Summer Heat in the Copper Corridor

Fires are raging in Arizona and the western states. The human drama of the fire around Mayer and other small Yavapai County towns is a close reminder of the destructive fires we in the Copper Basin suffered not once, but twice. This is an especially hot summer. The afternoon breezes have accelerated moisture loss, making fire conditions worse.

We don't live in a forest in our part of Arizona, but we still could learn a few things from those who do. People in Pine, Strawberry, and Payson clear the area around their houses from all flammable materials. Yes, they deal with pine needles, but also with lumber piles and wood piles and weeds and grass. Except for pine needles, we have everything to cause a house fire to spread to other homes. Break out those work gloves, and remember that Kearny's transfer station is open early Saturday morning, July 8.

The Family Night at the Kearny pool last week was so successful that another has been set for this Saturday, July 8, from 6:30 to 8:30 p.m. The cost is only \$5 per family, and swim passes are honored. The lifeguards have started a small concession stand, and there will be music. It is encouraging that so many people are working to

support the pool. Supporters include the Copper Basin Health Volunteers at \$2,000, local businesses providing snacks and towels, and several individuals and families who are "adopting" children by providing pool passes. One family even has a rivalry going their son and daughter come with their parents in generosity. On top of all that, the Kearny Elks Lodge 2478 acquired a grant of \$1,250 for passes, equipment, and lifeguard shirts. Way to go, people!

The local Mayors' Meeting has proven itself by growing to include the towns of Globe and Miami. Its next meeting is Tuesday, July 11, in Globe. The mayors of the towns and occasionally town staff take part.

San Manuel has a full day, Saturday, July 8, devoted to showing personal and financial support for the San Manuel Summer Softball program. A double elimination horseshoe tournament begins at noon (sign ups close a half hour earlier) at \$20 per team. The softball tournament goes through the day, and a steak dinner will take place at the field from 5 p.m. to 8 p.m. or plates can be picked up. The cost is \$10 a plate, and \$6 a plate for children under 12. Need more information? Call 520-345-7660.

Area residents Kira Granillo, Leysa Rought, and Veronica Bracamonte took part in a gathering sponsored by Local First Arizona, the Copper Corridor Economic Development Corporation, and the South Gila County Economic Development Corporation. The meeting was about people coming together in cooperative ways

Healthcare Collaboration: CVRMC to assist Community Health Foundation

By Mila Besich-Lira
Copper Basin News

Twenty-five years ago, health care for Kearny and the residents of the Copper Basin was in jeopardy. Samaritan Hospital pulled out – the operation of a community hospital and health care clinic was no longer a sustainable operation. The loss of access to health care is devastating to a community and in that time of potential disaster community leaders from

Kearny stepped up to form the Community Healthcare Foundation.

The Foundation's mission was to maintain the old Kennecott hospital/clinic property and offer rents to health care providers at a rock-bottom price in order to keep some sort of health care services in the area. Over the years, as the population has declined and costs continued to increase, the sustainability of the Community Health Foundation was becoming more and more difficult. A partnership would be needed to continue the health care center operations.

"It is vital to maintain health services in the community of Kearny. We have been fortunate to work with many outstanding community members who have had the passion for health services as well and we look forward to caring for the people of Kearny in the future," explained Neil Jensen, CEO for Cobre Valley Regional Medical Center.

Cobre Valley Regional Medical Center has been a partner and tenant for several years. Often times they would offer some maintenance and upkeep services.

"They have always been so patient with us," said David Orzell, President of the Foundation. "Even when the

Behind the Scenes: ASARCO Smelter Improvements

By Mila Besich-Lira
Copper Area News

ASARCO Hayden Smelter Operations have begun the major improvements and repairs to the facilities and equipment in Hayden. The upgrades and improvements come after the 2015 Consent Decree signed by ASARCO and the Environmental Protection Agency. The Consent Decree lined out many improvements needed to protect the environment in the area surrounding the Hayden Smelter Operations.

Included in the \$40 million dollar repairs is the installation of wind fencing throughout the property to keep harmful dust particles from leaving the property. The major smelter upgrades will ensure that the smelter emissions remain 99.5% pollutant free. Some of the other upgrades include improvements to the crusher and paving roads.

ASARCO is also required to install 38 environmental monitors on their property and in the area. Data from the

monitors must be tabulated and reported to the Arizona Department of Environmental Quality on a regular basis.

Retrofitting the Hayden Smelter has begun.

Mila Besich-Lira | CBN

Prior to the Consent Decree, ASARCO only had to monitor and maintain 15 environmental monitors.

Opportunity to Comment on Apache Leap Special Management Area

The Tonto National Forest, Supervisor's Office, is preparing a management plan for the congressionally designated Apache Leap Special Management Area (SMA), located in Pinal County, 65 miles east of Phoenix, Arizona. The purpose of the proposed action is to develop and adopt long-range direction for managing the natural resources and human uses of the Apache Leap SMA consistent with Section 3003 of the Carl Levin and Howard P. 'Buck' McKeon National Defense Authorization Act for Fiscal Year 2015 (NDAA) (Public Law [PL] 113-291). Approval of the Apache Leap management plan requires a concurrent forest plan amendment to add or modify one or more plan components, or to change where one or more plan components apply (36 CFR § 219.13(a)). The 1985 Tonto Land and Resource Management Plan would be amended to: 1) include the Apache Leap SMA as a new management area (MA 2G Globe Ranger District - Apache Leap SMA); 2) modify the description and acreage of the former management area (MA 2F Globe Ranger District - General Management Area); and 3) incorporate new plan components that were developed to meet the primary purpose of the special management area. These plan components comprise chapter three of the proposed Apache Leap SMA management plan. The latest version of the proposed Apache Leap SMA management plan is available to review online at: [http://www.apacheleapsma.us/public-involvement]. The new plan components that comprise the proposed forest plan amendment address various substantive requirements found at 36 CFR 219.8 thru 219.11 for managing the multiple uses and resources of a designated area.

How to Comment and Timeframe

We would like to hear your comments about amending the forest plan using the plan components identified for the management of the Apache Leap Special Management Area, a congressionally designated area as identified at 36 CFR 219.10 (b).

The 30-day comment period for this proposed amendment begins on the day after publication of this notice in the Arizona Capitol Times, the official newspaper of record, on June 30, 2017. This comment period is provided pursuant to 36 CFR 219.16(a)(2).

Comments received in response to this notice, including names and addresses of those who comment, will be considered part of the public record on this project and will be available for public inspection. Electronic comments must show name and address of submitter. Comments submitted anonymously will be accepted and considered. Additionally, any persons may request the agency to withhold a submission from the public record by showing how the Freedom of Information Act (FOIA) permits such confidentiality (7 CFR 1.27(d)).

Written comments may be submitted in one of three ways - via US mail: Apache Leap SMA, PO Box 34468, Phoenix, AZ 85067-4468; using electronic inbox: comments@apacheleapsma.us; or in person: (Monday through Friday, 8:00 a.m. to 4:30 p.m., excluding holidays) at 2324 E. McDowell Rd, Phoenix, AZ 85006.

Decisions Will Be Subject to Objection
The decision to approve the management plan for the Apache Leap SMA and concurrently amend the 1985 Tonto Land and Resource Management Plan is subject to the objection procedures identified in 36 CFR part 219 subpart B. According to 36 CFR 219.53(a), those who may file an objection are individuals and entities who have submitted substantive formal comments during opportunities provided for public comment during the planning and environmental review process for the decision. Only those who provide a substantive formal comment, as defined in 36 CFR 219.62, will be eligible to object to the proposed decision.

HEALTHCARE FOUNDATION

air conditioners would go out, they brought in fans and stayed patient as we would get things repaired.”

This summer after careful discussion of the board, they approached Cobre Valley Regional Medical center about negotiating an operations and maintenance agreement.

The CRVRMC agreed to the idea and the two organizations started negotiating an agreement. In May, CVRMC took over all the leasing and maintenance

operations from the Foundation. The agreement does allow the Foundation to continue to be the owners of the property but alleviates the ongoing responsibility of the rental management and maintenance.

“It is a relief,” said Orzell. “If an air conditioner goes out, their maintenance department will manage the repairs.”

The official lease is expected to be signed this month.
