OBITUARIES

Grant Edwin Denton

Grant Edwin Denton passed away on Aug. 1, 2018. He was born in Ashurst, Arizona on Aug. 17, 1932, to "Whistling" John Calvin Denton and Minnie Pearl Hawkins Denton. Grant was the 11th and youngest child. His family had traveled from Texas by covered wagon before he was born, they settled in Arizona and here they stayed.

At a young age Grant learned to rope and ride. By the 7th grade he left home to work on ranches. He started at Kennecott at the age of 18. At the age of 19 Grant was drafted into the US Army. He was stationed at Camp Hamford in Washington State. After he completed his military service he moved back to Arizona and continued to work for Kennecott Copper Corp. in Ray and later Asarco. Grant worked there for 42 years.

While working for Kennecott he met and married Elizabeth Brown. Together they had three daughters, Carrie Denton Power, Carlene Denton-Roach, and Katherine Denton Willis.

Grant later married Frankie Gillette and became a father to another daughter, Jodi Denton Tomerlin.

Grant had eight grandchildren and 15 great-grandchildren who all love their "Cowboy Grandpa". Grant has many family members and many friends who will miss him dearly.

Grant loved all of his daughters greatly. Carrie helped him with his medical needs and had him up and dancing after some knee treatments. The last nine months of his life Grant spent in Kearny living with his daughter Carlene. Together they went on many adventures like visiting where he was born and baptized, and snake hunting. Katherine took him fishing often, he loved to fish and loved it even more with her. Jodi visited him often and helped him with all of his paperwork, they enjoyed reminiscing of old times and future plans. He thoroughly enjoyed his time with them.

Grant's true love was the Rodeo and Working Ranches. He roped and rode until one year before his death. Grant was a true Cowboy and was honored at "Night Of The Cowboy" in 2016. Grant has won many saddles, belt

buckles, and truly enjoyed teaching other cowboys to rope and ride. Many of these men still remember all of his knowledge and appreciate his wisdom that he passed on to them. His favorite event was team roping and traveled many places to compete. He also worked on many ranches and felt of that as real Cowboying.

Please join his family and friends to celebrate his life Aug. 11. Viewing will be at 9 a.m. and Services at 10 a.m. at the Kearny, Arizona, Church of Jesus Christ of Latter-day Saints, 200 Hammond Dr. The service will be followed by grave side services. Lunch will be served at the Church after. A gathering will follow lunch and will be announced at the Church.

School is in Session

Three months from now, on the eleventh hour of the eleventh day of the eleventh month, the 100th anniversary of the Armistice ending World War I, “the war to end all wars,” will be marked.

When I was seven years old and looking forward to trick or treating on Halloween, my grandmother offered me the use of the costume my father wore at the age of seven. It was a realistic U.S. Army uniform, complete with leggings, all the buttons, and the cap. My father wore it out to ask for candy just a few days before the war was ended.

As I went to all the houses in my own town, many people called me inside for a better look at my costume. Some of them were veterans of World War I, some of World War II. The Korean War was still in progress.

At my age, I had little concept of war and certainly no concept of death. I started to learn about death when I attended the funeral of Jim Mahone, a Hualapai veteran and Seligman resident who served under

General Crook in the Apache Wars. A volley of rifle shots shattered the respectful silence of the people, and the bugle sounded Taps. I will never forget that day.

The public schools of the Copper Basin are now in session. All last week the teachers, administrators and staff worked together and individually to have everything in readiness. The people of Church of the Good Shepherd in Kearny served a meal in both Kearny and Hayden/Winkelman to demonstrate support for the educators in their special work.

This year, for the first time, Ray Schools will serve a free breakfast for all students Monday through Thursday. The breakfasts for Pre-K through 6th grade begin at 7:30 a.m. and 7th grades through High School will be served at 7:45 a.m. All the people serving the meals are happy with this development.

Ray Schools are requesting that all parents of school children mark their calendars for Thursday, Aug. 16, for the school Open House. A celebratory cookout will be held in the high school courtyard at 5:30 p.m.

LETTER TO THE EDITOR

Baby Jar Glue

As summer is ready to turn to fall, most of us here in Arizona are ready for the cooler weather. The children are heading back to school and the routine of homework, projects and being back with friends. No one is more excited than mom!

Today back to school can be fun, shopping for new clothes, a new backpack, even maybe a new iPhone! (How things have changed!)

I remember growing up dreading going back to school. Most of the kids in my class came back to school with new clothes, school supplies and a new lunch box. What I remember is going back to school in tennis shoes with holes in them. There were seven of us kids in our family. My parents did not have money to buy all of us new shoes at the same time! I had hand-me-down clothes, which was not fun for a boy with four older sisters!

The teacher would give us a list of supplies: two pencils, a box of crayons, wide lined paper and a bottle of glue. My

mother was very creative; I got a baby jar with glue made from flour and water. I could have died!

On top of that, I brought my lunch in a brown paper bag, while the other kids had Superman lunch boxes! I cringe every time I see a brown paper bag to this day!

Today, here in Arizona, 25% of all our children live under the poverty level. At Family First in our service area over 50% of our children live under that level! To help out our local kids, at Family First every year we have a “Back to School Supplies Drive.” We are asking for backpacks, paper, pencils, pens and folders so our kids can have the supplies they need for the school year.

Let’s join together and make back to school a fun time for our kids! Thank you! School supplies can be dropped off at either our Oracle or Winkelman center during the month of August.

God Bless,
/s/ **Frank and Clare Grochocki**

Volunteers sought for Sheriff's HUMV program

The Pinal County Sheriff's Office is looking for professional volunteers to provide services to veterans in our HUMV unit.

In November the Pinal County Sheriff's Office Adult Detention Center launched Housing Unit for Military Veterans or HUMV. Any individual who is booked into our jail will get their veterans status verified through Veterans Affairs. If they are a veteran, they can opt to join our veterans unit. This unit will consist of veterans from different branches of the military. These inmates will have access to mentors, councilors and educational opportunities that will help them once they are released. The mentorship program continues once veterans are released to ensure they get the services they need.

"The idea is to return these inmates back to the best versions of themselves. We want to teach them coping mechanisms and life skills that will give them the foundation they need once they leave our facility," said Chief Matthew Hedrick, Pinal County Sheriff's Office.

This program is modeled after the HUMV program created by Middlesex County Sheriff Peter J. Koutoujian. The Middlesex County Sheriff's Office launched its program in January 2016, and it is open to both pretrial and sentenced inmates who have served at home or abroad. The program is situated in a unit reminiscent

of a military barracks and features programming specific to the needs of military veterans. The results have been extremely positive, dramatically reducing the recidivism rates of veterans. Since its inception, 165 individuals have gone through the unit. Among the 111 men who spent a minimum of 30 days in HUMV, the reconviction rate is in the single digits.

"Why reinvent the wheel? The program has seen great success in Middlesex County, so I wanted to bring it here. At some point, we will be able to expand the program opportunities to other inmates to help reduce recidivism across the board," said Sheriff Mark Lamb, Pinal County.

Many of our HUMV inmates have

Pinal County Sheriff Mark Lamb

endured experiences that are still negatively affecting them today. These experiences are manifesting themselves as issues such as a lack of healthcare, limited job opportunities, homelessness, emotional disorders and other invisible wounds stemming from military service. The Pinal County Sheriff's HUMV Program is looking for volunteers to help provide programs, resources and support to those men and women who sacrificed for us.

"We are looking for therapists who

specialize in mindfulness, PTSD and/or art therapy, financial advisors, yoga instructors, mentors and program managers that want to help our military veterans," said Sheriff Lamb. "With your help, we can uplift, inspire, enrich and improve the lives of the military veterans who are in a time of need."

If you are interested in becoming a volunteer, go online to: <http://bit.ly/PCSOHUMV>

Ray welcomes new teachers

Students and teachers alike are heading back to school. For Ray School District there are three new faculty members added to the roster.

Abigail Pitner will be teaching fifth grade.

She received her degree in Elementary Education from Northern Arizona University. Last year was her first year teaching. She taught a fourth/fifth grade combination class at First Avenue Elementary School in San Manuel.

She told the *Copper Basin News*: “I had an amazing second grade teacher who took the time to teach me when previous teachers had not. In high school I didn’t know exactly what I wanted to be, but I was a TA for Mrs. Rubalcaba and Mrs. Acuña. Being a TA really sparked my interest along with my second grade teacher. I really like inspiring children and helping them learn to love learning.”

She plans to further her career by obtaining her master’s degree.

Her hobbies include hanging out with her family and doing makeup.

She is married to Tyson Pitner and they have a daughter, Evelynnn.

Tyler Gillaspie will be teaching chemistry, physics and Spanish at the Ray Jr/Sr High School.

He grew up in Kearny and is a graduate of Ray High School. He attended Arizona State University and studied sustainability and biochemistry.

“Though I did not study to be a teacher, I did serve in the U.S. Peace Corps as an education volunteer in Mozambique, Africa,” he said.

He plans to return to college to earn his master’s degree in environmental studies.

He lists world travel, craft beer tasting and “anything outdoors” as his hobbies.

Lisa Warren will be teaching English for seventh, eighth and 10th grade.

She graduated from Arizona State University in December 1998 with a degree in elementary education and chose teaching as a

career because she loves working with kids.

“I wanted to be able to make learning fun and engaging for my students,” she said. “My goal for my students is for them to be involved in their own learning.”

She plans to find new and innovative ways to facilitate learning in her classroom.

She is married to Scott Warren and is the mother of eight, Noah, Luke, Jack, Michael, Zhenya, Kaia, Josiah and Asher.

Her hobbies include photography, making furniture, sign making, travel, reading, raising animal and spending time with her family.

Expectations are high for Ray football

By Andrew Luberda
Copper Basin News

After reaching the quarterfinals in the state playoffs for the first time in three seasons a year ago, the Ray football team expects to make a deeper run in 2018.

The Bearcats, who are ranked as high as No. 6 in one preseason ranking, finished 6 – 4 last season, including 2 – 2 in the 1A

East Region, which placed the Cats third in a region that had four teams qualify for the playoffs.

Three seniors and a pair of juniors are among the top returning players, led by senior quarterback Jaden Pace. Dakota Willis and Spencer Bryce, also seniors, and junior Eric Manriquez and Julian Becerra also figure to be key contributors this season.

The Cats' strength will be their speed and work ethic, which will be especially important considering there are only 22 players on the roster.

"We have a small group this year," Ray assistant coach Jimmy Fessenden recently told *Copper Basin News*. "Keeping grades up, which should always be the case, and staying healthy is key."

The experience of competing in the playoffs

last year, which was the first time for many of the Bearcats' players, will benefit the team as it attempts to reach its goal of a state title.

"We gained a little bit of experience last year by making the playoffs," Fessenden said. "We expect to be back this year and improve on our success."

Ray opens its season at home against Duncan on Aug. 17. Kickoff is scheduled for 7 p.m.

Hayden football wants to build on recent success

By Andrew Luberda
Copper Basin News

The Hayden football enters the 2018 looking to reach the state playoffs for a third-consecutive year.

The Lobos went eight-straight seasons (2008-15) without reaching the playoffs before ending the drought in 2016. The question now is, can they continue the success?

"(Our coaching staff) has high

expectations," Hayden head coach John Estrada wrote in an email. "It really comes down to how bad the players want it. We need to work out some team issues. If that happens we can be successful. If things remain the same as the first two weeks, it can be a long season."

Hayden returns 11 starters from a year ago – five on offense and six on defense – lead running backs Joel Rodriguez and Omar Lopez, both seniors. Noah Monroy, Robert Manriquez, Jorge Rodriguez and

Peter Kame are among the other top returning players.

Junior Gilberto Carmelo takes over as the starting quarterback, replacing Mario Mariscal, who graduated.

"Our strengths will be our seasoned players," Estrada said. "They know our offensive and defensive packages. They just need to work out some issues, believe

in themselves, perform, and have fun."

What are they keys to success on Friday nights?

"We need to come to practice, work extra hard, and learn the technique being shown to them," Estrada answered.

Hayden opens its season on the road at Phoenix Day School for the Deaf on Aug. 24. Kickoff is scheduled for 7 p.m.

The great competitions of Superior's Prickly Pear Festival

This year's World's Best Prickly Pear Festival hosted by the Superior Chamber of Commerce is about to get even better as two competitions will be added to the event which is scheduled for Saturday, August 18th in Superior, Arizona at the Superior Town Hall.

Returning to the festival is the 2nd Copper Communities Food Hub Prickly Pear Cook-off. The cook-off features two categories, one for baked goods and desserts along with an appetizers and main dish category. Contestants must include prickly pear as an ingredient in the recipe. The contestants will be competing for cash prizes in both categories. The event is hosted in conjunction with the Copper Corridor Economic Development Coalition and the Southern Gila County Economic Development Corporation. The competition will be held inside the Superior Senior Center from 10:30 a.m. to 1 p.m. You can sign up online and learn more about the requirements online: <http://bit.ly/PricklyPearCookoff>

The new addition to the Prickly Pear Festival is the Prickly Pear Drink Shake-off. Show off your bartending skills in the Cactus Lounge; the main rule of this competition is the drink must have Prickly Pear juice as an ingredient.

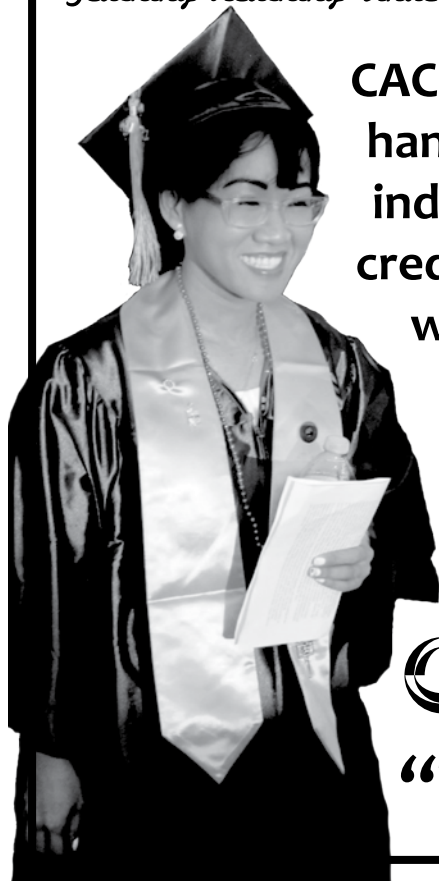

Only nine competitors will be allowed to enter and the final three will shake off in the final heat at 4 p.m. in the Cactus Lounge. You can learn more about the event and the rules online at: <http://bit.ly/PPShakeOff>

This entire event is dedicated to the bountiful wonders of the Sonoran Desert while celebrating the beloved Prickly Pear cactus. You can learn how to forage for the sweet fruit, enjoy a pancake breakfast, drop into an educational lecture, visit the art show, purchase unique food, gifts and crafts at the vendor showcase or enjoy lively entertainment from folklorico dancers, mariachis, local musicians and the Prickly Pear pageant.

To learn more about the event visit the Superior Chamber of Commerce website at: <http://bit.ly/2018PricklyPearFest> or you may call the Chamber at 520-689-0200. There are still a few vendor spaces available.

On August 1st Hayden High School held a ribbon cutting ceremony for the new CVIT Satellite Office. Hayden High School will be providing Career Technical Education to students in Law and Public Safety, Business and Graphic Design.

Gila County residents: voice your opinion and get a free lunch, too

How often does someone ask your opinion – and also offer that rarest of rarities: a free lunch? Hayden and Winkelman residents who care about their community and are available Aug. 14 (Tuesday) are encouraged to visit the Hayden Senior Center from 11 a.m. – 1 p.m.

And share your thoughts as part of a county-wide needs assessment survey launched by Gila County Community Services Department. Please RSVP by phone call to 928-425-7631 so organizers can prearrange enough lunches for Hayden/Winkelman participants.

You aren't available next Tuesday to attend in person over the lunch hour? Share your opinion online or in print – survey

forms are online, also available at county offices and local libraries. Surveys are anonymous.

"Everyone in Gila County has the opportunity to give us their opinions and thoughts about employment, housing, health care, quality of life – and barriers they have experience with obtaining basic needs," said Gila County Community Services Dorine Prine. "We genuinely want as wide a range of opinions as we can gather about life here in Gila County."

The web-based survey takes about 10 minutes to complete. Lunchtime in-depth focus groups are scheduled over two-hour time blocks, allowing ample time for

Pinal County Attorney's Office has gone to the dogs

Recently, the Pinal County Attorney's Office began production on a video featuring the newest member of their staff, Pilot: a nationally certified Service Animal that has been trained and approved to work in all facilities and in public.

Debbie Boyle, his caregiver and handler, has had him for two-and-a-half years and is a Victim Advocate in the Victim Services Division. Pilot is a member of Court House Dogs Foundation and has met all standards set by Assistance Dogs International. He will accompany victims in the courtroom, thereby alleviating fear and anxiety experienced in such a setting.

Pinal County Attorney, Kent Volkmer, said, "Science has proven that allowing individuals in high stress situations to interact with facility animals can help to provide comfort, decrease anxiety and release endorphins that have a calming effect. Science has also shown the simple act of petting an animal produces an automatic relaxation response."

Pilot will be available for both children and adults. He has been meeting the judges in Pinal County and has been warmly welcomed.
