Billy Coronado served as an intern at the Town of Superior this summer.
Mila Besich | SUN

Spotlight: Town of Superior Intern Billy Coronado

This Summer the Town of Superior offered internship positions to college students and graduates. Superior native, William “Billy” Coronado a recent Arizona State University graduate took one of the intern positions. He recently graduated from ASU with a Bachelor’s degree in Public Policy from the Watts College of Public Service and Community Solutions. Billy has always had an avid interest in public service and previously worked for the Town of Superior in the police department prior to taking a position with the police department at ASU as a dispatcher. During his time as an intern, Billy worked

with the Planning and Zoning department creating policy and procedure documents and assisting management with other special projects during his 12-week internship. “My knowledge of the town and the families who live here helped me to locate addresses to complete projects,” he said. He does wish there were a permanent position at the Town of Superior. “I have enjoyed working at Town hall, I miss all the friendly people and beautiful views of Superior,” he said. In January he will begin start a Masters in Public Administration program at ASU. He is the son of Kathy Coronado and is a 2008 graduate of Superior High School.

Public Notice
ADDITIONAL PUBLIC COMMENT MEETINGS TO BE HELD ON
ARIZONA PUBLIC SERVICE COMPANY'S ("APS's") RATE APPLICATION
DOCKET NO. E-01345A-19-0236

Summary

On October 31, 2019, APS filed a Rate Application with the Arizona Corporation Commission ("Commission"). An evidentiary hearing for the Rate Application is currently scheduled to commence on December 14, 2020.

The Commission is not bound by the proposals made by APS, the Commission's Utilities Division, or any Intervenors. The Commission will determine the appropriate relief to be granted in response to APS's application based on the evidence presented in this matter. **The final rates approved by the Commission may be higher, lower, or different than the rates proposed by APS or by other parties.**

How You Can View or Obtain a Copy of the Application

Copies of the application are available from APS by visiting www.pinnaclewest.com/ratecase; at the Commission's Docket Control Center at 1200 West Washington Street, Phoenix, Arizona, and the Commission's office at 400 West Congress Street, Suite 218, Tucson, Arizona, during regular business hours; and on the Commission's website (www.azcc.gov) using the e-Docket function. During the COVID-19 pandemic, access to APS and Commission offices may be restricted.

All documents filed in this docket are available online (usually within 24 hours after docketing) at the Commission's website (www.azcc.gov) using the e-Docket function and Docket No. [E-01345A-19-0236](#).

ADDITIONAL TELEPHONIC PUBLIC COMMENT MEETINGS

The Commission has scheduled additional **telephonic public comment meetings** to be held as follows:

Date	Time
Tuesday, September 1 , 2020	6:00 p.m. to 8:30 p.m., or until the last caller is finished speaking, whichever comes first
Friday, September 25 , 2020	6:00 p.m. to 8:30 p.m., or until the last caller is finished speaking, whichever comes first
Wednesday, September 30 , 2020	10:00 a.m. to 12:30 p.m., or until the last caller is finished speaking, whichever comes first
Saturday, October 24 , 2020	10:00 a.m. to 12:30 p.m., or until the last caller is finished speaking, whichever comes first
Saturday, November 7 , 2020	10:00 a.m. to 12:30 p.m., or until the last caller is finished speaking, whichever comes first
Monday, November 30 , 2020	10:00 a.m. to 12:30 p.m., or until the last caller is finished speaking, whichever comes first

To provide telephonic public comments, call **1-866-705-2554** and enter this code: **241497#**

The Commission will impose a **three-minute time limit per speaker**, to maximize the number of callers who have an opportunity to speak. That time limit may be extended by the presiding Administrative Law Judge.

There may be a significant wait time to speak, and callers will be muted until it is their turn to speak. However, once placed into the proceeding, callers will be able to hear the comments of other callers through the phone line. Callers should turn off their computer audio during the public comment meeting, as the **live stream on azcc.gov is delayed by 28 seconds** and may cause feedback when it is the caller's turn to speak.

The Commission encourages callers to **use landline telephones** for the telephonic public comment meetings, as mobile telephones do not consistently provide adequate audio quality to permit the verbatim transcription of telephonic speech. If a caller cannot be sufficiently understood to make an accurate transcription, the caller will be requested to file written comments in the docket.

Each telephonic public comment meeting will end when the last caller on the telephone line has had an opportunity to speak or at the designated end time, whichever occurs first.

Written public comments may be submitted by mailing a letter referencing Docket No. E-01345A-19-0236 to Arizona Corporation Commission, Consumer Services Section, 1200 West Washington Street, Phoenix, AZ 85007, or by submitting comments on the Commission's website (www.azcc.gov) using "Cases and Open Meetings" and "Make a Public Comment in a Docket." For assistance, you may contact the Consumer Services Section at 602-542-4251 or 1-800-222-7000.

ADA/Equal Access Information

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation, as well as request this document in an alternative format, by contacting the ADA Coordinator, Carolyn Buck, E-mail CDBuck@azcc.gov, voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.

A different kind of back to school

Teachers behind plexiglass, students sitting at socially distanced desks, most kids learning from home. The 2020-2021 school year looks a lot different from last year.

Resolution Copper pledges \$780,000 to community COVID-19 response and recovery in 2020

Resolution Copper today announced a commitment to donate \$780,000 in 2020 to assist organizations throughout the broader community during the ongoing COVID-19 crisis.

“Resolution Copper is committed to investing in our community. Especially during this challenging time, we want to ensure support for our neighbors, local businesses and social programs,” said Andrew Lye, Resolution Copper Project Director. “Our goal is to help our neighbors and the local economy emerge from this crisis stronger and even more resilient.”

Nearly half of the funds pledged have already gone to community organizations with a focus on four key areas: education, health and well-being,

vulnerable populations, and economic resiliency. These funds have provided personal protective equipment (PPE) to communities, first responders, and tribal nations, as well as childcare funding for essential workers and emergency medical service professionals. We’ve also helped provide grants to local small businesses, expanded school access to remote learning technology, and supported domestic violence shelters.

Many groups have received Resolution Copper’s COVID-19 relief funds, including Local First Arizona, Cobre Valley Youth Club, Community Alliance Against Family Abuse (CAFA), Gila Safe Haven Domestic Violence Safe Home, Hayden Senior Center, and others.

“We are incredibly grateful for

Resolution Copper’s support as we face a growing need,” said Claudia DalMolin, Gila House Inc./Gila Safe Haven Domestic Violence Home Executive Director. “When we might otherwise have to close our doors, we’re instead able to do more to help residents during this pandemic and continue our mission of breaking the cycle of violence in the Globe, Miami and San Carlos communities.”

Resolution Copper partnered with United Food Bank, the Mesa Chamber of Commerce and Can’d Aid to distribute roughly 233,000 meals and more than 50,000 cans of clean drinking water to those in need.

“Across Arizona United Food Bank has seen an unprecedented need, with long

lines and families struggling especially in our rural communities in Eastern Arizona because of the COVID-19 crisis,” stated Dave Richins, CEO of United Food Bank. “Resolution Copper has given us the opportunity to serve thousands of families in need in a very COVID safe environment in several towns and Native American Reservations.”

Resolution will announce further investments over the next few months.
