# Remembering Senator Crandall

By Adam Hawkins  
Special to Copper Area News

Senator Chester Crandall

Whether you agreed with him or not, Senator Chester Crandall's door was always open. A champion of state's rights and causes near and dear to Arizona's rural residents, Crandall never wavered in his commitment to do well by the people he represented.

If there ever was a definition of compassionate conservative, it was him. He used to quip, "well, I'm just country boy, so what would I know?" Anyone familiar with him knew better. On so many public policy issues impacting rural folks, Crandall could run circles around his urban colleges.

On August 4th, Sen. Crandall told his wife, Alice, that he would be back shortly. He was breaking in a young colt – something the cattle-rancher was no stranger to. Crandall grew up in the White Mountains and knew pretty much every last cabin and cubby hole from Holbrook to Globe. He was a guy that knew how to work the land. Any rancher worth their salt will tell you that range work is not for the faint of heart. It's difficult, treacherous and almost

predictably unpredictable. For ranchers like Crandall, the work is in their blood – going back to Arizona's earliest settlers. Crandall was the walking example of generations of Arizona pioneers. On a pleasant Monday morning, he rode off across the Despain Ranch. Crandall passed away doing what he loved. From fellow legislators, staff, lobbyists and pretty much everyone at the Arizona Capitol, your friends and family: Chester, we will miss your bolo ties, debating policy with you, your signature firm handshake, your kindness and respect, and so much more. Godspeed, partner. Our thoughts and prayers are with you, your wife, children and grandchildren.

# Hayden man indicted for causing fatal crash in 2013

Anthony Arzaga, 27, Hayden, has been indicted and was arraigned Aug. 8, 2014, in connection with a fatal crash that occurred near Aravaipa on Sept. 29, 2013.

According to Jim Knupp, Public Information Officer for the Pinal County Attorney's Office, Arzaga was indicted on two counts of causing death by use of a vehicle

while driving privilege was revoked (class 2 felonies) and one count of leaving the scene of an accident (also a class 2 felony).

The accident occurred at milepost 124 on Hwy. 77 approximately 10 miles south of Winkelman near Aravaipa. Arzaga was allegedly driving a Dodge Intrepid when it collided with a Harley Davidson

motorcycle being ridden by Daniel Everson, 63, Oracle, and Donna Jo White, 69, Tucson. White was pronounced dead at the scene and Everson was taken to University Medical Center in Tucson, where he succumbed to his injuries.

At the time the accident was investigated, officers with the Arizona Department of Public

Safety believed that the occupants of the Intrepid had walked away from the scene. Information was sought from the public by the accident investigators including the whereabouts of Arzaga.

Arzaga is set to be in court on Aug. 18 for a release hearing.

"Arzaga is presumed innocent until and unless proven guilty," Knupp said.

Anthony Arzaga

# Regarding Pinal Rural Fire Rescue

On Wednesday, the Board of Supervisors held a public hearing regarding the impact statement submitted from Pinal Rural Fire Rescue and Medical District, currently located at the entrance to Mammoth, AZ.

An impact statement is a road map, so to speak, of what the district plans to cover, the borders of the district and their rationalization for the need of such a district. Many from the Copper Corridor made the trip to Florence to express their opinions, either for or against, the proposed district.

For those of you who live in the unincorporated areas between Oracle and Kearny, there has been a lengthy discussion about fire protection and emergency medical services in this area. Like many of you, I agree that there is a need for more services in this area. But I want to make sure those services are adequate for the residents.

When the impact statement came to a vote, I along with Supervisor Cheryl Chase voted no for this proposal. My thought was to give the Pinal Rural Fire and Medical District time to improve their relations with other first responders in the area. It's no secret that the relationship

between Pinal Rural Fire and Medical District's Chief Bud Paine and the other established fire and rescue departments has been strained.

I have heard from the local fire chiefs of their dealings with Chief Paine. It would appear to me that all first responders need to look at the larger picture when it comes to protecting our communities. It is important that all districts work together to provide the best service possible to any fire, auto accident or medical emergency. Former Pinal County Emergency Manager Lou Miranda worked diligently to get all the local chiefs together to discuss their differences and how to remedy this dysfunctional relationship. Due to lack of full participation, these efforts were not fruitful.

The impact statement by Pinal Rural Fire Rescue and Medical District was approved on a 3-2 vote. This means that the proposed district has one year to collect signatures of 51 percent of the residents within their district boundaries to become a taxing entity. Property taxes for those homes and parcels included in the proposed district will increase according to their taxable value. If the required number of signatures are obtained,

I am hopeful that the board members of the Pinal Rural Fire Rescue and Medical District will understand the importance of working as a team with other fire districts. I will offer any assistance to make sure that Pinal Rural Fire Rescue and Medical District develops mutual aid agreements with our established fire districts and ambulance providers to make sure our residents are properly protected in a time of need.

## Volunteers Needed

Are you a people person? Want to give unto others and assist those experiencing a challenging time?

Copper Communities Hospice is looking for volunteers that are interested in visiting with patients. Volunteers attend an 8-hour training session, must be able to pass a background check, have a driver's license, current auto insurance and their own reliable transportation. TB skin test is required (we will provide).

Volunteers devote a minimum of 2 hours a week.

If your organization or group would like more information or would like to have a Hospice Presentation detailing the hospice volunteer services, please feel free to call Debra Green, Volunteer Coordinator, at 520-391-3000. We will gladly set up arrangements.

Volunteers "Plant Seeds of Kindness." PICK UP AN APPLICATION TODAY! We would love to have you join our dedicated group of volunteers.

## LETTER TO THE EDITOR

# PRFR announces new leadership, BBQ Saturday

We are proud to announce, that by a majority vote, the Pinal County Board of Supervisors has appreciated the definitive need for improving emergency services here in the Copper Corridor, and on August 6th approved the Impact Statement to form the Pinal Rural Fire Rescue and Medical District (PRFR&M).

Pinal Rural Fire & Rescue has always been dedicated to improving the health, welfare, comfort and convenience of the residents in our 911 service area since we formed in 2011. Many residents have already been recipients of these services and have expressed their many thanks. PRFR&M will continue to build upon existing services to become a state of the art fire rescue and medical service organization.

Formation of the fire district is the next step in the process to continue to grow and enhance the services we will be able to provide to the residents in the proposed district. Not only will it give PRFR&M a known budget for its capital plans, but will also allow for the hiring of Firefighter I/II EMTs and Paramedics. This will allow PRFR&M to continue its distinction of being the only fire based Paramedic level of service 24/7 in the Copper Corridor.

This Friday evening we will be offering a free

BBQ dinner at the PRFR&M's Fire Station 625 on AZ 77 in Mammoth for the residents of the future district. There will be information available about the transition, a tour of our equipment, as well as petitions to sign.

We are also announcing that there will be a change in the position of Fire Chief. Bud and Deanna Paine will be retiring to Idaho so that they can be closer to her elderly father who is beginning to develop health issues. Rod Prast, a Firefighter/Paramedic with over 30 years of experience will be taking over the helm, following a transition period, to carry the district into the future. Rod will be at the meeting Friday so that the public can meet him.

We want to thank all the people that attended the Board of Supervisor's Hearing and expressed their hearty endorsement to create this district, and we look forward to all of you coming to visit YOUR fire department on Friday August 15, 2014 at 6:00 p.m. for a BBQ!

Sincerely,  
/s/ Rear Admiral Steve Turcotte, USN  
(ret)

Organizing Chairman of the Board of Directors of PRFR&M

## LETTER TO THE EDITOR

## Amount of taxes to be paid not accurate

There appears to be confusion about the amount of taxes individual property owners would pay for the proposed Pinal Rural Fire Rescue and Medical District (PRFR&MD). In his article reporting on the July 6, 2014 Pinal County Board of Supervisors meeting about PRFR&MD, James Hodl stated that "According to Turcotte (Chairman of the PRFR&MD Board), residents of the district would on average pay an additional \$31 a year in property tax for fire suppression and first responder medical emergency services."

First, from the PRFR&MD Impact Statement (Pinal County online), the present total net assessed value in the proposed district is \$1,860,154 for the 571 parcels. The tax rate for the proposed district (and other fire districts) is 3% so the estimated total taxes that PRFR&MD would receive from all the properties in the proposed district is  $\$1,860,154 \times 0.03 = \$55,804$  (as given in the impact

statement). In other words, the average tax increase per parcel (not per resident) would be \$98. Because there are about 300 property owners in the proposed district, the average tax increase per owner would be \$186.

For the taxes on an individual parcel, the net assessed value of that parcel can be multiplied by 0.03 to get an estimate of taxes. For our two parcels on East Aravaipa Road, the total net assessed value is \$10,468. If this is multiplied by 0.03, then our estimated taxes for this district are \$314. I think that the incorrect value quoted in the article came from the incorrect statement by Supervisor Todd House that my taxes would be \$31, not \$314. I think that Supervisor House incorrectly assumed that I was using our "Limited property value" and had not already multiplied by the assessment ratio to obtain my net assessed value.

To give this amount of taxes perspective, our total property taxes in 2013 were \$970. In other words, an increase of \$314 would increase our taxes by 32.4%. In fact this \$314 is higher than what we paid in property

taxes for either for the Ray School District (\$258) or the Pinal County Jr College (\$228).

The Pinal County Board of Supervisors has worked hard to reduce our property taxes in recent years. To support the very controversial Pinal Rural Fire Rescue, this proposed district would increase our property taxes over 30% and overwhelm the hard work of the Board of Supervisors to keep our property taxes under control. I applaud both Supervisors Pete Rios and Cheryl Chase for voting against this major increase in our property taxes.

/s/ **Phil Hedrick Winkelman**

*Editor's Note: Copper Area News reporter James Hodl stated, "Mr. Hedrick was at the hearing and made the same point. As he did his calculation, others in the audience took out their devices to check his arithmetic, including Supervisor Todd House. House told him he misplaced a decimal point. I used House's figure in the article, which was similar to a claim made earlier by Pinal Rural Fire Rescue.*

# Pinal Rural Fire Rescue & Medical District get Pinal Supervisors' OK on narrow 3-2 vote

By James J. Hodl  
Copper Area News

On a slim 3-2 vote, the Pinal County Board of Supervisors approved the impact statement of the proposed Pinal Rural Fire Rescue & Medical District (PRFR&M) that will serve a primarily rural area of eastern Pinal County between Dudleyville and Mammoth.

Organizers of PRFR&M now have until August 5, 2015 to collect signatures equivalent to 50 percent plus one of all homeowners within the proposed district's boundary to bring it into being as a special taxing district. According to retired Rear Admiral Steve Turcotte, chairman of the organizing committee, the necessary signatures could be collected as early as next February.

Boundaries of PRFR&M would be the San Carlos Apache Tribe and Dudleyville on the north, the Pinal County border on the east, San Manuel on the south, and Oracle and Mammoth on the west. The district includes Aravaipa Canyon, with State Route 77 the main road through the district.

PRFR&M would replace Pinal Rural Fire & Rescue, a nonprofit volunteer fire department funded by subscribers, donations and grants that currently serves the area. This differs from for-profit firms like Rural/Metro that sell its services only through subscribers.

All fire equipment currently owned by this firm would be transferred to the new district, thus eliminating the need to take on loans to acquire equipment from scratch while enabling the fire district to operate from the day one, Turcotte said. This differs, he noted, from the proposed San Tan Valley Fire & Medical District which, when it comes into being, would start with no equipment or a fire house and have to acquire everything.

Once passing the legal muster as a special taxing district,

funding for PRFR&M would come from a share of the Arizona Fire District Assistance Tax and from local property taxes. According to Turcotte, residents of the district would on average pay an additional \$31 a year in property tax for fire suppression and first responder medical emergency services.

With these funds, PRFR&M would build a second fire station on the northern end of State Route 77 to trim response times to the northern section of the district. It would also buy additional

## Phone and Internet Discounts Available to CenturyLink Customers

The Arizona Corporation Commission designated CenturyLink as an Eligible Telecommunications Carrier within its service area for universal service purposes. CenturyLink's basic local service rates for residential voice lines are \$15.16-\$16.47 per month and business services are \$32.59-\$38.00 per month. Specific rates will be provided upon request.

CenturyLink participates in a government benefit program (Lifeline) to make residential telephone service more affordable to eligible low-income individuals and families. Eligible customers are those that meet eligibility standards as defined by the FCC and state commissions. Residents who live on federally recognized Tribal Lands may qualify for additional Tribal benefits if they participate in certain additional federal eligibility programs. The Lifeline discount is available for only one telephone per household, which can be either a wireline or wireless telephone. A household is defined for the purposes of the Lifeline program as any individual or group of individuals who live together at the same address and share income and expenses. Lifeline service is not transferable, and only eligible consumers may enroll in the program. Consumers who willfully make false statements in order to obtain Lifeline telephone service can be punished by fine or imprisonment and can be barred from the program.

Lifeline eligible subscribers may also qualify for reliable home High-Speed Internet service up to 1.5 Mbps for \$9.95\* per month for the first 12 months of service. Please call 1-866-541-3330 or visit [centurylink.com/internetbasics](http://centurylink.com/internetbasics) for more information.

If you live in a CenturyLink service area, please call 1-888-833-9522 or visit [centurylink.com/lifeline](http://centurylink.com/lifeline) with questions or to request an application for the Lifeline program.

\*CenturyLink® Internet Basics Program – Residential customers only who qualify based on meeting income level or program participation eligibility requirements, and requires remaining eligible for the entire offer period. First bill will include charges for the first full month of service billed in advance, prorated charges for service from the date of installation to bill date, and one-time charges and fees described above. Qualifying customers may keep this program for a maximum of 60 months after service activation provided customer still qualifies during that time. Listed High-Speed Internet rate of \$9.95/mo. applies for first 12 months of service (after which the rate reverts to \$14.95/mo. for the next 48 months of service), and requires a 12-month term agreement. Customer must either lease a modem/router from CenturyLink for an additional monthly charge or independently purchase a modem/router, and a one-time High-Speed Internet activation fee applies. A one-time professional installation charge (if selected by customer) and a one-time shipping and handling fee applies to customer's modem/router. **General** – Services not available everywhere. Have not have subscribed to CenturyLink Internet service within the last 90 days and are not a current CenturyLink customer. CenturyLink may change or cancel services or substitute similar services at its sole discretion without notice. Offer, plans, and stated rates are subject to change and may vary by service area. Deposit may be required. Additional restrictions apply. **Terms and Conditions** – All products and services listed are governed by tariffs, terms of service, or terms and conditions posted at [centurylink.com](http://centurylink.com). **Taxes, Fees, and Surcharges** – Applicable taxes, fees, and surcharges include a carrier Universal Service charge, carrier cost recovery surcharges, state and local fees that vary by area and certain in-state surcharges. Cost recovery fees are not taxes or government-required charges for use. Taxes, fees, and surcharges apply based on standard monthly, not promotional, rates. © 2014 CenturyLink. All Rights Reserved.

## Health Volunteers place defibrillator at Kearny Police Station

By Vicki Clark  
Copper Basin News

Residents of Kearny will be better protected after the presentation of an Automated External Defibrillator (AED) to the Kearny Police Department

from the Copper Basin Health Volunteers this week.

The AED will be carried in the on-duty patrolman's car. "Realizing the police are usually the first on the scene for a medical call, the device will be a real

plus for the community," said Rose Bradford, CAHV president. She added that the patrolmen will all be trained to use the defibrillator.

The group has now purchased and donated five of these life saving devices for the Copper Basin area. The volunteers operate the Hand Me Up Shop located on Tilbury Dr. in Kearny. And through generous donations of clothing, toys, appliances, furniture and more from the community does numerous other deeds in the area with the monies raised in their little thrift shop.

Over the years that the shop has been in operation, the group has been able to give scholarships to students studying in the healthcare field. These scholarships

There are simply no words to express our heartfelt thanks and gratitude for all of the sympathy, generous support, encouraging words, thoughts and prayers you have extended toward our family during this time of loss.

Thank you all for thinking of us in our time of need.

With Sincere Gratitude,  
The Family of  
Leonor & Alyssa  
Bravo

# Bearcats volleyball set to announce roster

By Andrew Luberta  
Copper Basin News

With tryouts continuing through Wednesday, August 13, 2014, Bearcats' head coach Rikki Galka is set to announce the 2014 roster later this week. The Bearcats reached the State Championship Playoffs last year.

Galka told the Copper Basin News that players who make the final roster will have shown the ability to work hard, possess strong fundamental skills, and displayed

good teamwork. Deciding on the final roster will not be an easy task for Galka with a number of talented players participating at tryouts.

"We have some really young kids coming in that I feel are going to help us," Galka said. "They are strong, willing to work, and can step up to compete. They will push the older kids too. We'll have some depth this year."

The Bearcats' will open their season on September 2 at Salt River. The match is scheduled for 5:00 p.m.

Students named are: Darren Smith (kindergarten), Joseph DeLosReyes (first), Sienna Gonzales (second), Victor Sosa-

Quintana (third), Karina Inzunza (fourth), Miranda Gomez (fifth), Devina Estrada (sixth), Symone Placencio (seventh) and Robert Manriquez (eighth).

Congratulations to these young people. Nice start to the school year!

## DEFIBRILLATOR

Continued from Page 8

are renewable as long as the student stays in school. Along with the scholarships CAHV has also helped two local paramedics complete their educations, pays half of the rent on the ambulance quarters in Kearny, pays all major repairs for the Kearny Clinic including a recently purchased air conditioning unit and

donates \$200 to both the Family First for diapers and to the local food bank each month.

Merchandise in the shop is clean and in good repair and is more than reasonably priced, Special bag sales are offered on a regular basis and new donations are always welcome.

## FIRE DISTRICT

Continued from Page 7

equipment needed to fight fires and tend to medical emergencies in the area, which includes much forested land. Bud Paine, chief of the current voluntary department indicated the new district would likely add fire hydrants along the more populated stretches of State Route 77.

PRFR&M would continue to operate as the only 24/7 fire-based paramedic service between Golder Ranch and Globe, Turcotte said. However for serious injuries and medical problems, patients would be sent to hospitals in ambulances from Kearny Ambulance or Southwest Ambulance/Tri-City Meds.

Overall PRFR&M would trim response times even to hikers injured in the canyon, where it currently can take 30 minutes to reach where help is needed, Turcotte told the Supervisors. PRFR&M also will provide quicker help in fighting wildfires in the district's most desolate areas and aid in HazMat spills resulting from trucks carrying acids serving copper mines in the area, he added.

Additional benefits of having a fire district in the area would be to lower insurance rates for most residents, a fact that developers of a proposed casino in the area would favor. Despite nearly a dozen people expressing support for creating PRFR&M at the Board of Supervisors meeting, there also were some naysayers lead by fire officials of adjoining districts.

San Manuel Fire Chief John Stanford argued that the new rural district wasn't needed to handle only 85 calls a year as the current volunteer fire operation was handling.

"The proposed district covers too big a territory to provide benefit for all who live in it. Creating the district will only set it up for failure while imposing new taxes on residents of that economically depressed area," Stanford

said.

He added that the San Manuel could cover the fire and medical emergency needs of part of the district as it proposed in 2012 when the Supervisors rejected its proposal to annex some of the territory north of town. Stanford called for the Supervisors to reject the PRFR&M impact statement and allow San Manuel to refile its annexation proposal.

Fred Sanchez Jr. on the Mammoth fire board and Olivia Morales of the Dudleyville fire board also complained that creation of PRFR&M would stifle the expansion plans of their fire districts and towns. This prompted Supervisor Todd House to counter that the Board should do what is best for residents in the proposed district territory now rather than what might happen in five years.

Sanchez and Morales also complained the Fire Chief Bud Paine, who heads the current volunteer operation and would likely be chief of PRFR&M, seems to get along with nobody. They complained of Paine seeming more interested in protecting his turf than in working with other fire battalions answering a call, and used salty language to get his point across.

This was seized upon by Supervisor Pete Rios who moved that the PRFR&M impact statement be rejected but allow organizers to refile in six months once Chief Paine could prove he could work with personnel from adjoining districts. That measure was defeated.

Subsequently the PRFR&M impact statement was approved with Chairman Anthony Smith and Supervisors Todd House and Stephen Q. Miller voting in favor; and Supervisors Pete Rios and Cheryl Chase voting against.

Turcotte was pleased, stating he will get the petitions circulating as soon as possible. He noted that owners of many Bed & Breakfast inns in the Aravaipa Canyon area are eager to sign.

**TOWN OF WINKELMAN PUBLIC NOTICE**  
During the last two weeks of August 2014, the Town of Winkelman staff, which will include Mayor Louis Bracamonte, Deputy Town Clerk Gloria Ruiz, Fire Chief Robert Apodaca, Fire Captain Jerry Lopez and other firefighters, will be conducting a door to door survey. This survey was mailed to each resident in May; however, only 23 surveys were completed and returned. Winkelman needs to gather the essential information to support an application for grant funding. This survey is to provide critical data for future CDBG funding and other Federal Grant applications. All information will be kept strictly confidential and will be given to Central Arizona Council of Government (CAG) who will tabulate the data. If we are unable to gather this information, Winkelman will not qualify for future grant funding. If you did not receive a survey in the mail, contact the Town Hall Office, and one will be provided. Please help your Town! If you have any questions regarding this notice, please call Sylvia at the Town Hall Office (520) 356-7854. **CBN Legal 8/13/14, 8/20/14**

# New teachers welcomed to local schools

**Megan Corder**

**By Vicki Clark**  
Copper Basin News

Copper Basin area schools welcomed

back students last week and also welcomed three new teachers in the Ray District. The Hayden-Winkelman District faculty remains the same as last year.

**Ma. Immaculada B. Mongcupa**

Megan Corder is the new first grade teacher at Ray. She earned an Associates in Elementary Ed from CAC, Apache Junction and received her Bachelors in Early Elementary Ed-Special and General Ed from Northern Arizona last spring.

She chose education as a career because she feels like she was meant to help change lives and said what better way to do that than to help children succeed educationally. She added that education is the biggest stepping stone to a person's success, and she really wants to help people become successful in and out of school. "Those 'Ah, ha!' moments that you get with students are truly an amazing feeling," she said.

Her career goals include teaching as long as she possibly can and also hopes to obtain her Masters degree as she loves being in the classroom both professionally and as a student.

She is engaged to Gary Vinson and they plan to wed next spring.

Megan enjoys working with clay and has a small ceramics studio at A Diamond Ranch where she lives and she participates annually in the oracle Artists' Studio tour. She also enjoys reading both for educational purposes and pleasure and she loves animals. On the ranch they have three cattle dogs and an inside dog. They also have cattle and five horses and two cats.

Ma. Immaculada B. Mongcupa is teaching Algebra 1, Algebra 2, Financial Algebra,

**Warren James**

Geometry, Pre-Calculus and Math Concept 2 all at the high school level.

She has a B.S. in Mathematics from Stillman University and hold has a B.S. Commerce major in Accounting.

She chose teaching as a career because she like mathematics. Her career goals is to eventually be a financial consultant.

She is married to Romulo Mongcupa and they have three children. Ma. Mildred B. Mongcupa who is a fourth year nursing student, Michelle B. Mongcupa, a third year accounting student and Ma. Marical B. Mangcupa, a first year nursing student.

Her hobbies and interests include table tennis, chess and internet surfing.

Warren James is the new Physics/Engineering/Chemistry teacher at the high school. He holds a Bachelor in Secondary Education-Physics from Bukidnon State University, Philippines; and a Master of Science in Teaching Physical Science with a major in Physics and a minor in Chemistry from Mindanao University of Science and Technology, Philippines. He also has earned a certificate in Engineering Design from Purdue University, Indiana.

He won a fellowship in applied physics (nanotechnology) at Stanford University in 2011 and has taught physics for the last 12 years, including six years in the Philippines, four years at Baltimore City Public Schools in Maryland and two years at Imagine Prep H.S. in Apache Junction.

He enjoys robotics, playing volleyball and traveling in his leisure time.

By request, a copy of the patient visit can be sent to the patient's Primary Care Physician.
