## OBITUARY

# Teresa Eudave Diaz-Gonzalez

Teresa Eudave Diaz-Gonzalez "Chita" was born Aug. 2, 1963 in Kearny, Arizona. Teresa died Aug. 1, 2015 on a motorcycle ride near Farmington, New Mexico.

Welcoming her into heaven are her brothers Pete Jr., Robert, and Peter Eudave. She is survived by her loving parents, Carmen and Pete Eudave; her brothers, Manuel and Joseph Eudave; her children, Jose and his wife Danielle, and Jenna Diaz-Gonzalez; and her two grandchildren, Leila and Max Diaz-Gonzalez.

Teresa lived at Grand Canyon for 16 years where she enjoyed being outdoors hiking, running and exploring one of the Seven Wonders of the World. She was proud to work for the National Park Service, where she always challenged herself to achieve her best. One of her proudest professional accomplishments was becoming red card certified for

wildland fire.

Teresa, Terre as many knew her, was an untamed spirit. Her favorite hobby was riding motorcycles. Recently, Terre spent much of her time at the clubhouse and on motorcycle trips around Arizona.

A joyous person, Terre had a memorable smile and a contagious, fun-loving personality. Those who knew her, remember Terre adorned with turquoise jewelry and the smell of her sweet perfume. Terre's family meant the world to her; she called her mother and children routinely to brighten their days with funny stories and to plan adventures. She will be dearly missed.

Funeral services will be held at St. Francis of Assisi Catholic Church in Superior, Arizona on Thursday, Aug. 13, 2015. Visitation will begin at 9:30 a.m.; Mass will be celebrated at 10 a.m., with interment following at Fairview Cemetery.

Family was assisted by Superior Funeral Home. Online memorial at www.superiorfuneral.com.

# Superior Schools welcomes cadre of new teachers

Superior's kids weren't the only ones to start school late last month. There are new faces (and one that's not so new but is still new this year) at the front of several classrooms as well.

**Sent Manickam** is a new math teacher at Superior High School. She will be teaching Algebra I, Algebra II, Geometry and Financial Algebra. She has a B.S.C. from the University of Madras in mathematics, as well as a M.A. in Language, Reading and Culture at the University of Arizona. She is a Ph.D. candidate in the Performance Psychology program at Grand Canyon University.

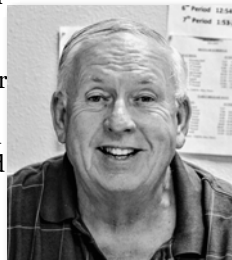

**Daryl V. Workman** is the new Social Studies, Language Arts and Technology teacher at Superior Junior High. He has a Bachelor's degree in Elementary Education from Northern Arizona University. He is a strong advocate for leadership principles in the classroom applied for life, he involves his students in integrated research projects, service projects, and group discussions. His professional interests focus on Early American History, Ancient Studies, and Relationship and Financial Leadership Education. In addition he served as Cubmaster and Scoutmaster for the

BSA and is the father of seven children.

**John Ellison**, "I am a Superior Panther!" John Ellison returns to the Superior High School as a Special Education teacher this year. John's father moved to Superior to work for Magma Copper Company when he was ten years old, and in fifth grade. He attended Superior Schools until he graduated in 1966.

He got married and started a family a couple of years later and has have married to his wife, Loretta, for 46 years. The couple has three children and they all attended and graduated from Superior High.

Ellison worked for the local mines until the slow down in 1982. "I had been taking college classes a little earlier and completed my degree in education in 1986. I started teaching in Superior the following year. I am returning to teaching at Superior High School as a Special Education teacher" he said.

"I would like to instill in my students the love of learning, with that will come the desire for life-long learning".

**Glenn Winn** is the new science teacher for Superior Junior-Senior High School. He resides in San Tan Valley with his wife Whitney and their two cats, Holmes and Watson. He has many interesting life experiences including studying neuroscience in college, living abroad in the Dominican Republic, playing music and performing through most of high school, competing in national amateur ballroom dance events, and practicing practical self defense martial arts.

He was born in Placerville, California where he lived until he was 18. He attended college in California and Utah. He put himself through school working as a tutor, a cook and a Spanish speaking customer service agent. He graduated with a degree in Neuroscience and plans to continue his education and apply for a doctoral program in Physical Therapy.

Glenn and his wife moved to Arizona after she completed her degree and received a job at a middle school in the valley. He has taught the disciplines of Spanish, Math and Science. He hopes to one day continue his education in order to continue serving the community. In the meantime he is very excited to be Superior's new science teacher.

**Don Hunt** is the new high school English teacher at Superior High School. Hunt has extensive education experience. From July 2006-2012 he taught English and was the department chair at Valley High School in Sanders, Arizona. He retired from there and then returned to teaching for the Coolidge School District. After retiring once again from Coolidge he has worked as a licensed real estate agent for West USA Realty Revelation in the southeast valley. He is pleased to be teaching in Superior.

"I am a strong advocate for preparing my students to go on to further education in formal college, vocational for business schooling, and strive as hard as i can to prepare them for the work world of today. I endeavor to teach study, thinking and learned expression of there individual beliefs and a personal involvement in their own education. I welcome parents to follow their progress and keep my door open to regular visits and contact their student's growth," he said.

Hunt has a Bachelor of Philosophy in Journalism with a speciality in Advertising and Public Relations from the University of North Dakota, and a Secondary English Teaching Bachelor's of Arts from Bemidji State University in Minnesota. He has been married to his wife Janell for 40 years; they have three sons, Don Jr. John and Daniel. They have eight grandchildren and two great-grandchildren.

**Carlos G. Hurtado** is the new Spanish and Math teacher at Superior Junior-Senior High School. Hurtado has traveled around the world twice and has earned numerous titles. The title of Doctor is the one that he will hold in special esteem.

He was born in Juarez, Mexico, Mexico and lived there until he was 16 when his parents moved the family to Albuquerque, New Mexico. He completed high school there and then continued to Junior College at New Mexico Military Institute in Roswell. Following Junior College he held a job as long distance operator for the telephone company Qwest. After the terrorist attacks on Sept. 11, 2001 he

# US 60 east of Superior to close briefly for blasting operations this week

Motorists traveling along US 60 between Phoenix and Globe on Thursday morning, Aug. 13, need to plan ahead or allow extra time as the Arizona Department of Transportation begins blasting work as part of a project to build a new passing lane and widen roadway shoulders east of Superior.

The construction of the two-mile-long climbing lane from Devil's Canyon to Oak Flat (mileposts 231-233) will require a full closure of US 60 for up to 90 minutes from 9 a.m. to 10:30 a.m. on Aug. 13.

Traffic on eastbound US 60 will be stopped east of Superior (milepost 227) and westbound US 60 will be stopped at the Top of the World, west of Miami (milepost 235) until the blasting work is completed and the roadway is reopened after all debris is cleared. Law enforcement officers will be stationed at each closure to assist with traffic control.

ADOT anticipates the highway will be closed briefly once a week for blasting for up to three months. As blasting continues there will be a lesser impact on traffic and delays will be reduced.

The \$8.8 million safety improvement project will make it easier for motorists to pass large trucks and slow-moving vehicles whose speed drops because of the sustained grades along this stretch of highway from Devil's Canyon to the Oak

Flat area.

The project will include the following:  
Construction of a new westbound passing lane from Devil's Canyon to Oak Flat (mileposts 231-233)

- Widening shoulders in the Devil's Canyon area (milepost 233-234)
- Improvements to the Waterfall Canyon bridge (milepost 229)
- Box culvert drainage improvements (milepost 242, west of Miami)

ADOT will work to minimize the traffic impacts as much as possible, including scheduling some nighttime work.

There will be narrow traffic lanes, wide-load restrictions and a reduced speed limit through the work zone. Flaggers and pilot cars will be used at different times throughout the project.

Drivers are asked to use caution, watch for construction equipment and personnel, and allow extra time for your commute.

For more information on the project, please visit [azdot.gov/us60oakflat](http://azdot.gov/us60oakflat).

ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. Weather can also affect a project schedule. To stay up to date with the latest highway conditions around the state, visit the ADOT Traveler Information System at [az511.gov](http://az511.gov) or call 5-1-1.

## Phone and Internet Discounts Available to CenturyLink Customers

The Arizona Corporation Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink's basic local service rates for residential voice lines are \$16.47 per month and business services are \$34.50 per month. Specific rates will be provided upon request.

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone per household, which can be either a wireline or wireless telephone. A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain Lifeline telephone service can be punished by fine or imprisonment and can be barred from the program.

Lifeline eligible subscribers may also qualify for reliable home high-speed Internet service up to 1.5Mbps for \$9.95\* per month for the first 12 months of service. Please call 1-866-541-3330 or visit [centurylink.com/internetbasics](http://centurylink.com/internetbasics) for more information.

If you live in a CenturyLink service area, please call 1-888-833-9522 or visit [centurylink.com/lifeline](http://centurylink.com/lifeline) with questions or to request an application for the Lifeline program.

**\*CenturyLink Internet Basics Program** – Residential customers only who qualify based on meeting income level or program participation eligibility requirements, and requires remaining eligible for the entire offer period. First bill will include charges for the first full month of service billed in advance, prorated charges for service from the date of installation to bill date, and one-time charges and fees described above. Qualifying customers may keep this program for a maximum of 60 months after service activation provided customer still qualifies during that time. Listed High-Speed Internet rate of \$9.95/mo. applies for first 12 months of service (after which the rate reverts to \$14.95/mo. for the next 48 months of service), and requires a 12-month term agreement. Customer must either lease a modem/router from CenturyLink for an additional monthly charge or independently purchase a modem/router, and a one-time High-Speed Internet activation fee applies. A one-time professional installation charge (if selected by customer) and a one-time shipping and handling fee applies to customer's modem/router. **General** – Services not available everywhere. Have not have subscribed to CenturyLink Internet service within the last 90 days and are not a current CenturyLink customer. CenturyLink may change or cancel services or substitute similar services at its sole discretion without notice. Offer, plans, and stated rates are subject to change and may vary by service area. Deposit may be required. Additional restrictions apply. **Terms and Conditions** – All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at [centurylink.com](http://centurylink.com). **Taxes, Fees, and Surcharges** – Applicable taxes, fees, and surcharges include a carrier Universal Service charge, carrier cost recovery surcharges, state and local fees that vary by area and certain in-state surcharges. Cost recovery fees are not taxes or government-required charges for use. Taxes, fees, and surcharges apply based on standard monthly, not promotional, rates.

## Pomegranates, Pines, Palms and Figs: Plants of the Bible Walk Aug. 15

Superior - Walk just about anywhere in the East Valley and you'll probably find yourself seeking shade, at some point, beneath a palm. They are as decorative as they are functional, especially when swaying in the breeze, and, they bring delight to the eye. Everyone loves a palm tree, whether for food, shade, or, a place to pose for photos. Have you ever considered, though, the iconic tree's role in Biblical scripture and other religious teaching?

What about pomegranates? Learning the lore of these ancient fruits, alone, could be worth a full tour. Pomegranates would have been more likely than apples as the original 'forbidden fruit' in the Garden of Eden. Legend has it the pomegranate was among seven species collected to demonstrate fertility of the promised land; and pomegranate carvings topped columns and pillars in Solomon's temple. As well, they were among symbols sewn into priestly garb. Some say the number of seeds within a pomegranate finds a parallel in the Torah and that its crown-shaped calyx was a

model for crowns in Jewish tradition. Paintings show a pomegranate in the hand of Mary. |

Learn more about pomegranates, palms, pines, figs and other plants of the bible lands on Saturday Aug. 15 at Boyce Thompson Arboretum (BTA). Mesa resident and bible scholar David Oberpriller leads a relaxing, slow-paced 8 a.m. walk down smooth, level, and wheelchair-accessible trails where you'll see examples of dozens of plants that are referenced in scripture and thriving at the Arboretum.

Oberpriller's popular tour repeats on the third Saturday of each month, so, mark your calendar for Sept. 19. It's included with BTA daily admission of \$10 for adults and \$5 for ages 5-12. Admission is free for kids under age five and to BTA annual members, and AZ State Parks pass-holders.

Confirm event times at [ag.arizona.edu/bta](http://ag.arizona.edu/bta); or connect with more than 6,000 fans, including BTA tour guides, volunteers and staff, at [www.facebook.com/boycethompsonarboretum](http://www.facebook.com/boycethompsonarboretum).

# Cactus fruit inspires colorful recipe

By **Kelsey Sherrard**  
Special to Copper Area News

Last year in August I decided that I wanted to move to Superior, Arizona after attending the Prickly Pear Festival put on by the Superior Chamber of Commerce. I volunteered to run the bar at the festival and had a wonderful time.

I had never had anything prickly pear flavored until that day. Since the festival, I have experimented with my own prickly pear creations.

My dad was a bartender back in his day and he's given me some tips on preparing margaritas. I like to pretend that I can be a mixologist too.

My recipe is great for small dinner parties and can serve four to six people. The prickly pear margarita is a fun way to show off to your friends and the color is gorgeous.

I hope you'll attend the Fourth Annual Prickly Pear Festival and enjoy your time in Superior as much as I do.

**PRICKLY PEAR MARGARITA**

ice

½ cup raw sugar or salt for the rim (I like sugar, my boyfriend prefers salt. Please note that you should salt/sugar your rim before you pour! Also, a red solo cup will not work. The sugar/salt will not stick to plastic. Glass works best.)

Lime wedges for garnish (If you like the drink more tart, squeeze the lime wedge into the glass after you swipe the rim before using it as a garnish.)

10-12 oz. lime juice (Depending on how tart you like it.)

6 oz. tequila

4 oz. triple sec

10-12 oz. prickly pear syrup (Depending on how sweet you like it.)

Stir together syrup, lime juice, tequila, and triple sec; pour over ice if you like it on the rocks or crush it up in the blender. Serve and enjoy!

## Dinner, entertainment offered at Prickly Pear Festival

New to the Prickly Pear Festival this year is an evening dinner featuring its Edible Desert theme. Valley chef Richard Ferrera will be creating this year's gourmet spread with help from Lucy Wing of the Jade Grill and Lina Austin and the Future Forward Foundation. He promises his signature Cactus Fries and other surprises for a mouthwatering dinner!

The dinner will be held from 6 to 9 p.m. in the old Superior High School library and costs \$25. Tickets can be purchased from the Superior Chamber of Commerce

office at 165 W. Main St. in Superior or by calling 520-689-0200. Cash or check can be used there. If you'd prefer to use your credit card, call Nancy Vogler at 520-827-9461 and she can help you out. Your tickets will be available at the door at 6 p.m. on Will Call.

During and after the dinner, entertainment will be provided by Zona Flamenca, featuring flamenco dancing that will put the perfect touch on a day of desert food and fun.

Come out and enjoy this special day.

# Optimist's Casino Night deemed a huge success

The Magma Club came alive Saturday night, almost reminiscent of its early days as a miner's recreation hall as the Superior Optimist Club held a casino night complete

with Vegas style gaming tables.

The event was well attended by residents from Superior and the surrounding areas. The club is said to have

cleared over \$5,000 following the successful fundraiser. Prizes were donated by most of the local merchants and several local corporations provided sponsorships to host the event.

The club will use the money to host its annual Miracle on Main St. and Honor Roll Banquet events.

For more information on the Superior Optimist Club, please contact JoAnn Besich at 520-827-0592 or email [superiropoptimistclub@gmail.com](mailto:superiropoptimistclub@gmail.com).

So does what happens in Superior stay in Superior? Casino Night goes had fun Saturday at the Superior Optimist Club event.

## Registration deadline set for '65-'69 SHS Class reunion

The SHS Reunion committee has set the deadline of Aug. 14 to register for the upcoming 1965-1969 Superior High School reunion to be held Sept. 25-26, 2015. This deadline is necessary to settle up with the hotel and catering. You will not be able to pay at the door.

Join many of those classmates of yesteryear for two days of fun and reminiscing. Plans include a tour of the old high school, a commemoration ceremony at the cemetery to remember classmates that have passed away, and a happy hour at the VFW which will include food and drinks. On Saturday, we plan to have a happy hour prior to dinner and dancing at Gold Canyon Golf Resort. Music on Saturday will be provided by the Del Rey's.

Cost is \$75 per person. Checks should be made out to Superior High School Class Reunion 65-69.

# God is Good!

In Romans 6:14 we read: "sin shall not be your master, because you are not under law, but under grace." Romans 11:6 says, "and if by grace, then it is no longer by works; if it were, grace would no longer be grace."

It is not only in our works or actions that we are able to sin against God. It also happens in our thoughts and attitudes. Having bad thoughts or anger can be our loss in the battle of good against evil.

In his letters to the churches Paul listed: hatred, discord, jealousy, rage, selfish ambitions, envy, unwholesome talk, slander, lies, complaining or arguing. These things are improper for God's holy people!

Imitate Jesus and live a life of love. Live wisely, understanding what God's will is and obeying it. Live in such harmony and

peace with others, that they will also want it and will glorify the God of Heaven. Yes – God is good!
