## OBITUARY

# Magdalena Trinidad 'Trini' Yañez

Magdalena Trinidad Yañez, also known as "Trini" of Superior Arizona passed away on Sunday, July 21, 2019.

Trini joins her husband of 62 years, Jesus ( Chuy) Yañez, along with her parents Espiridion and Carolina Garcia.

Trini is survived by her daughters, Shirley Montano, Martha Carrano, Diana Arriola and Carol Ybarra; 10 grandchildren, 14 great-grandchildren and many friends.

Trini was born in New Mexico, moved to Arizona as a teenager, met Chuy and got married.

Trini was a devout Catholic and a dedicated member of many clubs and organizations at St. Francis of Assisi Catholic Church. She worked with CYM, Catechism, Lectors, Eucharistic Ministers, Cursillo, Vacation Bible School and was the director of religious education.

Trini was loving, caring, funny and a mentor for many people. She loved spending time with family, especially her grandchildren.

Rest in heaven. We miss you and wait until we can be

reunited.

Services for Trini were held Saturday, July 27, 2019 at St. Frances of Assisi Catholic Church in Superior, Arizona. She was laid to rest at Fairview Cemetery. The family was assisted with exceptional service by Superior Funeral Home.

## LETTER TO THE EDITOR

# Thank you, Town of Superior, for listening

**W**e would like to THANK the following people: Henry Munoz (P&Z) for being the lone vote against the 10 ft. solid concrete wall closing off Neary Ave. and for trying to come with solutions,

We would also like to THANK Steve Estatico, Olga Lopez and Gilbert Aguilar from Town Council for listening to residents affected and voting against a 10 ft. solid concrete wall. Your no votes gave Todd Pryor (Town Mgr.) and Anthony Huerta the ability to look for a solution to the

"wall problem"

Last but not least, THANKS Todd and Anthony for all your work on this project. Not everyone was happy but a compromise was found.

/s/ Cecilia Lopez, Sylvia Barrett (and Others)

# Welcome back, Panthers!

On behalf of the Superior Unified School District, I would like to welcome back all of our Panther students to school. The Mission of the Superior Unified School District is to: (1) educate all students to their fullest potential and, (2) provide the necessary individual skills to become both college and career ready and become productive citizens. In order to fulfill our mission the Superior Unified School District has adopted a plan that will further advance our students academic achievement to implement the following:

- A sustainable aligned K-12 curriculum. (What do we want the students to learn?)
- Continuous review of student assessment data to determine student-learning success. (How do we know if they learned what is being taught?)
- Student intervention opportunities for those that need assistance. (What do we do when a student has not learned what is being taught?)
- Enrichment opportunities for students that exceed based on testing data. (What do we do when they learned what

has been taught?)

- Hiring the best teachers and staff possible.
  - Integrating technology into the classrooms.
  - Providing meaningful professional development opportunities for our teachers that will impact student engagement.
  - Early Childhood Education is a priority in Superior, at SUSD we continue to provide a tuition-free pre-school and all-day kindergarten.
  - Students learn best, when they have had nutritious meals, SUSD offers free breakfast and lunch to all our students.
  - Our students have the opportunity to earn college credit while in high school as well as a certificate of completion for a trade through our partnership with the Cobre Valley Institute of Technology (CVIT).
  - This year we will implement the first phase of our multi-year education partnership with Resolution Copper. This partnership has resulted in a \$1.2 million investment into our schools over the next four years. The funding will be used to support student achievement and student programs.
  - In collaboration with the Town of Superior we have developed a Youth Council composed of Superior students. These students engage in community program, develop activities within Superior and learn leadership skills by working closely with community leaders.
- We know the Superior Panthers have and always will be

successful because of our Superior families and the many organizations that support the youth of Superior. When we work together, we can accomplish anything. I look forward to greeting our students this Thursday, August 1st. Together, we will have a Great Year!

# Keeping young children active and encouraging outdoor play boosts learning

Recently, the American Academy of Pediatrics suggested doctors start prescribing play for young children. “Play supports the formation of the safe, stable, and nurturing relationships with all caregivers that children need to thrive,” the report said.

Summer is a perfect opportunity to take a drive to escape the summer heat and incorporate some outdoor activities that allow toddlers and preschoolers to spend time outside exercising their bodies and minds.

Play in an outdoor, natural environment helps engage a young child’s senses. First

Things First reminds families that a nature trip doesn’t have to be a far-off place, it could be a neighborhood park or local splash pads. Here are a few activities to get you started:

- Go on a nature scavenger hunt - think of things you might see while outside then use the list to collect items as you walk.
- Show your child how to explore the forest floor or grassy lawn.
- Point out bugs.
- Talk about what you see, hear and smell.
- Observe patterns in a stream or rainbows made by splashing water.

# Summer Heat Safety

Many of us are familiar with the Eddie Murphy movie Beverly Hills Cop. While the theme song sung by Glenn Frey, "The Heat Is On" is

about the police going after the bad guy, it certainly describes the summers here in Arizona.

Summer officially started this year on

Friday, June 21, and with it comes the warmer and HOTTER days of summer. This is the time we are outside more enjoying the beauty of this state and all it has to offer. Some people must work in the hotter temperatures no matter how hot it gets. So, heat safety isn't just for those enjoying their vacation or time relaxing outdoors.

As many of us who live in the desert are aware, the higher temperatures can quickly cause dehydration and bring on potentially life-threatening heat-related medical issues. During our hot summer days our body still sweats even though our skin may appear to be dry. The lower humidity we have here in the desert can evaporate our sweat making it look like we are not all that hot so the summer heat isn't a problem, but IT IS!!

There are three stages of summer heat-related medical issues that can happen and rapid recognition and treatment of those issues can help save a life or prevent any permanent damage to someone's body. Signs and symptoms of heat related illness are:

(See graphic below left)

Once you recognize the signs of a heat-

Heat Illness	Symptoms
Dehydration	Dry, sticky mouth; headache; not urinating much; dark yellow urine
Heat Rash	Red bumps on skin usually on the neck; chest; and folds of skin
Heat Cramps	Heavy sweating; muscle pain
Heat Exhaustion	Heavy sweating; nausea or vomiting; dizziness; light headedness; weakness; irritability; fainting; fast breathing; fast pulse
Heat Stroke	Very high body temperature; fast pulse; fainting; confusion; passing out, convulsions, coma, and in many cases, death

related illness you must act quickly! What can you do to help a person experiencing a heat-related illness? Follow these guidelines but above all, when in doubt or if the person shows signs of a serious issue DO NOT HESITATE to call 9-1-1!!

Before the arrival of emergency medical personal here are some steps you can take

## An Advertising Proverb

When Mark Twain was editing a newspaper in Missouri, one of his subscribers wrote in, saying that he had found a spider in his newspaper and wondered whether it was a sign of good or bad luck. Twain's response: "Finding a spider is neither good luck nor bad. The spider was merely looking over our newspaper to see which merchant was not advertising, so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."

# Trump administration appoints Jack Smith to serve as State Director for USDA Rural Development in Arizona

Phoenix, AZ—July 8, 2019- Jack Smith, the Trump Administration's pick to serve as State Director of USDA Rural Development in Arizona, reported in for his new position today.

Smith brings seven years of experience serving as County Supervisor for District five in Yavapai County. Smith was elected to serve as the Legislative Policy Liaison and 2nd Vice President of the County Supervisors Association of Arizona and was a member of the NACO Rural and Agriculture Affairs Committee. During his tenure he worked on increasing transparency and building regional cooperation. Before joining the Yavapai County Board of Supervisors, Smith managed transportation, warehousing and logistics with the Pepsi Bottling Group and the Ace Hardware Corporation.

Smith served eight years in the United States Army and was awarded the Army Commendation Medal, two Army Achievement Medals, and the Good Conduct Medal.

Jack and his wife have two children. He holds a bachelor's degree in Christian Studies from Grand Canyon University. Smith makes God, church and family his top priorities and is committed to investing the time to make our families and communities successful. As State Director, Smith will use his leadership experience to oversee Rural Development programs in a customer-focused manner to restore prosperity in rural Arizona.

Under the direction of Secretary Sonny Perdue, the USDA will always be facts-based and data-driven, with

to help a person exhibiting signs of a heat-related illness: (See graphic below)

While everyone can experience a heat-related illness the most susceptible groups are the very young, the elderly and those with certain medical conditions. When a heat wave hits always check on elderly neighbors and family members, keep children indoors, check on anyone you know who has a heat-sensitive illness. And NEVER HESITATE to call 9-1-1 if you have any doubt about a person's condition.

• Have a meal outside. Parents are also encouraged to allow their child some time for free play, where the child chooses what activities to do that will allow their imagination and creativity to take over.

For more ways on how parents can support their little one's development and learning through play watch FTF's short video at <http://bit.ly/FTFplay>.

Use the information above to find some time to get

outdoors with your infants, toddlers and preschoolers, so they can learn, grow and thrive.

About First Things First – First Things First is a voter-created, statewide organization that funds early education and health programs to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers.
