OBITUARY

Louie Torrez

Louie Torrez, 64, born on May 28, 1965 in Ray to his parents, Guillermo and Juanita Torrez (deceased). Louise passed away on Aug. 12, 2019, after a brief illness.

Louie is survived by his girlfriend, Lise Ooten; son, Alejandro (Brianne) Torrez; daughter, Angela (Mark) Estrada; sisters, Carmen (Pete), Eudava, Enedina Caballero, Juanita (Albino) Castanon, Rosa (Meri) Barnum; 11 grandchildren; 7 great-grandchildren and many nieces and nephews.

Angels awaiting him in Heaven include his parents, Guillermo and Juanita; wife, Rosa; son, Bubba; sisters,

Mary Huerta and Helen Avalos; and brothers, Joe W. Rufino and William Torrez.

Louie's final resting place will be at Superior Fairview Cemetery with his beloved wife, Rosa and son, Bubba. Services will be held on Aug. 31 at St. Francis of Assisi Catholic Church in Superior with Father Samuel Jandeh officiating. Viewing will take place at 9:30 a.m. followed by Mass at 10 a.m.

Central Arizona College students now have access to health services

When Central Arizona College students begin the fall semester on August 19, they will have access to 24/7 telemedicine and counseling/therapy services for themselves and up to four household dependents, including a spouse and/or children.

WellVia, a national network of board certified, state licensed doctors will offer medical consultations 24 hours a day, 7 days a week, 365 days a year. WellVia doctors can diagnose acute non-emergent medical conditions and will send a prescription

to a pharmacy of the student's choice at the end of the consult, if necessary.

A \$35 fee will apply per consult and WellVia offers a discount prescription plan.

Dr. Tramaine Rausaw, CAC Dean of Student Life explains, "Within minutes, students can speak to a doctor over video chat or phone from the comfort of their own home, car, or residence hall and get the acute medical attention necessary to

US 60 PINTO CREEK BRIDGE PROJECT OPEN HOUSE

The Arizona Department of Transportation (ADOT) and the Federal Highway Administration (FHWA) invite you to attend a public open house to learn more about the US 60 Pinto Creek Bridge replacement project between Miami and Superior. There will be no formal presentation, so stop by at any time during the open house to find out what to expect during construction and ask questions.

Time: 4:30 to 6:30 p.m. **Date:** Thursday, September 5, 2019

Location: Bullion Plaza Cultural Center and Museum, 150 N Plaza Circle, Miami, AZ 85539

ABOUT THE PROJECT

The project involves constructing a new bridge adjacent to the existing bridge, and then removing the existing bridge. The entire project is tentatively set to begin in September 2019. It is expected to take about two years. The existing bridge will remain in service until the new bridge is completed, but significant traffic impacts are expected at times during construction, including:

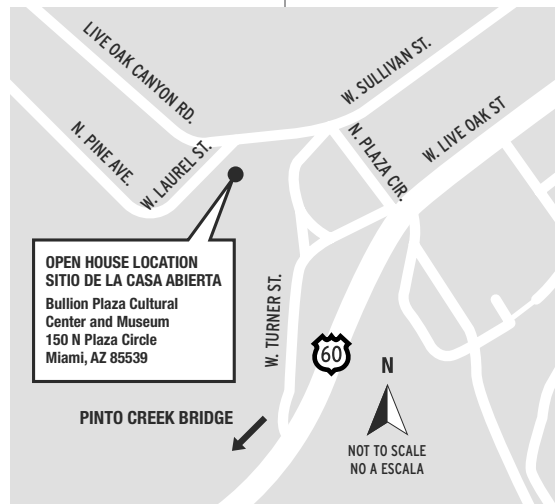

- Intermittent lane closures with flaggers and pilot cars throughout the project
- Pre-scheduled closures of US 60 from 9 a.m. to 1 p.m. on Tuesdays and Thursdays early in the project
- Pre-scheduled overnight closures of US 60 later in the project to set steel girders and place bridge-deck concrete
- A five-day closure of US 60 when the new bridge is nearly complete

IF YOU'RE UNABLE TO ATTEND THE OPEN HOUSE OR NEED MORE INFORMATION:

- Call the Bilingual ADOT Project Information Line at 855.712.8530
- Visit the project website and sign up for project emails and traffic alerts at azdot.gov/PintoCreekBridge
- Mail written questions or comments to ADOT Communications, 1221 S. Second Avenue, Tucson, AZ 85713
- Visit azdot.gov/contact and select Project from the drop-down menu to submit a question or comment online.

Pursuant to Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA) and other nondiscrimination laws and authorities, ADOT does not discriminate on the basis of race, color, national origin, sex, age, or disability. Persons that require a reasonable accommodation based on language or disability should contact Jerimiah Moerke at 520-237-7605, or jmoerke@azdot.gov. Requests should be made as early as possible to ensure the State has an opportunity to address the accommodation.

PROYECTO DEL PUENTE PINTO CREEK US 60 REUNIÓN ABIERTA AL PÚBLICO

El Departamento de Transporte de Arizona (ADOT) y la Administración Federal de Carreteras (FHWA) los invitan a atender una reunión abierta al público para conocer más sobre el proyecto de reemplazo del puente Pinto Creek US 60 Bridge entre Miami y Superior. No habrá una presentación formal, así que pase en cualquier momento durante la reunión abierta para averiguar qué esperar durante la construcción y hacer preguntas.

Hora: 4:30 a 6:30 p.m. **Fecha:** jueves, septiembre 5, 2019

Ubicación: Bullion Plaza Cultural Center and Museum, 150 N Plaza Circle, Miami, AZ 85539

SOBRE EL PROYECTO

El proyecto incluye la construcción de un nuevo puente adyacente al puente existente y luego eliminar el puente existente. El proyecto completo comenzará tentativamente en septiembre del 2019. Se espera que tome alrededor de dos años. El puente existente permanecerá en servicio hasta que se complete el nuevo puente, pero a veces se esperan impactos significativos en el tráfico durante la construcción, que incluyen:

- Cierres intermitentes de carriles con abanderados y autos piloto durante todo el proyecto
- Cierres preestablecidos del US 60 de 9 a.m. a 1 p.m. los martes y jueves temprano en el proyecto
- Cierres preestablecidos durante la noche de US 60 más adelante en el proyecto para instalar vigas de acero y colocar concreto en la cubierta del puente
 - Un cierre de cinco días del US 60 cuando el nuevo puente está casi completo

SI NO PUEDE ASISTIR A LA REUNIÓN DE PUERTAS ABIERTAS O NECESITA MÁS INFORMACIÓN:

- Llame a la línea de información bilingüe del proyecto ADOT al 855.712.8530
- Visite el sitio web del proyecto e insíbase para recibir correos electrónicos del proyecto y alertas de tráfico en azdot.gov/PintoCreekBridge
- Envíe sus preguntas o comentarios por escrito a ADOT Communications, 1221 S. Second Avenue, Tucson, AZ 85713
- Visite azdot.gov/contact y seleccione Proyecto en el menú desplegable para enviar una pregunta o comentario en línea.

De acuerdo con el Título VI de la Ley de Derechos Civiles de 1964, la Ley de Estadounidenses con Discapacidades (ADA por sus siglas en inglés) y otras normas y leyes antidiscriminatorias, el Departamento de Transporte de Arizona (ADOT) no discrimina por motivos de raza, color, origen nacional, sexo, edad o discapacidad. Las personas que requieran asistencia (dentro de lo razonable) ya sea por el idioma o discapacidad deben ponerse en contacto con la Jerimiah Moerke al 520-237-7605, o jmoerke@azdot.gov. Las solicitudes deben hacerse lo más antes posible para asegurar que el Estado tenga la oportunidad de hacer los arreglos necesarios.

Resolution Copper Draft EIS – what it means for Superior

On Friday, Aug. 9, 2019 the Tonto National Forest announced that the Draft Environmental Impact Statement (DEIS) for the Resolution Copper Mining Project was released to the public for review. This is a significant milestone for our community, Resolution Copper, our state, and region. On Dec. 19, 2014, Congress approved the Southeast Arizona Land Exchange and Conservation Act in conjunction with the National Defense Authorization Act. The National Defense Authorization Act is passed annually by Congress to fund military operations, the NDA is a must-pass bill each year. The Southeast Arizona Land Exchange and Conservation Act was included in this must-pass bill, the approval allows for the Oak Flats campground to be exchanged for other private lands that are needed for conservation across the state of Arizona once the Environmental Impact Statement is approved.

The final approval (Record of Decision) and actual exchange of the lands are contingent upon the Resolution Copper Mining Project completing a full

Environmental Impact Statement (EIS) which many may understand to be called the “NEPA” or National Environmental Protection Act.

This is a long-awaited milestone for the Resolution Copper project as the EIS process has studied and analyzed many important impacts resulting from the construction and future active mining operations of the Resolution Copper mine. The Draft EIS (DEIS) lists all of the studied impacts of the mine and also provides proposed mitigation plans for those impacts. The impacts include Recreation, Water, Socioeconomic, Wildlife, Traffic, as well as others. All of these impacts are vitally important to Superior today, as well as to the long-term future of our Town and the entire Copper Corridor region.

The Town of Superior staff and Town Council are studying the DEIS. It is critically important to make sure that mitigations for these impacts are in the defined plan and that they are defined, adopted and well funded in the final Record of Decision. An important point to make is that the DEIS clearly states that the United States Forest Service (USFS)

does not have the option to reject the mining activity, but that it can require that the impacts resulting from the construction and active operations of the mine are mitigated.

I am encouraging our residents to participate in the upcoming public hearings and consider reading at a minimum the Executive Summary of the Draft EIS. This is the last and final opportunity to comment on the proposed Resolution Copper mine development. Comments will be received through Nov. 7, 2019. You can access the Draft EIS online and also make comments using this link: <https://www.resolutionmineeis.us>

The EIS is a 1,400-page document, with a large number of attached studies and plans. This is a very detailed document that identifies many important issues. At this time, the Town Staff has identified the following items as critical issues that will require comments from the residents of our community, region, and state in order to protect our community from any major adverse effects.

WATER: Data in the DEIS indicates that there will be a possible 18% drop in the amount of water flowing through Queen Creek, a drop of the water in wells in town limits by 10 to 30 feet, and additional impacts to a number of springs and seeps around the community over the next 56 years. The USFS only disclosed these impacts in March, and Resolution Copper Mining has committed to making sure that any decrease in water will be replaced. The Town is working directly with Resolution Copper and our Federal and State elected officials to continue to

ensure that this commitment is placed into any final Record of Decision. The Town of Superior has been studying the 1999 Queen Creek Riparian Creek Restoration Plan, and there are many projects within that plan that could be funded through the mitigations that would prevent the water loss and help to restore the Queen Creek watershed.

TAILINGS: The suggested alternate for the location of the tailings is a site called Skunk Camp. This site is in the Dripping Springs area, which is located directly behind the Ray Pit to the east. This alternative was selected for various reasons. Earlier recommendations had the tailings sites close to Superior and Queen Valley. The new recommended Skunk Camp location is not in the view-shed of Superior or Queen Valley. After years of discussion and concern, this new location

A Superior Queen in the making - Ashley Lopez

The Saint Francis of Assisi Church will be hosting its annual Fiesta Patrias and Car Show on Saturday, Sept. 21, 2019. One of the traditions of the annual Fiesta is the crowning of a Queen who will reign over the event and serve as the Fiesta Queen for the year.

This year, Ashley Lopez, a third grader at John F. Kennedy School in Superior, is running for Fiesta Queen. "I wanted to run for queen to help the church and be a good example," she said.

Her last fundraiser is a cornhole and horseshoe tournament at the US 60 Park on on Aug. 31, 2019. While she does not have any candidates running against her for the position of queen she and her family are doing their part to raise money for the Catholic Church, they have hosted a variety of events including bake sales and a pastry bingo.

Ashley's favorite subject in school is Math. She enjoys playing basketball and soccer but is not as much of a fan

of softball.

"I like scoring goals," she explained.

She started to play soccer and basketball after watching her sisters play. In her free time she likes to play with her friends. Her favorite color is pink. She said she is learning a lot about being responsible as she runs for queen.

Ashley is the daughter of Steve and Toni Lopez. Her grandparents are Alfred and Susan Sanchez of Superior and Conchita and the late Steve Lopez also of Superior. She has two sisters, Stephanie and Natalie. The whole family is involved in supporting her efforts to run for queen including many of her extended family members.

In her sweetest and queen like voice Ashley stated, "We did it! Thank you, Mommy and Daddy and everyone for their help and support."

Ashley will be crowned at the 5 p.m. Mass on Saturday, Sept. 21.

is a positive mitigation that will be a much safer alternative to the originally proposed options near Superior.

INFRASTRUCTURE: The DEIS has indicated that the development and operations of the Resolution Copper mine will add significant stress to Main Street and Magma Avenue. The DEIS does not list any mitigations

to this projected problem. The Town is also concerned that there have been no indications of a plan to develop or create workforce or affordable housing, despite the plan projecting that 25% of Resolution Copper Mine's workforce will reside in Superior.

SOCIOECONOMICS: The Town of Superior will see

little of the total tax benefits generated by the mining operation. The DEIS with the increased cost of police, fire, street maintenance and other factors, these projected tax benefits are unlikely to meet the increased costs. The Town and RCM have entered into several agreements to

Prickly Pear Festival once again a huge success

The 8th Annual Superior Chamber of Commerce Prickly Pear Festival was once again a top priority for many visiting Superior on Saturday morning. Well over 100 people attended the foraging session at the Superior Municipal Airport, Jeremiah Martinez of Superior found the largest prickly pear fruit weighing in at 86.5 grams then headed back into town for the Fire Department Pancake Breakfast which included the sweet and tangy prickly pear syrup.

The day included speakers, vendor booths and an art show and sale that proved to be very successful for local and regional artists. The Media Room was filled each hour as festival goers consumed information on topics ranging from foraging and preparing other desert foods

from the Saguaro Cactus, Mesquite, Ironwood and Palo Verde Trees. Another topic of discussion was regenerative versus sustainability growth models.

Main Street was full with people enjoying Prickly Pear Ice Cream and trying prickly pear food items at local restaurants and shopping with local merchants. The smell of Hatch Green Chile roasting at Save Money market sent visitors to the store to take home some of the savory chile peppers.

The Copper Communities Food Hub/Copper Corridor Economic Development Coalition hosted the 3rd Annual Copper Communities Prickly Pear Cook off. The winner of the cookoff was James Bruzzi with his homemade Prickly Pear Truffle. Winning the Prickly Pear Shake off

were: Fourth Place winning \$25 was Chris Contreras; Alex Racosky took home \$50 in third place; taking home the second place prize of \$75 was Kaitlyn Popoff; and James Bruzzi of Bruzzi Vineyard remains the the reigning champion of the Prickly Pear Shake-off winning \$125 with his Prickly Pear Wine Spritzer made with the Bruzzi Vineyard Vidal Blanc Wine. Mr. Bruzzi donated his prize winnings back to the Copper Communities Food Hub.

The day concluded with a dinner prepared by local resident Todd White and his family. The meal had many items that included Prickly Pear. The dinner sold out quickly and guest enjoyed prickly pear ribs, pork nopale greenchile, prickly pear meat balls and a salad that included prickly pear fruit, figs and assorted local greens.

EIS

Continued from page 5

offset this likely deficit, but the agreements are on four or five year cycles, and continued support is not guaranteed. There are no socioeconomic mitigations listed in the document.

RECREATION: The development of the Resolution Copper Mine will create a loss of recreation areas. The mitigations for the loss of the recreational areas such as the Oak Flats Campground include up to 55 miles of new trails and also upgrades to 55 miles of existing trails. This also would include a new campground at the Castleberry Ranch located near the Superior Municipal Airport. The mitigation plan does not include any funding assurances from RCM, and actually states that local non-profits will fund these mitigations. This is unsatisfactory as the Town needs to have real guarantees of funding to have any significant value.

Further, these proposed mitigations for recreation do not address a critical issue that is of great concern to the Town: The Town recently learned that Bronco Creek Mining has submitted a drilling permit to the Tonto National Forest to drill on the very same lands that these recreation mitigations are planned for.

The Bronco Creek drilling permit for exploration has

been funded by Rio Tinto, which is a 55% owner in the Resolution Copper mining project for the same area. These recreational mitigations and the Bronco Creek exploration will have to be addressed before these proposed mitigations in the DEIS can have any significant value to recreation development for Superior and to cover the loss of the Oak Flat Campground.

As the Mayor of Superior, I am committed to ensuring that our residents are fully aware of the critical issues we will be facing. Based on the initial review of the DEIS, most of these impacts are not guaranteed by financial assurances. These impacts need to be pre-funded or bonded, and the Town will be advocating for these mitigations to be written into the Record of Decision. In recent years the Town has been successful in developing agreements with the Resolution Copper that do provide significant improvements to our community. The goal at hand is to ensure that our short and long term concerns are mitigated and funded to ensure that Superior remains a safe, healthy and prosperous community.

The Superior Town Council will be discussing these findings of the DEIS at the Sept. 12, 2019 meeting. I encourage all residents to attend the public hearing on

Tuesday, Sept. 10, 2019, at the Superior Junior-Senior High School Multi-Purpose Room. The hearing is scheduled to begin at 5 p.m. The council also will be preparing the official comments to be sent to the National Forest Service from the Town of Superior.

We will continue to provide updates and information via our website, media releases, and Facebook page.

It is an honor to serve our community during this transformational time, and only by working together with a unity of purpose, Superior will be able to have our requested mitigations included in the final Record of Decision.

Together, We are Superior!

Editor's Note: Other open house events have been planned for the review of the DEIS. Those include:

- Sept. 12, 2019, 5 to 8:30 p.m., Central Arizona College, 3736 E. Bella Vista Road, San Tan Valley, AZ

Walking Daily With God

It's been said that the law of prayer is the highest law of the universe – it can overcome the other laws by calling for God's intervention. In Luke 24:19 we read, "Jesus was a prophet, powerful in deed and word before God."

Jesus did something that most of us don't do, multiple times each day, He talked with Father God. They were in constant communication with each other. The result of this: His life flowed with Heaven's power and glory. How often do we talk with

our Lord? Is it important to you or simply an after-thought? When the Lord sees our enthusiasm for His presence surrounding us, He covers us with His love and grace.

Are you daily walking in His power? It is what He desires for each of us. Begin to spend quality time with God and you will see just how much He loves you!
