OBITUARY

Ruby Irene Saunders

Ruby Irene Saunders passed away on Friday, June 13, 2014 in Tucson, AZ at the age of 97.

Ruby was born on January 19, 1917 in Illinois to Grover

and Dell Dasher. She joined two sisters, Laura Dell and Lilian Faye. Ruby married Lester Ray Saunders on August 4, 1956. She was the mother of seven children and grandmother to 19 grandchildren, and many great- and great-great-grandchildren.

Ruby and Lester raised their children in Illinois where Lester worked in the coal mines for many years. Ruby was a devoted wife and mother. Her father was a Pentecostal preacher and taught her to serve and love the Lord. She taught her children that same love and

devotion. Her greatest joy was spending time with her family. For health reasons she spent her final ten years in San Manuel surrounded by her children and grandchildren. She loved to fish, crochet and do stitchery.

Ruby is survived by her four children, Ada (Wayne) Carter, Carolyn Sue (Bobby) Smith, Oscar (Butch) (Betty) Saunders all of San Manuel, AZ, and Robert (Cathy) Saunders of Maricopa, AZ. She is preceded in death by her parents, sisters, husband, her sons Marlin (Duke) Saunders and John Wayne Saunders, her daughter Marilyn Kay (Roy) Carter, and grandson John Ray Saunders.

Services were held Saturday, June 21, 2014 at Evergreen Mortuary in Tucson, AZ. Ruby's final resting place will be at Sunset Memorial Park in DuQuoin, Illinois.

LETTERS TO THE EDITOR

It's all about the patients...and the residents' best interests

This past Friday (6/21/14), there was a medical assist call in Mammoth. Mammoth Fire Department responded quickly to the scene and their dispatch advised them that there was an extended delay of an ambulance from Tucson, as the ambulance in San Manuel had just gone out on another call. The Mammoth FD crew on scene saw the need for a faster Paramedic response so called and asked us to assist. We responded immediately and the added intervention we provided as Paramedics, working with Mammoth FD, made a positive change in the patient's condition.

Administrations and Chief Officers come and go ... Fire District Board members come and go as well. Nevertheless, the firefighters remain the one constant. When someone calls for help, it should never be about turf, ego, or pride. It should always be about what is in the best interest of the patient, family or residents that are calling for help.

The credit here does not go to Pinal Rural Fire Rescue for what it did on the call. The credit goes to the Mammoth FD crew that saw a need beyond their capabilities and requested assistance. However, we have guarded optimism that this will continue. One call does not make a policy but we are cautiously encouraged that this will set the groundwork to establish mutual working aid arrangements for the future.

Southwest Ambulance routinely sends fire departments in advance of their crews. They don't send some and not others. It is a responsible policy they have in place to get faster care to the patients their Paramedics are responding to. It should be the same with fire departments in the region, just like it is everywhere else in the state.

Displaying the flag is a personal freedom

Every time I hear of someone being prohibited from displaying our American flag I get riled/angry.

We are guilty of not getting our flag out everyday but no more!!! It is now part of our daily routine.

More people need to do the same OR at least with 4th of July near lets see everyone in town display their American flag in honor of our personal freedom here in Mammoth and our country.

It's another way to say thanks to ALL the veterans that make it possible.

We all need to STOP taking our freedom for granted! IF we neglect to exercise our freedoms we will lose them!!

Happy fourth of July!!!
/s/ Diane Theobald
Mammoth citizen

For 2½ years we have reached out and offered to help the local departments, and been summarily rejected by the various Mammoth FD administrations, along with the administrations of the local fire districts adjacent to us.

Oracle FD was the first to begin a dialogue, and Chief Larry Southard and I continue to talk and see how we can benefit each other's departments. One thing PRFR and OFD agreed upon was that calls on AZ 77 near our common border gets responses by both agencies to work more effectively during accidents or other highway

incidents.

Fire departments calling for Paramedic assistance, or fire assistance, from the closest agency first is also a responsible policy for protecting their residents and visitors. It is a policy practiced nation-wide. We hope that this call will enable the other fire departments in the area to also see the value of shared resources and improved patient outcomes rather than an attitude of "it's my area."

Water problems in Mammoth

By **John Hernandez**
San Manuel Miner

Around June 24, reports were received that e-coli bacteria was found in the Mammoth water supply. People were complaining about having no water and low water pressure. It was said that some people had gotten sick from drinking the water and burned due to contact with heavily

chlorinated water, but these reports were unverified. It was alleged that complaints were made to Arizona Department of Environmental Quality (ADEQ).

On Thursday, June 26, Town Manager Patsy Large said that they did have one of their water tanks show a positive reading for bacteria. The tank was taken off line and emptied. Two companies were brought in to clean the tanks. There were some people without water and low water pressure due to this. When asked if they had given a warning to boil water to residents, she said the bacteria levels were

not that high that a warning needed to be given. Per statutes, she said that there had to be two positive tests within a 24-hour period. She added that the Town of Mammoth has been working closely with ADEQ to resolve the problem and were following ADEQ rules. It was expected that the water situation would improve by last Friday.

To report an emergency ADEQ can be notified at Toll free 800-234-5677 or 602-771-2330. Complaints can be filed on their website www.azdeq.gov or for general information 520-628-6733.

Huppenthal's comments an embarrassment to Arizonans

John Huppenthal, Arizona's Superintendent of Public Instruction was taken to the wood shed this week by the media and public and rightfully so. For a man in his position to make the hateful and thoughtless comments admitted to by him, shows a disregard for the general public, our schools and the children of Arizona. He is supposed to be a leader and set an example for our kids. Instead Arizona has been embarrassed again in the national news. How can we attract businesses to Arizona when the head of public education is seen as being heartless and racist? For those who have not read or heard about the comments made by Huppenthal, here are a few.

He called people on welfare and those receiving food stamps "lazy pigs". Many of those "lazy pigs" are children in his school system. In Arizona 27 percent of children under age 18 live in families with incomes below the federal poverty level. What does that do for their self esteem? This is insulting and demeaning to all those families. He made the comment, "We all need to stomp out balkanization. No Spanish radio stations,

JUST A THOUGHT

By **John Hernandez**
San Manuel Miner

no Spanish billboards, no Spanish TV stations, no Spanish newspapers. This is America, speak English." Apparently he doesn't believe that free speech or freedom of the press belongs in his Arizona.

Some of his comments related to education were bewildering to me. When he said, "Well of course scientists are Democrats, they are all on the public dole and have been all of their lives," I wondered if he was against students becoming scientists. Then again he has been on the public dole himself since 1984. Then there was his interpretation of history where he blamed the Great Depression on Franklin Delano Roosevelt and blamed FDR's economic policies for the rise of Hitler. I am not an expert on history

but that is completely idiotic.

Huppenthal has apologized for his statements and even shed a tear or two over them although I do not buy his sincerity. He has shown us what and who he is, a man unfit to be the head of the Department of Education. If he has any sense of honor, he will resign. If not we need to vote him out of office, unless we are a bunch of lazy sheep.

Oak Fire in the Galiuros still burning

Plumes of black and white smoke have been seen coming from the back side of the Galiuros since last week. This is from the Oak Fire in the Safford Ranger District of the Coronado National Forest that was started by lightning on June 17, 2014. The fire has burned 11,172 acres as of June 30. It is currently 5 percent contained. Firefighters are containing the fire within the National Forest boundary to prevent it from spreading to state or private lands. As the fire gets closer to the pre-planned boundary, the percent containment figure will increase.

According to the latest report, "The fire is expected to continue to grow to the south and west in the Rattlesnake Creek, Corral Canyon and Paddy's River areas. The fire will continue to show similar fire activity as the last few days, which will include backing down slopes and

then some uphill runs. Some of the activity will be intense for short periods/runs. Fuels are very dry in the area and very receptive to ignition. Fire behavior increased slightly on June 29 and produced a column in Corral and Brush canyons as it aligned with slope and wind."

On the night of June 24, a backing fire along a ridge line in the Kennedy Peak area was ignited by a helicopter dropping fuel filled spheres which ignite upon impacting the ground. The ridge line was set on fire to allow it to back down to the lower elevations. Backing fires usually burn more slowly and with less intensity than fires burning uphill, resulting in minimal effects to mature trees while burning off the lower ground fuels. If you would like more information about the fire including a map of the area fire, visit inciweb.nwcg.gov.

Smoke can be seen rising above the Galiuro Mountains from the Oak Fire, burning since June 17.

Mammoth agency under fire for emergency helicopter landing at community center

By John Hernandez
San Manuel Miner

On June 11, 2014, a meeting was held at the Mammoth Volunteer Fire Department to discuss issues involving the landing of a medical emergency helicopter at the Mammoth Community Center on June 6. Concerned citizens, members of the fire department, fire district board members, and representatives from Native Air were in attendance.

Rudy Romo who lives across the street said there were a few children at the entrance of the community center where the chopper landed. Vehicles were parked in the area with people waiting to enter the swimming pool. Kids were shielding themselves from the debris and dust. He went on to say that they could have landed at the cemetery where they have landed before.

"This incident can't be overlooked and anyone involved should be reprimanded," Romo said.

The regular landing place for

helicopters is the soccer field.

Rene Romo said it was "a bad judgment call". The problem could have been compounded by children getting hurt. He did not blame Native Air, saying they have always done a good job. The blame was directed to an administrator who made the decision to land there.

During the meeting no one would give the name of the administrator who directed the landing of the air ambulance.

The acting Fire Chief Michael Miranda and fire board members said they could not answer any questions about the transportation of the patient due to Federal law. Miranda was the EMT that had responded to the emergency call.

Native Air representatives talked about their top safety rating and that they took all precautions before deciding to land the helicopter. The fire district board made it clear that Native Air was not at fault. Blame was directed to the board member who directed the landing.

The fire board members in

attendance were Juan Ponce and Alvaro Anaya.

Someone asked the question, "Does the board have a protocol on who directs the helicopter to land?" The response was that it is usually the EMT but any firefighter can land the air ambulance.

Juan Ponce said, "We don't want this incident to be a black mark against the fire department but against the administrator that made the decision." The board members said that their job is administration and they shouldn't be out on the fire calls directing staff in doing their jobs.

The question was asked if the reason they had called the air ambulance to land at the community center was due to no land ambulance being available to transport the patient to the regular landing spot at the soccer field. No answer could be given.

What wasn't brought up at the meeting was that the patient died before he could be transported to a medical facility. This incident is under investigation.

SERVING SAN MANUEL, MAMMOTH &
ORACLE

Sea Lions win meet against Coolidge

The San Manuel Sea Lions hosted the Coolidge Dolphins on Saturday. It was the final dual meet of the season, and both teams entered undefeated. Great swimming and home pool advantage helped the Sea Lions win the meet with 1,071 points while the Dolphins finished with 576 points. This win marks the eighth consecutive year that the Sea Lions have finished the Central Arizona Swimming League Dual Meet Season without a loss.

The Sea Lions were solid at all age groups and in every event. Sea Lions won 66 out of the 88 events at the meet and had great team depth. In

the races that Coolidge won, Sea Lion swimmers were able to finish second (and usually third) to keep the points coming in.

Kayla Lambiotte (6), Mia Dale (9) and Bonnie Bridges (13) all swam the maximum number of events and

achieved best times in all of them.

Nine team records were broken at the meet and a 10th one was tied. Darien Apuron (50 Backstroke), Gianna Sweeney (50 Breaststroke, 50 Freestyle, and 100 IM), Evan Apuron (50 Breaststroke),

and Will Newman (100 backstroke, 50 Freestyle) all improved team records in individual events that each of them held. Evan Apuron tied the 50 Freestyle record set by Will Newman in 2010 for 9-10 boys with a time of 30.50 seconds.

The 7-8 boys 100 yard Medley Relay team consisting of Mason Stewart, Emerik Zovko, Rocky Andrade, and Joey Castellanos broke the team record set in 2012 by Saul Noriega, Riley Stewart, Evan Apuron, and Brian Mulholland with a new mark of 1:31.59. In the boys 9-10 age group, Evan Apuron, Riley Stewart, and Ben Fister set a new 200 Medley Relay record of 2:44.31, bettering the old record by over 13 seconds (set in 2013 by Evan Apuron, Riley Stewart, and Brian Mulholland).

Evan Apuron swam the maximum number of events and won all of them.

The following swimmers had first place finishes on Saturday:

Anya Zovko, 6, (Free Relay);
Ebony Galarza, 7, (Medley Relay);
Nevaeh Derrick, 8, (IM, Fly, 50 Free, Breast, Free, Medley Relay, Free Relay);
Malayah Renteria, 8, (Back, Medley Relay, Free Relay);
Rocky Andrade, 8, (Fly, 50 Free, Free, Medley Relay, Free

Relay);
Joey Castellanos, 8, (Medley Relay, Free Relay);
Emerik Zovko, 8, (Breast, Medley Relay, Free Relay);
Mason Stewart, 8, (IM, Free, Medley Relay, Free Relay);
Briana Castellanos, 9, (IM, Back, 100 Free, Free, Medley Relay, Free Relay);
Mia Dale, 9, (Medley Relay, Free Relay);
Genevieve Estrada, 10, (Fly, Medley Relay, Free Relay);
Rianna Estrada, 10, (Breast, Medley Relay, Free Relay);
Ben Fister, 9, (Medley Relay);
Evan Apuron, 10, (IM, Fly, Back, 100 Free, Breast, Free, Medley Relay, Free Relay);
Riley Stewart, 10, (Free, Medley Relay, Free Relay);
Star Chavez, 11, (Medley Relay, Free Relay);
Angelina Tilley, 11, (Medley Relay, Free Relay);
Darien Apuron, 13, (Fly, Back, Medley Relay, Free Relay);
Gianna Sweeney, 13, (IM, 100 Free, Breast, Free, Medley Relay, Free Relay);
Nate Fister, 11, (IM, Fly, 100 Free, Free, Free Relay);

Continued on page 7

Members of the Boys 200 Medley Relay 9-10 age group are Ben Fister, Riley Stewart, Evan Apuron. Jeanine Apuron | Sea Lions

This week Bonnie Bridges was named Sea Lions Beast of the Week. Bonnie swam all the events in the 13-14 girls age group where they swim longer races like the 200-yard Individual Medley and 100 yards of each stroke (Fly, Back, Breast, and Free). Bonnie worked hard in practice so she could achieve person best times in all six individual events at the meet

on Saturday. Swimming every event at each meet she attends is something Bonnie has done all season. Her determination and perseverance are great qualities for any swimmer.

The Sea Lions next meet will be the Central Arizona Swimming League Relay Meet held in Florence at the Anthem Merrill Ranch Pool on July 12.

There is still time to join the team - contact Alex or Wendy Gort at 896-2190 or stop by the San Manuel Pool between 4 and 6 p.m. (Mon-Fri) for more information.

San Pedro Valley Lions Club hosts international visitors

Tony Hyland, left, presents a photo of the international students to Ralph Herrera as a token of their appreciation. Jennifer Carnes | Miner

By Jennifer R. Carnes
San Manuel Miner

Can you remember the first time you ate a taco? How about a cheeseburger? Seems hard to fathom. Both foods are so very Arizona-American – cuisine that epitomizes and even defines the Tri-Community.

On Saturday, nine visitors from across the globe experienced their first tastes of tacos and cheeseburgers.

The San Pedro Valley Lions Club in Mammoth was the second stop on a tour of Arizona for nine cultural exchange students, sponsored by the Gilbert Lions Club. The students will be in Arizona for a full month, staying with Lions in their homes. They will be touring the state, visiting many different Lions Clubs and seeing the sites of Arizona.

The students are participating in the C. Kirby Smithe International Youth Exchange 2014. This is the 33rd year for the cultural exchange. The exchange provides the opportunity for citizens of Arizona to visit with Lions

from around the world.

The students and their escorts, Lion Tony Hyland and his wife Jean, arrived at the Lions Club on Main St. in Mammoth at a little after 1 p.m. Saturday. After the meeting was called to order and introductions of the local Lions and their guests and the visitors, Hyland made a presentation to Lion Ralph Herrera which included a pin from the Gilbert Lions Club and a framed photo of the international visitors.

The SPV Lions welcomed one more special guest to the Saturday event, Mammoth K-9 Officer Bindi. Bindi is the department's new drug dog. She is a year and a half old Czech Shepherd who has been trained to sniff out many different kinds of drugs including methamphetamines, marijuana, heroin and cocaine. She can also sniff out money, Acting Police Chief Steve Nash explained, because often the money comes into contact with drugs.

Bindi and her handler Officer Cardenas gave a very short demonstration of her skills (short only in that she was extremely quick in finding some drugs that Chief Nash had hidden earlier). But that just gave her more time for pictures with her adoring fans.

Following the K-9 presentation, lunch was served to the visitors, giving them the aforementioned first tastes of tacos and cheeseburgers as well as a chance to meet and talk with some local young people.

The nine students who visited were:

- **Maarten Beckx** from Beerse, Belgium. He is 17 and the youngest of three children. His father Rudy is the publisher of a magazine, Cruise & Style. His mother Ing is a physiotherapist at a hospital. Maarten wanted to visit Arizona "to see the beautiful nature and the majestic Grand Canyon. Get in a real wild west feeling and to discover a new world."
- **Kateřina Lonková** (Catherine) from Prague, Czech Republic. She is 19 and is studying at the business academy, Heroldovy sady. She plans to enroll at the Charles University in Prague, School of Law, next year. Her father is Michal Lonek and her mother is Dana. She has an older brother, Jakub.
- **Svetlana Ivanova** from St.

Petersburg, Russia. She is 16 and the oldest of three. She is a 10th grader and she likes horseback riding and dancing. This is her second visit to the United States with the Lions. She spent a month in South Carolina. "I like your country so much," she said. "I'm very glad that I will be visiting your country again."

- **Konstantinos Eleftheriadis** from Greece. He is 20 and a student at the University of Patras. He is studying mechanical engineering and aeronautics. He is in his third year. He is the oldest of two and the son of Thomas and Eleni. His family lives in Kavala, a coastal city in northeastern Greece. He said he is excited to visit

Arizona. "From what I have seen and read from books, movies or other media, I've been intrigued to learn your area's customs and way of life." Konstantinos was one of the few visitors to have tasted tacos before, although he admitted never had he tasted an authentic one like the ones served by the SPV Lions. He came back for seconds and thirds.

- **Ederson Faith** from the State of Rio Grand do Sul, Brazil. He is 16 and is a member of the LEO Club Soledade. He lives with his father and stepmother, brother and little sister. He works with his father in his furniture factory. His dream, he said, is "to live in the USA."
- **Johanne B. Jul** from Vester

Nebel, Denmark. She is 19 and will graduate from Danish High School next summer. She took a year off from school after completing elementary school (first to ninth grade) to live in a year in France, in a tiny village in the mountains with a population of 246. "At the end of the year I almost spoke fluently French," she said. She lives with her parents, Lone and Søren, and her little brother Magnus.

- **Pauline Danguy** from France. She is 18 and will celebrate her 19th birthday in Arizona. She lives with her parents, Christophe and Geraldine. Both are teachers and, according to Pauline, "They are perfect parents from my point of view!" She also has a

sister, Juliette, who is 16 and "the most amazing thing that ever happened to me," Pauline said.

- **Fanni Bakóczy** from Budapest, Hungary. She is 17 and a student at Xantus János Secondary School. She is an only child and lives with her parents and grandmother. She is a photographer and enjoys traveling. She likes learning languages and is fluent in English and French. She would like to go to university and study to be an agricultural engineer.

- **Erika Sarah Gazzera** from Bene Vagienna, Italy. Her mother is from the Philippines and she has been raised in that culture as well. She is studying several foreign languages,

English, French and German, and has a part time job tutoring a child with dyslexia. She is excited about her visit to Arizona. "Discovering a new country excites me and I'd like to practice at least one of the foreign languages I'm studying," she said.

The group headed to Globe following their visit to Mammoth. By the time this newspaper goes to press, the group of young people will have visited: Morenci, Safford, Tombstone, Huachuca City, Sierra Vista, La Salida del Sol and Nogales. Beginning July 18, they will visit Lions Clubs in Catalina/Oro Valley, Wickenburg, Prescott, Williams, Grand Canyon and Benson.

Farmers Market open in Oracle

By John Hernandez
San Manuel Miner

A farmers market has opened in Oracle. It is located at Sue & Jerry's Trading Post 1015 W. American Ave. Vendors are welcome and there is no cost for setting up your wares for sale. The market opened on Wednesday, June 4. It will be open every Wednesday from 6 p.m. to 9 p.m.

The opening day there were vendors selling fresh baked goods, produce, cold drinks, food, local honey, jams, jellies and arts and crafts. The Pie Lady was there selling fresh fruit and chicken pot pies. "Just Tacos" had tostadas and tacos for sale. The Trading Post was also open for shoppers to browse and buy in the cool Oracle evening. "We will have food, fun and community," said Sue Parra. The market is expected to grow with more vendors coming in. If you would like to be a vendor and set up at Sue and Jerry's Wednesday evenings, contact Sue at 520-896-9200 or SueAndJerrys@gmail.com.

Patronize Our Advertisers

Write your own word ad

1. Choose Your Classified Section

Using the index choose the section that best fits your ad

2. Write your ad

Minimum word is 15 words for \$4.20. Every word there after is 28¢.

3. Circle your Attention Getter (optional)

ONE of these graphics can be added to your word ad for additional \$2.00

4. Add up total cost

We charge by the word. A word is anything with a space before or after it. Punctuation is free. Phone numbers with area codes and prices are considered 1 word each.

	\$4.20	For the first 15 words. Minimum charge
+ (_____ X 28¢)	_____	Number of additional words. (If ad has more than 15 words.)
	_____	Attention Getter \$2.00
=	<input type="text"/>	Cost for your word ad for one week.
X	_____	Number of weeks to run the ad
=	<input type="text"/>	Total cost of ad

4. Send the Ad to the San Manuel Miner

Call (520) 385-2266 or mail this coupon in to San Manuel Miner, P.O. Box 60, San Manuel AZ 85631. You may send check or money order. *No Cash Please.*

You may pay with Visa, MasterCard or American Express.

20. Help Wanted

The Oracle School District # 2 emphasizes academic excellence, high expectations and excellent customer service. The Oracle Elementary School District #2 is an equal opportunity employer.

We are now accepting applications for the following position for the 2014 - 2015 School Year:

*First Grade Teacher: Oracle is a beautiful town just north of the greater Tucson area. OSD # 2 is a small but growing district that has a unique and progressive educational program. Competitive salaries, small class sizes, excellent staff development, and a great working environment make OSD # 2 a perfect choice to begin or continue a teaching career.

The applicant must also have all necessary certification, fingerprint cards, transcripts (copies will suffice for purpose of application), resume, and a minimum of three references with current contact information (both telephone number(s) and address). Written references are also acceptable, but will need the phone number of the reference.

Applications are available on line at www.osd2.org or at the District Office located off Mt. Lemmon Hwy., 725 N. Carpenter Drive, Oracle, AZ 85623. For more information on this position, please call 520-896-3071 or email tparkhurst@osd2.org.

One simple call to 811 gets underground utility-owned lines marked for FREE.

Whether you're a homeowner or professional excavator, every digging job requires a call -- even small projects -- so be sure to:

- Call 811 at least two days before starting any digging project
- Wait for the site to be marked
- Respect the marks
- Dig with care

Not calling can be life threatening and costly. You can harm yourself or others, disrupt natural gas service to an entire neighborhood, and potentially be responsible for injuries, repair costs, and criminal penalties.

If you ever suspect a natural gas leak, call **911** and Southwest Gas at **1-877-860-6020** immediately, whether you're our customer or not.

For more information about natural gas pipeline safety, visit swgas.com/safety or call **1-877-860-6020**.

Resolution Copper makes donation to Mammoth

Members of the Mammoth Town Council accept a donation from Andrew Taplin of Resolution Copper.
John Hernandez | Miner

By John Hernandez
San Manuel Miner

At the regular meeting of the Mammoth Town Council held on Thursday, June 19, Andrew Taplin of the Resolution Copper Company gave the Town of Mammoth a donation of \$2,000. Taplin also gave an update on the progress of the mining operation in Superior. He said as many as 3,000 workers could be employed with contractors during construction. Taplin thanked the council and community for their support.

In other actions on the agenda, Bud Paine's request was approved to relocate a modular building. Annie Martinez requested that some speed bumps be placed on First and Third streets coming off of Highway 77. There are many kids are in the area playing and people are

not obeying the speed limits. Her request was approved. Librarian Letha Miller gave an update on the Librarian Training Conference in Flagstaff. A request by the Lions Club to have the fees waived for the swimming pool during the July 4 celebration was approved. It was also requested that something be done about the drainage on Kino Street as the parking lot at the Lions Club gets flooded. An intergovernmental agreement between Pinal County Elections Department for the recall election is still up in the air.

Ram Narasimhan gave an update on grant funding and the progress of the water system. He said that a water system will be in place by the end of this year. That is good news considering the recent problems that Mammoth had with their water.
