OBITUARIES

Oscar J. Ruiz

To the family and friends of Bobby Padilla, we want to thank each and everyone who came to send him on his way to heaven. Thank you again for all the food, the kind and loving words, we are truly blessed.

Special thanks to Anna Lopez Guzman, our neighbors Marty, Ernie Sr. and Ernie Jr. Your help will never be forgotten.

To all the ladies who helped serve at the luncheon, thank you.

God bless you abundantly with his graces.

From the Bobby Padilla Family

Oscar J. Ruiz, "Calin", a lifelong resident of Winkelman, passed away in the early morning of Saturday, Aug. 13, 2016, at the age of 90. He was the oldest living male in Winkelman. Oscar was born to Bartola J. Ruiz Mares and Jose Ruiz on Oct. 25, 1925 at the Winkelman Flats.

Oscar's passing marks the end of the Ruiz-Mares generation, spanning 95 years, that included a total of seven children. At the age of six, Oscar's father passed away, leaving him to start working to help support the family. In 1944, Oscar was drafted into the Army and served his country during World War II. He was honorably discharged to help support his mother, brothers and sisters. In his younger years, Oscar was a cowboy who loved to ride, break horses and take care of ranches. He was part of The Greatest Generation, and, they never gave up! He was still driving in May! In 1955, Oscar married the love of his life

Dalia Soto, and they raised their family in Winkelman. He worked for ASARCO for 43 years as a Boilermaker/Blacksmith. He retired in 1986. He loved camping, cooking, dancing, joking around and, of course, the U. of A. Wildcats and AZ. D-Backs. He also loved spending time with family, especially his grandsons.

Oscar is preceded in death by his parents, Bartola and Jose Ruiz; his wife of 57 years, Dalia; his infant son, Oscar Jr.; daughters, Frances and Loretta; brothers, Jacinto, Isaiah, Federico Ruiz and Arnold Mares; and, sisters, Celia Ruiz Acton and Carmen Ruiz Martinez.

He is survived by his son, Robert (Irma); daughter, Rebeca (Anthony) Dominguez; grandsons, Francisco, Oscar and Daniel Gomez, Christopher and Nicholas Dominguez, Robert Ruiz, Louis, Joel, Aaron and Joseph Arbizo; and, great-grandson Oscar Daniel Ruiz

Gomez.

Services for Oscar will be on Friday, Aug. 26, as follows: Viewing from 8 a.m. - 9 a.m., Rosary at 9:30 a.m., Mass at 10 a.m. at St. Joseph's Catholic Church in Hayden. Burial will be at Mammoth Valley View Cemetery in Mammoth. Luncheon to follow at Hayden Golf Course Clubhouse.

Oscar was an honorable and kind man who loved his country, his family and his Town of Winkelman. We will all miss him. Rest in Paradise, Dad. We love you!

What Arizona Water Law Means for Kearny

Arizona water law is very complicated, owing to the lack of water and the history of Arizona's development. When it comes to Kearny's water, it shares the complications. In the simplest terms, the water we pump from our wells is legally determined by the amount of water behind Coolidge Dam.

The town is working on ways to increase our supply, including redeveloping wells which lie outside the boundaries of the Gila Water Accord. Our town manager, Anna Flores, is applying for a grant to cover much of the expenses. She is also

applying for a competitive grant to do even more paving on our streets in this fiscal year.

Kearny's streets are interesting. The town was planned and built in the '50s and '60s on the slope leading down to the Gila River. Like many Arizona cities at the time, the streets were designed to divert the rainwater into the river, rather than using the more conventional underground gutters. A new style of concrete curb, the slope, was utilized. It is designed to work in cooperation with the slope of the street to create swift, unimpeded flow of rain

water. Other styles of curbing in use at the time had sharp corners and irregular surfaces, creating turbulence which eroded the softer surface of the pavement where it meets the curb.

So far, so good. But over the years, both by simple initiative and by unofficial permission of the Town of Kearny, residents began creating driveway ramps on the curb. What could be the harm? It's just a little ramp.

But a look at our streets reveals that these ramps are a big contributing factor

Pinal Supervisors tackle historic tax cut

FLORENCE -A special session last week saw the Pinal County Board of Supervisors drop the primary property tax rate by a historical amount of 13 cents per \$100 of assessed valuation.

In the special session, the Supervisors adopted the rates for taxing districts in the county. Unanimously approving all Pinal County taxing districts rates, the Board then addressed the current property tax rate set at \$3.9999. When adopting the Tentative Budget in June, the Supervisors had voted to drop it two cents to \$3.9799.

At the time of the tentative budget hearing, the Supervisors were still unsure if the State of Arizona would further push to enact the One Percent Tax Cap Liability Shift passed by the legislature in 2015.

The One Percent Property Tax Cap Liability Shift was a method of limiting the state's payment of an "Additional State Aid to Education" tax deduction when a property tax bill of a home goes over one percent of the cash value of that residence. At one time, the state picked up that bill and sent the money to the local school districts. Pinal County was due to

pay nearly \$1.7 million as ordered to by the Property Tax Oversight Commission. Thanks to a lawsuit brought by Pima County, the state court reversed this cost shift and the state said it would not fight the ruling.

"The big question that faced the Board was the issue of the one percent tax cap liability shift," said County Manager Greg Stanley. "When the state said they wouldn't fight the judge's decision, the option for a larger tax cut was placed on the table."

There were two options presented to the Board - a 10 cent cut to \$3.8999 or a 13 cent cut to \$3.8699. The motion was made to cut the tax rate by 13 cents and unanimously adopted.

"When I signed on for the tax increase, I also stipulated that if we were able to get that money back then we would give that money back to the public," stated Chairman Todd House. "I'm glad we can give that money back to the people."

District 1 Supervisor Pete Rios said he supports the 13 cent drop, but cautioned the Board: "One of the responsibilities

of the Board, while trying to keep the tax rates as low as possible, is to be good stewards of the county. I can't think of too many departments in Pinal County that can't use additional workers. There are still a lot of needs out there in Pinal County."

Vice-Chairman Anthony Smith said he understood Supervisor Rios' concerns. "I have appreciation of what we have

done in the past few years as for as restoring the fiscal health back to the county," the Vice-Chairman said. "I recognize the 13 cent reduction as taxpayer dollars and giving back that money to them we put in a reserve fund in case we needed it. Our leadership should be able to manage on a slim and adequate budget that is designed to provide services across the entire county."

Supervisor Rios presents check to CCEDC

Supervisor Pete Rios late last week presented a check for \$50,000 on behalf of the Pinal County Board of Supervisors to the Copper Corridor Economic Development Coalition (CCEDC). The Pinal County Board of Supervisors has been a longtime supporter of the CCEDC.

The board of the CCEDC has set several goals for the 2016-17 budget year. Their plans include growing non-mining employment by five percent. This will be accomplished by developing training programs to help locals become registered contractors or skilled apprentices. They will also continue to promote and develop tourism for the area and provide support to maintaining the rural quality of life by developing a plan to address the creation of a food hub and managing the Valle del Sol Hispanic Leadership Institute leadership academy.

The CCEDC serves the Pinal County communities Oracle, San Manuel, Mammoth, Aravaipa, Winkelman, Dudleyville, Kearny and Superior. With collaboration with the Southern Gila County Economic Development Corporation both agencies expand these economic activities to Hayden, Miami and Globe.

"We appreciate the support of the Pinal County Board of Supervisors. Their ongoing support has helped us to develop a plan that can truly make a difference for our Copper Corridor Region," said CCEDC President, Michael Carnes.

The CCEDC Board includes leaders from local communities and industry. CCEDC meets the third Friday of every month at the CAC campus in Aravaipa. Business meetings begin at 8:30 a.m.; the guest speaker generally begins close to 9:30 a.m.

Project to improve SR 77 north of Winkelman to begin in late August

The Arizona Department of Transportation will begin a project to improve approximately six miles of State Route 77 north of Winkelman in late August.

The \$2.6 million project will include removing and replacing asphalt, striping the highway and replacing signs from the north end of the SR 77 bridge over the Gila River in Winkelman and continuing north to milepost 145.

The project is scheduled to begin Monday (Aug. 29) with survey work. Paving operations are to begin Monday (Sept. 12) and will require weekday lane closures between 6 a.m. and 6 p.m. Motorists will be directed through the work area by flagging personnel or pilot vehicles, depending on the location. Delays of up to 15 minutes can be expected.

Both lanes will be open to traffic during

non-work hours, which will move to 7 a.m. until 3:30 p.m. as daylight hours grow shorter.

Paving work will be completed in late October, followed by roadway striping operations in November.

The project is scheduled to be complete in January 2017.

Drivers should proceed through the work zone with caution, slow down and be alert

for construction equipment and personnel.

ADOT works to inform the public about planned highway restrictions, but there is a possibility that unscheduled closures or restrictions may occur. Weather can also affect a project schedule. To stay up-to-date with the latest highway conditions around the state, visit the ADOT Traveler Information Center at www.az511.gov or call 511.

**PEOPLE OF KEARNY,
I want to serve you as
Mayor of Kearny for two
more years.**

I am seeking your support.

Maybe you have already voted in the primary election with an early ballot. Maybe you prefer to cast your ballot in Constitution Hall on Tuesday, August 30. Whether or not you vote for me, I promise to serve *you* if I am elected.

These are not easy times for rural Arizona towns, and much work remains to be done. I pledge myself, heart and soul, to serve you with all that I can offer. I give thanks for what we have accomplished so far, and I simply ask that you allow me the opportunity to finish some of the things we have begun, including a sustainable water future, an improved economy, and a future for our children.

I believe that changes for the good are coming our way. Kearny and the whole Copper Basin can have a good future.

Hayden football expects improvement in 2016

By **Andrew Luberda**
Copper Basin News

The Hayden football team finished last season with only one win and never fully recovered from adversity that resulted from tragic season-ending injury to running back

Santiago Pina and other injuries throughout the season. But the Lobos' offseason commitment has head coach John Estrada optimistic entering the 2016 season.

Running backs Brandon Cruz and Ryan Donovan along with senior defensive end Michael Guerrero are among 10 seniors –

nearly half the team – on the Lobos' roster who figure to make a big impact and lead a turnaround this season.

Estrada told AZPreps365.com that he's also excited about the increased number of players that his program attracted during the summer.

The Lobos begin their season versus visiting Williams this Friday, Aug. 26. The Vikings went 5 – 4 last year, reaching the Division VI playoffs before suffering a first-round loss to Mogollon.

Kickoff for Friday's home opener is scheduled for 7 p.m.

Ray football defeated by St. David in season opener

By Andrew Luberda
Copper Basin News

The Ray football team faced a stiff test in its season opener last Friday when they started the 2016 season

at No. 2 St. David. The Tigers showed why they are considered a state title contender, doubling up the Bearcats in the first game of the year for both teams, 52 – 26.

The game marked the varsity debut of Ray head coach Frank Lechuga.

“Offensively we ran the offense well and put some points on the board in the first three quarters,” the Cats’ first-year head coach told the Copper Basin News. “We made some mistakes and they took advantage of some turnovers and onside kicks.”

St. David is a well-disciplined and high powered team, which doesn’t allow opponents to get away with mistakes.

The Tigers started fast and kept going, scoring 14 points in the first quarter and 16 each in the second and third quarters. The Bearcats couldn’t match that scoring pace and combined with the turnovers, accounted for the lopsided scoring margin.

“We have to go back to the drawing board and that’s what we’re doing this week,” Lechuga said.

Senior Paul Wormwood earned Player of the Game honors after leading the Cats in rushing yards, scoring two touchdowns and finishing with nine tackles on defense.

Nathan Molar, a junior, was named Defensive Player of the Game after leading the team with a game-high 14 tackles.

Quarterback Fabian Valenzuela was named Offensive Player of the Game. The junior totaled 81 all-purpose yards and scored the Cats’ other two touchdowns in the loss.

Losses generally provide coaching opportunities and Lechuga identified one area he wants to see his team improve in.

“The overall aggressiveness of the team in general,” he said. “We basically had five guys who were aggressive on both sides of the ball. I’d like to see more of our team making plays and contributions.”

Upcoming schedule: Ray plays its second-straight road game, traveling to take on NFL Yet Academy on Friday, Aug. 26. Kickoff is schedule for 7 p.m.

Gila County adopts final 2016-17 budget

Gila County, AZ - At a special meeting on July 26, the Gila County Board of Supervisors adopted a fiscal year (FY) 2016-2017 budget that holds the tax rate level for the sev-

enth consecutive year. Faced with the ongoing challenges of a recovering economy and uncertainty of historical federal revenues, the board is proud to have been able to keep the

tax rate at \$4.19. The newly adopted budget also reflects a primary property tax levy that is nearly \$10 million less than the maximum allowable tax levy.

The FY 16-17 budget includes the creation of an integrated five-year capital expenditure plan that will focus spending on critical infrastructure and facilities improvements throughout Gila County. Plans for this fiscal year's \$7.4 million total capital budget include significant site improvements to the Payson County Complex, facilitating the establishment

of a dedicated Superior Court facility, which will improve the safety and security of both the staff and general public. Also part of the FY 16-17 capital budget, residents will see improvements to Baker Ranch Road in Young and sidewalk improvements in Six Shooter Canyon in Globe and Central Heights, among other projects.

Vice-Chairman and District I Supervisor Tommie Cline Martin is thankful to see infrastruc-

ture being addressed county-wide. "Northern Gila County constituents should see marked improvements in County facilities locally. This budget begins to address the safety issues associated with the outdated facilities and improves both

to road degradation. The ramps act like a rock in a river, creating turbulence and undoing the value of the smooth sloped curbs. Grit from the streets mixes with the water to scour the softer pavement, and dirt and water work their way underneath the edge. And, after the rain is gone, silt and grit remain dammed behind the ramps rather than being swept away. The town has to hire a street sweeping service on a regular basis to remove the dirt.

As our new pavement is laid, I ask all of us to refrain from the temptation to build a ramp. And, if your ramp is deteriorating, I suggest that it be removed rather than rebuilt. Yes, we will have to slow down a bit more when coming home, but we will have better streets and cleaner streets.

Next week I may write more about Journey for a Clean Kearny. But before I write anything, I'm going to pull the weeds in my own yard.

Community Meeting for Case PZ-C-001-16, a Proposed Text Amendment to the Pinal County Development Services Code

An amendment to the Pinal County Development Services Code is being proposed to create a new zoning district, "tentatively named" the Sports and Entertainment ("SE") zone, Chapter 2.360. This new zone will establish a zoning district for large-scale (2,000+ acre) projects that include a major sports or entertainment use, with flexibility provisions for the development of surrounding land uses. This unique zoning district will allow for the Master Developer to establish custom zoning districts for use within the development allowing for project specific uses, development standards (such as setbacks and lot coverage) and signage standards. Each project will still be required to process a rezoning case in order to utilize the new SE zone.

Community meetings are being held to discuss the proposed text amendment and to solicit public input and comment. The following meetings have been set:
August 29, 2016 6:00 PM to 7:00 PM Apache Junction Parks and Recreation Conference Center, 1001 N Idaho Rd, Apache Junction, AZ 85119
August 30, 2016 6:00 PM to 7:00 PM Property Conference Center, 1251 W Gila Bend Hwy, Casa Grande, AZ 85193
August 31, 2016 6:00 PM to 7:00 PM General Kearny Inn, 301 Alden Rd, Kearny, AZ 85137
September 13, 2016 6:00 PM to 7:00 PM Green Tree Inn and Suites, 240 W. Hwy, Florence, AZ 85132

Any questions regarding the meeting and/or the proposed text amendment may be directed to Noel J. Griemsmann, AICP, with Snell & Wilmer, LLP at 602-382-6824 or via email to ngriemsmann@swlaw.com.

GILA BUDGET

Continued from page 11

access and security," says Supervisor Martin. Martin is pleased that the budget maintains existing funding to community agencies, natural resources, and community colleges.

Chairman of the Board and District II Supervisor Michael A. Pastor says, "This budget is sustainable and structurally balanced. It funds a strong criminal justice system and maintains prudent reserves, while continuing the County's pledge to provide quality services to its residents." The adopted budget includes provisions for the County's continuing commitment to increased security for the benefit of the public and its employees. Over 64% of the County's general fund budget is dedicated to criminal justice, which includes, the Sheriff and Constables; Superior and Justice Courts; County attorney; and Adult and Juvenile Probation.

District III Supervisor John D. Marcanti says that the budget was developed to be conservative and provide for the needs of departments while absorbing the mandated increases in the various public sector retirement plans. He points out, "This budget makes it possible for County departments to improve their service to constituents. Support for software and new applications will help upgrade the technology backbone of Gila County." The board credits elected officials and department heads for their ongoing cooperation and willingness to practice prudent management and spending.

As part of this year's budget process, the County hosted two budget forums, one in Globe and one in Payson. Held between the adoption of the tentative and final budgets, the forums provided greater transparency and gave residents an opportunity to ask questions and voice their concerns.
