Obituary

Ida Evangeline 'Vange' Renshaw

November 27, 1921 - September 5, 2013

Ida Evangeline "Vange" Renshaw was born Nov. 27, 1921 to Oscar David and Ida Marie (Palmquist) Anderson on a farm one

mile north of Unityville, South Dakota. She passed away Thursday, Sept. 5, 2013 in Sioux Falls, SD. She attended Sun

Prairie No. 6 grade school in McCook County, graduated from Salem High School, and South Dakota State University in Brookings. Vange was active in speech, oratory and drama and was both business manager and editor of the Collegian. She and Robert C. "Bob" Renshaw married in June 1946. She taught English, Literature, and Journalism at Brookings High School. In 1948 they purchased a weekly newspaper, The Elkton Record, which they edited and published for nine years. They moved to Sioux Falls in 1958. In addition to raising three children, Vange was a

substitute teacher and aide at Sioux Falls public schools, Sioux Falls University, and Hartford school. Her last ten years of employment were in state government as editor and public information officer for Social Services, Labor and Education departments in Pierre. Vange resided at Dow Rummel Village the last year of her life. Vange had been a longtime winter visitor of the Copper Basin area.

Grateful for having

shared her life are her three children: Sandy Renshaw (Jim Lindberg), Des Moines, IA, Tim Renshaw, Rapid City, SD, and Sue McComber (Mike), Sioux Falls, SD; three grandchildren, Chris Cornish, Rapid City, SD, Loni McComber, Sioux Falls, SD, and Corey McComber, Sioux Falls, SD; one great-grandchild: Andrea Cornish, Viborg, Denmark; sisters, Lylah (Stan) Swanson, Sun City West, AZ, and Gaylee (Leo) Thorsness, Madison,

Ida Evangeline 'Vange' Renshaw

AL; sister-in-law, Laurice (Ernie) Ison, Torrance, CA; and many loving nieces, grandnieces, nephews, cousins, and friends.

In addition to her husband Bob, her brother, Clarence "Kay" Anderson preceded her in death.

Funeral Services are at 11:00 a.m., Wednesday, September 11, 2013 at Oak Hills Baptist Church, 6201 South Lyncrest Avenue, Sioux Falls.

Visitation will follow the funeral service, from noon to 2 p.m. at the church. All are welcome to celebrate Vange's life.

County to allow open burning in areas with reduced wildfire risk

FLORENCE, AZ - Pinal County Air Quality will resume issuing open burning permits in portions of Pinal County on Sept. 16, 2013. The ban originally went into effect in late April to mitigate the risk of wildfire. Recent rains and higher humidity levels have reduced the fire risk in many areas.

The ban on open

burning will remain in effect where local fire departments still regard open fires as a threat, including the Dudleyville Fire District.

Burning can resume in all areas of the Pinal Rural Fire Rescue 9-1-1 service area including within the Aravaipa Canyon outside of the Dudleyville Fire District beginning 1 mile east of AZ 77 on

E. Aravaipa Rd. A burn permit is still required. Contact PRFR at 520-465-5300 prior to burning.

State law prohibits open burning in the portion of north central Pinal County that includes Apache Junction, Queen Creek,

Gold Canyon and San Tan Valley. This region, referred to as Area A, is affected by more stringent air quality regulations that prohibit open burning until October 1.

On September 16, 2013 Pinal County Air Quality

will also resume holding satellite office hours at the Casa Grande County Complex located at 820 E. Cottonwood Lane, Building A, on Mondays and Wednesdays from 8 AM to noon.

Applications for burn

permits and additional information on open burning are available on the Air Quality Division's website at <http://1.usa.gov/15Twiwc> or by calling the Pinal County Air Quality Division at 520-866-6929.

Pinal County Sheriff's Report

The Pinal County Sheriff's Report is taken from the daily logs, based on the information provided by deputies. All persons arrested are presumed innocent until proven guilty in a court of law.

Sept. 2

Criminal damage was reported in the area of E. Freeman Rd. and N. Camino Rio, Dudleyville. A road sign was damaged. County Roads was notified of the needed repair.

Criminal damage was reported in the area of Indian Hills Mobile Home Park, Dudleyville. A vehicle was egged.

Sept. 3

Criminal damage was

reported at the south end of the old pedestrian bridge over the Gila River at N. Gila River Dr., Dudleyville.

Sept. 4

Ray Modesto Carmelo, 22, Hayden, was arrested in the area of Highway 177, Kearny, on warrants for failure to appear and interfering with judicial proceedings. He was transported and booked into the Pinal County Jail.

Sept. 5

James L. Pyritz, 42, San Manuel, was arrested on Highway 77 at milepost 129, Dudleyville, on a warrant for failure to appear. He was transported and booked into the Pinal County Jail.

Rabies clinic planned for Sept. 21 in Oracle

On Saturday, Sept. 21, 2013, Pinal County Animal Care and Control will be holding rabies clinic in Oracle from 9 a.m. to noon, at the sheriff's substation, 1470

N. Justice Drive.

The rabies vaccinations will be \$9, cash only. We will be selling county licenses at these clinics for \$15 for altered dogs and \$30 for unaltered

dogs, cash or check will be accepted.

All dogs in Pinal County are required by state law (ARS § 11-1008) to be vaccinated against rabies and licensed. Cats are not required to be vaccinated against rabies but it is highly recommended.

Rabies is a very real and 100 percent deadly disease that affects all mammals including humans. By having your

animals vaccinated you can help protect your animals and your families from this disease. Rabies is often seen in wildlife, especially bats, foxes and skunks. These animals are very common in our county, especially in the more rural areas. If a pet has an interaction with wildlife, a rabies vaccination could be the factor that saves that pet's life.

Time for a new start for San Pedro Valley Baptist Church with Pastor Anthony DaCunha

By Nina Crowder

Copper Basin News

During difficult economic times everyone seems to be hit by financial struggles. Anthony DaCunha and his family are no exception. Pastor DaCunha was living in the Houston, Texas area looking for a stable job for approximately two years. Pastor DaCunha knows of a religious singer that was in Dudleyville for a mission conference. When these people heard that Pastor DaCunha was looking for work, several people at different times informed the Head Deacon at the Dudleyville church that Pastor DaCunha would be perfect. It was amazing to hear that they were referred by different people, all for the same position. Pastor DaCunha has been in the missionary field for around 18 years and has a great deal of experience as well as a wonderful amount of

passion for what he does.

Pastor DaCunha and Gloria interviewed with the San Pedro Valley Baptist Church around Easter this year. Pastor DaCunha said, "It felt like it was home, as if we belonged here." Pastor DaCunha and his wife had to return to Texas to get things in order and everything packed. Both Pastor DaCunha and his wife felt like the new church and job were there filled with love, passion and excitement.

The Baptist churches are always involved in missionary work some of the missionary work is done in France, Southern California, Ukraine, Cambodia, Portugal and many other areas in the world. Pastor DaCunha has extensive work in Portugal, especially as his father is Portuguese. The church promotes and supports the missionary field.

The churches role in the missionary field is to help emotionally, spiritually, personally, and when family needs are in order. The church is supportive and does everything it can to help.

Pastor DaCunha and his wife Gloria have four children, three sons ages 26, 24, 22 and one daughter Joy who is 14. There 24-year-old son is married and just had a child in July, so now they have three boys, one daughter and one grand-daughter. They have lived in California for a great period of their lives. They are truly looking forward to the experience of living and working here in Dudleyville for the San Pedro Valley Baptist Church.

Pastor DaCunha and his wife Gloria were a pleasure to spend time with. There is love all around them and happiness

Pastor and Mrs. Anthony DaCunha are new to the San Pedro Valley Baptist Church in Dudleyville. (Nina Crowder photo)

seemed to fill the room as we talked. Whether you are looking for a change, a new experience in a church setting, new and exciting

people to share stories with, or people who care a great deal about you, come see Pastor DaCunha at the San Pedro Valley

Baptist Church at 4670 N. Dudleyville Rd., in Dudleyville or feel free to call with any questions at 520-357-7353.

Annalectia Gonzalez. The citizen of the month awards are based on special characteristic traits. The teacher's award the students based on which characteristics the students have modeled themselves after.

The Hayden-Winkelman School District also would like to give special thanks to the students who were

voted as citizens of the month for August. They are as follows; Kindergarten Kyleigh Adkins, first grade Raymond Sanchez, second grade Deondre Collier, third grade Katrina Inzunza, fourth grade Roman Mariscal and fifth grade Sarrah Perez. The teachers nominate the citizen of the month based on academic

behaviors and what student has made the most improvements during the month.

The Hayden-Winkelman Unified School District is truly dedicated to excellence and helping the students achieve their ultimate goals. The teachers, staff, Superintendent Jeff Gregorich and Elementary Principal Pam Gonzalez all want to see the

students excel and enjoy themselves being the best they can with the tools provided by the school district. Hayden-Winkelman is committed first and foremost to student achievement and to provide the students with the tools they need for academic, personal

and social achievement. Partnering with parents and the community is necessary to create an environment geared to the success of all students. Hayden-Winkelman Schools are imperative for our children to help them achieve, grow and learn!

Hayden dominates Patagonia Lobos

By Nolberto Waddell
Copper Basin News

After suffering a loss to the Mogollon Mustangs the week before with sloppy play on offense and defense, the Hayden Lobos regrouped, practiced hard and came out last Friday displaying the football they are capable of playing in their dominance of the Patagonia Lobo football team.

The Hayden team took the opening kick-off and behind the running of Aaron Lagunas and Jared Gonzales soon had a touchdown for a 6 to 0 lead, failing on the two point play. The Hayden defense came up strong holding the Patagonia offense forcing a punt that had the offense starting at the 37 yard line. The Hayden offense moved the football down the field with Lagunas scoring from the three yard out at 4:04 of the first quarter the two point play failed again giving Hayden a 12 to 0 lead. Hayden kicked off, and held Patagonia to three and a punt. Gonzales returned the punt to the 50 yard line. The Hayden offense bogged down turning the ball over on downs and also lost the play of Gonzales going down with a knee injury. The quarter ended with Patagonia in possession of the ball.

The Patagonia offense finally moved getting their first first down on a 15 yard pass. The Patagonia offense came to an end when the Hayden defense linemen recorded three negative yard plays forcing Patagonia to turn the ball over on downs. Hayden took over, started a drive and despite a holding penalty and a big negative yard play soon had a first and goal at the 10 yard line. Lagunas took the lane of the 10 yards on two carries scoring from seven yards out. Quarterback Jacob Manriquez scored on the two point play giving Hayden a 20 to 0 lead at 3:55 of the second quarter. Hayden kick off,

held Patagonia on four plays and ran the first half clock out to go into the halftime break with a 20 to 0 lead.

The Hayden Lobos kicked off to start the second half, and again held Patagonia to three plays and a punt. Lagunas took the punt back 29 yards to the Patagonia 45 yard line. A 20 yard completion to Chris Rabago from Manriquez gave Hayden a first down at the 25 yard line. On the next play Manriquez hit Lagunas with a short pass with Lagunas carrying the ball over the goal line for a T.D. Ezekiel Boltarez took care of the two points for a 28 to 0 Hayden lead at 9:47 of the third quarter. Hayden kicked with Patagonia bringing the ball to the 25 yard line. A big quarter back sack by Boltarez and Francisco Moreno had Patagonia back deep in their own territory. They could not move, went into punt formation but the football sailed over the punter into the end zone. The punter recovered but Manny

Armenta was there to bring him down for a safety to give Hayden a 30 to 0 lead at 7:34 of the third quarter. Patagonia kicked; Boltarez returned the ball to the Patagonia 43 yard line. After a five yard pass to Boltarez from Manriquez, Lagunas out ran the defense for a 38 yard TD only to have it whipped out on a holding penalty. Boltarez took care of the 10 yard penalty with a 28 yard run to the 20 yard line. Another holding penalty had Hayden at the Patagonia 40 yard line but a Lagunas 30 yard run gave Hayden first and goal just inside the 10 yard line. Brandon Cruz carried for eight yards and Boltarez took care of the remaining two yards for a TD. The two points fell incomplete for a 36 to 0 Hayden lead at 5:37 of the third quarter.

The Hayden coaches had seen enough, out came the starters and in went the young Hayden players. The young Hayden players held their own against the big Patagonia players for the rest of the

game. The Hayden offense scored once more late in the fourth quarter when Manny Armenta was given a carry opportunity, carrying the football over the goal line from 28 yards out for a TD, scored the two points to give Hayden a 44 to 0 lead and a running clock at 3:36 of the fourth quarter. The game came to an end with Hayden taking a knee and letting the clock run out for their 44 to 0 win to even their record at one win against one loss.

The Hayden play was dominating getting 452 yards of total offense with 315 coming on runs and 137 on pass plays. Aaron Lagunas led the offense rushing for 145 yards on 17 carries, caught four passes for 64 yards and scored four touchdowns. Ezekiel Boltarez had 62 yards on eight carries, caught three passes for 20 yards scored one touchdown and a two point play. Jared Gonzales carried five times for 47 yards before going out with an injury. Manny Armenta had three carries for 30 yards, scored

a TD and a two point play. Jacob Manriquez had 13 yards on four carries scored on a two point play. Bradon Cruz had 8 yards on two carries, Santiago Pina had 10 yards on three carries with Austin White and Ryan Donovan each with one carry for 0 yards.

In the passing game, Jacob Manriquez threw 22 passes completing 10 for 137 yards and one touchdown. Besides the Lagunas and Boltarez completions, Chris Rabago caught three pass for 53 yards.

The Hayden defense came up big. They held the big Patagonia team to only 74 total yards, 44 yards coming on 34 carries and 30 yards on two completing on eight pass attempts. The Hayden defense gave up only three first downs. Manny Armenta had a huge game getting 14 tackles and the safety. Francisco Moreno had nine tackles, and in on a QB sack with Ezekiel Boltarez who also recorded 4 tackles. Robert Sandoval had eight tackles before leaving the game with an injury.

Getting credit for five tackles a piece where Santiago Pina, Chris Rabago and Austin White. Brandon Cruz had four tackles and a pass deflect with Jacob Manriquez, Juan Diego Hernandez and Adrian Encinas each getting three tackles. Getting two tackles a piece were Aaron Lagunas, Alex Sims, Ryan Donovan, and Adrian Corona who also forced a fumble. Jared Gonzales and Cesar Galindo-Benavidez each had a tackle.

The Hayden Lobos will board the bus for their first road game making the long four hour bus ride to take on the Ash Fork High School team on Friday, Sept. 13 with a 4 p.m. kick off.

Lady Lobos have good start to the season; record standing at three wins, zero losses

By Nolberto Waddell
Copper Basin News

The Hayden Lady lobo volleyball season started very good for the team winning their first three matches. But it hasn't been easy for the women, having to go five games in two of their three wins.

The Lady Lobos started their regular season with a home match against the Lady Panthers of Superior. It started bad for the Lady Lobos when mistakes after mistakes, especially on their serves, caused them to lose the first two games.

The senior members of the team finally started to take command and lead the Lobos to a marathon 29-27 third set win. It looked like the Lobos would revert to their first two game modes in the first round of serving. After Makayla Ramos hit four service points, the Lobo seniors started to dominate with their serving and play on the court while the Lady Panthers faltered, unable to answer Lobo scoring. The Lobos tied the match at two a piece with a 25-20 fourth set win. The fifth

set was all Lobos allowing only one service point in their 15 to 8 win to record their first match win of the season.

The Lady Lobos traveled to Miami High on Thursday, Sept. 5, for a match against the always tough Lady Vandals. The Lady Vandals must be in rebuilding mode; the Lady Lobos completely dominated, easily defeating the Vandals in three sets. All Lady Lobos played extremely well according to Coach Marissa Gallego.

The Lady Lobos of

Patagonia Union were on the Hayden Court Friday, Sept. 6, giving the Hayden Lady Lobos all they can handle.

The tall Patagonia team looked slower than the Hayden Lobo team losing the first two sets with scores of 25 to 20 and 25 to 23. The two Hayden wins must have given the Hayden team too much confidence as they let up a little, not handling the Patagonia spikes well and losing the next two sets to tie the match at two a piece. In the fifth set the

Patagonia Lobos took an early lead with Hayden Lobos fighting back and holding their own against the tall Patagonia team at the net and finally pulling away for 15 to 18 fifth set win and the match win to improve their record to three wins no losses.

The Lady Lobos have only one match for this week hosting the Lady Monsoons of Mesa Prep on Tuesday, Sept. 10, before playing in a brutal stretch of matches the following three weeks against some very good teams.

'Cats Corner

By Andrew Luberd
Copper Basin News
Girls' Volleyball – The Bearcats girls' volleyball team is off to a 2 – 1 start on the season. After two shutout victories against Salt River and San Manuel, the 'Cats suffered their first loss to an experienced Valley Union squad, 3 – 1.

any sport, Coach Galka wants to see improvements and she believes an area which needs to get better is serves. Sophomores Sara Duncklee and Stormee Galka are the top hitters on the team and provide good leadership. Juniors Sabrina Martinez and Sidney Chenoweth have performed extremely well according to Coach Galka. Seniors Maria Denny and Lucy Sainz provide experience for the younger players on the team.

Head coach Rikki Galka said despite the loss she was pleased with the performance and potential of her team. Valley Union was a good measuring stick for her team and believes with more experience and hard work the Bearcats can compete with some of the best teams in the state. "I like what I see," Galka said about her team's performance so far. "They're hitting well but I still want to see more aggression." Just like any coach in

Coach Galka credited assistant coaches Tanya Reidhead and Brad Richards for working with the girls and helping them improve. She said Coach Richards has been exceptional in teaching the girls, and her, the nuances of the game and really getting the best out of each player. "He's really helped us go from an average team to an above average

team," she said. Upcoming schedule: September 12, 2013, vs. Ft. Thomas @ Ray HS and Sept. 13, vs. Patagonia @ Ray HS. Game time is 5:00 p.m. for both games.

Football – The Bearcats' football team is 2 – 0 on the season with an upcoming game versus Patagonia on September 13, 2013, at Ray High School. The 'Cats, who were ranked tenth in Division VI according to *The Arizona Republic's* preseason rankings, are currently ranked seventh. The Bearcats' schedule looks to get tougher as the season progresses with remaining games versus top-ranked Pima Roughriders and eighth-ranked team Duncan Wildkats.

Pastor's Corner: We Should Expect More!

By Pastor Joe Palmer
Fellowship Baptist Church

On Sept. 11, 2001 our lives changed a little. The lives of those who were involved in the tragic circumstances of the hijacked airplanes were greatly affected, but we felt the consequences all the way out here in Kearny, Arizona. But what did it affect? What is the state of our lives?

There is a wide range of happiness to sadness among us. I am happy, but I know some who are

desperately sad. I know others who just get by, and I know some who are well off but looking for something more. Are you looking for more? You should.

Jesus said, "...I came that they may have life, and have it abundantly. "I am the good shepherd; the good shepherd lays down His life for the sheep" (John 10:10b-11). God wants you to be happy. That is why Christ died for you. That is why God commands the people around you to love you.

Do you want to be as happy as God wants you to be? If you do, start searching. Expect life to be wonderfully happy!

Come and join us at Fellowship Baptist Church on Sunday evenings as we watch videos on how to care for people God's way. If you are searching, or if you want to help others, we are here.

If you would like to talk with me (Pastor Joe Palmer of Fellowship Baptist) about it, email me at joeandsuzypal@yahoo.com.

and students, we want to give you a night off of cooking and provide you and your family a meal following a short Title I Academic Program presentation," said a representative of the Hayden-Winkelman School District.

Research has proven that the more engaged parents are in the education of their children, the better grades and academic success their children will have. Students with perfect attendance spend 70 percent of their time outside of school. Of course, before they are school age, children generally spend 100 percent of their time without formal education of any type. The earlier a child's educational process begins, the easier it is for them to learn. The most effective forms of parental involvement are those which engage children in learning activities at home.

Lack of parental involvement is the biggest problem facing public schools. Parents who are directly involved with educating their children can be the biggest factor in determining the success of a child's academic achievement.

Some easy ways a parent can involve themselves in their child's educational process are monitoring their grades and attendance. Parents can also encourage children to think of school as an opportunity instead of a burden. Helping with homework and attending parent-teacher conferences can also be beneficial for students.

Parents that would like to go beyond that, or need help understanding how to get involved, can make an appointment with the child's teacher. Many schools offer volunteer programs to assist parents in making the most of their child's education through involvement in the school system.

Parents should work on building a strong and healthy partnership in order to provide children with a quality education.

Pastor's Corner: What about God?

**By Pastor Bill Larsen
Kearny Southern Baptist Church**

What a shame it is that there are so many people in our country that are addicted to drugs and alcohol. So many are addicted to gambling and a wicked lifestyle. This is why divorce and abuse are so rampant.

Think about what it would be like in our country if this were not the case? What if we could watch TV or go to a movie without seeing and hearing cursing, violence or sex on the screen?

What if we could go to the lake or some park, with our family, without being concerned about someone kidnapping our kids if we don't watch them every minute?

Believe it or not, there was a time in our country when families ate together at meal time. A time when there was only one dad and one mom per family. A time when schools were a safe place for our kids, and the U.S. was the best educated nation in the world. A person could buy or sell a home, or a car, or borrow

money, with just a handshake. There was a time when the statement on our money, In God We Trust, meant something.

Why is there such a difference? Allow me to give the answer from the Bible: 2 Tim 4:4 "And they shall turn away their ears from the truth, and shall be unto fables" and Rom 1:18 "For the wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness;"

Because we, as a nation, have turned a deaf ear to God's word, we are reaping the consequences. God is merciful and willing to heal our land As He said in 2 Chron: 7:14, "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. 15 Now mine eyes shall be open and mine ears attent unto the prayer that is made."

God is long suffering, but, His word will come to pass. Think about it.

Family First offers new programs

New curriculum is here and we are excited to share it with you! NOTICE OF THE PRELIMINARY DECISION TO DENY AN INDIVIDUAL AQUIFER PROTECTION PERMIT

Public Notice No.: 14-06
Published on: 9/11/13

Published in Copper Basin News

Pursuant to Arizona Administrative Code, Title 18, Chapter 9, Article 1, the Director of the Arizona Department of Environmental Quality (ADEQ) intends to deny an individual Aquifer Protection Permit to the following applicant(s): Silver King Mining Co., LLC Attn: Ron Deen, Sr. 56389 E. Simmons Way Kearny, AZ 85237 Silver King Mine Aquifer Protection Permit Application, Inventory No. 103998 On June 25, 2008, the Arizona Department of Environmental Quality (ADEQ) received an application for an Individual Aquifer Protection Permit (APP) for operation of mining facilities located at the Silver King Mine in Kearny, Arizona. On May 14, 2009, ADEQ notified Silver King Mining Co. of the outstanding application information, a Comprehensive Request for Additional Information (CRAI), required to complete processing the APP application and issue an Individual APP. Silver King Mining Co. was provided with final reminder letters on April 1, 2013 and June 4, 2013, requiring a response to be submitted to ADEQ no later than 30 days from the date of each letter. ADEQ received a response on August 9, 2013; however, to date, ADEQ has not received a complete application. Therefore, ADEQ has made a preliminary decision to deny an Individual APP to Silver King Mining Co. pursuant to Arizona Administrative Code A.A.C. R18-9-A213(B) and Arizona Revised Statutes (A.R.S.) § 49-243(N). With 24 hour notice, documentation related to this application will be made available for public review, Monday through Friday, 8:30 a.m. to 4:30 p.m., at the ADEQ Records Management Center, 1110 W. Washington Street, Phoenix, Arizona. Persons may submit comments or requests for a public hearing on the proposed action, in writing, to Ingrid Clark, Arizona Department of Environmental Quality, 1110 W. Washington Street, Phoenix, Arizona 85007, within thirty (30) days from the date of this notice. A public hearing request must include the reason for such request.

Scoping Meetings Proposed Tailings Storage Facility Ray Mine – Pinal County, Arizona

The U.S. Army Corps of Engineers, Los Angeles District ("Corps") is hosting two public open house scoping meetings regarding a proposed tailings storage facility that Asarco LLC ("Asarco") is proposing for the Ray Mine in Pinal County. These meetings will be held on Tuesday evening, September 24, 2013 at the Ray Elementary School cafeteria from 6:00 to 9:00 PM and on Wednesday evening and on September 25, 2013 in the Performing Arts Center at the Apache Junction High School in Apache Junction, Arizona from 6:00 to 9:00 PM. The Corps will provide a presentation each evening starting at 7:00 PM. To comply with Corps' regulations associated with Section 404 of the Clean Water Act, Asarco has submitted an application to the Corps for the proposed tailings storage facility. Because the proposed tailings storage facility will directly impact waters of the U.S., the Corps has decided to prepare an environmental impact statement (EIS) in compliance with the National Environmental Policy Act (NEPA). The Corps is seeking public comment on Asarco's plans to construct and operate the proposed tailings storage facility that would impact Ripsey Wash and other ephemeral drainages that are tributary to the Gila River. Asarco has stated that this facility is required to support continued long-term copper mining activities at the Ray Mine. Tailings from the Ray Mine concentrator would be transported via a new tailings pipeline that would cross the Gila River near the current Florence-Kelvin highway bridge. Water would be recycled back to the Ray Mine concentrator from the proposed tailings storage facility. The proposed facility is designed to store approximately 750 million tons of tailings and would have a facility footprint of approximately 2.129 acres once completed. The two public open house meetings will allow interested parties to learn more about Asarco's plans, the Corps' regulatory obligations under its 404 permit process, and the plans and schedule for completion of an EIS for the proposed project. The Corps is soliciting public comment on the issues and concerns that should be examined in the forthcoming EIS and requests that any comments on that proposal be submitted in writing to Michael Langley, Senior Project Manager, U.S. Army Corps of Engineers, Los Angeles District – Arizona Regulatory Branch, 3636 North Central Avenue, Suite 900, Phoenix, Arizona 85012-1939 or via email at michael.w.langley@usace.army.mil. The Corps requests that commenters include their full name, physical address and the project title "Ray Mine Tailings Storage Facility Project" with any comments. The official EIS scoping period closes on Monday, October 28, 2013. Comments should be postmarked or emailed by the close of that date. Michael Langley, the Corps' project manager, is available to answer questions about the proposed project and the EIS scoping process, including these two public open house scoping meetings, at telephone number 602-230-6953. Information for the proposed tailings storage facility is available on the Corps' website at <http://www.spl.usace.army.mil/Missions/Regulatory/Projects/Programs.aspx> or contact Michael Langley at the Corps at the aforementioned address and telephone number.
