Preliminary work begins on the State Route 77 Gila River Bridge replacement project

Preliminary work is underway for the State Route 77 Gila River Bridge replacement project in Winkelman.

Over the next two weeks, crews will survey the work zone, install signs and complete other preparatory work. No traffic impacts are expected at this time.

In late September, crews will install a temporary traffic signal. Once the signal is installed, traffic across the bridge will be restricted to a single lane. Drivers may only proceed across the bridge when the signal indicator shows green.

Motorists should expect occasional delays, especially during peak traffic hours and during scheduled closures of US 60 west of Miami for the Pinto Creek Bridge replacement project.

The temporary signal will allow crews to rebuild the bridge in sections.

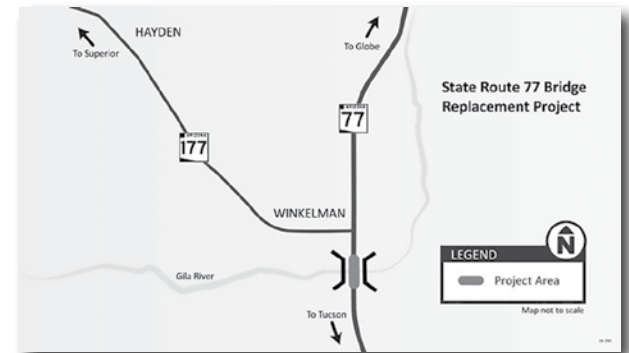

In addition to the new bridge, the project includes new guard rails and pavement markings.

Work is expected to continue into the summer of 2021.

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

For more information, please visit the project website.

Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to azdot.gov/contact and select Projects from the drop-down menu. For real-time highway conditions statewide, visit ADOT's Traveler Information Site at www.az511.gov, follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving.

Hayden starts season with win

By Andrew Luberda
Copper Basin News

The Hayden football team finally opened its season last Friday, defeating visiting Mogollon, 38 – 20. The Lobos were the last of the Copper Area teams to play their first game.

“The team played well,” Hayden head

coach John Estrada told *Copper Basin News*. “We made some mistakes early in the game that hurt us but finished strong. We have plenty of room for improvement.”

Senior Jorge Rodriguez rushed for a team-high 133 yards and a touchdown in the win. Junior quarterback AJ Castillo three for 160 yards and a pair of touchdown passes, one each to Adrian

Estrada, a junior, and senior Vincente Aguirre, who also scored on a 75-yard pick-six. Senior Gibby Carmelo rushed for an 11-yard touchdown and converted three two-point conversions.

Estrada was impressed with the performance of his defensive line, an area of concern entering the game because of Mogollon’s offense.

“Mogollon runs an unbalanced line; they pull their guards, run traps, and counters,” he said. “Our defensive line really stepped it up, dominated their line and won the battle in the trenches. As a whole, our defense was very physical and hit like Hayden Lobos do.”

Up next: At Baboquivari on Friday, Sept. 13. Kickoff is scheduled for 7 p.m.

Hayden's Vicente Aguirre (16) stays on his feet despite the efforts of the Mogollon players to bring him down. Teammates Brandon Garner (10), Moraes Cruz (7) and Adrian Estrada (30) come in for the assist.

Ray Homecoming is Friday

Ray High School is celebrating Homecoming this week with a variety of activities.

The annual parade will start at 4 p.m. Friday, Sept. 13, with the usual route starting at the library, up Tilbury and across Alden. Students have been working all week on the annual float competition. The Bearcats will host NFL Yet with kick-

off at 7 p.m. and the 2019 Homecoming Royalty will be crowned at halftime.

Royalty this year includes Queen, Savannah Ortiz, King, Christian Day, Junior Attendants, Marissa Barragan and Johnathon Chester, Sophomore Attendants, Felicity Ramirez and Ashton Solis and Freshmen Attendants, Kiley Rutter and Hunter Day.

It was an encouraging performance by Bearcats following a lopsided loss at Mogollon a week ago.

"Going into the game on Friday we wanted to see better communication," Ray assistant coach Jimmy Fessenden told Copper Basin News. "Against Mogollon, we did not communicate very well on either side of the ball.

"On Friday, we did what we were supposed to do against a young team," he continued. "We had to make sure we were focused. This was supposed to be a home game, but the condition of our football field has prevented us from using it all season so far. We expected to see our inexperienced players get significant playing time, and we got just that."

Senior Jayden Lagunas, junior Alex

Bravo (2), senior Eric Manriquez, and Johnny Chester each tallied touchdowns in the win. Tracon Naranjo, a sophomore, scored on a 65-yard pick-six.

Defensively, the Bearcats were led by Christian Day, Julian Becerra, Mark Rodriguez, and Jando Felix.

"The whole team played well defensively," Fessenden said.

How can the Bearcats build on this win?

"The key to stay on the winning track is to remain focused and strive for progress each and every week," Fessenden answered. "We still need to work on our communication on defense, cut out the mental errors and costly penalties."

Up next: NFL Yet Academy at home on Friday, Sept. 13. Kickoff is scheduled for 7 p.m.

Blessed Sacrament Church to host annual Fiesta Sept. 21

The annual Blessed Sacrament Church Fiesta, for the residents of Mammoth and the Tri-Community, is an event that fosters togetherness while reminding the individual of the importance of human dignity.

It is a commemoration of the ringing of church bell by Roman Catholic Priest Miguel Hidalgo y Costilla on Sept. 16, 1810, which began the call to arms that began the Mexican War of Independence.

Mixed with the seriousness and memorial qualities is an air of fun, with food, games and more.

This year, the Blessed Sacrament Parish Fiesta will be held on Saturday, Sept. 21, at 122 W. Church Dr., Highway 77 in Mammoth. It will start with a 2 p.m. Blessing of the Booths by Father Bardo, followed by Ballet Folklorico Del Sol will perform from 3:30-5 p.m. The Mariachis Corazon de Tucson will perform from 5:30 p.m. through 7:30 p.m. and, finally, from 8 p.m. through midnight, Joe Arbizto & Band will round out the performances.

All are invited to attend and enjoy the games (super fun), food (so delicious), goodies, cakewalk and more.

TOWN OF KEARNY CALL FOR BIDS

1. Bids. The Town of Kearny will receive sealed Bids at the Town of Kearny, Town Hall, 912-C Tilbury Drive, Kearny, Arizona, 85137, telephone number, 520-363-5547, or questions for alfiores@townofkearny.com, until 5:00 p.m., MST on Tuesday, September 17, 2019, when all Bids that have been duly received will be opened publicly. The project includes, but not necessarily limited to the following items of work:

105 acres of mechanical clearing of salt cedar in Kearny, Arizona. All six parcels are contiguous and treatment acres are located near the Gila River, but outside the active river channel. Treatment areas will occur on areas of dry sand, not in saturated soil. The overall scope of work of the project is to conduct mechanical fuels reduction treatments on six Town of Kearny parcels. Parcels range in size from just over 5 acres to 46 acres. Typical fuels on these parcels are mostly composed of native mesquite and non-native salt cedar along the Gila River floodplain.

Mechanical treatment will be grubbing done by using a dozer or front-end loader to uproot and push salt cedar trees out of the ground. Mastication will be done by machine, with a grinder implement to break up the trees and roots into mulch. The contractor should attempt to remove approximately 100 percent of salt cedar within the project boundary, taking care to ensure mastication and grubbing does not disrupt critical infrastructure within the boundary. Operations are expected to leave approximately 2-4 inches of wood chips from mastication on the ground in masticated areas, which will help with soil stability. One quote will be given as a standalone for the total 105 acres of the project block and the contractor shall provide all necessary equipment to complete the project. Project work will be completed by 2-11-20.

The Town of Kearny Council reserves the right to reject any or all Bids, to waive any non-conformance, to re-advertise for Bids, and to withhold the award for any reason the Town of Kearny determines. MINER, CBN, SUN Legal 9/4/19, 9/11/19
