OBITUARIES

Danny C. Ramirez

Danny C. Ramirez, 75, of Kearny, AZ was surrounded by his family when he passed away in his home on Aug. 26, 2016.

He was born on May 1, 1941 to Carmen and Gustavo Ramirez in Litchfield Park, Arizona. Danny was the fourth of six sons. He joined the US army at the age of 17 and served for four years as a paratrooper in the 101st airborne division "Screaming Eagles." Danny was honorably discharged in 1963 when he returned home to Arizona and was reacquainted with "Alice" Maria Eliza Avelar; they married on Aug. 26, 1964.

Danny started his mining career with Kennecott and continued until his retirement from ASARCO in 1999.

Danny was an avid hunter and fisherman. He was happiest when he was out in the mountains camping and hunting with his

family and friends. He loved watching the Chicago Cubs and Chicago Bears but his greatest enjoyment came from watching his grandchildren grow up and play sports as Ray Bearcats. Danny followed his grandchildren as much as he possibly could as he believed in them more than they could possible imagine.

Danny is survived by his wife, Alice Ramirez; daughter, Deborah Harmon; son, Troy (Angela) Ramirez; grandsons, Daniel, Seth, Nicholas and Sean Harmon; granddaughter, Felicity Ramirez; and great-granddaughter, Hunter Saige Harmon; brothers, Tony (Nilza), Albert (Toni), Enrique and Gustavo Ramirez; and many nieces and nephews. He is preceded in death by his parents, Gustavo and Carmen Ramirez; brother, Joaquin Ramirez; son,

Daniel Jeffery Ramirez; granddaughter, Adrianna Rochelle Ramirez; and son-in-law, Ronald S. Harmon.

Funeral services will be held on Saturday, Sept. 3, 2016 at Infant Jesus of Prague Catholic Church in Kearny, Arizona. Viewing will be 8:30-9:30 a.m., Rosary at 9:30 a.m. and Mass at 10 a.m. Luncheon will follow at the William Taft Parish hall.

Griffith Mortuary is providing exceptional family service. 101 Johnston Dr., Kearny, AZ 85137. Ph. (520) 363-5353.

The family of Jenny Rios Avery extends our heartfelt thanks for your sympathy during our time of loss and grieving. Thank you to all who expressed your condolences, called, visited, sent food, sat by our side, or had our family in your thoughts and prayers.

A special thank you to the men who provided music at the church and cemetery, USW Local 915 for use of the hall, to everyone who brought/sent a dish/drinks for the luncheon, and to the ladies who organized and served at the luncheon.

Again, we thank you from the bottom of our hearts.

Naomi Louise Kelly

Naomi Louise Kelly passed away on Aug. 21, 2016.

She is survived by her husband, James Kelly; son, Richard Kelly; daughter-in-law, Toni Kelly; grandsons, Trentin, Conner and Tarin; her sisters, Delores Bailey, Marie Montiel and Elaine Rush.

Naomi Louise (AMOS) Kelly has lived in Superior the majority of her life and so the funeral services will be held Superior. The family would prefer donations rather than flowers to help pay for all the medical bills

Funeral Services were held on Saturday, Aug. 27, 2016, at the Superior Funeral Home Chapel with a visitation at 8:30 a.m. and the funeral starting at 10 a.m. Interment followed at Fairview Cemetery.

The family would also like to invite everyone to joint them at the VFW after the burial.

Superior Funeral Home is providing exceptional family service. 379 Ray Rd., Superior, AZ 85173. Ph. (520) 689-2692. SuperiorFuneral.com.

Lorinda Sue Palmer Parr

Memorial services are set for Lorinda Sue Palmer Parr on Saturday, Sept. 10, at 11 a.m. at the Fellowship Baptist Church, located at 402 Danbury Drive, just off Tilbury Dr. in Kearny. After the service there will be a gathering of family and friends in the hall directly behind the church, for a luncheon and fellowship.

Mrs. Parr passed away May 21, 2016.

Gearing Up for Journey for a Clean Kearny

My weeds grew fastest during the hot days of August, when I was least inclined to get rid of them. The mornings are cooler now, though, so this week I will take time to clear my yards. I suspect several of us will be doing the same thing.

I am thankful for the way most Kearny residents keep up their homes and yards. If we keep pushing, we can keep the blight monster away. Blight destroys property values, keeps new people from moving in, and encourages people to leave.

In October ASARCO is sponsoring a day of "give back" to Kearny. Mine employees will

spend a day improving our buildings and facilities at Hubbard Park, and the mine is covering all the material costs.

Now that fall is approaching, the Journey for a Clean Kearny group will redouble its efforts to improve the business area on Alden Road with plants and other features. Even in the August heat, some of the members continued cleaning yards and picking up litter.

One of my long-time concerns is high speeds of cars and trucks on 177 when passing through Kearny. The speed limits are clearly marked, but often disregarded. We have had many accidents at the intersections as a result. I

will be approaching the Governor's Office for Highway Safety to see what might be done about this.

Labor Day is coming up soon. I hope we will see this day as more than a mere day off, and use it to celebrate the workers who make our country strong. It should be evident, in a mining town such as ours, that gargantuan labors were required to make the mines what they are today. Thank a miner, working or retired. And thank everyone at Norm's IGA, at the Ace Hardware Store, at the medical clinic... indeed, at all our businesses where people work to make our lives here possible.

Supervisor Rios: 'ADOT does right by continuing roadside memorials'

FLORENCE - Pinal County Supervisor Pete Rios said he is pleased with the decision of the Arizona Department of Transportation (ADOT) to continue to allow roadside memorials.

"ADOT does right by continuing roadside memorials," the District 1 Supervisor said. "This is a way families and friends remember loved ones lost in automobile or other vehicle accidents. My thanks goes to those who wrote and called ADOT and the Governor's Office to express their dissatisfaction with the removal of many of the memorial crosses. It was their action that made this policy change possible."

Supervisor Rios became the champion in the fight to keep the roadside memorials in April when he had received calls about many crosses missing from highways in parts of Gila and Pinal Counties.

"They had called because they thought that Pinal County did this," Supervisor Rios recalled. "I was as surprised as

they were that those memorials went missing. So after placing some calls, I found out that it was ADOT who was doing this. There was no warning that this was going to happen."

The Supervisor sent out a press release in April alerting residents that the removal was taking place on state highways. That press release was soon picked up by statewide media and some national media outlets as well.

"Looks like many citizens were as upset as I was over this," Rios said in the overwhelming response to State authorities. "But I have lost friends who are memorialized on the side of the road. I know many, many families who have lost loved ones in traffic accidents. This became an issue close to my heart."

For those who had their memorials taken down or for anyone wanting to place a memorial, they can go online to: <http://bit.ly/2brU7dy>.

"I really want to thank the ADOT Director and his staff for their willingness to work with me on this policy. They have one of the hardest jobs out there trying to keep people safe on the roads with limited resources. Their crews do great work," Supervisor Rios stressed. "But on a State-wide policy to remove of all memorial crosses, I couldn't agree with them. I appreciate them reevaluating their policy

FROM THE SUPERVISOR

By Pete Rios
Special to the San Manuel Miner

and allowing these roadside memorials to remain so long as they are not a hazard to the motoring public."

OBITUARY

Mina E. Alvidrez

Mina E. Alvidrez, 86, former resident of Kearny died Aug. 19, 2016, at Divinity Home Care in Reno, Nevada.

She was born July 17, 1930 in Hurley, New Mexico. She married Elias C. Alvidrez in 1949 and they moved to Kearny in 1958 where Elias worked and retired from Kennecott Copper Corporation.

Mina was active in the Infant Jesus of Prague Catholic church and was an active community volunteer for the American Cancer Society and the Neighborhood Literacy Program and numerous other organizations.

Upon retirement they moved to Reno, Nevada where Elias preceded Mina in death in 1988. Mina resided in Kearny and Reno. In 2013 she joined her eldest son Gilbert in Pinetop residing at Solterra Senior Living facility in Lakeside until returning to Reno in November of 2014.

Mina was preceded in death by her parents, two brothers, three sisters and recently granddaughter Michelle Harms Gandolfo Sunier. She is survived by children, Gilbert (Debe Campbell) of Pinetop, Arizona, Alice Harms Jerome (Stan) of Reno, Nevada and Elias (Renee) of Albuquerque, NM; seven grandchildren, 11 great-grandchildren and one great-great-grandchild. In addition there are numerous nieces, nephews and a large family of friends.

A memorial rosary and mass will be held at the Infant Jesus of Prague Catholic church in Kearny, Sept. 7, beginning at 9:30 a.m. for the Rosary followed by the Mass at 10 a.m. Committal services will follow at the Hayden Cemetery where inurnment will take place next to her husband.

The family requests, in lieu of flowers, that donations be made to the American Cancer Society in Mina's name.

Hayden falls to Williams in opener

By **Andrew Luberda**
Copper Basin News

The Hayden football team entered last Friday's season-opening home game

versus Williams optimistic this season would yield different results than last. Instead, the Vikings, who reached the playoffs last year, looked like a team planning a return trip to the postseason

with a 42 – 6 victory.

The Vikings scored in every quarter, opening a 36 – 0 lead at the end of the third before both teams tallied matching touchdowns in the fourth.

“We made a lot of mistakes on both sides of the ball,” Lobos' head coach John Estrada said after the game. “Not taking anything away from Williams, it was a big, senior loaded and seasoned team. They will make the playoffs again this year.”

Estrada was pleased with the performance of senior running back and linebacker Brandon Cruz, who played in the game despite suffering from a “bad cold” virus. His teammates, on the other

hand, appeared tentative, according to their head coach.

“We need to play football,” Estrada said. “I think we are putting too much pressure on ourselves. We just need to play ball, have fun and hit.”

The Lobos will need to adjust quickly with undefeated NFL Yet Academy visiting this Friday. The Eagles are averaging 64 points per game and have outscored their opponents this season 128 – 22, including a 66 – 22 win against Ray last Friday.

“We'll try and rebound and learn from this game,” Estrada said.

Kickoff for Friday's game is scheduled for 7 p.m.

Hayden Cheerleaders were on the sidelines Friday night cheering on their Lobos. Pictured from left are: Gracie Delgado, Marianna Valenzuela, MacKenzie Nelson, Angelita Casillas, Martha Palafox, Linda Kame, Anissa Estrada, Kirstin Hise and Ariana Allen.

James Carnes | CBN

Santiago Pina wears a Lobo T-shirt and joins his fellow players at the game. Santiago was seriously injured last August in an automobile accident near Aravaipa. Earlier in the day, the Hayden High School Student Body observed a candlelight vigil for him. It's great to have Santiago back with his fellow Lobo players, family and friends. Pictured with Santiago is Johnny Arbizo.

James Carnes | CBN

Hayden's Brandon Cruz (#7) is pulled down by a Williams defender at Friday night's game.

James Carnes | CBN

Hayden's Ryan Donovan (#2) tries to snag the ball and keep it away from a Williams player at Friday night's game.

NFL Yet explodes in win against Bearcats

By Andrew Luberda
Copper Basin News

Ray head coach Frank Lechuga and his team had to feel pretty good at one point about shutting out an NFL Yet Academy team that put up 62 points in its season opener.

If Lechuga and the Bearcats did indeed feel good about their 2 – 0 lead at the end of the first quarter, it didn't last long as the Eagles exploded for 66 points in the game's final three quarters on their way to a decisive 66 – 22 victory.

"We actually played a decent game until about 10 minutes left in the third quarter," Lechuga told the Copper Basin News. "Then they started reeling off points and it got out of control."

For the second week in a row the Cats' defense allowed

more than 50 points. They surrendered 52 to St. David last week. It's a disturbing trend for any team that wants to win games.

"We can't seem to control other team's passing game," Lechuga said. "They're getting us on outside passes."

"We're not doing too well in that area right now," he continued. "We've been working on it the last two weeks so hopefully we can make some positive changes back there."

The offense is doing its part as evidenced by its three-touchdown performance on Friday night. Junior quarterback Fabian Valenzuela rushed for two scores and threw for another, connecting with freshman receiver Eric Manriquez on a 35-yard touchdown pass and catch.

In order to get some wins, however, the defense is

going to need to help out the offense by not allowing opposing teams to build insurmountable leads.

"Right now we're a first half team," Lechuga said. "We need to take it to the next level and get our defense up to par with our offense."

Ray will play its third-straight road game this Friday when it visits Ft. Thomas.

Returning home with a win would be a confidence booster for the Cats in advance of their home opener next week.

"It all comes down to the defense," Lechuga said about notching that first win this week. "Our offense has been there the past two weeks. We need to take control of these games in the second and we can come away with a win."

Friday's kickoff at Ft. Thomas is scheduled for 7 p.m.

Gila County Senior Freeze

Gila County reminds senior residents that they must apply every three years for the freeze in property tax valuations. There are several criteria, including ownership of the property, primary residence occupied for 9 months of the year, applicant's name on title (if property is mobile home), age and income limitations (\$35,184 for one owner, \$43,980 for two or more owners). Deadline is Sept. 1. First time applicants must apply in person. Call 928-402-8714 for more information.

Winkelman Head Start

Winkelman Early Head Start is currently taking applications for enrollment in our Home Visitation Program. We provide health and developmental screenings, family services and support parents as their child's Teacher. We provide 90 minute visits in your home as well as two socializations per month for pregnant women, infants, and toddlers up to age 3. For information on how to apply please contact Sandra or Mary at 520-356-6245.

Kearny Library Events

Kearny Library is the "N" place to be for Newest book and movie releases, the place to find great oldies to check out with your library card, and more. From 8:30 a.m. - 10 a.m. on Tuesdays and Thursdays, Seniors (50 and up) meet for coffee and conversation. 10 a.m. Monday mornings are set aside for preschool kids. Tuesdays at 10 a.m. are for ages newborn to age 5 and their parents. A crochet class is held at 1 p.m. on Tuesdays for beginners or advanced to get training and new patterns. On the third Wednesday of each month, the Ladies Tea Party meets to enjoy conversation, tea, crumpets, games and crafts. For more information call 363-5861.

Waste Voucher Program

The Pinal County Waste Disposal Voucher Program will begin on Jan. 11, 2016. Please remember that in order to obtain vouchers those interested must present a current utility bill dated within the last 60 days with their name and physical address imprinted on it. No vouchers will be issued without proper documentation. Three vouchers will be given and they will be good from Jan. 11, 2016 until Dec. 30, 2016. If those participating own more than one residence they can only obtain vouchers for the primary residence. Vouchers can be used at the Oracle Transfer Station and are good for a truck load of up to 750 lbs. or the Dudleyville Landfill and are good for a truck load of up to three cubic yards. Vouchers will be issued according to the name that appears on the utility bill and that person must be present when redeeming the vouchers at the Oracle Transfer Station or Dudleyville Landfill. Questions or concerns can be addressed by contacting the office at 1-800-208-6897 ext. 7830 or 520-487-2941.

A golf tournament in benefit of Alexis Estrada in 3-Person Scramble format will be held on Saturday, Sept. 10 at Kearny Golf Club, with a shotgun start at 8 a.m. Cost is \$40 per person. Only one A-player per game; handicap of 0-9 equals A-player. Food and drink will be sold. For more information contact Gidget Cobo at 602-615-4164, Johnny Archuleta at 480-310-0030, Adrian Bravo at 520-222-5027 or Tommy Chavez at 520-850-7044.

10 SHS Hall of Fame Golf Tourney

A 3 Person Scramble Golf Tournament benefiting the SHS Hall of Fame Program will be held on Saturday, Sept. 10 at the Queen Valley Golf Course (Deadline Wednesday, September 7). Registration is at 6:30 a.m., followed by a 7 a.m. Tee Off. Fees are \$50 entry fee per person, \$15 Skins per team, \$50 Sponsorship. Prizes will be awarded for raffle and contest winners. Food and beverages will be sold. For registration info call Roy Chavez at 520-827-9133 or Charlie Higuera at 480-354-1944. For sponsorship info, contact Penny Ruiz-Castillo at 520-270-4459 or Manny Ruiz at 520-689-5430.

ON THE AGENDA

ST. MARY'S FOOD BANK: St. Mary's Food Bank will be in front of the Court House, on the first Friday of each month.

COPPER BASIN FOOD BANK: The Copper Basin Food Bank will have a food distribution on the first Friday of every month at the school pavilion on Bearcat Drive in Kearny. Numbers will be handed out at 11:30 a.m. A donation will be requested but not required to receive food. Anyone can volunteer to help unload and distribute food. The Copper Basin Food Bank is sponsored by the Florence Food Bank.

KEARNY ELKS LODGE # 2478: Kearny Elks Lodge # 2478 meetings are held the first and third Tuesdays of the month at 7 p.m. The lounge's schedule is Monday, Wednesday and Friday 5 - 8 p.m. and Sunday 3-9 p.m.

HAYDEN SENIOR CENTER: The Hayden Senior Center, 520 Velasco Ave., is open every weekday, from 8 a.m. - 4 p.m., to serve the needs of senior citizens and low-income families. A warm, nutritious lunch is served every day. Call 520-356-7035 for information or to check on the daily meal.

PREGNANCY CARE CENTER HOURS: The Pregnancy Care Center in Winkelman, located at Fourth and Thorne Avenues in Winkelman, is open on Thursdays from 9 a.m. to 4:30 p.m. and Wednesdays by appointment. Men's workshop is held on Thursday from 5-6 p.m. You can call (520) 664-5795 for a confidential appointment.

KEARNY SENIOR CITIZENS: The Kearny Senior Citizens group meets every Wednesday at 10 a.m. at Constitution Hall. The group talks about trips to different places in Arizona as well as other subjects. A potluck dinner is held after the social hour on the last Wednesday of the month. New members are needed. Come down and join the group. From May through August, the group meets only on the last Wednesday of the month.

LOBO BOOSTERS: For Lobo Booster Club membership and information, please call Michelle Gonzales at 480-888-6598.

ANNOUNCEMENTS

Dudleyville Burn Ban

Effective May 1 - Sept. 30 a BURN BAN is in effect for the Dudleyville Volunteer Fire District which includes the area of Dudleyville, Indian Hills and Aravaipa. Burn permits for both residential and agricultural purposes are not valid during this time.

Kearny Clean Up Volunteers

The Town of Kearny has volunteers who are able to help people in town clean their yards at no charge. Please call the Town Hall at 520-363-5547 to schedule an appointment.

RESOLUTION C O P P E R

Technician - Environmental

Resolution Copper is a copper mining company where safety comes first. Resolution Copper has the potential to offer career advancement opportunities within Rio Tinto. Great opportunity to be on the ground floor of the largest US underground copper mine - Superior.

Rio Tinto is a leading global mining and metals company. Our focus is on finding, mining and processing the Earth's mineral resources in order to maximize value for our shareholders. Everything we do is done with the future firmly in mind, so our employees are rewarded with opportunity, an open and diverse culture and a responsible working environment in which they can go further.

We are a diverse team of talented, enthusiastic individuals who foster a culture of inclusion. No matter how they may differ, our people share one thing in common. It's a belief that work is more rewarding when we are accepted and valued for our differences, not judged by them. We all have something to contribute, and it's this contribution that makes for a great organization and fulfilling career.

The Opportunity

We are looking for a Technician - Environmental to provide support for ongoing Resolution Copper Environmental activities with a focus on water management compliance for Resolution Copper Company.

As part of Rio Tinto's Copper product group: Copper Projects manages the planning, development and technological aspects of major global copper projects. The group collaborates with the Rio Tinto Technology and Innovation group to focus on applications of innovative technologies including block caving, automation, flash converter smelting and sulphide leaching. With exploration indicating one of the largest copper resources ever found in North America, and possibly worldwide; the Resolution Project stands to be a premier copper mine. Located three miles east of Superior, Arizona, the copper ore will be mined using panel caving - a subset of block caving.

What the role entails

This role is a great opportunity to manage active ground and surface water permits including multiple Aquifer Protection Permits (APP) and the Arizona National Pollution Elimination Discharge System (AZPDES) for Resolution Copper's Environmental Compliance team. You will be:

- Completing monthly and rain event facility inspections
- Collecting monthly ground water samples from compliance monitoring wells
- Evaluating and managing a ground water database to be used for regulatory reporting
- Collecting surface water samples on a monthly and post rain event schedule
- Managing and evaluating surface water data and reporting requirements and also assisting with waste inspections and sampling requirements
- Assisting with all other facility permit inspections and sampling events as needed along with environmental training for new employees

What you will need for this role

To succeed in this role, you will have:

- Undergraduate degree in Environmental Sciences or related area is essential
- At least one year of relevant experience in mining or environmental related field
- Ability to understand and communicate technical aspects of water and other regulatory requirements
- Ability to develop and maintain awareness of occupational hazards and safety precautions and work safely at all times
- Ability to work with people and communicate effectively, both orally and in writing with a variety of audiences.

So if this sounds like you and the opportunity you are looking for, apply now.

Please note, in order to be successfully considered for this role you must complete all pre-screening questions.

RESOLUTION
C O P P E R**Geotechnical Engineer**

- Excellent opportunity to be involved in one of the world's exciting underground mining projects
- Provide geotechnical engineering support at Resolution Copper mine
- Global mining and metals company offering outstanding personal development and career opportunities - Superior

Rio Tinto is a leading global mining and metals company. Our focus is on finding, mining and processing the Earth's mineral resources in order to maximize value for our shareholders. Everything we do is done with the future firmly in mind, so our employees are rewarded with opportunity, an open and diverse culture and a responsible working environment in which they can go forth.

We are a diverse team of talented, enthusiastic individuals who foster a culture of inclusion. No matter how they may differ, our people share one thing in common. It's a belief that work is more rewarding when we are accepted and valued for our differences, not judged by them. We all have something to contribute, and it's this contribution that makes for a great organization and fulfilling career.

The Opportunity

We are looking for a **Geotechnical Engineer** to safely deliver geotechnical support across maintenance, operations and project study. The main purpose of this role is to support the Mine Studies Team in all facets relating to the geotechnical discipline, in particular ground support, ground monitoring, and modeling to ensure the Resolution Project is progressed safely and within budget and schedule.

As part of Rio Tinto's Copper product group; Copper Projects manages the planning, development and technological aspects of major global copper projects. The group collaborates with the Rio Tinto Technology and Innovation group to focus on applications of innovative technologies including block caving, automation, flash converter smelting and sulphide leaching. With exploration indicating one of the largest copper resources ever found in North America, and possibly worldwide; the Resolution Project stands to be a premier copper mine. Located three miles east of Superior, Arizona, the copper ore will be mined using panel caving - a subset of block caving.

What the role entails

This role is a great opportunity Working and reporting to the Senior Geotechnical Engineer, you will be:

- Implementing and verifying the Resolution Ground Control Management Plan (GCMP)
- Conducting underground geotechnical inspections and mapping using photogrammetry or Laser scanners
- Performing geotechnical QA/QC, monitoring and maintenance of geotechnical instruments and wireless data collection system
- Conducting ground support design for various mine excavations and provide rehabilitation plans wherever and whenever necessary
- Providing geotechnical inputs to Resolution's future mine plans and designs
- Conducting baseline surface geotechnical data collection including LiDAR, InSAR, TDRs, Fiber optics, tiltmeters

What you will need for this role

To succeed in this role, you will have:

- Bachelor degree in Geological Engineering, Geotechnical Engineering, Mining Engineering or related disciplines
- 1 to 4 years of experience in underground mining preferred
- Familiar with geotechnical modeling software
- Ability to operate within a team of professionals
- Superior computer literacy essential
- Well-developed written and verbal skills essential

It will also be beneficial if you have:

- Project management systems - planning, scheduling, monitoring and cost control useful, but not required
- Professional certifications preferred but not required

So if you are looking for a new challenge, great location and an exceptional team of technical experts, apply now.

Please note, in order to be successfully considered for this role you must complete all pre-screening questions.

Recycling: Why, how, where, when and what

Pinal County - Most of us have seen them around the Copper Corridor: the big blue dumpsters that are reserved for materials that can and should be recycled. Surprisingly few have a clear understanding of what to do with them, so as to help the environment without getting a reprimand or fine, however, and, many of us remain confused as to why they are even needed.

Recycling helps alleviate the negative impact of consumer societies on the natural environment. When the waste by-products of our lifestyles are dumped into landfill sites where they are simply left to break down in the sun or covered over, a few very bad things happen.

Modern life brings modern joys, including lighter weight materials that are more cost-effective so that more people can afford some simple joys of life, such as a stereo, a television, furnishings, jewelry, pans and so much more. These materials can save us time, expense, the lives of animals in the case of fleece versus fur for winter warmth, but, the cost of all the good they do is the bad that results when the items made up from them are no longer of use and must be disposed of.

Harmful greenhouse gasses and dangerous chemicals are released to leech out into the soil or pollute the air, in a way that would not happen with natural materials. Recycling helps to reduce this sort of pollution. It also helps alleviate another potential problem, which is the sheer volume of waste materials produced.

According to a brochure available online from Eco-Cycle at www.ecocycle.org nearly 90% of what we throw away could potentially be recovered through reuse, recycling or composting. Engaging in recycling

can save resources, prevent pollution, support public health and create jobs.

There are many ways of recycling, by personal choice. Many artists and artisans use old magazines, clothing, broken jewelry, and much else to create new works of art or household goods. Of course, much can be donated to thrift shops to be resold, Free Cycle and Craig's List are options to help divest yourself of items that you are not sure what to do with. Repair is often an option. When it comes to recycling that goes on outside of the big blue can, the sky's the limit. What goes on inside the big blue can involves a little more following of rules, and, for good reason.

Remember all those new jobs mentioned? Well, with new jobs come new paychecks. This is good news for those who are job seekers, but, not such great news for those who are wondering why the cost for trash removal and certain landfill sites are what they are. So, how do we get the costs down and keep them down? Primarily, by the effective sorting of trash into recyclable and non-recyclable materials, so that it takes less time for the workers at the other end of the equation to do what they need to do to help the environment.

There are recycling centers open to the public, approximately 12,000 of them nation-wide, for those who do not have the big blue can or who have recycling needs that exceed the volume it is capable of holding. For the towns of the Copper Corridor: Dudleyville, Kearny, Mammoth, Oracle and San Manuel, one place to go is the Oracle Transfer Station, 2100 E. Transfer Station Road in Oracle on Monday through Friday, from 9 a.m. to 3 p.m. This station is also open every second and fourth Saturday from 9 a.m. through noon. For other locations, visit <http://bit.ly/2bx5zQU>. This is also a good site for accessing phone numbers to ask questions when in doubt on recycling issues.

In some towns, there is a big blue recycling bin, instead of or in addition to the big blue cans. Pinal County Recycling bins are available Monday through Friday, from 6:30 a.m. through 2 p.m. Regardless of whether you are using bin, can or transporting recycling materials to a station, there are things you should and must not submit for recycling. These can vary from place to place and year to year, depending on budgets and capabilities of different stations. Below is a list of what can and cannot be recycled by official recycling stations of Pinal County:

Items Accepted

Cans: aluminum, tin or steel; Bottles: plastic or glass, including jars; Paper: news, printer, junk mail, magazines, shredded, phone books; Cardboard boxes: food, detergent, cereal; Plastics: 1-7, including bottles and milk jugs.

Items NOT Accepted

Hazardous materials: Paint, oils, batteries, electronics; Organics: tree limbs, grass clippings, household trash, food waste; Scrap materials: large pieces of glass, mirrors, windows, furniture, stoves

Follow these guidelines and you'll truly be helping make the world a better place. Happy recycling!
