## OBITUARIES

# Teresa U. Denogean

Teresa U. Denogean, 84, passed away on June 27, 2019 in Mesa, AZ, with her family by her side. Teresa was born in Terlingua, Texas to the late Lola and Santiago Urquieta on Oct. 15, 1934.

Our dear, gentle mother went to meet our Lord with open arms and though we are very saddened by our loss, we are comforted by the fact that she was a most faithful woman and has left us with her legacy of faith and love.

Her family moved from Texas to Superior in 1945. Here she was raised and attended Superior schools. She married Gilbert "Huero" Denogean, her loving husband of 67 years. Teresa was a devoted wife, mother, and proud grandmother. Her full time job was being a homemaker and she lovingly accomplished this.

She is preceded in death by her parents, her brothers Manuel, Jose, Mario, Santiago, and her grandson, Angel Denogean.

She is survived by her husband, Gilbert, her children Terri (Henry), Gilbert (Natalie), and Cynthia (Joe). She is also survived by her loving grandchildren Henry (Irina), Brianna, Nia, Justin and her first great-grandson arriving in August. Teresa is also survived by her sisters, Maria and Hortensia, and brother, Inez, along with many nieces and nephews.

En paz descanse Mama, we love you very much, vaya con

Dios.

# Orville H. Hed Jr.

Orville H. Hed Jr. passed away on Thursday, June 27, 2019. He was born to Orville Hed Sr. and Awanda Hed in Mankato, MN Sept. 22, 1950.

Orville was baptized and confirmed at Grace Lutheran Church. He graduated from Mankato High School in 1969. He was drafted into the Army and served his country 1971 – 1973 and spent 1 ½ years in Germany. He was trained in Artillery. He earned National Defense Service Medal Sharpshooters M-16. He was also trained as a wireman. After the service he worked various jobs around Mankato.

Orville relocated to Arizona in the late 1970s. He worked as an electrician until he developed difficulties with carpal tunnel in both hands. From there he struck out on his own moving up by the Silver King Mine. He had an older motor home to live in and used generators for electricity aided by solar panels. He walked

all over in the mountains picking up old metal and beautiful rocks and some gold. Up there it was perfect silence and so peaceful. He said he was so much closer to God.

In August 2017, Orville went to be seen for a broken hip and cancer was found. His diagnosis was Stage 4 Lung Cancer that had spread to his bones and lymph nodes and given

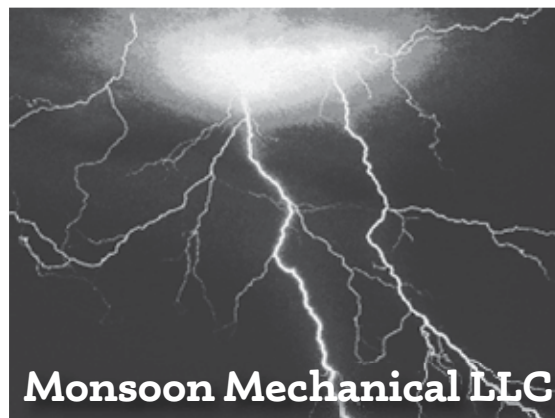

4-6 months. He stretched that out to almost 2 years. He was a fighter, but succumbed to the cancer on June, 27, 2019.

Orville is survived by sisters, Sandra (Bob) Mosser of St. James, MN and Pamela (Steve) Fry of Elysian, MN; and various cousins.

Orville was preceded in death by his parents Orville and Awanda (Cammack) Hed, paternal grandparents Harry and Hilma (Erickson) Hed and Irwin Cammack, Magnus and Emma (Bogue) Helgesen and many uncles and aunts.

Viewing will be held on Tuesday, July 9, 2019 at 5 p.m. at Superior Family Funeral followed by a short service by a military chaplain. Following the viewing a Celebration of Life will be held at Superior VFW, so we can share all the good times at 7:30 p.m.

Interment will be held at Southern Arizona Veterans Cemetery in Marana, AZ on Wednesday, July 10, 2019.

# Happy New Year! New Fiscal Year to Move Many Projects Forward

The year 2019 is flying by! Our snowy and wet winter turned into a super bloom of wildflowers this spring and we are now fully engaged in summer. July 1 was the first day of the 2019-20 Fiscal Year and this year's budget includes funding for the advancement of many key projects in Superior.

**Multi-Generation Center:** The first installment of the Resolution Copper funding for the Multi-Generational center has been received. This first phase of funding will go towards the architectural design-build phase of the project. A portion of the funding will also go toward improving the air conditioning and windows in the Town Hall complex and build out a space for the Superior Senior Center. We anticipate that the Senior Center relocation will happen within the next six to eight months. We are working directly with Resolution Copper and our other economic development partners to raise the \$2 million which will allow us to complete the construction of the Multi-Gen center within the next four years. The new building will include a new library, gymnasium, multi-use rooms for events and activities, as well as a dedicated entrepreneurship center.

**Park Improvements:** The US 60 Park will be receiving a significant improvement with \$200,000 in playground equipment that will be installed. The funding for this improvement has come from Resolution Copper as part of its community investment following the demolition of the Smelter Complex. The Swimming Pool park will have \$50,000 in new playground equipment installed and the Besich Park on Main Street will be expanded into Neary Avenue this year. The Besich park expansion will

include a stage, amphitheater style seating area, dance floor and shade structure. These improvements are being funded through Community Development Block Grant (CDBG) Funds. Neary Avenue will be converted into a cul-de-sac to allow for the park expansion. There will be two public hearings regarding this project. The first public hearing is this week, Wednesday, July 3, 2019 and the Town Council will host the final public hearing during their July meeting on July 11. The Town Council will need to approve the final design and permanent street closure of Neary Avenue at their July 11 meeting. The Town is also filling a dedicated groundskeeper position in the Public Works Department to ensure that maintenance of the parks is kept up. The Town also will be looking for additional funds to build new baseball/softball fields at the US 60 park and make additional upgrades as the park expands over the next few years.

**Waste Water Treatment Plant:** After many years of make-shift fixes to our Waste Water Treatment Plant, several engineering studies and a rate study, the Town has finally secured the funding through the United States Department of Agriculture to rebuild our Waste Water Treatment Plant. The rebuilding of the Waste Water Treatment Plant also will include replacement of the sewer main on Terrace Drive, which has become a major infrastructure problem for the residents in that neighborhood. The grant also provides funding to build the sewer and water infrastructure at our municipal airport. Once the utilities at the airport are installed, we can begin promoting our airport to aviation-related and other commercial firms. Already, there are several such

enterprises considering Superior as a location once this critical infrastructure is built. New businesses help to increase local property and sales tax revenues, and the increased revenues help us advance other important community projects and generate direct economic benefits for the entire community.

**Water & Trails:** During 2019, the Town has been working with the Legends of Superior Trails Inc. (LOST). LOST is a local 501c3 non-profit that has been working on trail development, marketing and maintenance. After many years of discussions and planning, the Town has acquired all of the necessary easements from BHP and Mr. and Mrs. Manny Ruiz to build the trail from the airport to the US 60 Park. Just last month, Ms. Marguerite Clark donated a piece of her property to the Town to complete the trail alignment from the US 60 Park to the Sonora Street Bridge. By the end of 2020, you will be able to walk on a designated trail from Picket Post to the old Miami-Superior Tunnel. In 2019, the Town also received a "Waters and Trails" grant from the National Parks Service to further study the Queen Creek Watershed to develop trails and to determine what mitigations and infrastructure are needed to have water flowing through Queen Creek. The committee working on this project has been studying the 1999 Queen Creek Watershed Plan, which called for riparian habitat restoration, including water running through the creek and a lake. Some of the immediate ideas that you may see happen soon, are: making repairs to the Sonora St. and Lobb Ave. foot bridges, removing invasive species from the creek and also developing a small park below the Rails Park on Stone Ave. aka

"The Dip".

The Town continues to work with BHP and other commercial property owners to find and promote lands available for a new, brand name hotel. A recent hotel feasibility study has proven that Superior can support a sixty room co-branded hotel with five hundred square feet of meeting space. Also this year, the Town will also be reviewing and updating our General Plan. The General Plan is a state mandated plan which will guide us, as our community continues to grow and thrive. With support from Rebuild Superior Inc. we also anticipate that our Economic Development Strategy will be complete, which will be invaluable in guiding our efforts to retain our existing businesses and attract new firms to our Town.

As the summer heat presses on, remember to keep an eye out for our elderly residents, pets and young children. Wishing everyone a safe and happy Independence Day!

# Copper Corridor celebrates our nation's birthday

Happy 243rd Birthday, America!

Communities throughout the Copper Corridor are ready to celebrate. There are several events planned, including one fireworks display, and residents are invited to join in the fun.

The Town of Hayden offers the only fireworks display this year (although Apache Sky Casino wowed the crowds on Sunday with a pre-July 4th fireworks display).

Hayden's celebration begins at 7 p.m. at Hastings Park

**Deanna and Bob David of San Manuel get ready to watch the fireworks at the Apache Sky Casino on Sunday. A large crowd of people from all over the Copper Corridor came to watch the impressive display. Several vendors and food trucks were on hand to feed the restless crowd.**

From 5-7 p.m. the Youth Council will be serving free hot dogs, snow-cones and cotton candy. DJ Supie Town will be playing from 5-8 p.m.

At this time the fireworks show has been cancelled due to fire restrictions. The Town will reschedule the fireworks show once there are no fire restrictions.

In the Tri-Community, there will be celebrations in Oracle and Mammoth.

The Oracle Community Center will sponsor a Fourth of July festival again this year at its location, 685 E. American Ave. The activities will begin at 9 a.m. and run until 3 p.m. There will be free lunch for children under the age of 16. Other adults are \$5. Activities will be free to the public.

This year's event will showcase activities sponsored by non-profit organizations and businesses located throughout the region. Local artisans and other vendors will be on hand providing unique experiences for all who attend.

In Mammoth, it's all about the pool. On Thursday, July 4th, the Town of Mammoth and the Sea Lions Swim Team are hosting a Fourth of July Celebration at the Mammoth Swimming Pool. Admission is free from noon – 3 p.m. Stay cool in the pool and have lots of family fun with food,

## Tesla car chargers installed on Main Street

Tesla, the electric car maker, recently contacted the Town of Superior offering electric car charging stations for Tesla vehicles.

Tesla identified Superior as an ideal location for their car chargers. The company looks for areas that are in-between

key locations and that are in areas where Tesla car owners can shop, recreate or dine while their vehicles charge.

Tesla has added Superior to its online maps and apps. Depending on the type of port an electric car has, other electric vehicles may be able to use the charging stations.

# Hurts Donuts arrives in Superior

The fourth Friday, Farm to Fantastic Market was the host to the Hurts Donuts Emergency Donut Vehicle. Superior won an online Facebook contest to have the Emergency Donut Vehicle visit Superior. Superior was competing against Cave Creek and won with 75 percent of the votes after a four-day poll on Facebook.

The donut truck arrived around 5:30 p.m. and by 7 p.m. all of the donuts were

sold. Their donuts are what you would call extreme donuts decorated to match a certain theme; a fan favorite is the bacon maple bar as well as their extra large cinnamon rolls and apple fritters.

Hurts Donuts will be donating a percentage of their proceeds to the Superior Food Bank. Local musicians "The Magmatones" performed for an hour to entertain the crowds and greet the donut truck.

# Head Start modifies services in Superior, offers a transition program for 3-year-olds and parents

In an effort to bridge the needs of the children of Superior, Mayor of Superior, Mila Besich, Superintendent of Superior USD, Steve Estatico, and the Head Start program have proposed a locally designed option to fill the gap for 3-year-old children who are too young to attend Superior's Public

Preschool Program. "We are honored at Superior's advocacy towards the Head Start program and are excited to work collaboratively in continuing Head Start services to support the young children of Superior," said Charity Russell, CEO of Pinal Gila Community Child Services

who administers Head Start programs across Pinal and Gila counties.

This collaboration was birthed as all parties struggled with the closing of a program that has supported Superior's children for decades, due to budgetary constraints. This shortfall left a gap in services for 3-year-old

children. It is the hope of all parties to continue to come together as partners in education for this community.

The proposed Head Start program will include one-on-one weekly meetings with each 3-year-old and their parent(s). The program will also provide three group activities

at the Head Start site each month. Children will continue to receive Head Start services which includes resource referrals, health and developmental screenings, and as needed, consultations with nutrition, family, and disability specialists.

Head Start will continue its current services through mid-July and the new services will begin mid-August. You can apply online today! Apply at [www.pgcs.org](http://www.pgcs.org). If you have already applied for Head Start services, you will be contacted regarding your application.

Head Start does not sell curriculum or books.

## Imerys to host public meeting on pit expansion

Imerys Perlite Mine will be hosting an open public meeting on Friday, July 12, 2019 at 6 p.m. at the Superior Town Hall in the Council Chambers. Imerys is doing some feasibility work to determine if the southern pit can be reopened. The redevelopment and feasibility work has forced the closure

of Forest Road 4, which is south of Superior.

The closure of Forest Road 4 has created concern for town officials and those who recreate in the area as that road is a main access point to the southern trail head for the Arnett Canyon trails. It's also a major ATV

recreation route between the Ajax mine and Superior. The company is working on solutions to create access to these areas.

Those concerned about the re-opening of the pit and access to Forest Road 4 should plan to attend the meeting on July 12 at 6 p.m.

## Kearny's Francisco Buso chosen to lead Elks East District

Thousands of members of the Benevolent and Protective Order of Elks of the United States of America and guests have gathered in Saint Louis, Missouri, from June 30 to July 3 for the BPO Elks' National Convention. During the convention, Francisco Buso, of Kearny, was installed as District Deputy for the BPO Elks for lodges in the East District of the Arizona Elks Association and will serve a one-year term.

The BPO Elks is one of the premier patriotic and charitable organizations in the United States of America and is committed to making our communities better places to live. Each year, the Order

donates more than \$675 million in cash, goods, and services to the needy, students, people with special needs, active-duty members of the US armed forces and their families, veterans and their families, and charitable organizations.

Each year, as part of the Elks' commitment to helping students achieve their goals and helping lodges make positive changes in their communities, the Elks National Foundation awards annual college scholarships worth a total of more than \$4 million, and the Elks National Foundation's Community Investments Program provides local Elks lodges with more than \$12 million to help them en-

rich their communities.

As part of the BPO Elks' commitment to our nation's veterans, the Order has taken the following vow: "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." Each year, Elks members keep this promise by donating more than \$47 million in cash, volunteer hours, and goods to offer essential support for veterans and active-duty members of the US armed forces and their families and programs that serve hospitalized and recovering veterans and lift up veterans experiencing homelessness.
