## Obituary

Forty-seven year resident of Kearny Manuel Leos Leybas passed away in his home Wednesday, August 21, 2013. Funeral services will take place Saturday, August 31, 2013 at the

Church of Jesus Christ of Latter-day Saints in Kearny located at 200 Hammond Drive. Mr. Ricardo Guerrero will be presiding. A viewing will take place in the Relief Society room

# Manuel Leos Leybas

at 9 a.m. followed by funeral services at 10 a.m. Interment will be in the Kearny Cemetery.

Manuel Leos Leybas was born in Thurber, Texas in Erath County on December 01, 1916. Manuel was the oldest of six children. Manuel's difficult early life required him to forgo many typical childhood pleasures. After finishing the third grade Manuel began working in the coal mines to support his parents and his siblings. Later during the Great Depression Manuel worked to build the trails leading into the Grand Canyon. Manuel enlisted

in the army during World War Two and was stationed in Alaska where he worked to maintain aircraft fighting in the Pacific. Manuel met and married his wife, Maudie Capps of Oklahoma, in 1941. Just prior to the end of World War Two Manuel was assigned by the Army to work in the copper mines of Pinal County. Immediately after the war ended Manuel was offered a position with the Kennecott Copper Corporation. He brought Maudie to Arizona where they settled in the community of Sonora. Manuel worked

for Kennecott Copper Corporation until he retired in 1979 after working thirty three years. In 1960 Manuel and Maudie moved to Ray. In 1966 Manuel and Maudie moved into their home on Fairhaven in Kearny where Mr. Leybas lived until his death.

Manuel was very active with the Hayden Senior Center until his health declined preventing him from attending. Manuel took great pride in maintaining his home and yard. Manuel will always be remembered for his friendly demeanor and kind giving nature. His infectious smile and happy countenance made people feel good about themselves and Manuel had many friends. Manuel and Maudie had one son, Manuel Lee. Maudie precede Manuel in death dying of cancer in 1971. Manuel's love for Maudie never ended. Over the years Manuel had many women friends but his vow to never to marry again was a testimony of unshakeable love for his bride of thirty years.

Manuel adored his grandchildren and later his great grandchildren.

Manuel was preceded in death by his parents, Antonio Martin Leybas,

Manuel Leos Leybas

and Santiago Leos. He also was preceded in death by his brothers, Benny Leybas, Tachio Leybas, Alex Leybas, and sister Pauline Luker. He is survived by his sister Cecelia Campos of San Antonio, Texas, son Manuel Lee Leybas of Casa Grande Arizona, grandson Ryan Leybas of Salt Lake City Utah, granddaughter Allison Lefler of Logan Utah, grandson Kyle Leybas of Laveen Arizona, and grandson Eric Leybas of Mesa Arizona. Manuel also is a grand great father to Boone Lefler, Darci Leybas, Marae Lefler, Kellen Leybas, and James Sawyer, (Jack,) Leybas.

Manuel Leos Leybas, 96 years old, was just four months short of celebrating his 97<sup>th</sup> birthday...

## Obituary

Gary Herring, born to Fines and Alyne Herring, grew into his beautiful Angel Wings Sunday, August 18, 2013 at the age of 69 (or as he would say 21 and holding).

Gary said "So Long for Now" to his beautiful wife of almost 49 years Patricia Herring; his children, Donald and Kris Herring, Earl and Donna Bohrn, Wayne and Christina

Herring, and Cheryl Fernau; his grandchildren, Aaron and Jenise Bohrn, Davey and Amber Tallada, Heather Herring, Josh Bohrn, Mary Herring, Meagan Fernau, Nic Fernau, Joseph Herring, Gabriel Herring, Maria Herring, and Isaiah Herring; His Great Grandchildren Charles Bohrn, Sophia Herring, and Mollyann Bohrn; and his many nephews, nieces, cousins

and friends, all of whom he loved so dearly.

After falling in love with his beautiful bride at Frog Creek, they created a beautiful family and wonderful life together. Gary served 10 years in the US Navy where he became a diesel mechanic. He continued his career as a Heavy Duty Diesel Mechanic at Kennecott Copper Corp. for 20 years

and Newmont Mining Corp. for 21 years.

Gary had a passion for hunting, fishing, camping and his family. He was a gifted carpenter/builder who with the help of his wife, created a perfect paradise and dream home. Gary was known for his sparkling baby blues, perfect hair and pearly whites. Anyone who was blessed to have known him was touched by his

polite, courteous nature and loving, gentle heart.

To our Husband, Father, Grandfather, Great Grandfather, Uncle, Cousin, and Friend, we will cherish all the memories you gave to us and carry your love with us always. We love you!

Services were held Thursday, August 22, at 1 p.m. at Burns Funeral Home in Elko, NV.

# Kearny's curfew siren may blow once again

By Mila Besich Lira  
*Copper Basin News*

More than 150 residents of Kearny have signed a petition asking the Kearny Town Council to change the current town ordinance on the curfew for minors. Over the recent summer months, many residents have expressed concern that too many youth are out in public after 10 p.m.

Petition organizer Carol Lewis explained to the council that they are requesting the curfew changes to help cut down on vandalism and keep the kids safe. "When there was more for the kids to do in Kearny it made sense to have a later curfew," she said.

The residents are asking for the curfew policy to be changed to read: the curfew for all minors under the age

of 18 is 10 p.m. Minors age 16 and 17 may remain out until 11:30 p.m. on Friday and Saturday only. In the current code, minors aged 15 could also stay out until 11:30 on Friday and Saturdays. The changes to the ordinance will also allow for an exemption for all minors to allow them to stay out till midnight only when there are town or school functions ending at midnight, then they are granted a 30-minute grace period to get home. The residents have also requested that the curfew siren that once blew at 10 p.m. every night once again be blown to alert youth and parents that it curfew.

While most seem to be in favor of the proposed curfew ordinance, some residents and community leaders have expressed

concerns about the siren. Mayor Sam Hosler commended the residents for getting involved in the process. The council discussed their options to enact this ordinance change. Hosler directed staff and the Town's attorney to draft two

ordinances to enact the curfew changes, one with the siren and one without the siren.

The council is expected to vote on the curfew ordinance at their September meeting.

In other business, the council approved road

closures for the Copper Basin Chamber of Commerce Octoberfest and the Great Punkin event in October. They also approved a bid with Bestway Electric to repair and replace the Sub 9 Booster Station for upgrading pump and motor

control panel.

Town Manager Gene Green announced that Ray Federal Credit Union donated \$500 to help keep the pool open until Labor Day. The Town has extended adult hours at the pool through Labor Day weekend.

## Two Arizona organizations selected for national forum on Regional Innovation in nation's capitol

(Flagstaff, Arizona—August 22, 2013) The Copper Corridor Economic Development Coalition (CCEDC) and the Northern Arizona Council of Governments (NACOG) have been selected to participate in a Forum on Regional Innovation in Rural America, which will take place September 18-19 in Washington, D.C.

The forum is organized by the White House Rural Council and the National Association of Development Organizations (NADO) in conjunction with the United States Department of Agriculture's Rural Development (RD) agency.

"This Forum will convene some of the nation's top leaders in rural regional development to share ideas and learn from one another," said Stephens. "We were delighted that both of our nominees from Arizona were selected."

According to Doug O'Brien, Acting Under Secretary for USDA Rural Development, 40-50 participants have been invited to the Forum. They will work closely with folks from other regions to discuss key challenges

and opportunities affecting economic development in rural America.

"It's a great idea to bring together the most innovative thinkers on rural regional development to share ideas," said Stephens. "Both the Copper Corridor and NACOG have had a positive impact on development in their regions here in Arizona. They will be able to share those successes and at the same time absorb new ideas and strategies that have worked in other regions."

The Copper Corridor Economic Development Coalition (CCEDC) formed as a cooperative economic effort to bring incorporated and unincorporated rural Pinal County communities together in a regional effort for mutual sustainable prosperity. According to Michael Carnes, chairman of CCEDC, their efforts include tourism development, through such projects as the Mobile Visitors Center and the Ore Cart Trail; advocacy, through participation in several economic development organizations including USDA and the Central Arizona Association of Governments (CAAG); and entrepreneurial

development, through their Business Success Center.

Teri Drew, Regional Director for NACOG, described the work of the organization as 1) solving common problems, 2) transcending geographical boundaries, and 3) improving local communities, adding that the Council works together to address similar issues faced by the cities and towns within their borders. NACOG also administers the Economic Development District (EDD) for northern Arizona, which comprises 24 communities.

The Copper Corridor and NACOG have worked with USDA Rural Development in Arizona on regional development projects and programs, including participating in the Stronger Economies Together (SET) training. Both have in the past been successful applicants for competitive grants from USDA Rural Development.

In 2011, the Copper Corridor competed for and was awarded an RBEG for Business Success Centers. In partnership with the Arizona Commerce Authority and Yavapai County Local Workforce Investment Board,

NACOG used an USDA RD Rural Business Enterprise Grant to help develop and implement Business Assistance Centers in the area.

According to Bill Bolin, who is an active partner in both regions, NACOG this week received news that an \$84,664 RBEG was approved that will actually serve both regions. Rural Development funds will be used to develop a Resource Center Connection to provide resources for implementing business centers for entrepreneurship development in rural Arizona communities. Funds will also be used to increase broadband capacity in these areas and to continue operation of three existing business centers. The project is expected to create 30 jobs. Apache, Navajo, Coconino, Yavapai, Pinal and Gila Counties will all be served.

Last year in rural Arizona, USDA RD invested over \$400,000,000 for housing, community facilities, business and community development, water and wastewater, utilities, and telecommunications in some of the state's hardest hit areas.

## Pinal County Sheriff's Report

**The Pinal County Sheriff's Report is taken from the daily logs, based on the information provided by deputies. All persons arrested are presumed innocent until proven guilty in a court of law.**

### Aug. 16

The theft of an ATV was reported in the 78000 block of E. San Pedro Rd., Dudleyville. The ATV was recovered and the owner refused to press charges.

### Aug. 18

David Leroy White, 25, Springerville, was arrested in the 16000 block of N. Camino Rio Rd., Kearny, and was charged with interfering with the use of a telephone during an emergency and assault. He was transported and

booked into the Pinal County Jail.

Burglary was reported in the 16000 block of N. Camino Rio Rd., Kearny. A man and a woman broke into a house to get water and get out of the heat after their car became stuck in a wash.

# Copper Rose flower shop hosts grand opening, ribbon cutting at Kearny location

By **Nina Crowder**  
*Copper Basin News*

Michelle Harrison Gillaspay and Sam Gillaspay opened a much needed floral, gift shop in Kearny.

Angela Ramirez of the Kearny Chamber of Commerce was present at the ribbon cutting ceremony to welcome and wish the Gillaspays much success with their new store. Michelle comes from a family that helped pioneer Kearny she is very excited to be able to open and run a new floral and gift shop.

"There is a high demand and the previous floral shop really had no one to run it," Michelle said.

Michelle's husband Sam works for the Kearny Fire Department and as an EMT. They both have a strong commitment to the community and want to help in any way they can.

Michelle is trying to build a variety of items in the

shop. She will help with party planning, provide floral arrangements for birthdays, weddings, funerals or any other occasion. The store hours are posted, but if someone really needs something her personal number is available and since she lives in Kearny she will do whatever is needed to provide for the community.

Michelle has many items on consignment to help other people sell their products. Michelle feels that everyone is trying to make a living these days and so many people have different talents and putting things on consignment will help others get their talents noticed. Dale Gillaspay is one such artist. He turns wood into art, vases

and even takes requests. Dale's website is [www.turnsandtwists.com](http://www.turnsandtwists.com). Dale can take any piece of wood and turn it into something. Dale uses all different types of items and incorporates different things into the wood copper inlay, emerald, and turquoise. Some of the wood he uses is juniper, maple and mesquite. He truly enjoys his work and it shows.

Susan Mapes is another talented artist who paints. Susan takes old windows and paints floral scenes on them. Jerry Buchan has jewelry on consignment. Wanda Koellen provides candles and jewelry. There are local photographers that have pictures and advertising available.

The store offers beautiful

floral arrangements, live plants, bamboo, jewelry, homemade cards, candles, photography and paintings. The Copper Rose has a wide range of delivery available

to area's including Florence, Globe, Mammoth, San Manuel, Hayden and other requests. Michelle can be reached at 520-363-ROSE. They are located at 354 Alden

Road in Kearny. Email is [thecopperrose7673@gmail.com](mailto:thecopperrose7673@gmail.com).

We wish them much success and happiness in the new endeavor!

Angela Ramirez and the Copper Basin Chamber of Commerce welcome the Copper Rose.

# Bearcats open season with a win over Valley Union

By Richard Bravo  
Copper Basin News

The Ray High Bearcats opened the 2013 football season a week early due to a cancellation of games by ASDB and Bowie/San Simon. Athletic Director Rene Pacheco was able to schedule a game against the Blue Devils from Valley Union. Although the game was played earlier than anticipated the Bearcats traveled back from Elfrida with a 28-6 victory.

The Bearcats started the season with an experienced group of kids on both defense and offense. They returned 10 seniors and have a group of talented underclassmen that can fill the voids of players that have graduated.

The Blue Devils started the game by taking the opening kickoff. Starting from their own 20 yard line the tough Bearcat defense held them to minimal yardage forcing the Blue Devils to punt the ball away on their first possession. After a return of 15 yards by **Dominic Bravo** to the Blue Devil 43 yard line the Bearcats offense took the

field. The Bearcats kept the ball on the ground. Running back **Robin Newman** and quarterback **Destry Yocum** moved the ball deep into Blue Devil territory. Yocum put the first points on the board keeping the ball on a keeper from 6 yards out for the score. The two-point attempt failed giving the Bearcats a 6-0 lead with 5:50 left in the opening quarter. The Bearcat defense came up big on the next Blue Devil possession as defensive end **Ryan Bickley** fell on a fumble forced by the Bearcat defense, giving them good field possession. The Bearcat offense stayed rolling as they moved the ball deep into Blue Devil territory but a fumble recovered by the Blue Devils stopped the drive as time expired in the first quarter.

The second quarter of play by the Bearcats consisted of turnovers and mental mistakes keeping the Bearcats from extending their lead. The lone score of the quarter came with 41 seconds left in the half when the Blue Devil quarterback hit his

receiver on a slant route to tie the score up at 6 points each heading into the locker room.

Head coach Willie Jordan's halftime speech must have sparked the Bearcats in the second half as the offense and defense stepped it up. The defense started it off by forcing a turnover as the Blue Devils were threatening to score. Defenseman lineman **Jacob Pace** recovered the fumble on the Bearcat 10 yard line. The Bearcats made quick work of the turnover as quarterback Yocum hit receiver Bravo on a screen pass and it was off to the races as he ran 90 yards for the score. The two-point attempt by running back **Nick Lara** gave the Bearcats a 14-6 lead with 4:29 left in the quarter. With another outstanding defensive stand by the Bearcats the Blue Devils were forced to punt on

their second possession of the half. Starting from midfield the tandem of Yocum and Bravo struck again as Yocum hit Bravo on 50 yard touchdown pass on the first play to extend the lead. The two-point try failed giving the Bearcats a 20-6 lead at the end of three quarters of play.

The final quarter of play was all Bearcats. The defense held the Blue Devils to only 40 yards in the quarter as the offensive stayed hot. The Bearcats put a fork in the Blue Devils with 4:37 left in the game when Yocum connected with Bravo one more time on a 54 yard pass for their third touchdown of the game. The two-point attempt by Newman was good giving the Bearcats a 28-6 lead and victory.

The Bearcats were led offensively by Yocum who

completed 10 passes for 246 yards and 4 touchdowns (3 passing, 1 rushing). Leading rusher for the game was Yocum who had 63 yards on 6 carries; Newman carried the ball 6 times for 25 yards. Leading the receivers was Bravo who made 5 catches for 212 yards with 3 touchdowns. **Seth Harmon** had 3 catches for 15 yards.

Defensively the Bearcats were solid allowing the Blue Devils just 175 yards of total offense. Leading the defense was Yocum with 8 solo tackles and 3 assists. Bravo with 6 tackles and 2 assist. **Jeron Coleman** with 5

tackles and 5 assist. **Bickley and Rex Sosa** with 6 tackles each.

The Bearcats will be off the next couple of weeks due to changes in the schedule. Athletic Director Rene Pacheco is working on scheduling a game between now and their next game. On the Sept. 13 the Bearcats will be hosting the Patagonia Lobos. For more information contact Ray High School or you can check out the Ray Bearcats on Facebook for updates. Please remember to come out and support your Ray High Athletes!

## 'Cats Corner

## Pastor's Corner: Wondering How to Believe?

By Pastor Joe Palmer  
Fellowship Baptist Church

We do not have a problem with wondering how to believe, but we do wonder about what to believe. Believing is what we do all the time. Belief is the "primary cognitive state" of our minds according to the Oxford Companion to Philosophy. Choosing to believe something or not depends on factors not only outside of us but also within us.

Jesus and the whole of Scripture tells us to use our heads along with our eyes and ears to be empirical realists (cf. John 5:31-36). But within each one of us is a heart which often deceives us (Jeremiah 17:9). Only if a

person "practices the truth" (John 3:21) can they hope to gain the truth.

God is at the end of the trail of truth, and when we find Him we gain everything we really want and need.

In John 3:21, Jesus said, "But he who practices the truth comes to the light, that his deeds may be manifested as having been wrought in God."

If you want to find truth, or if you want to help others find it, then plan on joining us on September 8 at Fellowship Baptist Church at 6 pm to watch videos of professional Christian counselors who will teach us how to care for people God's way.

# Hayden faces off against Pima in pre-season scrimmage

By **Nolberto Waddell**  
*Copper Basin News*  
A big crowd, including

their rivals from down the road, came out last Thursday to see this year's

version of the Lobo football team in their scrimmage against a powerful

Roughrider football team from Pima High School.

The scrimmage turned out to be what the coaches expected. The Roughrider defense quickly displayed their power holding the Lobo offense in check in the first series of 10 plays. The Lobo defense returned the favor holding the powerful Pima offense out of the end zone in their first series. The Lobo defense showed they will be a tough team to handle especially the play of the linebackers.

The Pima team with their big number of players started wearing out a depleted Lobo team. With fresh players coming in on almost every play the Lobo defense finally started to show signs of fatigue, allowing Pima to score a couple of long touchdowns on a couple of no call infractions.

After 60 offensive plays by each team, it was now the turn of the young players to take the field. The Lobo freshman and sophomore players held their own in the 40 plays allowed them. Like the first team, the young Lobo offense had trouble getting going finally getting yardage in their second series. The young Lobos held their own in the first defensive series but finally succumbed to the Pima physical size in the second series allowing a couple of long runs.

Now it is time to get working on the start of regular season schedule that has a tough Mogollon High school football team coming to Hayden.

Mogollon is much like the Pima team: good physical size and strength with a couple of speedy running backs. It will be a difficult

assignment for the Lobos but they are showing a BIG team spirit and are welcoming the challenge. The Lobos back down from nobody.

The contest between Hayden and Mogollon is on Friday, Aug. 30, with the kick-off set for 7 p.m.

The Lobos football team, Hayden High School student body and staff are collecting non-perishable food and personal hygiene products for care packages which will be sent to Hayden graduates serving overseas with our nation's military. Donations will be collected at all football home games. Please help – these young men and women should not be forgotten.

## Lady Lobos face off against San Manuel in controlled scrimmage

By **Nolberto Waddell**  
*Copper Basin News*

The Hayden Lobo volleyball team traveled to San Manuel High School on Friday, Aug. 23, for a controlled scrimmage against the Lady Miners.

The Lady Lobo team, led by Devin Estrada, Kyana Garcia and Karina Serrano, appear to be capable of taking up where last year's successful team left off.

The group that will handle most of the playing time played together, talking and moving very good. Their spiking still seems to be a little rusty

but practice and time on the court will help improve the spikes. Their serves for most of the time were accurate but still many were sent into the net for easy opponents points. That too should improve with practice.

The Lady Lobo team still has one week of practice before starting a grueling 18-game schedule that starts on Tuesday, Sept. 3, when the Superior Lady Panthers come to Lobo gym for the opening match of the schedule with the J.V. Lady Lobos taking the court first at 5 p.m. the varsity match will follow

after the J.V. contest. The Lady Lobos will then board the bus for a trip to Miami High School to take on the always tough Lady Vandals again with the J.V. team on the court first at 5 p.m.

The Lady Lobos volleyball team, Hayden High School student body and staff are collecting non-perishable food and personal hygiene products for care packages which will be sent to Hayden graduates serving overseas with our nation's military. Donations will be collected at all volleyball home games.

## Pastor's Corner: What a change has taken place

By Pastor Bill Larsen  
Kearny Southern Baptist  
Church

Back in the '40's and '50's, life was so much different than it is now. I can still remember back to some of those days. Wow! What a change has taken place in our society:

Kids played outside from the time they got out of school until suppertime, then, off to bed by eight or nine in the evening. Vandalism was rare, and you did not have to lock your door in fear of someone coming into your home and stealing from you.

About 90 – 95% of marriages lasted “until death do we part”. The fathers worked and the mothers stayed home, took care of the house and were there when the kids got home from school. It was safe to go anywhere without fear of being mugged or worse. Abortion was illegal and detested by society.

Many school not only allowed prayers, but, encouraged it. Attending church was a very well-respected thing. Most churches were at full capacity, or close to it, every Sunday. Where I was brought up, all businesses were closed n Sunday to accommodate their employees who wanted to attend church. Drugs and alcohol use by teens was at a minimum and sex before marriage was still a no-n.

Wow, what a difference! What happened?

It was decided by some, that we needed to change things to make life more tolerable to them that wanted a wicked lifestyle. So, it was decided that the Bible was just too straight to live by. Prayers in schools became illegal. Any law that upholds what the Bible says is being changed by law and made illegal.

# The Well Armed Woman ... guns aren't just for boys

By Jamie Ramsey

Special to Copper Area News

You may have heard of something called "The Well Armed Woman" and wondered exactly what it was all about. They have been holding local meetings in Kearny for the past several months and have 22 members. There are 94 active chapters across the country. Invitations are open for those that would like to find out more. You can

attend a meeting and see if it is something you might like to give a shot. No pun intended. I had the opportunity to attend a recent meeting and find out what this group of ladies is all about. The meeting I attended was very informative.

Founder, Carrie Lightfoot, was at the recent meeting. She formed the group when she decided to acquire a handgun. She could not find information for women so

she saw a need and filled it. "It is not fluffy," Lightfoot said. "It is about empowering women, not about bling. It is about intelligent, well trained, responsible gun owners."

NRA certified instructors, Marti Stonecipher and Renee Ramsey talked about an array of personal safety issues as well as firearm safety. It is not all about guns, which is what you may infer from the title of the club. At the

meeting I attended, there was an emphasis on personal awareness and safety. They showed different scenarios in videos and discussed the ways that you may be able to protect yourself and family in such a situation. There is a strong focus on teaching women what they can do to avoid becoming a victim.

We are so comfortable in our daily lives and our safe community that we don't give much thought to the fact that crime happens everywhere.

One of the important safety issues discussed at the meeting was how people always give their name when they go in a restaurant or at the coffee shop. This is dangerous because it gives a stranger, perhaps a criminal, the opportunity to appear that they know you by using your name. It can lead to a dangerous situation.

Firearms are discussed as well as proper use and safety in handling. You are welcome to join them at the Copper Basin Sportsman's shooting range and practice your shooting skills after the meeting. They can provide you with various types of guns to try out if you are thinking about getting one as well as provide ammunition. There is a small fee for that service. There are male range officers present at the shooting range. It is very safe, fun experience.

The Well Armed Woman group is bringing Independence Training in to instruct a Defensive Handgun course on Sept. 21 (\$150) and an IFAK Life Saver course on Sept. 22 (\$100-\$225). There will also be a Self-Reliance Q/A session on Sept. 20 (\$25). There is a cost involved for these courses. If you have questions or would like to attend, you may call Glen Stilson at (520) 831-3683.

On Saturday, Oct. 12, the WAW will be bringing AZ PlayItSafe to town to teach

## Public Notice

**NOTICE OF PUBLIC HEARING:** A public hearing will be held by the Pinal County Planning and Zoning Commission at 9:00 A.M. on the 19<sup>th</sup> day **September, 2013** in the Pinal County Emergency Operations Center (EOC) room, Building F, 31 N. Pinal St., Florence, Arizona to consider **PZ-C-002-13:** a Zoning Ordinance Text Amendment to **Title 2 of the Pinal County Development Services Code**, amending **Chapter 2.145 Signs, Billboards, Name Plates and Other Outdoor Advertising** as follows:

**2.145.010 through 2.145.120 [remain the same]**

**2.145.030 General provisions.**

Except as may be further restricted in designated zoning districts, all permitted signs shall be subject to the following:

A. through S. [remain the same]

T. A-frame signs shall not exceed four feet in height and six square feet per face. A-frame signs must be located within 15 feet of the building entrance of the business being advertised. One A-frame sign is allowed per business and shall not be included in the aggregate sign area allowances. Churches located in schools and churches located in multitenant shopping, office or industrial centers when they are not located next to a street, are allowed to place a maximum of 2 A-frame signs on private property next to the nearest street. Church A-frame signs can be placed in the allowed locations 24 hours before the start of worship and must be removed 3 hours after worship has concluded. [Ord. PZ-C-002-12 § 6; Ord. 012010-AEO § 1; Ord. 61862 § 2203].

**2.145.040 through 2.145.140 [remain the same]**

**2.145.150 Flexibility provisions.**

This section sets forth a procedure which provides flexibility in the sign code for signs or sign packages not allowed in PCDCS 2.145.010 through 2.145.140, or as the result of a stipulation to a zoning approval. The procedures include the use of design review to receive additional height and area for signs.

A. [remains the same]

B. A permit utilizing the Approval of a comprehensive sign package is intended to encourage a flexible procedure to allow signage which is not in strict compliance with the provisions of the zoning district regulations under this chapter, but which is appropriate to the character of the development, provides adequate identification and information, provides a good visual environment, promotes traffic safety and is regulated to the extent necessary to be consistent with the purpose and intent of this chapter as specified in PCDCS 2.145.010.

C. The planning and development services department may issue use permits for comprehensive sign packages or where mandated by a stipulation to a zoning approval. The use permit or any modification thereto. Approval of the application may contain such conditions, requirements or standards that may be stipulated by the sign review committee, as approved by the director of planning

## Public Notice

and development services, to assure that signs covered by the use permit will not be detrimental to persons or property in the vicinity, or to the public welfare in general.

D. Comprehensive sign packages approved under this section shall be evaluated based upon the following criteria:

1. and 2. [remain the same]

3. Size. All signs shall be no larger than necessary for visibility and readability. Factors to be considered in determining appropriate size shall include topography, volume of traffic, speed of traffic, visibility range, proximity to adjacent uses, amount of sign copy, placement of display (location and height), lettering style and the presence of distracting influences. Specific justification must be made if a request is submitted for a freestanding or wall sign to exceed by more than 50 percent any maximum height standard or by 25 percent any maximum area standard allowed in the regular ordinance. There shall be no prescribed limit on the percentage by which a comprehensive sign package may allow a directional sign to exceed the area or height restrictions permitted on the site.

4. through 6. [remain the same]

E. and F. [remain the same]

G. Submittal Package. A completed application shall be filed with the planning and development department together with an application fee; the application shall include the following:

1. through 3. [remain the same]

See the appendix at the end of this title for sign review committee evaluation sheet. [Ord. PZ-C-002-12 § 20; Ord. 61862 § 2215].

H. Review Process.

1. SRC Review. Upon the filing of the completed application, the SRC shall review the application and forward the application together with a recommendation to the director.

a. If the application is for a freestanding or wall sign that exceeds any ordinance maximum height standard by 50% or less or exceeds any maximum area standard by 25%, or less or is for a directional sign that exceeds the area or height restrictions permitted on the site, the director shall make a decision of approval or denial.

b. If the application is for a freestanding or wall sign that will exceed any ordinance maximum height standard by more than 50% or any ordinance maximum area standard by more than 25%, or that contain an electronic message device except for "time and temperature", the director shall transmit the application, along with the SRC's recommendation and the director's recommendation to the board of supervisors.

2. Director's Decision. On applications reviewed by the director, notification of his/her decision shall be given in writing to the applicant. Said notice shall also inform applicant of applicant's right to request a review of the director's decision by the board of supervisors and the

## Public Notice

process for such a request.

3. Request to Review Director's Decision. Within 30 calendar days from the mailing date of the director's decision, applicant may file in writing with the clerk of the board of supervisors a request for review of the director's decision by the supervisors. A public hearing shall be set for the supervisors to hear the request for review.

4. Board of Supervisors' Process.

a. Public Hearing. Applications transmitted to the supervisors for their consideration shall be set for a public hearing.

b. Notices. Notice of the date and time of the public hearing shall be given by:

i. Publication. At least one publication in a newspaper of general circulation in the county seat at least 15 calendar days prior to the date of the public hearing.

ii. Posting. Posting the area of the site of the proposed location for the sign(s) at least 15 calendar days prior to the date of the public hearing. The posting shall be along perimeter public rights-of-way so that the notice is visible from the nearest public right-of-way. It shall not be the responsibility of the county to maintain such posting once erected.

iii. Mailings. By first class mail to each property owner, as shown on the assessment of the property, within 600 feet of the property where the sign(s) will be located.

c. Notice Content. At a minimum, the notice shall include the date, time and place of the public hearing and a general explanation of the matter to be considered and how statements of support or opposition may be filed on the proposed action.

d. Procedure. This is not a quasi-judicial procedure. Notice of the public hearing on the review request shall be by publication, posting and mailing as set forth in PCDCS 2.145.150.B.3.b above. The supervisors may uphold the director's decision, modify the decision or reject the decision and make a new decision.

## Public Notice

**NOTICE OF PUBLIC HEARING:** A public hearing will be held by the Pinal County Planning and Zoning Commission at 9:00 A.M. on the 19<sup>th</sup> day **September, 2013** in the Pinal County Emergency Operations Center (EOC) room, Building F, 31 N. Pinal St., Florence, Arizona to consider **PZ-C-001-13:** a Zoning Ordinance Text Amendment to **Title 2 of the Pinal County Development Services Code**, amending section 2.151.010 of **Chapter 2.151 Permits: Special Use, Special Density, Temporary Use and Special Event;** Section 2.165.040 of **Chapter 2.165 Zoning Regulations Amendments;** Sections 2.166.040 and 2.166.050 of **Chapter 2.166 Rezoning;** Section 2.170.110 of **Chapter 2.170 Comprehensive Plan, Specific Land Use Plans and Plan Amendments;** Section 2.176.230 of **Chapter 2.176 Planned Area Development (PAD) Overlay Zoning District on and After February 18, 2012;** and Sections 2.205.030 and 2.205.070 of **Chapter 2.205 Wireless Communications Facilities** as follows:

Chapter 2.151  
Permits: Special Use, Special Density, Temporary Use and Special Event  
2.151.010 Special use permit (SUP).  
The commission and the supervisors recognize and permit certain uses that because of their inherent nature, extent and external effects require special care in the control of their location, design and methods of operation to ensure that their location in a particular district is appropriate, to ensure the use is made compatible with the permitted uses in a specific zoning district or other adjacent permitted uses which may be adversely affected and to ensure the public health, safety and general welfare are protected. Such uses are designated as special uses and allowed only with a special use permit (SUP). This section sets forth procedures for submitting, reviewing and approving an application for a special use permit and for the issuance of such permits.

A. through G. [remain the same]  
H. Concept—Review Pre-Application Meeting. Prior to filing an application, the applicant or the applicant's authorized agent shall attend a concept-review pre-application meeting with the planning and development department and other appropriate county staff to familiarize staff with the proposed special use and identify and discuss any issues related to the proposal and to review the application requirements. The concept review pre-application meeting shall not be interpreted as staff approval for the proposed special use and does not commit the county to approving any proposed special use.

I. through V. are changed to J. through W. but their content remain the same  
A new I. is added as follows:

I. Pre-Application Submittal.  
1. A SUP pre-application shall contain all information and documentation that is identified on the application form provided by the county and checklist provided at the concept review meeting and shall:

a. Identify the applicant.  
b. Describe the proposed special use.  
c. Provide justification of compliance with the comprehensive plan.

2. A SUP application shall be accompanied by:

a. A nonrefundable filing fee in accordance with the fee schedule adopted under the authority of PCDCS 2.160.050.

b. Either a preliminary site plan or specific site plan for the proposed special use or uses as required in Chapter 2.200 PCDCS. If the site plan is a preliminary site plan it shall be drawn to scale, showing structures, heights, property lines, lot sizes, setbacks, adjacent roads, yards, parking and traffic flow, drainage, proposed sign location and design, location of leach fields or sewers, and any other information needed to properly evaluate the request.

c. Building floor plans and elevations of the proposed improvements, in detail.  
d. A written statement accompanied by data demonstrating:

i. That there are special circumstances or conditions applicable to the location of

the property referred to in the application, which would make the proposed special use appropriate on this property, though not in the zoning district at large.

ii. That the specific treatment of the proposed special use will not contribute to a worsening of traffic safety or otherwise have an negative impact on nearby properties or otherwise affect the health and safety of persons residing or working in the area.

e. Information addressing the factors listed for consideration in subsection N of this section.

3. The SUP application must be complete and signed by all owners of the land where the special use that is the subject of the SUP is located or by their authorized agents. An application signed by a property owner's authorized agent requires documentation in a format required by the county of the agent's authorization to sign on behalf of the owner and/or to agree to conditions on behalf of the owner.

4. Applicant may propose conditions for the requested SUP.

**2.176.230 Application process.**

A. through C. [remain the same]

D. Concept—Review Pre-Application Meeting. Prior to filing an application, the property owner and/or property owner's authorized agent shall attend a concept-review-pre-application meeting with the planning and development department and other appropriate county staff to familiarize staff with the proposed PAD overlay zoning district and identify and discuss any issues related to the proposal and to review the application requirements. The concept review pre-application meeting shall not be interpreted as staff approval for the proposed PAD overlay zoning district and does not commit the county to approving the proposed PAD overlay zoning district. E. through I. are changed to F. through J. but their content remain the same

A new E. is added as follows:

E. Pre-Application Submittal.

1. Applicable filing fees.

2. Development plan including:

a. Preliminary Site Plan (Map). The following elements are required:

The proposed PAD overlay zoning district shall be drawn at sufficient scale so as to not exceed a paper size greater than 24 inches by 36 inches. Eleven-inch by 17-inch reductions shall be included in the PAD overlay zoning district application and lettering thereon shall be of sufficient size to be readable.

Title of the project, as shown in the narrative report, such as "Planned Area Development for [insert name of development]" in bold letters.

Name of the landowner, developer, applicant and preparer of the plan.

North arrow, scale (written and graphic), dates of plan preparation and subsequent revision dates.

Inset vicinity map showing the relationship of the proposed project to existing development in the area, surrounding zones, roadways and railroads at a scale of not less than one inch equals 2,000 feet.

Existing zone designation of subject

## Public Notice

property and requested zone change, if applicable.

Legal description of the entire property.

Delineate the exact boundaries of the proposed PAD overlay zoning district by bearing and distance.

Show existing perimeter streets, including center lines, names, dimensions of existing rights-of-way and pavement widths, and proposed dedications.

Indicate the location and width of all existing roadways on the property, whether the roadways are public or private and whether such roadways will remain or be extinguished.

Indicate the location and width of all existing easements and rights-of-way on the property and adjacent to the property; identify the type of easement, i.e., sewer, utility, roadway; whether the easement is public or private; and whether such easements will remain or be abandoned.

Show location and size of existing structures and significant natural features.

Show the general locations and scheme of proposed interior collector and major arterial streets with proposed rights-of-way.

Identify nearest regional significant routes to proposed development as projected in Regionally Significant Routes for Safety and Mobility Final Report, December 2008.

Show points of ingress and egress to the site.

Show parking areas.

Identify and delineate existing and/or proposed trails as shown on the Pinal County trail system master plan and other available information.

Indicate the general location of the proposed residential area(s) and types of housing proposed for each area. Show and label areas of open space, recreation areas, drainage areas and any proposed facilities such as sewage treatment plant, school sites, etc.

Show typical lots for each dwelling unit type, including typical lots in cut-de-sacs, on corners and in any unusual location.

These typical lots should show the building envelope, the proposed minimum setbacks, the minimum lot dimensions and individual fences/walls.

Show topography with a maximum contour interval of two feet, except where existing ground is on a slope of less than two percent, then either one-foot contours or spot elevation shall be provided where necessary.

Identify by note or notes the existing drainage pattern and the proposed drainage plans for handling on-site and off-site storm water runoff.

Indicate the locations of proposed perimeter fences, walls and/or screening.

Show property boundaries and dimensions for each unit.

Note the general location and type of proposed on-site landscaping.

b. Narrative Report. The narrative report is to provide in text format to the county such information about the proposed development plan that cannot be clearly conveyed by a map alone. Only the following information should be included in a supporting narrative report in the following order:

Title Page. The title page shall clearly indicate "Planned Area Development for [insert the name of the development]," the name of the applicant and the preparation date and any dates of revisions.

Purpose of Request. The first section of the report shall give a description of the proposed PAD overlay zoning district, the nature of the proposed development and explain why the development is proposed. Discuss why the site has been chosen. The applicant shall state the advantages and benefits of the proposed development to the county in detail and any disadvantages and how the disadvantages will be addressed.

Description of Proposals. The character and type of each proposed land use and building types and densities shall be thoroughly explained. All of the proposed nonresidential buildings and structures and their intended uses shall be described.

Relationship to Surrounding Properties. Surrounding land use and zoning should be described. The impact of the proposal

## Public Notice

on surrounding properties in each direction shall be discussed.

Schools. The impacts on schools, including the demand for new schools, shall be explained. A school response letter indicating the status of review and method of addressing impacts created by the proposed PAD overlay zoning district shall be provided by the applicant.

Public Services. Discuss the impact on existing public services and the need for additional services such as fire stations, fire protection systems (fire hydrants), sheriff's facilities and waste disposal systems and how and when the need will be addressed.

Community Services. Discuss the need for community services such as churches, libraries, museums, community centers, and how the need will be addressed.

Location and Accessibility. The advantages of the proposed location should be explained. The means of access, distance from major streets, distance from regionally significant route as projected in Regionally Significant Routes for Safety and Mobility, Final Report, December 2008, and surrounding road conditions should be described.

Any proposed interior streets, drives and improvements should also be described using cross-section drawings or similar details.

If proposed development is adjacent to a projected regionally significant route, describe how the access points to the development site comply with the Regionally Significant Routes for Safety and Mobility, Access Management Manual, October 2008.

Utilities and Services. The availability and adequacy of proposed utilities and services must be thoroughly discussed.

Ownership and Control. Indicate who will own, control and maintain landscaping, open space, streets, recreation facilities, refuse disposal and utility systems.

Timing of Development (Phasing Schedule). A section of the report should contain a phasing schedule for timing of construction for each unit and connection to infrastructure necessary to support a specific unit or the whole development including, but not limited to, transportation improvements, public services, utilities and development of common areas and open space amenities. Phasing for recreation area amenities shall follow the requirements set forth in PCDCS 2.176.160(A).

Conformance with the Comprehensive Plan. Discuss the relationship and conformance of the proposed PAD overlay zoning district with the comprehensive plan.

Recreation. Discuss recreational amenities and the level of service to be provided to residents of the PAD overlay zoning district.

Fences, Walls and Screening. Illustrate the types, height and material of proposed perimeter fences, walls and/or screening.

Maintenance of Streets and Common Areas. The provisions for the perpetual maintenance of the private streets, common areas and landscaping should be thoroughly discussed.

Total number of dwelling units.

Maximum residential density of each planning unit.

Total number of parking spaces for recreational facilities.

Type of landscaping.

Preliminary hydrologic data and a statement as to whether or not natural drainage courses are to be obstructed or disturbed or if regulatory natural floodplains are to be altered or fitted.

Additional Information for Commercial and Industrial Uses.

The total area in acres proposed for commercial/industrial development.

The approximate retail sales floor area of commercial uses.

The uses proposed to be included in the development shall be selected from the uses permitted in the base zone. Uses from the base zoning can be deleted but new uses cannot be added.

The standards of height, open space, buffering, landscaping, pedestrian and vehicular circulation, off-street parking and loading, signs, outdoor lighting, and nuisance controls intended for the

All powers, duties, and responsibilities of the incorporator shall cease at the time of delivery of these Articles of Incorporation to the Arizona Corporation Commission. ARTICLE IX The Corporation shall indemnify any person who incurs expenses or liabilities by reason of the fact he or she is or was an officer, director, employee or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee or agent of another Corporation, partnership, joint venture, trust or other enterprise. This indemnification shall be mandatory in all circumstances in which indemnification is permitted by law. ARTICLE X To the fullest extent permitted by the Arizona Revised Statutes, as the same exists or may hereafter be amended, a director of the Corporation shall not be liable to the Corporation or its stockholders for monetary damages for any action taken or any failure to take any action as a director. No repeal, amendment or modification of this article, whether direct or indirect, shall eliminate or reduce its effect with respect to any act or omission of a director of the Corporation occurring prior to such repeal, amendment or modification. EXECUTED THIS 23 day of July, 2013, by all of the incorporators. INCORPORATOR: /s/ Rob Bulman
