Obituary

Gilbert Lujan Meza

June 16, 1966 – July 25, 2013

Gilbert Lujan Meza, 47, of Winkelman went with God Thursday, July 25, 2013.

Gilbert was born on June 16, 1966 in Kearny, the son of Albert and Angelina Meza. He was a lifetime resident of the area. He was a certified electrician at Freeport McMoRan. He enjoyed golfing, baseball, basketball and collecting baseball cards. Gilbert also helped coach for a local softball team. He loved spending time with family

and friends and was always there to help someone or teach them new things. Anyone who had personally met Gilbert could say he was a bright, loving young man with a big future and a big heart.

Gilbert leaves behind his wife of 23 years, Denice Meza; his two daughters, Cara and Ashley Meza; brothers, Albert Meza Jr. and Edward Meza (Denise); sister, Lanette Stuart (David Stuart); and his parents,

Albert and Angelina. He was Godfather to eight children with many nieces and nephews. Gilbert is loved and will be missed by all. May he always be our Guardian Angel.

Funeral services were held on Friday, Aug. 2, 2013 at Infant Jesus of Prague Parish, Kearny, Ariz. with Interment at Mountain View Cemetery, Hayden, Ariz.

New teachers welcomed to local schools

Compiled by Vicki Clark

Copper Basin area schools welcomed back students this week and also welcomed six new teachers with both the Ray District and Hayden-Winkelman District adding three teachers to their ranks.

Nannette Moreno is teaching Sixth Grade and High School Marketing in the H-W District. She was born and raised in Hayden and is a 1992 graduate of Hayden High School.

She earned a Bachelor's Degree in 2000 and a Master's in Counseling in 2003, both from Northern Arizona University. Her teaching experience includes six and a half years in Superior and six and a half years in Coolidge.

She said she always liked working with kids and has the desire to help kids learn and be the best they can be.

Her goal for the future is to complete her teaching career in H-W Schools.

She is married to husband Hector and they have a son, Matthew, 19.

In her leisure time Nannette enjoys watching sports.

Thomas L. Stultz, Ph.D., (Tom) is teaching high school math, also in the H-W District. He was born and raised in Ohio and moved to Arizona in 1980.

He holds a B.A. and a M.A. in Organization Behavior from the University of Phoenix and a Ph.D. in Business from California Coast University.

His background includes working for I.B.M. retiring in 1999. He then taught math at Payson Center for Success High School for seven years and also served as an Independent Educational Consultant for Arizona

Schools for six years.

He says he works to combine his technology knowledge and experience to enhance education software in math instruction and added that he supports every student to meet his or her goals.

His hobbies include R.V.ing, golf and travel.

Brandi Navarro is the new Fifth Grade teacher in the H-W District. She was born in Tucson and raised in Hayden and is a HHS graduate.

After high school, she attended Northern Arizona University where she earned a Bachelor's in Education and a Master's in Counseling.

She comes to H-W after teaching Fifth Grade in Superior for six years and Fourth Grade in Coolidge, also for six years.

She chose teaching as a career because she wants to help kids reach their goals.

She and husband Jesse have three children, Ryan, Dylon and Wyatt.

Her interests include reading, watching movies and playing with her kids.

Cheryl Tatge is behind the desk in Fifth Grade in the Ray District. She has a Bachelor's degree in Child Development from CA State University at Sacramento and an Elementary Teaching Credential from National University. Aspiring teachers are required to go through a fifth year of school to become a teacher in California.

She chose teaching as a career because she has known since high school that she wanted to teach. She said she loves kids and is so amazed by the amount of growth they make in one short year. She added that it is probably one of the most fun and exciting careers.

Her career goals include finishing her Master's in Education and possibly work towards becoming a principal.

Her hobbies include playing soccer and she enjoys watching baseball and football. (Go San Francisco.)

Mark Weber is taking over the District Band/Music as Director.

He grew up in Eureka, California, attended Humboldt State University where he earned a BA in Music Education. He also holds three Master's Degrees, Education Curriculum and Instruction; Psychology; and Education Administration.

His teaching experience includes 10 years in Arizona, six years in California and five years in Tennessee.

He said he enjoyed playing and performing professionally and always wanted to teach since his junior year in high school and his career goal is to keep going.

He is married to wife Beverly and they have two children, Rachel and Robert.

Dennis Warner is the new RHS math teacher. He is a Kearny native and a RHS graduate. More information was unavailable at press time.

Ernie Brace to receive POW, Purple Heart medals

Ernest C. Brace

On July 17, 2013, the Secretary of the Navy signed off on awarding Ernest C. Brace the POW and Purple Heart Medals for his time as a POW in Laos/Vietnam.

The awards were sent to the U.S. Marine Corps for presentation and will be made Aug. 16, 2013 at the base theater, Kingsley AFB, Klamath Falls, Oregon.

The awards, except for the POW Medal, were

originally recommended for Brace by Adm. James B. Stockdale on the POWs return in 1973, but were put on hold because Brace was a civilian at the time of his incarceration. The application was re-presented to SecNavy in 2011 through Senator John McCain's office and drafted by Capt. Rod Knutson, USN, Retired, a fellow POW.

The presentation will be made on the 62nd

anniversary of Brace's being commissioned a Second Lieutenant in the US Marines on August 16, 1951, the day after he turned 20 years old. The presentation is open to the public.

Brace was the longest held civilian prisoner of war in the Vietnam conflict. His story was told on the National Geographic's show Locked Up Abroad on April 17 of this year. He

was a Vietnam POW for over seven years.

His family has a history in the Copper Corridor area, Dad Cary, Mom Ruth and two sisters moved to Ray in 1951 and eventually the parents moved to Superior and sister Rose (Bradford) to Kearny. Sister Betty lived in Superior and Florence until her death in 1994.

Ernie and his wife reside in Oregon and he

enjoys a very active life at the age of 81. He has written two books about his experiences A Code to Keep and Monkey Paw Soup. Both can be ordered from Amazon.com

The docudrama titled Vietnam POWs: McCain and Brace also featured Sen. McCain's story. He was a military POW and was held captive for five and a half years by the North Vietnamese.

GCC, CVIT information update; tuition reduced for seniors

In an action during a special meeting of the Gila Community College (GCC) Governing Board, the board voted to lower tuition and reestablish senior citizen tuition waivers. The tuition schedule will still support opportunities for part-time student taking less than 12 credits and allows for senior citizens age 55 years and older to have their

tuition waived. The new tuition schedule and the most current class schedule is available at www.gilacc.org.

The fall 2013 semester begins on Aug. 19, with full-time instructors returning to their respective campuses on Aug. 12. Those individuals interested in attending GCC for the fall semester are encouraged to register

now to ensure a place in the class of their choice.

The Cobre Valley Institute of Technology (CVIT) has openings in some of their central programs including the very popular program fire science. Other programs include medical assistant, nursing assistant, and graphic design. The cosmetology program is full and there are only two openings

in the welding program. The programs are offered through a partnership with Gila Community College at their Gila Pueblo Campus in Globe. There is no cost to the student for these programs. The programs are open to high school juniors from Globe, Miami, San Carlos, Hayden and Superior and begin on Aug. 7. Students and/or parents who want

to learn more about these programs can contact Beata Tarasiuk at the CVIT office at 928-425-9654.

Blazers take first at fifth annual Blazer Invitational

This past Saturday the Blazers hosted the 5th Annual Blazer Invitational at the HW-LL field and the Hayden High School softball field. As play began at 8 a.m. and continued throughout the day and into the evening hours, the Blazers finished with a 3-1 record for the day narrowly edging out the Oro Valley Gators. The only loss coming at the hands of another local team, Adrenaline. Players that made the all-tournament team for the Blazers were Nikki Baldenegro, Tara Lorona, Lexi Gomez, and Daniella Hinojos. Members of the Blazers softball team are Julie Meza, Emma Alavarado, Janae Ruiz, Sydney Contreras, Brianna Galarza, Sam Bayardo, and Jada Zaragoza.

Pastor's Corner: Our Children and Teenagers

By Joe Palmer
Pastor
Fellowship Baptist Church

Kids need parents and caring adults to guide them through life. Some children are referred to as "latch-key kids" because their parents are seldom around. Without mature guides, they will be led by their peers, and the consequences can be drastic.

Every 24 hours in the United States: six teens commit suicide, 80 are raped, 500 start taking drugs, 1000 start drinking alcohol, 1000 give birth to children out of wedlock, and a thousand have abortions.

Our children need us. We need to care. If you want

to help children (your own included), then plan on joining us on September 8 at Fellowship Baptist Church at 6 pm to watch videos of professional Christian counselors who will teach us how to care for people God's way.

Jesus said (in Matthew 18:4, 5): "Whoever then humbles himself as this child, he is the greatest in the kingdom of heaven. (5) And whoever receives on such child in My name receives Me."

If you would like to talk with me (Pastor Joe Palmer of Fellowship Baptist) about it, email me at joeandsuzypal@yahoo.com.

Young football players sought for football league

The Southern Arizona Youth Football (SAYF) is still seeking local youth to sign up. According to Manny Laguna, the sign-up person, SAYF can still accommodate 30 more youngsters, from 4 years of age – 14 years of age. Players 11 and 12 years of age are particularly needed.

SAYF's first practice is slated for Mon., Aug. 12. The program enables local youth to learn and have fun playing football, while also teaching them teamwork and socialization skills that will help them in all aspects of life.

The next sign up is on Friday, Aug. 9, from 6-7:30 p.m. at Old Time Pizza in

Kearny and Saturday, Aug. 10, from 1-3 p.m. at San Pedro Valley Pizza Co. in San Manuel. You can also register online at www.SAYFS.org.

If you are seeking more information or are an interested parent who is unable to attend that sign up, call Manny at 520-349-5172.

Artists to form local guild

The Copper Basin art group known as ArtUs is currently in the process of forming a new group to be known as the ArtUs Guild.

An organizational meeting and painting fun (etc) are scheduled for Thursday, Aug. 15, at The Church of the Good Shepherd, Ray Hall, beginning at 9 a.m. and is anticipated being in session until 3 p.m.

This process is the direct result of the announcement that the fall semester class will not be offered by Gila Pueblo College, previously associated with ArtUs. It has been cancelled due to the illness of the instructor.

All returning students and any new interested students are urged to attend this meeting. No experience is needed to join the group. Just the love of creativity is all that one needs. All

mediums are welcome.

Please bring your ideas to help us maintain this group that has been together for

at least 20 years.

Kearny Fire extinguishes blaze at Buzzy's

By Mila Besich Lira

A favorite restaurant of the Copper Basin area was destroyed early last week. Kearny Fire Department was dispatched and on scene to extinguish a fire at Buzzy's restaurant within minutes of the call.

KFD responded to the blaze at 11:59 p.m. When they arrived smoke was already billowing out of the attic. Chief Piggott reported that the department was unable to save the interior of the building and it is a total loss. "When we arrived we worked to extinguish the fire but we were never able to get crews into the building," said Piggott.

No one was injured in the fire or while fighting the blaze. Fire crews were on scene until 4:30 a.m. mopping up the fire. The large flames were extinguished soon after the arrival of the fire crews.

At this time the actual cause of the fire is under investigation. The building was insured. "The owners are planning to rebuild," explained Piggott.

Memories of Buzzy's

By Rosalind Padilla

Special to the Copper Basin News

Editor's Note: This article appeared in the *Copper Basin News* on Aug. 12, 2009 as part of the 50th Anniversary Celebration of the Town of Kearny.

Where do your grown children from the 70s and 80s head as soon as they come back to town? I stand corrected, not just the 70s and 80s but all ages returning home. What makes their onion rings, hamburgers, and green chili so special? Where can you go for a meal and get change back from a ten dollar bill? These are a few comments heard over the years.

Many businesses have come and gone in Kearny over the past 50 years. Two that are family owned and operated have served the Copper Basin Area almost the full 50 years. They are Buzzy's and the Copper Basin News. When calling to set up a time to talk to the Bowans about Buzzy's, I was directed to Bill or "Beba" as he is lovingly called and Lorna told me that Buzzy's was "her baby." In 1961, the family moved to Kearny and bought one of the first homes on Hartford for \$200 down and \$73 a month. There were no sidewalks or driveways and each family was given two mulberry trees. They lived in this home for a short while, moved to Hayden and back to Kearny again.

The Bowan family had moved here from Silver City, New Mexico in 1958 and with strikes every three years some lasting as long as a year or more, it was hard for any family to make ends meet. By the time any money was saved it was used to live through the next strike. Lorna Bowan was determined something needed to be done. A building had recently been constructed for

a restaurant along the new Highway 177 in Hayden and was in need of someone to take over the business. Lorna and her friend Betty Morrison were convinced that they could make it work even though they had no money with which to start. Big Jim's was born which they operated from 1961-64. They had only one other person serving as cook so Lorna Bowan and Jim Morrison took one shift and Betty Morrison and Beba Bowan took the next shift. This way there was always someone at home with the children. It was Lorna's dream to have a chain of restaurants so she sold her interest in Big Jim's to the Morrison's and set out to achieve her dream.

In 1963, she opened up the Hamburger King in Superior (now Denogean's) and operated it till 1968 while also starting another restaurant which became Buzzy's in 1967. Jean Quinlan was a partner in Superior for six months. With three restaurants almost at the same time she had almost achieved her dream of starting a fast food chain. A thought to her self "you wanted a chain, but when you had two you had too many." The Hamburger King was sold and Lorna ran Buzzy's till she retired and sold it to her grandson Dennis Werner.

Max Wheeler constructed Buzzy's and if you notice as you pass through Hayden on Highway 177, the building most recently Dos Amigos and in Superior, the current Denogean's, all three are similar in shape and style.

What made Buzzy's a success? First of all Lorna made her business work through careful calculations. For example she measured and figured out how much one ounce of ice cream would cost and what would be the profit for the year. Evaluating and

planning her menus, portions and sizes and keeping careful notes as she considered profit and losses. The menu has remained the same over the years. The recipes for their onion rings, green chili and salsa were developed at Big Jim's. Lorna says when she makes the same foods at home they don't taste like those at Buzzy's, same recipes and all. You can't go wrong with a red chili, bean combo burro, enchilada style with a side of fries to dip in the enchilada sauce.

One night Lorna had a dream about Indian fry bread and roast beef tacos and a new menu was devised. Along with the new food they added written menus and waited on tables. They soon dropped that and went back to counter service. The family business was a full time job, open seven days a week and as with all family run businesses there is usually no time off. Everyone pitches in and helps. Lorna made a commitment to God, and started closing on Sunday, the business has been a blessing ever since.

There has not been a large turnover in employees through out the years. Dorothy Bracamonte worked there 27 plus years; Rose Arbizio, 27 years; Pat Boatman, almost as long. There are many more who have had a fairly long tenure. Diane Gillaspay and I share the same birthday and also shared Indian fry bread made by Diane on our birthday. I miss that tradition. If you have been a customer at Buzzy's for any length of time you have watched the Bowan clan grow before your eyes because they have all worked there, some loving every moment and some not caring for it too much. Many of you in the community can say your first job was at Buzzy's. Proof that people love Buzzy's burros, Lonnie

Buzzy's

Continued from Page 9

it is a great family tribute to the community.

Actually I used to think the Bills nickname was Buzzy. He worked on the anode floor and lime kiln at the Kennecott smelter in Hayden and retired in 1982. He started working

at Buzzy's full time when Lorna retired. How did she happen to name her restaurant Buzzy's if it wasn't her husband's name? Since her goal and dream was to own a chain of fast food restaurants and she had the Hamburger King whose name sounds a lot like another popular chain, she was told she would do better with a catchy name. They had little boy bees and girl bees painted on the walls of the Superior restaurant and they decorated their hamburgers with a bee on a pick, so the name Buzzy's was born.

The only changes to the building have been the colors. After 9-11 they painted the building red, white and blue, formerly maroon and white. School colors don't bother the visiting sports teams. They just like the food.

You can't be in Kearny very long before you know that Buzzy's exists. One of the Bowan daughters was working in a store in

the Valley when a person purchasing beer gave her his ID. She saw that he was from Kearny and lived on Danbury, and asked if he knew her parents. His answer was "no." She then told him her parents owned Buzzy's; he did not know where Buzzy's was. "This is not your ID and you are not from Kearny if you don't know where

Buzzy's is," she replied.

When asking several regulars why you go to Buzzy's for "your Pepsi fix", the reply was "it just tastes better from Buzzy's." Many of the customers are so regular that they don't have to order. If the person behind the counter sees familiar vehicles driving up they almost have the order ready by the time the person

walks in the door. Then there are those of us who know the phone number by heart. Donnie Bishop has been a regular customer since the day Buzzy's opened. In fact it was his first job. If Buzzy's gave out "Frequent Customer" rewards, Donnie would be the grand prize winner and according to him, he wore out three cooks.

ASARCO Ray summer laborers help serve Kearny firefighters

Hanna Cataldi (CGCC), summer labor working for Sterling Cook in the Geology department, daughter of Steve Cataldi, chief chemist of the QC laboratory; Holli Wormwood (U of A), summer labor for Jeff Hall in the Mine Electrical department, daughter of Paul Wormwood, general supervisor of Repairable; and Harmony Wormwood (U of A), summer labor working for Sterling Cook in the Geology department, daughter of Paul Wormwood, general supervisor of Repairable. The three girls volunteered and were granted permission to help after a request for help came from the Town of Kearny to assist in serving the fire effort. General Manager John Dorsey granted permission to send the summer laborers to go to town to assist in the needs for the day. The girls were put to good use and relieved the workers that had been on call since the fires onset. They assisted the incident command center with fabricating and placement of emergency signs, and assisting workers in area acclamation by setting up sleeping cots, and serving meals. We'd like to thank ASARCO for the honor of serving and assisting the Town of Kearny. (Submitted photo)

Public Notice

**Town of Hayden
Notice of Public hearing
Establishment of Redevelopment
Area(s)**

PUBLIC NOTICE IS HEREBY GIVEN that a public hearing will be held on August 19, 2013, at 5:30 PM, in the Town Hall, 520 N Velasco Ave., Hayden, Arizona to solicit input from the community and, specifically, residents affected by the proposed establishment of the Redevelopment Area(s). The Redevelopment Area(s) would be established for the purpose of making improvements in the areas of public health, safety and welfare of Town of Hayden residents; especially those living within the project area(s). One proposed Redevelopment Area is bounded by AZ Hwy 177 from the western town limit to Kennecott, then running past the intersection with North to the eastern bend and turning to the northeast to intercept the town line at the end of San Pedro. Another proposed Redevelopment Area includes the properties on either side of the full length of Utah, Hayden, Park, and 5th street, plus Velasco from 4th to 5th Streets. The Town of Hayden expects to receive approximately \$112, 007 in FY13 federal Community Development Block Grant funds from the Arizona Department of Housing. At the April 15, 2013 meeting Town Council decided that the demolition of burned out residential properties was a priority for the use of these funds. The project is scheduled to include the demolition of burned/dilapidated buildings which pose a health and safety hazard for Hayden residents. The CDBG grant process requires the designation of Redevelopment Area(s) to more clearly define eligible activities that aid in preventing or eliminating slum and blight conditions pursuant to Arizona Revised Statutes. Questions may be directed to Bill Leister, Town manager, at 520-356-7801 or bleister@townofhayden.net. Persons with disabilities who require special accommodations may contact the Town of Hayden at 520-356-7801 at least 24 hours before the hearing for assistance.

Cards of Thanks

Thank you ...

The sons of Pedro F. Guzman and our families would like to express our sincere gratitude for all the kindness shown to us and our dad during his illness and after his passing. It would be impossible for us to name all of the thoughtful and generous people who called us, brought food, flowers, money and prayers. Special thanks to Monsignor Raul Trevizo, Father Matthew and the altar boys. The people who helped with the Luncheon, Tudy and Roxie, Virgie, Lupe, Rosie, Tenchie and anyone whom we may have missed. We would also like to thank Griffith Mortuary for helping us with the services during this difficult time. Our dad Pedro was a generous, caring person and will be greatly missed by those who loved him. He will forever be in our memories and forever in our heart.

Sincerely,

Peter & Roberta, Ysidro,

Resolution Copper Mining is hosting a series of public forums, and you're invited.

We invite you to join Resolution Copper for the fourth installment in a series of public forums in Superior to discuss a range of topics most important to the project and our neighbors, including water use, the possible sites for a tailings location, and the land exchange bill. Plenty of time will be available in each forum to discuss your questions and concerns with our engineers, environmental experts and special guests.

Light refreshments will be provided.

August 14, 6 – 8 p.m.

» How We Manage Tailings

Hosted at Superior High School, 100 W. Mary Drive, Superior 85173

We'll discuss where tailings come from and how we are finding the best place to permanently and safely store them.

August 20, 6 – 8 p.m.

» What This Land Exchange Really Means with Reps. Paul Gosar and Ann Kirkpatrick

Hosted at Superior High School, 100 W. Mary Drive, Superior 85173

Join us for an evening with the co-sponsors of H.R. 687, the bipartisan land exchange bill introduced this year, discussing the tremendous benefits it will bring to the local region, the state and the U.S.

If you have any questions about the forums, we invite you to call our information line at **520.689.3409**, visit our Community Information Office at 402 W. Main St. in Superior, or visit **ResolutionCopper.com**
