OBITUARIES

Manuel 'Chacho' Bravo

On Sunday July 30, 2021, Manuel "Chacho" Bravo passed away at his home surrounded by his loved ones at the age of 75.

Manuel was born in the town of Ray Arizona on May 12, 1946 to Manuel and Ramona Bravo. His family moved from the town of Ray to Hayden where he attended Hayden High School. After high school, he started working for

Kennecott Copper Company. While working for Kennecott he attended Pima Community College receiving an Associate Degree in Automotive Technologies. He worked for Kennecott for 18 years and Magma Copper Company for 12 years.

During his tenure at Kennecott, he married the love of his life, Veronica Arzaga. They made their home in Dudleyville, Arizona where they would remain for 51 years to the time of his death.

Throughout the years, he made numerous friends, most from working at the mines. He was well known around town and would make conversation with any person that crossed his path. He had a passion for hunting, fishing, working on people's vehicles, and the casino.

Manuel is survived by his wife, Veronica Bravo; his daughter, Jacquelyn Bravo; sons, Anthony Bravo, Manny Bravo, and Richard Bravo; and sisters, Henrietta Gomez and Barbara Pena. He also leaves behind many grandchildren and nieces and nephews, all of whom he greatly loved. He is preceded in death by his parents, Manuel and Ramona Bravo; siblings, Jamie Bravo, Manuel Bravo II, Larry Bravo; and granddaughters, Leonor and Alyssa Bravo.

Services for Manuel will be held Friday, Aug. 6, 2021 at St. Joseph's Catholic Church in Hayden. Viewing will be 9 – 9:30 a.m., Rosary 9:30 – 10 a.m., and Mass 10-11 a.m.

Robert M. 'Bobby' Sims

Robert M. "Bobby" Sims passed away July 28, 2021.

He was born Nov 29, 1944 to Manuela Socorro Manriquez Sims in Tucson, AZ, and was a graduate of Hayden High School. He went to several trade schools and worked as a mechanic for the Hayden Mines. He took a two-year break to serve his country as a Combat Medic in the Army during the Vietnam war. He returned home to settle down and became a father.

Bobby is preceded in death by his recently deceased son

Clint (Karla), mother Manuela, and sister Susan. He is survived by his wife, Judy Sims; sons, Bob, Edward (Lisa) and Darrel; daughters, Cathy, Michele (Danny), Roberta (Brett) and Kristy Sims. He has 25 grandchildren and 18 great-grandchildren. He is also survived by his brothers, Emmett, Richard and Tommy; and sister, Yvonne.

Bobby was a living legend with an infectious smile and loved by all.

A celebration of life is being planned and will be announced at a later date.

LETTER TO THE EDITOR

Rural Arizona Redistricting and the 5 Eastern Counties

Many of you are learning about this redistricting issue for the first time. It happens every 10 years following the national census. In Arizona, we have a commission appointed to draw the new districts for Congressional and Legislative districts in our state. We citizens have an opportunity to have a say with the commission, and so we must

make every effort to make sure our voices are heard. I want to give a quick update on the public hearing already held by the Commission, the upcoming hearing in Safford, and what we all can do still on this matter.

First of all, in the 2001 redistricting, rural Eastern Arizona was given a voice

Support Local: Stephens Trailer Park

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. Copper Area News wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (Copper Basin News, Superior Sun and San Manuel Miner) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, Copper Area News has featured 90 businesses in the Copper Corridor.

One aspect of life and business that wasn't allowed to shut down was housing. Landlords were being asked to be patient for rents as so many folks were out of work due to the pandemic.

Stephens Trailer Park in Kearny is holding on. Currently 15 spaces are occupied. When it was full, however, there were more than 60 spaces occupied.

Owner Charles Stephens said that the pandemic really didn't affect them much, except for wearing masks and keeping social distance. Stephens Trailer Park has seen more problems with fires and floods.

The park was founded by Charles' father, Harry Stephens and was built about the same time as Kearny in the late '50s or early '60s. Charles said there were once kids

Charles Stephens has been the owner of Stephens Trailer Park for many years.

everywhere. "It took two buses to haul all the kids to school just from Stephens," he said.

The park is located on Hwy. 177 near Kearny. For more information, call them at 520-363-5446.

REDISTRICTING

Continued from page 3

in the legislature with the 5 Eastern Counties District: Gila, Graham, Greenlee, southern Navajo and Apache. In the 2011 redistricting, we proposed keeping our rural 5 Eastern Counties

district, and adding the Copper Corridor and the Verde Valley to it. 15 of our rural cities/towns adopted unanimous resolutions supporting this proposal. Sadly, the unsympathetic commission ignored us

and splintered our region into several other districts, often joining us with urban and metro areas. In 2021, we again are advocating to a new commission to re-unite the 5 Eastern Counties and once again

add to us the Copper Corridor and the Verde Valley. The 5+ Eastern Counties proposal.

Public hearings have already been held throughout our region.

In Florence/Superior, citizens of the Copper Corridor (Superior, Kearny, Hayden, Winkelman, Dudleyville, Mammoth, San Manuel), spoke overwhelmingly of restoring a rural district. I had the chance there to introduce the 5+ Eastern Counties proposal and people afterwards expressed surprisingly strong support of the idea, one saying that it made the most sense of any mentioned that night.

In Egar/Springerville, I was not present, but I had it reported to me that uniting the 5+ Eastern Counties was the strong message given by citizens attending.

In Show Low, Lakeside-Pinetop: I attended along with roughly a hundred people. The 5+ Eastern Counties was supported by citizens over and over again. One gentleman had the good sense to submit a printout of our map proposals to the commissioners.

In Payson, Globe-Miami, it was very frustrating. The commission scheduled the hearing for Sunday at 10 a.m. Predictably, extremely few attended, most being in church during that time. I was the only one to speak of the four in attendance at Globe. A few spoke in Payson. Everyone echoed the desire for a rural legislative district and how unacceptable it is to have little Gila County split into 3 different legislative districts.

Up next, the commission

POWER COST ADJUSTMENT

Pursuant to Section §175.235, Title 25 of the Code of Federal Regulations, notice is hereby given that effective September 1, 2021, the San Carlos Irrigation Project (SCIP) will apply a purchased Power Cost Adjustment (PCA) of **\$0.031/kWh** to each kWh used by customers. In addition to hydro contracts for power from the Western Area Power Authority (Parker-Davis and WAPA – Salt Lake City Area Integrated Projects “SLCA/IP”), SCIP purchases power through short-term bilateral transactions. Recent weather-related events combined with the limited availability of summer energy resources has significantly increased power market rates. Due to this escalation current rates are estimated to under collect over the next 12 months; therefore, SCIP has determined the PCA, last revised in 2007, must be adjusted. This PCA will remain in effect until amended by the Western Regional Director. Please direct questions via e-mail to scippca@bia.gov or mail to San Carlos Irrigation Project, P.O. REDISTRICTING

Continued from page 6

about the 5+ Eastern Counties. Central eastern AZ spoke strongly of the creating a rural district. We need Southeastern AZ to bring it home with an overwhelming turnout and echoing 5+ Eastern Counties!

We have two map proposals for the commission to consider. One includes the San Carlos and White Mountain Apaches in our district. The other places them with the Navajo. In the second, it is designed with an uninhabited strip of land where all the reservations can be combined and still allow our rural communities to be united. That is a decision to be made by the people of each tribe of where they want to land. If you have any tribal connections, please reach out to them.

Please fill out the Communities of Interest Survey for the IRC at this

link: <https://irc.az.gov/> survey Below is how I answered each question:
A. Community Name: 5+ Eastern Counties
B. The map is difficult to use, do your best. Attached is PDF instructions. Below is the rough map I drew for a guide.
C. Community Description: 5+ rural Eastern Counties: Gila, Graham, Greenlee, southern Navajo and Apache, San Carlos & White Mtn Apache nations, Copper Corridor (Along SR 77/177: Superior to San Manuel), Verde Valley (Campe Verde etc.). We are natural resources focused, mining, farming, ranching, timber, tourism/recreation. Large amounts of National Forest and limited private land, making our issues of education, water, power, federal land management unique and focused. 5+ Eastern Counties: rural and natural resources focused.
D. Additional Comments:

Our region transcends partisan, racial, and gender in local and legislative elections. Our survival depends on navigating common issues in ways that are unique to rural Arizona. The vast majority of our area is federal public lands and tribal, leaving a very small percentage as private for economic development and taxation. From the years 2000 to 2010, the 5 Eastern Counties had a voice in the legislature. In 2010, 15 cities and town across the 5+ East Co.’s, unanimously adopted a resolution to keep 5+ East Co.’s united. That was ignored and we were splintered among the four winds. In 2021, please re-United the 5+ rural Eastern Counties.

We are considering another campaign of resolutions from our Counties and Cities/Towns. We will need people in every community willing to get that on their County’s/Town’s agenda for adoption. Stay tuned for that!

If you have any questions, please do not hesitate to contact me. Elected officials, I would love to speak with you more about this and share what information I have.

Thank you and I hope to see you in Safford!

FIRST REVIEW OF APPLICATIONS: August 30, 2021

JOB SUMMARY:

Under the direct supervision of the Town Manager, the Director is primarily responsible for planning and directing the diverse service activities of the Public Library system; responsible for planning, organizing, staffing, directing and coordinating all library services, conducting a continuing review of library operations and directing the implementation of policies and staffing to increase efficiency and coordinates activities with other Town departments. The town will consider applicants available for either full or part time, depending on experience.

ESSENTIAL FUNCTIONS:

- Plans, organizes, directs, coordinates the functions and programs of the Public Library system.
- Develops a department budget and controls expenditures.
- Oversees the review, selection and ordering of materials for the library collection.
- Directs the classification and cataloging of new materials.
- Oversees the development of reference services and the answering of patron questions.
- Coordinates the maintenance and repair of library materials and facilities.
- Plans and makes recommendations on the improvement of library services.
- Personally handles the most difficult patron requests and complaints.
- Serves as advisor to the Library Board, Town Manager and Town Council on library programs and issues, including telecommunications and information technology programs and issues.
- Develops and directs special library projects.
- Oversees public information programs on library services.
- Directs the preparation and prepares activity, operation and service reports.
- Develops revised services to meet the changing needs of the community.
- Represents the Public Library system with citizens' groups, civic groups, boards and other government agencies.
- Performs other duties as may be assigned from time to time.

KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of modern principles and practices of professional library work, library organization, materials, services and equipment; knowledge of principles and practices of categorizing, classifying and processing library materials; knowledge of the principles and techniques of management, supervision and training; knowledge of principles and practices of grant writing and grant administration. Ability to plan, organize, direct and supervise functions of the Public Library system; formulate, implement and evaluate policies and procedures for library programs and services; prepare a variety of reports; analyze existing services and develop improvement plans related to community needs.

PHYSICAL REQUIREMENTS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is frequently required to sit and talk or hear, use hands to finger, handle, feel, or operate objects, tools, or controls; and reach with hands or arms. The employee is occasionally required to walk.

The employee must occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision and the ability to adjust

focus.

The noise level in the work environment is usually quiet. There are occasional stressful situations involving members of the public who are angry or upset. Must be able to work under interruptions of daily routines and maintain a professional attitude.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

TOOLS AND EQUIPMENT USED:

Personal computer, including word processing, spreadsheet, database, presentation, multi-media and electronic mail and Internet browser software; calculator; telephone; pager; copy machine; fax machine; radio; television; DVD/VCR player; digital camera and motor vehicle.

MINIMUM QUALIFICATIONS:

Minimum of a high school diploma or equivalent is required. Any combination of training, education or experience which demonstrates the potential ability to perform the duties of the position, including five years of responsible work experience in professional library work, preferably including two years in a management or supervisory capacity. Masters of Library Science degree from a school accredited by the American Library Association or one year of advanced training in an accredited School of Library Science is preferred, but not required.

SPECIAL REQUIREMENTS:

Residence in the Town at the time of appointment as Library Director shall not be required as a condition for appointment. Driver's License and good driving record. Bilingual in Spanish would be advantageous.
