Pinal Justice of the Peace districts changing for 2018

FLORENCE, AZ – After a couple of public hearings and much discussion, the Board of Supervisors has voted to reduce Pinal County's Justice of the Peace Districts for 2018 election.

The reduction comes after a study found that the Apache Junction Justice Court is nearing critical capacity when it comes to caseload. Each charge in a case before the court is given a specific number of "Productivity Credits" per the amount of time and effort it takes to handle through the system. The maximum amount of credits per Justice Court is 1,200. In 2014-2015, the Apache Junction Justice Court earned 1,180.29 credits, less than 20 away from the maximum.

In addressing the Board, County Manager Greg Stanley cited Arizona State Revised Statute 22-125 that states:

"The judicial productivity credits for any justice court precinct shall not exceed twelve hundred credits. If the total judicial productivity credits of a justice court precinct exceed twelve hundred credits, the county board of supervisors shall create sufficient courts, or redraw the justice court precinct boundaries according to section 22-101, in order to reduce the judicial productivity credits for any precinct which exceeds that limit."

Productivity Credits per Justice Court 2014-2015:

- Apache Junction Justice Court 1,180.29
 - Casa Grande Justice Court 678.20
 - Eloy Justice Court 330.79
 - Maricopa/Stanfield Justice Court 300.08
 - Florence/Coolidge Justice Court 203.98
 - Oracle Justice Court 123.73
 - Superior/Kearny Justice Court 100.19
 - Mammoth/San Manuel Justice Court 43.28
- "As you recall," Stanley said, "1,200 credits is when the board has to either redraw boundaries or add another J.P."

The County Manager also addressed workload when it comes to clerks in each of the precincts. By general guideline, the clerks should not have more than 1,000 cases to oversee. The Apache Junction Justice Court's clerks case numbers were over the recommended 1,000.

Clerk's Workload per Justice Court Three Year Average:

- Apache Junction Justice Court 1,489
- Casa Grande Justice Court 990
- Eloy Justice Court 813
- Maricopa/Stanfield Justice Court 806
- Florence/Coolidge Justice Court 674
- Oracle Justice Court 542
- Superior/Kearny Justice Court 384
- Mammoth/San Manuel Justice Court 254

While addressing the board, the County Manager showed different solutions available to the Supervisors to rectify this problem. During a work session on this topic in April, Stanley presented a map, drawn by Vice-Chairman Pete Rios,

Forest Service to host public meeting in Superior for Arizona National Scenic Trail

The Forest Service, U.S. Department of Agriculture will host six public meetings in August throughout Arizona to discuss development of a comprehensive plan for the Arizona National Scenic Trail.

The comprehensive plan is being developed in partnership with the National Park Service, Bureau of Land Management, Arizona State Parks, local governments, and the Arizona Trail Association. The plan will guide management of the trail for the next 15 to 20 years. The Arizona National Scenic Trail stretches over 800 miles from Mexico to the Utah border.

Thousands of hikers, runners, mountain bicyclists, and horseback riders enjoy the trail each year. It stretches through seven Arizona counties, four National Forests, one state park, four National Park Service sites including Grand Canyon National Park, and two Bureau of Land Management units. The Arizona National Scenic Trail was added to the National Trails System by Congress in 2009. It is one of only 11 National Scenic Trails nationwide. It runs the length of the Copper Corridor.

"This trail has been a community project from day one," said Laura White, Forest Service Trail Administrator. "We hope supporters of the trail will take this opportunity to help us craft a long-term vision for its

management and protection."

All public meetings are open house format and run from 5:30 p.m. to 7:30 p.m. A short presentation on the plan will begin at 6 p.m.

In the Copper Corridor, the meeting date and location is Wednesday, Aug. 16, at the Superior Chamber of Commerce, 165 Main St. in Superior.

Topics covered at the meeting will include trail management, connectivity with local communities, access for recreation, and long-term protection. Attendees will be able to review the preliminary Forest Service proposed action and provide feedback. The meetings are scheduled during a 60-day comment period that begins August 1.

Information on the Arizona National Scenic Trail Comprehensive Plan can be found at: www.fs.usda.gov/main/azt/land-resources-management/ The National Trails System is celebrating its 50th

anniversary in 2018. More information can be found at: <https://www.trails50.org/> or by contacting Laura White at 520-388-8328 or laurawhite@fs.fed.us.

Magma Royale - Fun

By Mila Besich-Lira
Copper Area News

Where can you have some Vegas-style fun guilt free? You might be thinking, this is a trick question. It is possible to have some high rolling, high stakes fun this Saturday, Aug. 5, at the Third Annual Magma Royale fundraiser for the Superior Optimist Club. The event is held at the Magma

Club and starts at 6:30 p.m. The club requests a suggested donation of \$25 which includes food, a beverage ticket and \$50 in fun money. The best part about the suggested admission is that it all goes towards making a positive difference in Superior.

Since 2004, members of the Superior Optimist Club have been volunteering in the community and hosting activities for everyone to enjoy. In the early

formation of the club, they used to host a golf tournament around Father's Day, which was the primary fundraiser for the club along with endless hamburger sales at community events. The club worked tirelessly to raise money which they distributed throughout the community to youth groups and community projects. This year the club is celebrating 13 years of service in Superior.

Three years ago, as new members joined the club, they decided to try something new and that new fundraising concept was Magma Royale. An evening with plenty of social interaction, great food, adult beverages, a silent auction and of course the best part earning your raffle tickets for prizes by playing casino style games. Prizes range from sporting

event tickets, restaurant gift cards, art, jewelry and custom themed baskets. The club guarantees that there will be fun for everyone at the event along with plenty of prize choices. Other auction items include a signed Cardinal's football by Drew Stanton and several pieces of art work.

This year's "Gold Sponsor is KGHM-Carlotta mine, without the support of all of our generous sponsors and prize donations, we wouldn't be able to raise the funds we need to serve our community," explained JoAnn Besich, treasurer of the Superior Optimist Club.

In addition to the sponsors and ticket sales, the club hosts both a silent auction and a live auction during the event. This year's live auction item includes an underground mine tour

It might not be Monte Carlo, but the Magma Club will be transformed Saturday night into the Magma Royale for the Superior Optimist Club's fundraiser.

The funds raised during the event helps the Superior Optimist Club to host the annual Miracle on Main St. Christmas light parade and festival and the annual Honor Roll Banquet where the club presents top students a laptop computer. Since the club started awarding laptop computers in 2007, they have awarded almost 50 laptops to deserving students. Firehouse Subs Foundation awards grant to Superior Fire

Superior Fire Department is proud to announce that it will soon have new fire hoses and nozzles thanks to a generous grant from the Firehouse Subs Public Safety Foundation Board of Supervisors.

The department will purchase 2,200 feet of fire hose with 3 nozzles, valued at \$12,299.14, to replace existing hoses and accessories on Superior Fire Department's primary structure engine.

The Firehouse Subs grant will benefit the community and firefighters knowing brand new safe and compliant equipment will be utilized to fight fires.

It will also allow the existing hoses and nozzles in compliance to supplement the existing fleet and fulfill hose length requirements for an overall better operation at fire scenes.

Superior Fire Department graciously would like to thank the Firehouse Subs Public Safety Foundation Board of Supervisors for helping our community.

COURTS

with a set of boundaries that showed the Apache Junction Justice Court split from the San Tan Valley area while eliminating two precincts in eastern Pinal County in order to save money.

The map Stanley presented, 4.5 shows SaddleBrooke placed in with the Eloy Justice Precinct while Oracle, Mammoth, Kearny/Superior's Justice Precincts being combined and a roving judge to hear cases in two different areas.

In April's work session hearing, a group of SaddleBrooke residents put together a plan for the precinct re-alignment. County Manager Stanley said those plans were unworkable for various reasons.

Vice-Chairman Rios worked out an alternative map that would place SaddleBrooke in with the eastern part of the county. The map's designation was 4.7.

"What we are concerned with here today is accessibility to justice," the Vice-Chairman said. "That's what I was looking at in drafting maps 4.5 and 4.7. Why did I draw those maps? Because the courts map, 4.4, I really disliked because that map put Mammoth, San Manuel and Oracle with SaddleBrooke, and that was the kiss of death for any candidate running from those areas. That map also put Kearny, Superior and Queen Valley in with Apache

Junction & Gold Canyon, which was the kiss of death for any candidate running from those rural areas as well. I've been taught for a long time, and I have been doing redistricting and reapportionment now since the eighties, that you want to give people an opportunity to vote for a candidate of their choice (regardless of race or ethnicity). Not only is that my phrase, it is also a phrase in the 1965 Voting Rights Act."

In Rios' plan, the Oracle Justice of the Peace court would stay open along with the Kearny or Superior

Justice of Peace Court with a judge alternating between the two courts. The same plan would be in place for the combined Eloy, Coolidge and Florence Justice of the Peace Courts, with both Eloy and Florence JP Courts remaining open.

After public testimony and an hour of discussion the Board voted 3-2 to adopt Rios' map 4.7 in the Justice Court realignment to be effective January 1, 2019, which means candidates in 2018 would run under the new adopted district boundaries.

Local archer finishes as back-to-back state champion

By Ray Denogean
Special to Copper Area News

Raymond Anthony Denogean Jr., son of Raymond Denogean of Superior and Julie Judd of Kearny, just finished a successful 2017 season of 3D competitive archery series events in Arizona, capping off his 24th career tournament win.

Raymond Jr., who won the 2016 Arizona 3D Championship Series Triple Crown Overall last year in 2016 and with conclusion of the final event win in Chino Valley, on May 21 became the 2017 Triple Crown State Champion Overall in "Back to Back" years in the 9 and under division.

Raymond Jr. competed in and won the Overall Championship in three different series this year: The ABH Traditional Triple Crown, The ABH Buckle Series and the Arizona 3D Championship Series Triple Crown. All three series targets consisted of two course rounds of 20 3D type animal targets having an official IBO and/or ASA scoring areas where archers are only allowed to shoot one arrow per target. In the ABH Traditional Triple Crown Series you are only allowed a recurve or longbow, shot with fingers directly contacting the bowstring using

a glove, finger tab, or bare fingers. No stabilizers, counterbalances, or weights of any kind are allowed. This was the first year for the 9 and Under Division and Raymond finished off all three traditional events and used a Samick Polaris Recurve and received a Handmade Custom Leather Championship Engraved Field Quiver for the overall series prize.

Raymond won all three buckle series events and received his first championship belt buckle for the overall inaugural series along with cousin Stevie Denogean, who won his Division overall and first buckle as well. Raymond Jr won three of the four events during the AZ 3D Championship series events with one second place (Event 1) in where Raymond used his compound with a pin sight, stabilizer and switched between a finger and T handle release. Raymond also received his second overall championship buckle for the Triple Crown after Event 4.

It's a family thing. Ten of the Denogean family travel together to multiple events every year where they all compete in these tournaments in different divisions. Raymond Jr. has been shooting a bow since he was 2 years old and loves to spend time shooting and practicing in with his

Grandfather Dico and Uncle Brandon who got him into archery and taught him how to shoot. Raymond's very first tournament and win was in 2014 when he was 5.

Raymond Jr. shoots his bow every day and practices with his dad on targets at home when he is not playing other sports. Raymond Jr. idolizes and aspires to be like Arizona Native Olympic Archer and Medalist Brady Ellison. Next year moving up to the next division 10-13 year olds, Raymond Jr. is motivated to work hard to move up the ranks with the support of his family will continue to compete in local and travel events and possibly a couple national events to chase his dream of becoming a sponsored archer for the years to come.

Raymond Jr. practiced and worked extremely hard this year to repeat back-to-back years. He dedicated this year's State Championship to his Great Grandmother Virginia "Nans" Garcia who tragically passed away last year. Raymond shoots with a stabilizer on his compound bow that "Nans" got him for his bow. This year was for her.

Raymond Jr. celebrates after he shoots his 11th Bullseye under pressure on the final target of the tournament competition to put the top score out of reach and cement his first place victory (after a highly competitive shot for shot tie with good friend and competitor 90% of the course and being up one single point going into the last target) for the fourth and final event and the state championship overall.
