He was a husband, father, and friend. He served his country in the Air Force and Air National Guard from flying fighters in Vietnam to protecting our country from the recent threat of terrorism. Mammoth approves 2015-16 budget, sets effective date for increased sales tax

By **John Hernandez**
San Manuel Miner

At the July 30, 2015 special meeting of the Town Council, the 2015-16 budget was passed. The budget for the fiscal year 2015-16 will be \$2,536,908. The Town Council also passed an ordinance amending the effective date of the transaction privilege sales tax which was increased from two to four percent. The effective date will be Sept. 1, 2015.

Pat Walker of Walker Consulting has been working on the budget since January and had to totally reconstruct the records for fiscal years 2013, 2014 and 2015. There were numerous issues to reconcile. The

general ledger was not up to date and/or there were incorrect entries made for fiscal years 2013 – 2015. There were missing documents and the budgets were not being followed by the previous administration, reducing the general fund and forcing the town to live “paycheck to paycheck.”

The 2015-16 budget includes the sales tax increase which is expected to increase General Fund revenues by \$86,181 and a property tax levy of \$55,175. The budget that was passed also assumes the Pinal County Sheriff's Office contract, which is still in negotiations, will be approved.

The State expenditure limitation is \$906,180. Pat Walker has said if the Town of Mammoth does not contract out

Police, Mammoth will need to operate on \$294,406 for Fiscal Year 2016 and \$294,406 will need to be cut from the budget of \$906,180. If the Town violates this limit, the penalties are severe and the Town could lose up to a third of its state

shared revenues.

The Mammoth Town Council plans to go back to the voters to ask for the approval of the Home Rule Option, which if passed would allow the town to spend all of the funds it generates and collects.

San Manuel repairs estimated to be completed soon

FLORENCE - Pinal County Public Works late last week said they are expecting road repairs to roads damaged by the flooding in San Manuel to be completed by the end of next week.

“Talking with our road engineers, they are telling me that work is progressing quite rapidly on the repairs needed,” Vice-Chairman Pete Rios stated. “If the weather holds out, crews are looking to be done by the end of the next week. That is very good

news.”

On Wednesday, July 29, a large monsoon storm deluged the town of San Manuel. Avenue A, Avenue B, Avenue G and Webb Drive were severely damaged during the runoff from the storm. Estimated damage totals came in at \$225,000. The following weekend, Public Works crews worked to remove debris from the roads and get the damaged areas ready for repair crews.

Sun Life prepares for annual Health Center Week celebration

PINAL COUNTY - AUGUST 9-15, 2015 - Sun Life Family Health Center is celebrating National Health Center Week 2015 (NHCW). It is a weeklong campaign (August 9-15) to raise awareness about the mission and accomplishments of America's Health Centers, the largest and most successful system of primary healthcare.

One of the bright spots in America's health care system, health centers started 50 years ago as a pilot project during President Lyndon Johnson's War on Poverty. Today, they have compiled a significant record of success that includes:

- Reducing income and ethnic health disparities nationwide, even in the poorest and most challenged communities
- Reducing infant mortality rates
- Producing \$24 billion in annual health system savings
- Reducing unnecessary hospitalizations and unnecessary visits to the ER
- Maintaining high patient satisfaction levels

Health centers serve more than 23 million people nationwide - that's one in 15 Americans, including 7 million children and 260,000 veterans. Health centers are also increasingly becoming the trusted provider of choice for many families, whether they are insured or not. Evidence shows patients choose health

centers because they are convenient, affordable, and offer a range of services from a team of caring professionals. Studies also show the quality of care at a health center is as good or even better than private practices.

"Every day in our waiting rooms I witness the value of having a patient-centered medical home," said Sun Life CEO Travis Robinette. "When people have a place to go for regular care, they use it and stay healthier. We provide a range of services including- primary care services, pediatrics, OB-GYN, lab, x-ray, pharmacy, dentistry, diabetes education, and even behavioral health services. Our patients not only get the care they need within one organization, but they are treated as individuals, with dignity and respect. This is what health care should be, and what we celebrate during National Health Center Week."

Although local solutions, health centers need sustained federal investment to meet the growing demand for their services and help more Americans gain access to affordable healthcare. To learn more about health centers and the #Access is the Answer campaign please visit the following links:

Wayne will be a junior this upcoming year at Lipscomb University in Nashville, Tennessee. Happy Days! Tri-Community kids are back in school

Guess what, kids? Your parents are super-excited that you are finally back in school! Tri-Community students boarded their buses early last week and set off the most joyous jig their moms and dads have ever danced. Classes started Wednesday, Aug. 5, in Oracle and Thursday, Aug. 6, in Mammoth and San Manuel, and while kids seem like they should be unhappy about the new year, most of the kids we saw look excited to start learning again. And kids, if you catch your parents doing their happy dance, be sure to snap a picture. Send them to us at editor@minersunbasin.com. We'd love to post them on our Facebook page. www.facebook.com/copperarea.

To apply for free or reduced-price meals, households can fill out the application and return it to the school unless the household has already received notification that their children are approved for free meals this year. Application forms are being distributed to all households with a letter informing households of the availability of free and reduced-price meals for their children and what is required to complete on the application. Applications also are available At all School Cafeterias and Office. Only one application is required for all children in the household and the information provided on the application will be used for the purpose of determining eligibility and verification of data. Applications may be verified at any time during the school year by the school or other program officials. An application for free or reduced price benefits cannot be approved unless it contains complete eligibility information as indicated on the application and instructions, including the last four digits of the primary wage earner's social security number and a signature of an adult household member. Families can apply for benefits at any time. If a household member becomes unemployed or if the household size increases, the household should contact the school. Such changes may make the children of the household eligible for benefits if the household's income falls at or below the Federal Guidelines. Contact (school official) at any time to request an application. In the operation of a child feeding program, no child will be discriminated against because of race, sex, color, national origin, age or disability. Under the provisions of the free and reduced-price policy, Joanna Diaz, DTR Foodservice Director will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. Parents wishing to make a formal appeal for a hearing on the decision may make a request either orally or in writing to Lisa Armenta Hearing Official. When known to Mammoth San Manuel Unified School households will be notified of their children's eligibility for free meals if they are members of households receiving as assistance from the "Supplemental Nutrition Assistance Program (SNAP); "Food Distribution Program on Indian Reservations (FDPIR); or "Temporary Assistance for Needy Families (TANF), if the State program meets Federal standards. An application is not required for free meal benefits for Assistance Program participants and all of the children in the households are eligible for free meal benefits. If any children were not listed on the notice of eligibility, or if a household does not receive a notice of eligibility, the household should contact the LEA or school to have free meal benefits extended to them. Participants in the Special Supplemental Nutrition Program for Women, Infants and Children (WIC) may be eligible for free or reduced-price meals, but they will need to turn in an application including household size and total income. When known to Mammoth San Manuel Unified School District households will also be notified of any child is eligible for free meals if the individual child is considered "Other Source Categorically Eligible", because the child is categorized, as defined by law as "Homeless, "Migrant, "Runaway, "Enrolled in an eligible Head Start, or "Enrolled in an eligible pre-kindergarten class If any children were not listed on the notice of eligibility, the household should contact the LEA or school about their eligibility through one of the programs listed above, or should submit an income application. Households notified of their children's eligibility must contact the LEA or school if the household chooses to decline the free meal benefits. Family First has school supplies drive

A couple of preschoolers are ready for school with backpacks donated to Family First's School Supplies Drive by Vista United Methodist Church.

Seems like summer is still here and yet the buses will be rolling and children will be filing into the schools all around the state. So that brings to mind the children will be needing backpacks, pencils, paper, notebooks, crayons, rulers, glue, scissors, pencil cases, Kleenex, anti-bacterial lotion, erasers and ink pens. We have the perfect solution!

Family First is sponsoring a School Supplies Drive the whole month of August. You can drop off your donations at 1575 W. American Ave., Monday,

Wednesday, or Friday from 9- 4:30 and receive a tax receipt.

We can also take checks, cash, debit or credit as a donation. All donations will be for the Oracle School District.

Don't forget you can bring your infants and toddlers every Wednesday at 10 a.m. for Story Time. This is a great opportunity for your little ones to learn and get preschool prepared, learning colors, numbers and socializing with others. Call us at 520-896-9545 with any questions.

Community Church of Saddlebrooke donated over 1,000 diapers to the Family Diaper Bank. Thank you for your support of the Family Diaper Bank. Pictured from right are Cathy Scot, Missions Liaison, and Clare Grochocki, Center Director.
