With these two excursions behind her, Stephanie is not through for the summer. She will be headed to Flagstaff July 29-31 to attend the Inspire Arizona Academy at Northern Arizona University. The Academy is sponsored by Arizona Civic

Health and during the stay the students will study ways to motivate their community involving civic action.

Selection for this program is also based on application and a letter of recommendation. Angela Ramirez, from the Copper Basin Chamber of Commerce, wrote this letter and Stephanie would like to thank her for her interest in the program.

She is a honor student, plays flute with the Bearcat Band and has participated in Cheerleading. Community service has included volunteering at her church as an Altar server, helping with community clean-up activities and the annual Easter Egg Hunt. She also ran for and earned both the Junior Pioneer Days Queen and Pioneer Days Queen crowns.

Stephanie is the daughter of Chris and Ruth Alvarado and she is most grateful to her parents for all their support and encouragement.

Her future plans include attending either the University of Arizona or Grand Canyon University on her way to a medical career.
