# Construction begins on new Arizona Water Company office building in Oracle

(Oracle, AZ) Late summer rains blew in from the south last Wednesday and created a wet backdrop for Arizona Water Company's ground breaking ceremony for a new office building now under construction in Oracle. The company will be moving its local operations staff into the new facility sometime around the end of the year, Company officials announced.

"This new office building will provide a better experience for our customers and employees," said Bill Garfield, President of

Arizona Water Company. "We are sorry to be leaving San Manuel, but we believe this new building and location will help us do a better job of serving all of our customers."

The building will be located at 670 E. American Avenue, near the historic Oracle Inn. The new 2,500 square-foot building will house the Division Manager, customer service representatives and field service employees, a total of 7 staff. It will include plenty of parking and room for future growth in the area.

Joining company executives for the ground breaking ceremony, from left to right: Debi McCarthy, Sr. Project Manager, Division II Construction, Inc.; Richard Hacker, Sr. Engineer, Arizona Water Company; Liz Harris-Tuck, President, Copper Corridor Economic Development Coalition; Freddy Rios, Division Manager, Arizona Water Company; Frank Pratt, Arizona House of Representatives, District 23; Fred Schneider, Vice President of Engineering, Arizona Water Company; Ted Millsbaugh, Vice President of Operations, Arizona Water Company.

# Sycamore Canyon Academy welcomes new director

By Frank Pierson  
Special to Copper Area News

The Sycamore Canyon Academy (SCA) has a new Program Director. Rite of

Tim Gloston is the new director at Sycamore Canyon Academy.

Passage, SCA's parent organization, has selected Timothy Gloston for this key leadership position. The core work of the facility located in Peppersauce Canyon a few miles from San Manuel and Oracle is educating youth involved with the Juvenile Court System or Child Protective Services toward lives of enhanced self regard and positive contributions to society.

SCA's history with the Tri-Community is multi-faceted. Many employees and students come from the local area. Community service projects devised by SCA in collaboration with local organizations have been making hands-on improvements for several years.

Mr. Gloston brings an impressive resume, energy and fresh ideas to advance the mission of SCA. Born in Port Arthur, Texas, he grew up with two sisters and a brother. As a military family they moved from place to place - Germany, Georgia, North and South Carolina, Louisiana. His father rose to Sargent First Class (SFC) in the US Army during a 23 year career; his mother operates a small business in the nursing field.

Tim graduated from Sierra High School

in Colorado Springs. Next he attended McCook Community College, then on to Northwest Missouri State lettering in basketball as a small forward ("only" 6'2 and a half) and track as a sprinter and long

jumper.

Exiting college in his junior year (which he completed later) he enlisted in the US Army, serving four years active duty with

## Miners drop fourth-straight game to start season

By Andrew Luberda  
San Manuel Miner

The San Manuel football team lost its fourth-straight game last Friday night against visiting Miami, 34 - 8.

Head coach Daniel Williams was not pleased following the loss.

"We have a lot to work on," Williams told the Miner. "We're not playing as a team and until we do we're not going to experience winning."

Junior running back Christian Velasquez scored the Miners' lone touchdown on a

rushing play up the middle.

Last Friday was the third game in a row that the Miners have allowed 34 points or more. It was also the third game out of four that they were held to single-digit scoring.

With the halfway mark of the season approaching this week, the Miners need to make adjustments on both sides of the ball, and quickly, before the season's end arrives without a victory.

The Miners travel to Globe this Friday to take on the 3 - 1 Tigers. Kickoff is scheduled for 7 p.m.

The much larger Arizona College Prep team was large enough to put the maximum number of swimmers in each event against the small Miner team, so the outcome of the meet was never really in question from the time the visiting team got off the bus. The Miners were swimming to win races and improve times.

Wins were tough to find for the Boys. It was not until after the break Senior Michael Garcia won the 100 Butterfly. The only other win for the Boys Team was Senior Colbey Stratton winning the 100 Freestyle.

The Miner Girls did not back down and came out winning all 4 races before the break. The Medley Relay team of Freshman BaiLee Hill, Sophomore Gianna Sweeney, Sophomore Darien Apuron, and Junior Raya Woods won by a considerable margin. With very little rest between events, Raya Woods paced herself perfectly and came from behind to win the 200 Freestyle. Gianna Sweeney dominated the competition in the 200 Individual Medley to win by almost 30 seconds. In the always close 50 Freestyle, Sophomore Jasmine Smith was able to get her hand

on the wall first for the win. At the break, the Miners were up 31-29, and it was looking like they may be able to pull off the impossible win. To start off the second half of the meet, Darien Apuron won the 100 Butterfly, Gianna Sweeney won the 100 Freestyle, and Raya Woods won the 500 Freestyle. Since the top 5 places are scored, even though the Miners won the first 7 races, they found themselves down by a few points because of the great depth of the Arizona College Prep team. Darien Apuron won the 100 Backstroke which was the only Miner win in the final four events.

Raya Woods was named Dynamite Swimmer of the Meet. Her come from behind victory in the 200 Freestyle and outstanding swim in the grueling 500 Freestyle earned the respect of her teammates.

Despite the scores, the coaches were optimistic about the results. Miner swimmers had many personal best times and swimmers showed that they are good enough to compete with anyone.

Miner swimmers will travel to Florence on Thursday, Sept. 15, for a meet against Florence High School beginning at 4 p.m.

# Last call for the annual SaddleBrooke Community Outreach Walkathon!

By Nan Nasser

SaddleBrooke Community Outreach

The SBCO Annual Walkathon takes place on Saturday, Oct. 29, beginning with warm-ups by Vital Moves in the parking lot at SaddleBrooke HOA 1, 64500 SaddleBrooke Blvd., SaddleBrooke, at 7:30 a.m. There are two walks, a short one up toward the fire station, and a longer one around Ridgeview. Water stations are placed along the routes, golf carts will patrol the roads for safety, and your leashed four legged friends are welcome. Walkers will be led off by this year's Grand Marshals.

Once back at SaddleBrooke Club House you can enjoy a scrambled egg breakfast, visit with sponsors and students from participating schools, and take a final stab

at a winning raffle ticket. Tickets are sold for \$1 each, or 6 tickets for \$5. Prizes include gift cards to both HOA's, a gift basket from Gadabout Salon, Diamondback Baseline Tickets for next year's season, American Express and Costco gift cards, a Coyote Golf Cart full service and even a stud finder from Ace Hardware.

Registration has begun. Adults are \$30 each, and children under age 12 are \$15. With the registration you receive a Walkathon T-Shirt which is your ticket to the breakfast. You don't have to walk to attend the breakfast, but you must register at the SBCO Office at 63675 E. SaddleBrooke Blvd, Suite L or you can register online at [www.community-outreach.org](http://www.community-outreach.org) with PayPal.

Join the fun, walk with friends, and join in celebrating the 20th year of SBCO providing opportunities for kids to succeed.

## GLOSTON

Continued from page 5

the 18th Airborne Corp (Ft Bragg) and 17 years in the National Guard, including a one year deployment to Iraq. He credits his military experience with helping to build structure, discipline and diverse skill sets into his life.

After three years of work with the Kansas Department of Corrections he was hired by Rite of Passage at their Denver, Colorado campus in 2001. From there he advanced professionally, working with ROP in multiple locations around the country. Tim's passion for challenging young men to better themselves, honed through his extensive training, finds expression in his work with Rite of Passage.

With only a month under his belt at Sycamore Canyon Academy, he is ambitious for the enterprise, his staff and his students. He describes building relationships as his primary focus because, as he puts it, relationships mean trust, the precious foundation of positive outcomes. Listening, asking good questions, working through anger, sharing experiences like workouts and sports, following through on commitments made.

Tim describes himself as "easy going, fun loving, really caring about people. It's a family trait, especially from my mother." He adds, "I want people to know who I really am."

For Tim, relationship building extends beyond the perimeter of SCA out into the surrounding communities. He believes the Tri-Community can play a more significant role in supporting youth struggling to find themselves. Some of his vision for the future includes establishing a local advisory committee, identifying and implementing joint improvement projects, programmatic innovations, exchanging visits, collaborating on events.

Tim Gloston is clearly comfortable in small town environments. The welcome goes both ways.

# Donation of knitted hats to Kids' Closet

By Nan Nasser  
SaddleBrooke Community Outreach

SaddleBrooke Community Outreach (SBCO) recently received over 400 knitted hats, destined for the SBCO Kids' Closet clothing program. Children in our 100 mile service area who are eligible to come to Kids' Closet may receive a fall and a spring wardrobe. The fall wardrobe includes a knitted hat to keep the kids warm while waiting for school buses. The hats are often created by local knitters and very much appreciated by the children.

A group of women, part of needlework club in the community of Sunflower in Marana, got out their needles and hooks and went to work. Their leader, Dawn, delivered over 400 hats to the SBCO office in the SaddleBrooke commercial center. Dawn was the creator of 320 of the hats, Carol stitched up 100, and several other participants donated their finished products to this project.

The fall wardrobe consists of 3 pairs of long pants, 3 shirts, 6 pairs of underwear and socks, a windbreaker, sneakers, hygiene items, reading books, and a hat! The youngsters are selected by their school administrators to participate in the program, based on need. They are generally bussed to the closet according to an established schedule. Each child is paired with an SBCO volunteer to select all the items for the wardrobe. All items are new;

the donation of hats helps keep the cost of an average fall wardrobe at \$75 per child.
