## LETTER TO THE EDITOR

### More than a trophy, a memory was taken

If you have seen someone recently displaying this (see photo) as their prize, then, perhaps you either know a thief or have viewed a display given or sold to a person by a thief.

This trophy belongs to Mike Gorham who resides at 111 E. 5th St. in Mammoth. It was one of his first. It was recently blatantly stolen from Mike's mother's home from its display at the Rocking G Ranch, 36000 Rocking G Trail. The ranch is located at 10.5 miles South of San Manuel, on the Redington Road.

Of course, the thief is not known. It is not known if the taker is a local, hunter, a delivery person, or even someone who knows the family. It is hoped that the readers of this plea will please assist in the find. Pass the word verbally, use Facebook, Instagram, email, sports publications, posting, notifications to local hunters or any social media method possible to get the word out, and, especially, get this picture circulated.

Fact: There are many more good sports and honest hunters than those who would deprive someone in his /her hunting brotherhood of a most prized possession. This kind of "keepie" is much more than a trophy. These represent a remembrance of emotions, feelings, the trials of the trip, the thrill of hunting, and, a success. We sincerely hope the horns will be located.

It would be appreciated if you, all of your

friends, all true hunters everywhere would circulate this picture, watch for a vision of this rack everywhere you go, pass the word, pass the picture, pass the story, and, hopefully this can be returned to the person who truly owns this rack.

If you have any information that could help you retrieve the rack, please call Mike Gorham at 520-487-2066 or (mobile)480-586-0274; Joe Reynoso at (La Casita) 520-487-9980 or Lanie Reynoso (home) at 520-487-2401; or Carlene K. Gorham at 520-212-3456.

Thank you for anything you can do to help this 40 year old trophy come home.

# San Manuel football hoping early tough schedule pays off later

By Andrew Luberd  
San Manuel Miner

At quick glance, the results after San Manuel's first two football games don't indicate many positives, but that depends on whose viewpoint it is.

In two losses, the Miners have been outscored, 104 – 6.

In Yuma Catholic and Benson, the Miners scheduled games against a 3A state title contender and a perennial 2A playoff contender, respectively. Neither is the type of opponent that most teams can expect success. In fact, it may be the opposite, but there's a method to San Manuel head coach Damon Lovato's scheduling philosophy.

"I would challenge any team in the state to schedule (tougher teams)," Lovato told the Miner. "We played two of (the best) in their respective conferences.

"When we schedule our two toughest games, I can keep things in perspective. I think we've learned from both experiences. If we plan to compete for (the playoffs), the trip to Yuma (is beneficial). It also helps our strength of schedule, which has hurt us previously. Even with losses, (the strength of schedule) help us in the long run."

Junior Santiago Salazar and senior Cisco Curry are confident the Miners will have the success the team expects this season. Two early losses have not diminished their optimism.

"In our first game, we were really shaky on offense, but I think we improved against Benson, especially our run game," Salazar said. "Julian Rodriguez improved (the most). He ran hard, tried his best and gave it his all."

Salazar acknowledged the defense still has work to do to play at the level it needs to, including the defensive line.

Curry also expects the experience so far to pay dividends later. The bond the players share will see them through.

"We've all grown up so close to each other and developed that bond on the field," Curry said. "If we can continue to build that on the field, I think we can be great. We're going to have a good season."

The Miners hope to change the viewpoint of others at Tombstone this Friday.

Kickoff is scheduled for 7 p.m.

### Wake up and stop getting dazzled

Here's a little factoid for all of you that attended the Pattern Energy presentation in San Manuel on June 19, 2018. If you visit Pattern Energy's website, you'll find no mention anywhere of the proposed San Manuel/BHP photovoltaic plant. That's it!

Another fake meeting to drum up the locals in excitement, just like the amazing Oracle Ridge mine on the west slope of the Catalinas that was going to employ dozens of locals at a starting wage of 45K. I was at their public meeting in Oracle and I had my doubts. My doubts were confirmed. No

mine, no jobs.

The only article you will find on Pattern Development's website is the one reported by John Hernandez of the Copper Area News, June 27, 2018. Just like the Oracle Ridge mine that was supposed to be in high gear by now, Pattern Energy's plan is just more Blue Sky to impress investors and raise their stock price.

Can we please just wake up to these clowns and not get dazzled by their dog and pony shows? Please.

# Miner swimmers ready for 2018 season

The Miner Swim Team has had to make some adjustments this year. The San Manuel Pool is under repairs so the team is practicing at the Mammoth Pool. Despite the logistics challenges, the team has had many good practices including work in the weight room. The team is in shape and ready for competition.

The Girls Swim Team comes off a 9 win season in 2017 (which equals the most in team history) and hopes to continue its winning ways in 2018. Senior Darien Apuron brings back 3 years of experience at the State Championship Meet and looks to earn her way back again this year and improve on her top 10 finish in the 100 Butterfly from last year. Senior Bonnie Bridges brings experience in the Freestyle events. Junior BaiLee Hill returns with experience in the Backstroke and Distance Freestyle events. Sophomore Star Chavez was part of the Miner Relay team that finished 12th at the State Championship Meet last year and hopes to make it back again this year. Sophomore Alyssa Riekofski showed tremendous improvement in her first year of swimming and looks to pick up where she left off. Freshman Rianna Estrada is an anticipated addition to the team who is very good in all competitive strokes.

The Boys Swim Team comes off a 6 win season in 2017, which was an incredible result with only 4 swimmers. All four boys return in 2018. Senior Michael Primero-Predgo earned a spot at the State Championship Meet last year in both the 100 Freestyle and 100 Backstroke. Senior Daniel Garcia looks to improve on last year's successes in his 50 Free and 100 Butterfly. Sophomore Evan Apuron returns after finishing 5th in both the 200 Individual Medley and the 100 Breaststroke at the State Championship Meet, he is swimming very fast right now, and hopes to be battling for a spot on the podium this year. Sophomore Jayden Smith returns bigger, stronger and faster this year, he is capable and willing to take on any race that the coaches put him in. Freshman Hunter Hill is the new addition to the team and he has been showing tremendous potential in practice.

Head Coach Alex Gort has high expectations for the team. "This is a small team with some very good swimmers. The team is good enough to be competitive with much larger teams and schools."

The Miners first meet of the season is against Palo Verde on Thursday, Aug. 30, at the Terra Del Sol Pool at 4 p.m.

# The Copper Corridor remembers Senator John McCain

For the past 30 years, John McCain has been serving the people of Arizona in Washington, DC. In more recent years, Sen. McCain emerged as a strong and fierce supporter of the Copper Corridor. He and then Sen. Jon Kyl sponsored the Southeast Land Exchange Bill that allows Resolution Copper to continue building its mine.

McCain visited Superior in 2010 and again in 2014, speaking at Porter's Cafe and the Superior Chamber of Commerce and donning protective gear to go underground in the deeps of the mine.

"My friends, it is two thousand high paying jobs mining the richest ore that ever been discovered in North America," McCain said, at his visit in 2010. "We should not prevent 2,000 high paying jobs and 4,000 jobs indirectly because of one congressman. These are honest, hard-working, god-fearing people that deserve a job!"

McCain was disheartened to see the loss of jobs and potential for them.

"It grieves me," he said, "when I drive around here and see all the stores closed down and empty houses, because this was really the heartland of our earliest history as a state and we're going to restore that."

He was determined to see the Resolution Copper Project come to fruition.

He offered the following comments in 2014 after his underground visit to the mine.

"The Resolution Copper project has the potential to utterly transform these communities," he wrote. "At full capacity, the mine could create as many as 4,000 jobs and produce roughly 25 percent of our nation's domestic copper supply. Arizona as a whole will likely benefit from tens of billions of dollars in increased economic activity over the lifespan of the mine.

"Last week, I traveled 1,100 feet down into the mine to meet some of the remarkable men and women working on this state-of-the-art project.

"They are eager to see the project move forward and look forward to the day when their friends, neighbors and family members can enjoy the benefits of the mine's operation. They are excited by the potential to grow the workforce supporting the mine and, buoyed by its development, additional opportunities to buy or build a home in Superior, or open a small business, restaurant, or day care in town."

Many have referred to the tapestry of life that Senator McCain created through all of his relationships and his experiences. He was the ultimate designer of this tapestry, but just like a quilt, each piece, every meeting, speech, newspaper article, visit added to the completion of the quilt and all that this massive quilt provides, warmth and protection. While Senator McCain has left us, he has left us all stitched together to further his legacy.

Copper Area News asked leaders in the Copper Corridor to help us remember Sen. McCain and share their piece of his tapestry.

Pinal County Supervisor Pete Rios remembers having lunch with Sen. McCain.

"He would say, 'Thank you for your service to the State.' I'd say, 'Which is de minimus compared to your service to the world!'" Rios said, adding that it is a "huge loss to America."

"Senator McCain has set the example of how to stand up for what you believe in, while working for the greater good of the people. My visits with him, will remain cherished memories and his guidance and advice will forever have an impact on my life," said Superior Mayor Mila Besich-Lira.

"Senator McCain was a true American Hero. He devoted his life

to the service of our Country. He was a champion for Superior and Rural Arizona, he served with integrity and honesty and you could count on him to listen to our concerns. His no-nonsense, committed leadership will be missed. Many in our community were fortunate to meet with him on his many trips to Superior.

"On behalf of the Town of Superior, we offer our deepest condolences to the family, friends and staff of Senator McCain."

Judge Arnold Estrada, current Justice of the Peace of the Mammoth-San Manuel Justice Court, shared the experience of being a Vietnam Vet, just like Senator McCain. He was proud to say that they served our country.

"He was a great Senator. He worked for both sides and I always felt good about supporting him," said Judge Estrada.

Sue Anderson, president of the Superior Chamber of Commerce and Rebuild Superior, Inc., admired the Senator.

"Senator McCain was a tremendous supporter of Superior and our plight to move forward with the Land Exchange that was critical to the future of Superior," she said. "He never gave up. When one idea didn't work he came up with another, and another, until he managed to get the Bill approved. As busy as he was, the night the Land Exchange Bill was passed by Congress he made a personal phone call to me to thank me for my support. Needless to say, I brag on that with my family whenever I get a chance! I admire the Senator for always standing up for what he thought was right...even though it may not have been the most popular approach with the voters. He was a man that did what he said he was going to do. Period. Our hearts go out to the family at this very difficult time. You can all stand tall and be forever proud of the man that changed Arizona and the United States in many ways."

Sen. McCain passed away on Aug. 25, 2018. He is the only Arizona Senator to die in office. He will be missed.

**The Resolution Copper family is deeply grateful for the support of Senator John McCain. He will be sorely missed and never forgotten.**
