Drivers should be extra careful when Arizona Department of Transportation workers are replacing burned and damaged guardrails. James Carnes | CBN

Don't get hot at ADOT workers during wildfires; crews working in their own communities to keep people safe

Some motorists upset with road closures due to multiple fires burning in Arizona are taking their frustrations out on ADOT personnel staffing the roadblocks.

ADOT does not decide which roads to close. Closures are determined by fire incident commanders who work in conjunction with law enforcement and ADOT, and motorists may face legal penalties for attempting to get around a barrier or other method used to shut down a road.

"We understand that especially for people who live in areas affected by a wildfire, this is a very stressful situation for the entire community," said Rod Lane, an ADOT District Engineer who has handled fire-related closures for a number of years. "Our maintenance crews who close these roads do it to ensure that emergency responders can use the roads to access fire areas, evacuate residents and keep people out of harm's way. We're doing our best to keep everyone safe."

This also highlights the comprehensive nature of the

work performed by highway maintenance crews. During most of the year, crew members do pavement work, repair guardrail and clean up roadside trash. Incidents such as wildfires highlight the crews' commitment to public safety first and foremost.

ADOT crews sometimes encounter motorists who are angry and demand to be allowed to drive on a closed highway. Brett Rupp, an ADOT Highway Operations Technical Supervisor in Payson says, "ADOT maintenance crews live in and around the communities we serve and some of us have had to evacuate ourselves and our families. It's unfortunate when one of our crew members is confronted by an upset motorist because people may not realize what that person standing in the heat and smoke for several hours is going through. His or her home may be at risk, but they are still on the job protecting the community."

Support Local: Miners on Main

Mike, Melissa and Devin Komen are ready to serve up some seriously delicious food at Miners on Main.

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community. Over the next several weeks, our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) will be featuring local businesses and non-profits, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 78 businesses in the Copper Corridor.

It is hard enough starting a business or expanding one during normal times. But to start one during a pandemic adds an

entirely different twist to things.

Mike, Melissa and Devin Komen know just how hard it is to start a new business during a pandemic. They opened Miners on Main in Superior well after the lockdown ended, but like other restaurants, they had to contend with state and local mandates on operating a restaurant during these troubled times.

Nearly a year after opening, though, things are going well for the local eatery. Miners on Main is a classic diner with modern flair. They offer diner favorites and new creations for breakfast and lunch.

The Komens said that during the fall and winter they offer homemade soups.

"We pride ourselves in providing a menu that is 99% made fresh on site with family recipes," they explained.

The restaurant is located at 149 W. Main St., Superior, and is open Thursday through Monday, 7 a.m. to 3 p.m.; breakfast is served 7-11 a.m. You can reach them by phone at 520-689-5663; find them online at minersonmain.com or on Facebook by searching Miners on Main Superior.

Community Working Group to again meet in person July 14

The Superior Community Working Group (CWG) will meet on Wednesday, July 14, at the Superior Chamber of Commerce 6-8 p.m. The community is welcome to attend and time is reserved on the agenda for public comments, questions, and discussion.

For more than a year the CWG has met virtually by video conference due to pandemic safety protocols, and this will be the first face-to-face meeting in 2021. The group will be discussing the Telegraph wildfire status, consequences and recovery efforts.

The group includes organization representatives, interested residents, officials and other stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, Hayden, Top-of-the-World and elsewhere around the area.

The CWG was formed in 2013 to engage people from the communities potentially affected by this prospective project. The intent of the group is to provide an avenue for people to learn the facts and myths, discuss, debate and better determine the truth by considering information and data from mine officials as well as other independent expert sources.

The CWG deals with social and environmental impacts, health, safety, natural resources, engineering, water quantity and quality, geology, economics, air quality, community investments, recreational changes and other related subjects.

More information about the CWG as well as past agendas, meeting summaries, and presentations are available for public review online at <http://SuperiorAZCWG.org/>

Wildfire Safety

Much of the southwest is considered a high-hazard fire environment. Within this hazardous environment are individual homes, and entire communities ill-prepared to survive an intense wildfire. It is not a question of "if" a wildfire will occur, but when. The odds of losing human life and property are growing. The Town of Kearny would like to protect you and the community from the dangers of wildfires. The Fire Chief is very concerned about this upcoming fire season. Even though we have received more rain than usual, it has caused more weeds. Once the rain stops, the weeds will dry out and this will make for a dangerous fire season. Please clear weeds, dry grass, dry shrubs or dead trees surrounding your property. Thank you for your support.

Fourth of July, A Superior Celebration

The Town of Superior Youth Council and Town Staff once again hosted a Superior Fourth of July! Free swimming was offered all day, along with free hot dogs, watermelon and sno-cones. The community enjoyed gathering with friends and neighbors and thankfully storms stayed to the north of Town and did not affect the celebration.

The event was supported by the Red Bear Outfitters who helped cook the hot dogs and the VFW Auxiliary assisted with serving the watermelon. Members of the Town of Superior Youth Council organized the event.

Following the free swimming, food and music, the town hosted a laser light show. The show was set to music and included a patriotic theme.

Freedom

We as a nation are in a time of celebration of our beginnings. God brought Israel out of the bondage of Egypt, setting them free. Yet, on their journey to national freedom, they complained and disobeyed God's rules

for daily living. Every nation has their ups and downs.

From Jeremiah 11 we see that God had one basic and major rule: "obey Me." That should have been common sense and easy to do. But they seemed to have a problem with

authority. Well, after Egypt and those problems, it came natural. We are no different today. Many find it difficult to follow God's rules for daily living.

Yes, Israel had a stubborn streak, but so do many of us today. We always seem to 'know better' than someone else. Maybe so, then again – maybe not. We can be very stubborn as well!

2 Corinthians 3:17 says that where God's Spirit lives, there is freedom. Of course, we must listen to Him and obey Him. When

we do, we experience God's love and daily guidance, allowing us to have a good life and walk in His good favor. Awesome!
