## OBITUARY

# Manuel M. Flores

Manuel M. Flores, 81, of Mammoth, Arizona passed away Aug. 22, 2017. He was born on Feb. 3, 1936 in Clarkdale, AZ to Carlos and Theodora Flores, the fifth of four brothers and eight sisters.

He was married for 57 years to Anita Flores (deceased) and raised six children, Rachel Flores Duran (deceased) (Dan), Richard Flores, Patricia Flores Villegas (Art), Manuel Flores Jr. (Sandy), Norma Flores Lucero (Johnny) and Irma Flores Silvas (Martin). Grandfather to Arturo Villegas Jr., Regina Villegas, Christopher Villegas, Andrino Garcia, Elissa Duran, Daniel Duran, Alex Duran, Manny Flores III (deceased), Leanna Flores (deceased), Cecilia Flores, Celina Flores, Jessica Silvas Serrato, Gabriella Silvas, Sonya Lucero Gonzales, Johnny Lucero III, Michelle Villegas Lozano, and Adrienne Duran. Great grandfather to Andrino Garcia Jr., Ayva and Cruz Gonzales, Johnny Lucero IV, Azaiah and Anthony Fernandez.

He was born into a musical family. At the age of 4 or 5 his father taught him the piano and then the drums. His family was well known throughout the Verde Valley. Manuel was a drummer in the family band. His father had a family orchestra that started his music career.

He was a prodigy musician. He learned to read and write music at an early age from his father. He picked up interest in the saxophone from his brother Johnny who was his high school band teacher in Flagstaff, which ultimately earned him a full music scholarship to Northern Arizona University. He decided not to pursue the college scholarship because he met his wife Anita. Years later his interest in the accordion began, which ultimately became his legacy. Throughout his life he was a musician, first with his brothers and sisters, and later with his own band Conjunto Monterrey with his son Richard Flores. They appeared on the Mexican Theater Sunday show. His current band was Conjunto Manny Flores and they recorded two CDs. His music will live on through his CDs.

His love of music came from his father, and his love of God and serving others from his mother. His mother's love transcended to his children.

He began work at Magma Copper in San Manuel at the age of 18 as a truck driver, then became a heavy equipment operator until his retirement. He retired after 45 years of service.

He was involved with the Cursillo for many years as a rector. He helped initiate, coordinate and build two rooms and showers to accommodate both men and women for weekend retreats that exist to this day by the Blessed Sacrament Hall.

He was one of six retired miners all over the age of 70 who created, designed and constructed the Mammoth Miners Memorial through donations and fund raisers throughout the Tri-Community. The mission of the six retired miners was to build a memorial in honor of the miners who lost their lives during decades of copper mine operations. His father's death at the mine helped inspire the memorial.

Manny was well known and loved throughout the

community. He had a compassionate heart and a great sense of humor. He was a mentor to many!

He would wake up in the morning and ask "How can I Help." Those words he said were powerful because he was used as an instrument to help others.

Manny believed that everyone's differences were like an instrument playing their own part. Nobody is the same in this world. We have to use every instrument and combine it. We have to play our own part making family a good harmony song.

You will be missed - Beloved children, grandchildren, great grandchildren, family and friends.

Services will be held Saturday, Sept. 2, 2017 at Blessed Sacrament Church, Mammoth, Arizona. Rosary is at 9 a.m., visitation 9:30-10 a.m., and Mass will be celebrated at 10 a.m. Interment will follow at Mammoth Valley View Cemetery. Reception to follow at Blessed Sacrament Hall. The family was assisted by Griffith Mortuary. Visit the online memorial at [www.GriffithMortuary.com](http://www.GriffithMortuary.com)

# Minutes matter for First Responders: why Propositions 416 and 417 will improve public safety

**By Pinal County Attorney Kent Volkmer and Pinal County Sheriff Mark Lamb**

Pinal County is a great place to live and work but the challenges created by our current roads and freeways not only make commuters late for dinner, these problems also make our county less safe.

Propositions 416 and 417 would create \$640 million worth of new roads and freeways in Pinal County. In addition to solving current and future traffic problems all over Pinal County, this project will also help reduce response times for sheriff's deputies, firefighters, police officers, and ambulances.

Minutes matter for first responders. Lives are put in danger when an ambulance driver is stuck in traffic. Public safety is threatened when a sheriff's deputy is delayed in getting to a call for help. Lives and property are in harm's way when firefighters have to contend with traffic jams.

The new infrastructure created by Propositions 416 and 417 will also will help to reduce the number of fatal crashes in our county, which have been increasing significantly in recent years.

Let us share with you one example. Maricopa doesn't have a major regional hospital. Residents in need must be transported to Casa Grande or Chandler. So what happens when Highway 347 is jammed up along with I-10? This new plan widens the 347 from 4 to 6 lanes and provides a new highway between Casa Grande and Maricopa, reducing reliance on I-10. Go to [www.yeson416and417.com](http://www.yeson416and417.com) and check out all the roads and freeways Propositions 416 and 417 will provide. From Apache Junction to Mammoth and Superior and SaddleBrooke to San Tan and Florence, the improvements are dramatic.

And while we speak to the public safety improvements, think of all the other improvements to your quality of life. Not being late for your kid's or grandkid's plays or games. Getting home for dinner on time. Not being stuck on I-10 forever. Enjoying open roads rather than clogged arterials. This vote on November 7th is a boon for Pinal County commerce and your quality of life.

We are proud to join nearly two dozen community leaders in filing ballot statements in support of Propositions 416 and

417. Supporters include mayors from every corner of Pinal County as well as Democrats, Republicans, elected officials and business leaders.

This carefully crafted transportation plan addresses transportation concerns in every corner of the county, allowing motorists faster and safer ways to travel north to south and east to west. There is also funding for Dial-a-Ride services that help seniors and the disabled.

You don't have to be a lawyer or a lawman to realize our current roads and freeway system needs some serious infrastructure. Props 416 and 417 provide that infrastructure for a half cent increase in the sales tax. The average cost per resident is less than 25 cents a day.

Please join us in voting yes on Propositions 416 and 417. End gridlock, improve public safety, and give Pinal County the roads and freeways it deserves.

# Oct. 9 set as deadline for comments on Apache Leap Plan

By **Ted Lake**  
Special to Copper Area News

The Tonto National Forest has announced that an Environmental Assessment has been completed and a Draft Decision Notice has been issued for the adoption of the management plan for the Apache Leap.

This special management area is 839 acres of land ( 1.31 square mile ) local east of the town of Superior south of U.S. Hwy. 60 and on the west side of the Oak Flat area.

The National Defense Act of 2015 calls for the establishment of special management of this site for three reasons. They are to preserve the natural character of Apache Leap, to allow for traditional uses of the area by Native Americans and to protect and conserve the cultural and archaeological resources of the area

Neil Bosworth, who is the Tonto National Forester Supervisor, said in the announcement, "We have developed a management plan with components that specifically meet the stated purposes as directed by

Congress and will serve as a strategic framework for the management of this special area into the foreseeable future."

The Draft Decision notice with the final version of the management plan, along with the legal notice can be seen on the project website, <http://www.apacheleapsma.us/>.

Objections must be submitted by Oct. 9 to the Forest Service Regional office in Albuquerque, New Mexico. All

objections will be available for public inspection during and after the objection process. Those who may file an objection are individuals and entities who have submitted substantive formal comments during opportunities for public comment during the planning and environmental review process for this decision. Further information on the objection process can be found on the official site of the Tonto National Forest.

## How to file an objection/comment on Apache Leap Plan

Forest Supervisor Neil Bosworth's selection of the Proposed Action for the Apache Leap Special Management Area management plan -- which recommends approval of the management plan while concurrently amending the forest plan -- is subject to the pre-decisional objection procedures identified in 36 Code of Federal Regulations (CFR) part 219 subpart B.

Objections must be submitted within 45 calendar days following the August 25 publication of a legal notice in the Arizona Capitol Times. The objection period starts one day later on August 26. However, the publication date in the newspaper of record is the exclusive means for calculating the time to file an objection. Note that regulations prohibit extending the time to file an objection.

Those who may file an objection are individuals and entities who have submitted substantive formal comments during opportunities provided for public comment during the planning and environmental review process for this decision. Only those who provided a substantive formal comment will be eligible to object to the proposed decision. Comments are considered substantive when they are within the scope of the proposal, are specific to the proposal, have a direct relationship to the proposal, and include supporting reasons for the responsible official to consider.

At a minimum, the objection must include the following (36 CFR 219.54(c)):

- The objector's name and address, along with a telephone number or email address if available;
- Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);
- Identification of the lead objector, when multiple names are listed on an objection. Verification of the identity of the lead objector if requested;
- The name of the plan, plan amendment, or plan revision being objected to, and the name and title of the responsible official;

- A statement of the issues and/or the parts of the plan, plan amendment, or plan revision to which the objection applies;
- A concise statement explaining the objection and suggesting how the proposed plan decision may be improved. If applicable, the objector should identify how the objector believes that the plan, plan amendment, or plan revision is inconsistent with law, regulation, or policy; and
- A statement that demonstrates the link between prior substantive formal comments attributed to the objector and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment.

Incorporation of documents by reference is permitted only as provided in 36 CFR 219.54(b). It is the objector's responsibility to ensure timely filing of a written objection with the reviewing officer pursuant to 36 CFR 219.56(c). All objections will be available for public inspection during and after the objection process.

Objections, including attachments, must be filed via mail, fax, email, hand-delivery, express delivery, or messenger service (Monday through Friday from 8 a.m. to 4 p.m., excluding holidays) to

Cal Joyner, Regional Forester, Southwestern Region, at the following addresses.

Mail: 333 Broadway SE, Albuquerque, NM 87102;

FAX: (505) 842-3800;

Email: [objections-southwestern-regional-office@fs.fed.us](mailto:objections-southwestern-regional-office@fs.fed.us) with Subject: Apache Leap SMA.

Electronically filed objections may be submitted by email in word (.doc), rich text format (.rtf), text (.txt), portable document format (.pdf), and hypertext markup language (.html).

Related documents -- including the Draft Decision Notice, Environmental Assessment/Finding of No Significant Impact (EA/FONSI), a final version of the Management Plan, and the Legal Notice -- are available for review on the project Web site at: <http://www.apacheleapsma.us/>.

# Superior Town, Student Councils attend League conference

The Superior Town Council added a small line item to their budget this year of \$5,000 to offer Parks and Recreation activities to offer some activities and programs for the community. The activities are being coordinated in partnership with the Superior Junior-Senior High School Student Councils.

To help further their leadership abilities the Superior High School Student Body Leadership was invited to attend a daylong training during the League of Arizona Cities and Towns Conference in Tucson last week.

Attending on behalf of the Student Council were Naomi Bo Hing, Matthew Hernandez, Sivanna Lopez, Amber Alonzo and Cassandra Drennan. These students work alongside their Junior High counterparts and Superior Town Staff and Council to plan activities. During the conference, the student leaders learned the importance of community involvement, leadership and networked with other youth councils from throughout the state.

To date the students have been active in planning many of the activities for Fourth of July; they hosted a Back to School Bash at the Superior Swimming Pool; and they have other events coming up. The student leaders have also set a goal of improving the basketball courts at the US 60 Park. Valerie Garcia-Denogean also provides support to the student leadership groups.

The funding for the Community Parks and Recreation program was donated to the Town through an agreement with Resolution Copper. Attending the annual conference this year were: Mayor Mila Besich-Lira, Councilmembers Bruce Armitage, Steve Estatico, Olga Lopez and Vanessa Navarrette and Town Manager Todd Pryor.

# Panthers

By Andrew Luberda  
Superior Sun

The sixth-ranked Superior football team improved to 2 – 0 on the season after a lopsided 64 – 6 win against visiting Anthem Prep last Friday.

The Panthers totaled 400 yards of offense, recorded 11 sacks on defense, and scored a touchdown on special teams – a 51-yard kickoff return by freshman Adam Navarrette.

Despite an impressive performance by his team, Superior head coach Ryan Palmer sees room for improvement,

Marcos Bueno (#1) carries the ball with Jesus Castellanos (#88) running interference. Anthem Prep's Joel Palazzo (#28) tries to keep his team in the game.

especially if this team wants to compare favorably to some of the Panthers' most recent teams.

"We made a lot of mental mistakes," Palmer told the *Superior Sun* following Friday's victory. "Even with a seemingly dominant victory, there is needed improvement.

"We need to focus on doing the little things better if we are to continue the standard of excellence established in recent years," he added.

Sophomore Daniel McConnell accounted for four sacks and junior Cedric Mendoza accounted for three more to the lead the Panthers' sack parade. Steven Ybarra and

Navarrette each had a team-high 10 tackles in the win.

"Daniel McConnell and Cedric Mendoza are two key players on our team," Palmer said. "They were both out last week with injuries, so it was nice to get them back. They are both tough kids who like to hit quarterbacks."

On offense, Ybarra threw for 184 yards on 8-of-12 passing with three touchdowns. He also ran for a score. Kale Major, Gabe Otero, Matthew Diaz-Gonzales, and Navarrette each added rushing touchdowns.

Marcos Bueno and Cedric Mendoza (2) combined for three touchdown receptions.

For the second-straight week Navarrette was dangerous

as a kick returner, finishing with 97 yards versus the Eagles. He was also a threat in the other two phases of the game last Friday.

"Adam Navarrette is a kid with a ton of potential," Palmer said about his freshman phenom. "He is already making an impact in all three phases of the game.

"He is the type of player who is going to give it his all every play," Palmer added. "That relentless work ethic, never back down attitude, and his athletic talent give him a very high ceiling."

**Up next:** Superior hosts Duncan on Fri., Sept. 1. Kickoff is scheduled for 7 p.m.

## Public Notice

### Opportunity to Object to the Draft Decision Regarding the Apache Leap Special Management Area Management Plan and Environmental Assessment Notice of Draft Decision

As the Responsible Official, Forest Supervisor Neil Bosworth has prepared a draft Decision Notice (DN) and Finding of No Significant Impact (FONSI) for the Apache Leap Special Management Area (SMA) Management Plan Environmental Assessment (EA). The proposed action is to (1) prepare and adopt a programmatic management plan for the approximately 839-acre Apache Leap SMA; and (2) amend the 1985 Tonto National Forest Land and Resource Management Plan with a new management area and plan components for the Apache Leap SMA. Along with the management plan, the draft DN and EA/FONSI are available to review online at: <http://www.apacheleapsma.us/public-involvement/>. Hard and electronic copies (CDs) of these documents are available for review at the Globe Ranger District Office, Superior Public Library, and Tonto National Forest Supervisor's Office. **How to Object and Time Frame**  
This decision is subject to the pre-decisional objection procedures identified in 36 Code of Federal Regulations (CFR) 219, subpart B. According to 36 CFR 219.53(a), those who may file an objection are individuals and entities who have submitted substantive formal comments during opportunities provided for public comment during the planning and environmental review process for this decision. Only those who provided a substantive formal comment, as defined in 36 CFR 219.62, will be eligible to object to the proposed decision. Objections, including attachments, must be filed via mail, fax, email, hand-delivery, express delivery, or messenger service (Monday through Friday, 8:00 a.m. to 4:00 p.m., excluding holidays) to Cal Joyner, Regional Forester, Southwestern Region, at the following addresses. Mail: 333 Broadway SE, Albuquerque, NM 87102; FAX: (505) 842-3800; or Email: [objections-southwestern-regional-office@fs.fed.us](mailto:objections-southwestern-regional-office@fs.fed.us) with Subject: Apache Leap SMA. Electronically filed objections may be submitted by email in word (.doc), rich text format (.rtf), text (.txt), portable document format (.pdf), and hypertext markup language (.html). Objections must be submitted within 45 calendar days following the publication of a legal notice in the Arizona Capitol Times. The publication date in the newspaper of record is the exclusive means for calculating the time to file an objection. Those wishing to object should not rely upon dates or time frame information provided by any other source. The regulations prohibit extending the time to file an objection.  
At a minimum, the objection must include the following (36 CFR 219.54(c)):  
• The objector's name and address, along with a telephone number or email address if available;  
• Signature or other verification of authorship upon request (a scanned signature for electronic mail may be filed with the objection);  
• Identification of the lead objector, when multiple names are listed on an objection. Verification of the identity of the lead objector if requested;  
• The name of the plan, plan amendment, or plan revision being objected to, and the name and title of the responsible official;  
• A statement of the issues and/or the parts of the plan, plan amendment, or plan revision to which the objection applies; and  
• A concise statement explaining the objection and suggesting how the proposed plan decision may be improved. If applicable, the objector should identify how the objector believes that the plan, plan amendment, or plan revision is inconsistent with law, regulation, or policy; and  
• A statement that demonstrates the link between prior substantive formal comments attributed to the objector and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment.  
Incorporation of documents by reference is permitted only as provided in 36 CFR 219.54(b). It is the objector's responsibility to ensure timely filing of a written objection with the reviewing officer pursuant to 36 CFR 219.56(c). All objections will be available for public inspection during and after the objection process. The U.S. Department of Agriculture (USDA) is an equal opportunity provider and employer.

## From the Walls of Porter's Cafe to picnic tables and benches at the food court

When Bill and Jenny Holmquist bought Porter's Cafe last year, one of the things that happened during redecorating was the removal of the many dollar bills on the walls. They gave the money to 4 local non-profits and one of them was the Superior Chamber of Commerce. The Chamber decided to give the money back to the community and commissioned Veto Cervantes to build 3 picnic tables, which are now at the Food Court. They're partially made from recycled bleachers donated by the school. No more hauling tables and chairs back and forth when there's an event!

## Fiesta Queen Candidate: Amaya Sommer

Amaya Sommer has been working hard since the Spring of 2017 when she announced that she would be running for Fiesta Queen for the annual St. Francis of Assisi Fiesta Patrias & Car Show.

Amaya is the daughter of Bobby and Cathy Sommer. She is a sixth grader at Heartland Ranch Elementary School in Coolidge. She enjoys playing the Euphonium (similar to a tuba but larger) in her school band and she also plays softball for the Superior Little League. She would like to earn a scholarship to play the Euphonium in college. She has two sisters Adrienne Hernandez, Brittney Denogean and a brother Raiden Sommer. She has a pet dog named Kuma.

Throughout the year Amaya along with

her family and friends hosted a variety of fundraisers including Italian Soda Sales, Family Movie Nights, Pastry Events and, of course, her signature fundraiser – a Taco Sale which featured the recipe and techniques of her late Aunt Helen from the Triple XXX restaurant. This year, Amaya did not have any other candidates running against her so she set a goal of raising \$10,000 to help her church. She has not only met that goal but she has exceeded it. "I wanted to run for queen to raise money for my church," she explained.

She will be crowned the Queen of the 2017 Fiesta's Patrias on Saturday, Sept. 16, 2017. Her escort will be Nathan Taylor who is a seventh grader at the Superior Junior-Senior High School.
