## County to allow open burning in areas with reduced wildfire risk

FLORENCE, AZ - Pinal County Air Quality will resume issuing open burning permits in

portions of Pinal County on Sept. 16, 2013. The ban originally went into effect in late April to mitigate the risk of wildfire. Recent rains and higher humidity levels have reduced the fire risk in many areas.

The ban on open burning will remain in effect where local fire departments still regard open fires as a threat, including the Dudleyville Fire District.

### Local Health Concerns

There seems to be an unusually high rate of cancer cases that surrounds our local community which exceed the national average. There has been a small group of local residents who has contacted County, State and Federal health agencies to look into this issue that affects our community. These agencies, however, have requested that the local residents show an interest in looking into this matter.

There is a petition that is now being circulated throughout the community. The signed petitions will be collected and presented to the different agencies to hopefully take actions toward conducting a more detailed research analysis of the health and well-being of our residents.

If you or anyone in your family has been diagnosed with cancer, breathing disorders, liver disease, arthritis or any other unusual forms of illness, please sign the petition. No details of the illnesses are required at this time, but if further investigation and research is conducted, this may be required at a later date.

The petition states as follows: Petition to Conduct Environmental/Health Study

Summary: Conduct an environmental/health study due to the high rate of cancer that exceeds the national average by more than 50% in the Town of Superior, Arizona.

Again the petition is only to prompt a study of the health conditions of our residents of Superior.

## Rotary celebrates first Students of the Month for 2013-14 school year

By Mila Besich Lira  
*Superior Sun*

School is back in session and that means that the Superior Rotary Club is back in full swing recognizing the students of the month from Superior Junior Senior High School. The students were selected their teachers and school staff for their school service, positive attitudes and willingness to learn.

For the month of August Jenecca Hernandez, Michael Nunez, Danielle Banks and Troy Begay were recognized. The students attended a Rotary luncheon at Los Hermanos and had the opportunity to meet local Rotarians.

**Jenecca Hernandez** is a Senior at Superior High School. She is the daughter of Benny and Donnie Hernandez. Hernandez is a cheerleader and worked for the Town of Superior

as a life guard. Hernandez explained that she has already enlisted in the US Army, she will leave for basic training nine days after graduation. She plans to become a Nutrition Care Specialist in the Army. She has four sisters and one brother.

**Michael Nunez** is a Senior at Superior High School. His parents are Mona Nunez and Danny Alvarado. He is a nose guard for the Superior Panther's Football team and is the lone senior on this years team. Nunez has been attending the Cobre Valley Institute of Technology Nursing Assistant program. He plans to complete his program with CVIT in May when he graduates Superior. He plans to attend Central Arizona College and become an X-Ray Tech after.

**Danielle Banks** is a seventh grader at Superior

Junior High. She is the daughter of Melissa Carillo. She is a member of the Junior High Spiritline. Banks explained that she would like to study to be a doctor, when she graduates from high school.

**Troy Begay** is a seventh grader at Superior Junior High. He is the son of Victoria Campos. Begay is a member of the Junior High Football team. After high school he plans to join to the Army.

The Superior Rotary also approved the membership of three new members, Superior Organics, and Mr. and Mrs. John Tameron.

The Superior Rotary Club is the oldest established service club in Superior. The Rotary meets every Tuesday for lunch at Los Hermanos. For more information on becoming a Rotarian please contact Roy Chavez at 520-827-9133.

# Superior Town Council welcomes new council member

By **Nina Crowder**  
*Superior Sun*

The Superior Town Council welcomed a new council member and new legal representation last week.

During an executive session, the Superior council approved the suggested contract with Cooper & Rueter, LLP law firm. Council Member Steve Estatico made the motion to approve the contract and Vice Mayor Olga Lopez seconded the motion. Attorney Stephen Cooper was present at the meeting and welcomed to Superior by Mayor Jayme Valenzuela.

The regular meeting reconvened and the mayor and council spoke about the recall election that was held on Aug. 27, 2013. Soyla "Kiki" Peralta was recognized for her hard work and thanked for her service on the Superior Town Council. Mayor Valenzuela said, "The people of Superior have spoken and elected Mila Besich Lira to serve on the Superior Town Council." Judge Dave Orzell, of the Kearny magistrate court, administered the oath of office

to Mila Besich Lira. The audience applauded and cheered in support of the newly elected council member. "I want to thank our community, I am here to serve and I will serve all of you," said Besich Lira. "It was an overwhelming experience to win this election and ever since I was little I have enjoyed serving my community, whether it was in my school or any type of organization," imparted Besich Lira. "This experience has allowed me to meet many of our residents from all walks of our community."

"I take this very seriously and I want to do my very best to represent every single one of you, we may not always agree, but I promise to work as hard as I can and will always work hard for our community," continued Besich Lira. "No matter what position I hold, I look forward to working with all the council members."

An award was presented by Margaret Gaston to Andy Arriola for Wastewater Manager of the Year 2013.

New business continued with the discussion and consider-

ation of approving a contract with Albert Holler & Associates. The accounting company would be contracted to conduct a sales tax audit effective Sept. 15 for the amount of \$24,000 per year. Holler said that his company will select audits, perform audits and even attend court if necessary. The motion to approve the contract was made by Besich Lira and seconded by Vice Mayor Lopez, the motion was approved. Ordinance No. 117, an ordinance of the Town of Superior, relating to the privilege license tax; amending the town tax code by increasing the general rate of taxation from 2 percent to 4 percent. The motion to approve Ordinance 117 was made by Lopez and seconded by Council Member Michael Alonzo. The tax increase is in line with the plan that Pat Walker of Walker Consulting suggested for Superior.

Council Member John Tameron made the motion to approve the bid from Johnavich for the CDBG Project 140-12, wastewater treatment plant improvements. Besich Lira seconded the motion and it was approved.

During the call to the public Aja DeZeeuw thanked the

town council for all their hard work and asked if the council would consider moving the call to the public to the beginning of the meetings so that people may comment on agenda items before they are voted on. Fred Miramon said, "First I would like to thank Soyla "Kiki" Peralta for her service to our community and now congratulate Mila Besich Lira as our new council member."

# Superior School District recognizes students

By **Nina Crowder**  
*Superior Sun*

Recognition and acknowledgements were given to nine Superior students who this summer attended the Family Career and Community Leaders of America (FCCLA) National Conference in Nashville, Tenn. All nine students that went to the conference received medals. Aliya Perez and Kortney Urquijo received gold medals; Nicole Godinez and Alyssa Barragan received silver medals; Lindsay Duarte and Hunter Flanagan received silver medals; Ashley Barrearas, Christopher Villaverde and Amber Hernandez received gold medals. The Superior School Board congratulated all nine students, noting that the hard work they do is sincerely appreciated.

In other news the Superior School Board approved the consent agenda items with no changes or additions. The request for early graduation for student Jilissa Guerra per policy IKFA was approved by the board.

The board addressed JICK, Student Violence/Harassment/Intimidation/Bullying. The first reading of the policy was discussed and passed. Bullying behavior effects children of all ages. This important issue continues to increasingly effect the number of suicides, school shootings and other acts of violence linked to bullying. This has served as an alarm bell to many adults; something has to change.

The Superior School Board is hopeful that the bullying policy now incorporated will help protect our children.

There were many other items discussed and approved by the Superior School Board such as the

Policy GCI, professional staff probationary and continuing status; Policy GCK, professional staff assignments and transfers; and Policy GCO, evaluation of professional staff members. Other items approved include: Proposition 301, classroom site fund; the long term substitute

wage; intergovernmental agreement with Central Arizona College for dual credit; extra curricular addendum contracts and the salary for the High School Principal William Duarte. Summer school 2013 was openly discussed but nothing was passed. The Superior School Board also discussed stipends versus

addendum to contracts again, no action was taken.

The Superior School Board decided not to go into executive session at this time. They have many items to discuss in executive session, including but not limited to personnel issues such as curriculum programs, the junior/senior assistant principal, and the

special services supervisor. Other personnel positions to be discussed include the administrative assistant, business manager and the junior high athletic director/assistant senior high athletic director. These items will be discussed by the board soon. The Superior Unified School District Board's next regularly scheduled meeting

is Oct. 14, 2013 at 7 p.m. at the John F. Kennedy Elementary Auditorium. Some of the items to be discussed are the Harding School property and playground safety/security. There will be a workshop for the board on Sept. 25, 2013 from 6 p.m. to 7 p.m. The public is welcome to attend both meetings.

## Panthers facing

By Andrew Luberda  
*Superior Sun*

The Panthers' football team faced their second consecutive ranked opponent last week when they battled the visiting Gilbert Christian Knights. The Knights, who are currently ranked fifth by *The Arizona Republic* and fourth by *The East Valley Tribune*, defeated a very game Panthers' team, 76 - 32. The Panthers opened their season against top-ten ranked Mesa Prep, faced Gilbert Christian last week, and look forward to a match-up on Friday, Sept. 13, 2013, against Joseph City, which was the top-ranked team in some preseason rankings.

Despite the difficult schedule the young and raw Panthers have performed well against some top teams and, according to their coach, are looking forward to reap the rewards from the experiences.

"We played two top-ten teams in the state and in the first half of both games we were right with them," Panthers' head coach Ryan Palmer said after the game. "We have the potential to be a state championship caliber team over the next couple of years."

After a Nicolaus Cruz punt pinned the Knights inside their own 1-yd line, the Panthers defense scored first when Edgar Galindo recovered a Knights' fumble in the end zone for a touchdown. The 2-point conversion was successful giving the Panthers an early lead, 8 - 0.

The Panthers special teams had a difficult time containing the speed of the Knights all night long. The Knights returned the ensuing kickoff to Panthers' territory and

scored on a 25-yd run. The two-point conversion was good and the score was tied, 8 - 8.

The Knights took the lead when they returned a fumble 32 yards for a score. The 2-point conversion attempt failed making the score, 14 - 8.

Cruz was a workhorse all night and really kept the Panthers in the game with his speed, elusiveness, and play-making ability. He scored on a 27-yard run and converted the 2-point conversion on a pass completion to Austin Navarrette. The Panthers reclaimed the lead, 16 - 14.

"Yeah, pretty exhausted but the team hung around and tried to stay tough," Cruz answered when asked after the game about his heavy workload.

The Knights immediately regained the lead with a kickoff return and began to pull away with a punt return for another score.

The Panthers closed the gap when Edgar Galindo returned an errant snap by the Knights 39 yards for his second defensive touchdown of the game. The Panthers trailed at the half, 40 - 24.

In the second half the Panthers began to tire and key players such as Michael Nunez were lost due to injury. The Knights took advantage of a tiring defense and injuries to put the game away.

The Panthers lone highlight of the second half came from Cruz as he continued making plays. With 3:08 remaining in the game he scampered 12 yards for a touchdown.

"He did a great job for us especially for being a freshman," Coach Palmer said of Cruz. "He plays wise beyond his years and made plays when there

# tough competition in coming weeks

were no plays to be made. He found a way to elude and get out of the pocket.” Despite two losses to start the season, the Panthers’ players are not discouraged but they know their team needs to improve in certain areas.

“We started off executing good but we broke down,” Cruz said. “We’ll improve

next week.”

Coach Palmer said part of the process with such a young team is the players’ need to take care of their bodies. He believes if they learn to take better care of themselves their stamina will improve and injuries can be reduced.

“We started to (get tired) in the end,” said junior

Ricardo Ochoa about the performance of the defense. “Next week we’ll get better. Everyone is going to step up.”

There is little argument that the Panthers are young and inexperienced, but there can’t be any argument about their talent and reason for optimism looking forward.

# Community leaders hear ADOT plans for Highway 60 expansion

By Mila Besich Lira  
Superior Sun

Last week the Arizona Department of Transportation held a public meeting to discuss and share the plans for the upcoming expansion of Highway 60 through Superior. The project has been on the drawing board for at least a decade and this past Summer community leaders,

business owners and residents lobbied the State Transportation Board to keep the project on the drawing board. The \$45 million dollar project was slated for the chopping block due to declining transportation revenues.

In June the State Transportation Board met and voted to keep the US 60 expansion project on the transportation plan.

ADOT officials explained at the meeting that construction of the four lanes from the Arboretum through Superior will begin in July 2014.

Initially residents will not see much construction. The first months of the project will be used for contract bidding and scoping. Actual construction will begin in December of 2014.

Several business owners and community advocates commented on ADOT's plans to add a raised median between the lanes. Business owners on the highway expressed concern that the medians will restrict access to their businesses and will force visitors to just keep going if the business they wanted to patronize is on the other side of the street.

A potential plan to build a new Circle K where the current RV Park is located has several others concerned about the limited availability to make left hand turns. The current plans presented by ADOT will force right turns only at Belmont and local drivers will not be able to cross the highway at Belmont. The only streets where residents

will be able to cross the highway or turn both left and right will be Church St. and Western Ave. ADOT officials contend that the raised medians wont hurt local business, and will help to create safe access to the business.

You can learn more about the ADOT US 60 Expansion on the ADOT website at: <http://bit.ly/18QQIYW>.

## Workshops scheduled for Superior Public Library

Superior — The Superior Public Library will host artistic and educational workshops in September.

Interested in scrapbooking or crafts? Visit the Superior Public Library on Sept. 21. They will be presenting a class full of helpful information on scrapbooking techniques and crafts. The library will feature two guest speakers who will share techniques for scrapbooking and memory

craft options. Each person attending will receive a helpful information packet and a grab bag full of crafting supplies. The class will be from 1 p.m. to 2:30 p.m. and will be free for the first 15 people who register early. Interested scrapbookers should register with the library staff or call 689-2327.

The Superior Public Library will also be offering an educational tablet and e-reader

workshop. The library will walk participants through the steps to download

e-books. Participants will learn more about the 3M Cloud Library and how

to better use their new tablets or e-readers. The workshop will be held at

the library on Tuesday, Sept. 24 from 11:30 a.m. to 1 p.m.

## Burn

Continued from Page 2

Burning can resume in all areas of the Pinal Rural Fire Rescue 9-1-1 service area including within the Aravaipa Canyon outside of the Dudleyville Fire District beginning 1 mile east of

AZ 77 on E. Aravaipa Rd. A burn permit is still required. Contact PRFR at 520-465-5300 prior to burning.

State law prohibits open burning in the portion of north central Pinal County that includes Apache Junction, Queen Creek,

Gold Canyon and San Tan Valley. This region, referred to as Area A, is affected by more stringent air quality regulations that prohibit open burning until October 1.

On September 16, 2013 Pinal County Air Quality will also resume holding satellite office hours at the Casa Grande County Complex located at 820

E. Cottonwood Lane, Building A, on Mondays and Wednesdays from 8 AM to noon.

## Pastor's Corner – Choices

By Rev. Dennis Van Gorp  
Family Life Christian Center

Jonah 1:10, "Terrified, they asked, 'What have you done?' They knew that he was running away from the LORD, because he had already told them so."

This interesting verse lets us know that our disobedience will affect others, not just ourselves. In Jonah's case, it affected the crew of the ship he had chosen for his trip away from the Lord. They could have died or been injured because of him.

Our actions touch not only ourselves, but also our family, our friends and

those who we are around. Whether it is good or bad, they are affected. This situation became so bad, that those unbelieving men began to pray to a God they did not know. The end result is that they began to fear the Lord and made promises to Him.

It all started when Jonah made the choice to say no to God and His plan. Titus 2:12 tells us to say no to 'sin,' not to God. Thy saying yes to God, His commands and His plans for your life. That will put you on the winning team with victory easily within reach. Make your choice today.

# Council

Continued from Page 4

transition from a candidate to an elected official is the first of your many challenges here in the town of Superior," continued Miramon. "The qualities it took to be a campaign member are much different from those required to be an elected official, the focus is on you." Miramon also commented, "Your focus on making the governing body better, in turn will make you a more effective member of our council." He

reminded her that it is up to her and the governing body to weigh the issues, values and perspectives of the community. "Work as a team when dealing with issues on public policy, fulfill what interests require that another interest be denied or temporarily set aside," he said. "There is no one public interest but many public interests," imparted Miramon. "As a resident I am asking you, new council member to have a balancing public interest, it is critical because it promotes the public trust, which is the foundation for everything you do

in local government," he said. "Without it citizens would not give the consent needed for your governing body to be and achieve," said Miramon. "Please demonstrate and have that passion to be the best steward in our community." The mayor and council mem-

bers convened into executive session again. Upon their return the motion by Estatico was made to approve the contract with MSG Consulting. It was then seconded by Besich Lira and approved. The approval of listing town owned properties for public bid was directed to the staff. They have been directed to seek values for the properties and report to the council at the next meeting.

Mayor Valenzuela would like to encourage all members of the community to attend the town council meetings. The next town council meeting is scheduled for Sept. 19 at 7 p.m. For additional information please feel free to visit the Superior town's website at [www.superior-arizona.com](http://www.superior-arizona.com).

## Public Notice

Scoping Meetings  
Proposed Tailings Storage Facility  
Ray Mine – Pinal County, Arizona

The U.S. Army Corps of Engineers, Los Angeles District ("Corps") is hosting two public open house scoping meetings regarding a proposed tailings storage facility that Asarco LLC ("Asarco") is proposing for the Ray Mine in Pinal County. These meetings will be held on Tuesday evening, September 24, 2013 at the Ray Elementary School cafeteria from 6:00 to 9:00 PM and on Wednesday evening and on September 25, 2013 in the Performing Arts Center at the Apache Junction High School in Apache Junction, Arizona from 6:00 to 9:00 PM. The Corps will provide a presentation each evening starting at 7:00 PM. To comply with Corps regulations associated with Section 404 of the Clean Water Act, Asarco has submitted an application to the Corps for the proposed tailings storage facility. Because the proposed tailings storage facility will directly impact waters of the U.S., the Corps has decided to prepare an environmental impact statement (EIS) in compliance with the National Environmental Policy Act (NEPA). The Corps is seeking public comment on Asarco's plans to construct and operate the proposed tailings storage facility that would impact Ripsey Wash and other ephemeral drainages that are tributary to the Gila River. Asarco has stated that this facility is required to support continued long-term copper mining activities at the Ray Mine. Tailings from the Ray Mine concentrator would be transported via a new tailings pipeline that would cross the Gila River near the current Florence-Kelvin highway bridge. Water would be recycled back to the Ray Mine concentrator from the proposed tailings storage facility. The proposed facility is designed to store approximately 750 million tons of tailings and would have a facility footprint of approximately 2,129 acres once completed. The two public open house meetings will allow interested parties to learn more about Asarco's plans, the Corps' regulatory obligations under its 404 permit process, and the plans and schedule for completion of an EIS for the proposed project. The Corps is soliciting public comment on the issues and concerns that should be examined in the forthcoming EIS and requests that any comments on that proposal be submitted in writing to Michael Langley, Senior Project Manager, U.S. Army Corps of Engineers, Los Angeles District – Arizona Regulatory Branch, 3636 North Central Avenue, Suite 900, Phoenix, Arizona 85012-1939 or via email at [michael.w.langley@usace.army.mil](mailto:michael.w.langley@usace.army.mil). The Corps requests that commenters include their full name, physical address and the project title "Ray Mine Tailings Storage Facility Project" with any comments. The official EIS scoping period closes on Monday, October 28, 2013. Comments should be postmarked or emailed by the close of that date. Michael Langley, the Corps' project manager, is available to answer questions about the proposed project and the EIS scoping process, including these two public open house scoping meetings, at telephone number 602-230-6953. Information for the proposed tailings storage facility is available on the Corps' website at <http://www.spl.usace.army.mil/Missions/Regulatory/Projects/Programs.aspx> or contact Michael Langley at the Corps at the aforementioned address and telephone number.

## Anti-Drug Poster Contest opens

Florence – Pinal County Attorney's Lando Voyles proudly announces the kick-off of the 23rd Annual Pinal County Attorney's Office 2014 Anti-Drug Poster Contest.

The 2014 Anti-Drug Poster Contest is designed to educate and engage Pinal's youth on the importance of remaining drug free now and throughout their lives and is open to all 6th Grade students in Pinal County.

Of the top 60 submissions, which will receive name recognition on the calendar, six judges will determine the top nine and those nine students will be treated to a pizza party with County Attorney Voyles! From the top nine chosen, judges will then decide the Grand Prize Winner, T-shirt winner and Bookmark winner.

What prizes are at stake? The Pinal County Attorney's Office will provide the Grand Prize winner's class with a field trip!! Another

student's poster will be printed on T-shirts and another student's put on Bookmarks, both of which will be given to each participating student and distributed throughout Pinal County! Finally, along with the Grand Prize, the T-Shirt, and the Bookmark Winners' Posters will be an additional 6 posters chosen to be recognized all year as they will be featured on the 2014 Pinal County Attorney's Office Anti-Drug Calendar!!

Principals should have received general information on the contest in the mail this week or last and additional information regarding the contest will be sent to Pinal schools in the coming weeks. 6th Grade teachers already aware of the contest and who are interested in participating are encouraged to contact the Pinal County Attorney's Office in order to receive guidelines and the supplies required to participate.

All posters are due to the Pinal County Attorney's Office by 5 pm on September 27. No exceptions.

Pinal County Attorney Voyles said, "Promoting drug prevention and education in a fun and rewarding manner engages our youth. With students working with parents and teachers to complete posters, we hope they take the time to talk with their children about the risks and negative effects of drug use. This poster contest lends itself to many educational opportunities and I proudly continue this 23 year old tradition in this County."

For more information on the 2014 Pinal County Attorney's Anti-Drug Poster Contest, please contact Deborah Miller at [Deborah.Miller@pinalcountyaz.gov](mailto:Deborah.Miller@pinalcountyaz.gov)
