LETTER TO THE EDITOR

Clerk explains property taxes

In response to the "Perception of a 'new Mammoth' is not a reality" article by non-resident Dan Anthony: The facts are as follows.

1. Mammoth is not spending 16% on property taxes: the town pays NO property tax on any property that is owned by the town.
2. The 16,490 acres mentioned does not belong to the town, but has been annexed by the town and is owned by Fairfield Homes.
3. The town actually collects property tax for that vacant property.
4. In April of 2014, I stated that we were not raising property tax, therefore taxes remained the same.
5. Again, properties owned by the town of Mammoth are exempt from property tax.

/s/ Patsy Large

Mammoth Town Clerk

Editor's Note: Mr. Anthony was made aware of the above facts and contacted the Miner last week to request that his letter be held. He did not contact the Miner before the newspaper went to press.

Correction

In last week's *San Manuel Miner* in the article on Aravaipa going Firewise, the story said that Aravaipa was in the Pinal Rural Fire Rescue District. This was in error. Aravaipa is in the Dudleyville Fire District. The Miner regrets the error.

Mammoth Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to the San Manuel Miner by the Mammoth Police Department and reflect information available at the time the report is compiled.

Sept. 5

A report of a potential domestic violence incident was reported. Reporting party requested officers to an address on Hwy. 77. Officers responded.

Sept. 6

Possible criminal damage was reported at the Little League field. Someone with a flashlight was seen running from the scene. Reporting party said that the bathroom lock appeared to be broken and there was spray paint on the wall.

Reporting party called and said there were two mountain lions in her back yard located on Main St. She advised that this was the third time they have been in her backyard. Game and Fish was notified.

Sept. 7

Officers responded to a neighbor dispute at apartment complex on Hwy. 77. Reporting party said his daughter's neighbor gave her some Blu Ray DVDs and then took them back.

Sept. 8

Officers responded to apartment complex on Hwy. 77. Reporting party said his neighbor was still contacting them with negative text messages after agreeing not to have any contact.

Report of a motion detector at Corkers reporting motion from the interior of north side of the store. Officers responded, building was secured. There was no sign of entry.

Party on Riverside Dr. reported alleged harassment of her grandchildren by a male party. She wanted it documented as the same party has harassed her grandchildren before.

Report of a possible domestic violence incident on Tiger Dr. Intoxicated person swung a bat at a teenage girl but missed. Officers responded and spoke to a person at the home. Everything was under control.

Report of a domestic violence incident in progress on Tiger Dr. Officer responded but suspect was gone upon arrival and he could not be located. Officer spoke to the victims and gathered all information.

Sept. 9

Reporting party says her son is getting bullied by another kid at school. School was notified and will handle the issue.

A suspicious vehicle was reported on Main St. Vehicle was gone upon the officer's arrival.

Sept. 10

Reporting Party called about death threats made against

her six-year-old daughter by another male student (age unknown). The incident was reported about three weeks ago to First Avenue School and the Pinal County Sheriff's Office. On Sept. 9, the suspect allegedly took a BB gun to school and on the bus on the way home from San Manuel First Avenue School fired the gun. The bus driver stopped the bus and searched everyone's back pack until finding the weapon. The reporting party also stated that the suspect had made out a hit list and her child was on it. All this information has been reported to San Manuel First Avenue School and Pinal County Sheriff's Office. The Mammoth Police Chief spoke with the reporting party and

school officials. The school officials advised him they were handling the situation.

A report of inappropriate behavior at the Mammoth Elementary School. A male child in first grade pulled down the shorts of another kid. The school officials are handling the situation.

An officer was called to the Mammoth Fire Station to mediate a meeting. Officer described the meeting as cordial and everyone being compliant.

Other calls not reported included: fingerprints (4), house/welfare checks (3), animal calls (4), warrant entries (1) and medical assists (5).

School Superintendent candidate Dr. David Garcia to visit Copper Corridor Saturday

Dr. David Garcia

Dr. David Garcia, the democratic candidate for Arizona Schools Superintendent, will be making several stops in the Copper Corridor this Saturday, Sept. 20. Garcia is hoping to meet many voters, as well as teachers and parents. He will be sharing his

vision for Arizona schools.

Garcia's first stop will be in Mammoth at the Mammoth Community Center at 11 a.m. Garcia will then head to Hayden where he will host another meet and greet at the Hayden Senior Center at 1

p.m. His third stop for the day will be in Superior where he is hosting another meet and greet at 3 p.m. at Porter's Cafe, which is located at 404 Main St.

Everyone is encouraged to attend one or more of these gatherings.

San Manuel Library to demo 3-D printer

3D printing has made its way to the San Manuel Library! The library will host a 3D printer demonstration this Friday, Sept. 19, at the BHP Conference Center

Building across the street from the library. The event is scheduled to begin at 3 p.m.

3D printers can make nearly any three-dimensional object from a

design. The designers can upload their plans using digital computers file to tell

the printer what to make. Come learn how a 3D printer works.

For more information, contact the library at 385-4470.

Regional Business Expo hosted by Superior Chamber next weekend

By Mila Besich-Lira
Superior Sun

The first ever regional business expo will be hosted by the Superior Chamber of Commerce on Saturday, Sept. 26, 2014. The expo will be held at their new building located at 165 Main St. The expo is set to begin at 10:30 p.m. and run through 4:30

p.m. Following the expo Random Boutique of Superior and Nadines Attic from Globe will host a live fashion show. The expo will feature booths from local businesses and service providers that you may not realize are available within the region. There is no fee to attend the event.

Often we immediately think we need to run to the valley or

Tucson to find that new outfit, one of a kind furniture piece or even for our beauty supplies and personal grooming. The Superior Chamber of Commerce wanted to help educate the region about business and services you may not know exist in and around the Copper Corridor. Some of

the confirmed businesses are: satellite internet providers, landscapers, one of kind a furniture, custom clothing, venue rental locations and many others. Patsy from Be My Guest salon in Superior will be giving demonstrations on make up application. Businesses will be coming

from throughout the region including: Superior, Apache Junction, Miami, Gold Canyon, Florence, Globe, and Marana.

For more information on the expo to attend or set up a booth contact the Superior Chamber of Commerce at 520-689-0200.

Building rapport with kids

By John Hernandez
San Manuel Miner

Mammoth Police Chief Steve Nash had lunch with students at the Mammoth STEM School on Wednesday, Sept. 10, the first of what Chief Nash plans to do every week.

Nash said that he met with 1st Avenue/ Mammoth Elementary School Principal and asked to have lunch with the students one day each week. The Chief said he enjoyed his first lunch with the kids tremendously. He believes

that the lunches with the kids will have a positive impact for a number of reasons.

"The students will have an opportunity to discover that police officers are here to help them," Nash said. "They will realize that we are easy to approach and talk to if needed. The students will learn that they should not be afraid of police officers. They will see that we are willing to listen to them and try to answer any questions or concerns. I also hope to set an example and motivate them to work hard and make positive choices."

Vehicles detailed in Pinal County Code

Pinal County Community Development, Code Compliance Division is responsible to our property owners and residents to ensure that our neighborhoods and properties are well-kept to enhance the overall image of our community as a whole. As a means of ensuring that property values are maintained and citizens are afforded the quality of life they desire, our Code Compliance Division works with our residents to prevent unsightly, unsafe, and unhealthy

conditions by ensuring that all properties meet the code requirements and are not left to deteriorate and become unsightly.

Often, violators are unaware that they are in violation of county requirements pertaining to general property maintenance and zoning. The goal of the division is to promote and encourage voluntary compliance with county codes, before enacting strict compliance.

Supervisor Pete Rios is sponsoring a proactive information approach to code

compliance, to better enable our citizens to improve their neighborhoods with voluntary compliance; believing better informed citizens will lead to better communities.

This article will focus on questions regarding vehicles according to county code:

Support the Tri-Community Food Bank's Holiday Food Drive today!

By Cynthia Chevalley
Tri-Community Food Bank

Hunger is the uneasy or painful sensation caused by a recurrent or involuntary lack of food. No one should face hunger any time, but during the holidays it seems to hurt more.

For many families in Pinal County, it's tough enough just to put food on the table for their kids. During the holiday season, there is no money for "extras" like special meals or even gifts.

Your neighbors are struggling with hunger: one in five adults and one in four children. For families living only 10 to 30 miles north of SaddleBrooke Boulevard, the statistics are more staggering. Last month, 1034 individuals requested emergency food. That's more requests than the Tri-Community Food Bank has ever received in a single month. 365 children and hundreds of seniors need emergency food each month. The food bank provides emergency food boxes: food enough for three meals for only three days. We don't know what happens to these families during the other 27 days of the month. We do what we can, but children need food to grow and thrive and to do well in school. Please help them.

One thing is certain, if you choose to donate, we

won't send you a "free tote bag". We won't send you "free" mailing labels and notepads or calendars. We won't sell your names to other entities. We won't pay fancy salaries to administrators: 100 percent of the food bank is operated by volunteers. We will however buy food. We will pay area grocers and area network food banks to distribute groceries to the Tri-Community Food Bank pantry. And, we won't ask you to drench yourselves with ice buckets, before

sending your donations. No gimmicks, no marketing schemes. We will buy food for your neighbors struggling with hunger in Oracle, San Manuel, and Mammoth in Pinal County. Your donations will make lives better; direct assistance for needy families, including children and seniors. Hunger is real, our families are suffering. Food is a very real need like air and healthy drinking water. Good nutritious food is

the treatment for hunger, not some far-off, or elusive medical breakthrough. Please help us feed your neighbors.

Tri-Community Food Bank Holiday Programs include holiday meals, with turkeys and all the trimmings at Thanksgiving and again a special meal at Christmas time for 250 families. Nearly 2,944

emergency food boxes will be distributed before January 2015; that is 28,576 meals!

Please help us with your kind donations. Give help and hope to our families. And thank you for thinking about hunger in Pinal County. Donations can also be made to the Adopt-a-Family program that gives gifts to children at

Christmas.

Dear Friends,

It is with great regret that I announce my retirement from my dental practice. My health would not cooperate. It has truly been a great pleasure working on so many fine people. I have always striven to earn your respect and trust. I wish to thank all of you who have entrusted your dental care to us for these last 38 years.

After searching for a good fit for the past two years, I have found a very fine dentist, Dr. Brad Kaiser. As a personal favor, I hope you will continue your care with him. Dr. Kaiser was born in Tucson and attended the University of Arizona, receiving a bachelor's degree in science. He then attended Case Western Reserve University in Cleveland, Ohio, for his doctorate in dental medicine. He returned and had a residency in general dentistry. He was in private practice in Oro Valley before agreeing to take over my practice.

Your records will be kept at our office and will be available to you at any time. Dr. Kaiser looks forward to earning your trust and appreciation. Tina, Rosanna and Stephanie have agreed to stay on. Don't hesitate to give them as much grief as possible.

Again, I can't tell you how much I enjoyed coming to work every day and working on so many fine people. You are truly salt of the earth.

Sincerely,

Tommy Hendrickson

Miner Swimmers look sharp at Scottsdale meet

The Miner Swim Team traveled to McDowell Mountain Ranch Aquatic Center in Scottsdale to compete against Scottsdale Preparatory Academy and Scottsdale Christian Academy on Wednesday, Sept. 10. Miners came away from the meet with mixed results, the boys won the meet and girls finished third. Final Scores for the girls were Scottsdale Prep 156, Scottsdale Christian 80 and San Manuel 59. Final Scores for the boys were San Manuel 113, Scottsdale Prep 91, and Scottsdale Christian 58.

The Girls Medley Relay team of Theresa Sweeney, Raya Woods, Jazelle Sanchez, and Mariela Canisales finished second to a tough Scottsdale Prep relay. That would be the best finish for the Miner Girls at the meet. Only Theresa Sweeney was able to finish in the top three in individual events (third in 200 Freestyle and 500 Freestyle). The Miner Girls posted many personal best swims against two very good teams.

The boys team yielded much different results. Miner Boys won both the Medley Relay and 400 Freestyle Relay along with six out of the eight individual events.

The Medley Relay team of Will Newman, Taylor Woods, Colbey Stratton, and Michael Garcia started things off

with great swim for the win.

Junior Taylor Woods won the 100 Freestyle and 100 Breaststroke both with personal best times. Team Captian Colbey Stratton won a very close 50 Freestyle (25.90) and short time later won the 100 Butterfly with a new school record time of 1:04.46 (beating his own record by four-seconds). Freshman Will Newman won the 200 Individual Medley by a large margin and went on to win the 100 Backstroke with a new school record time of 1:00.69 (previous record held by his older brother Wayne Newman set in 2011).

The Boys 400 Freestyle Relay team of Stratton, Newman, Woods, and Junior Jacob Christian won by a large margin and set a new school record of 3:52.94 breaking the previous time (3:58.50) set in 2013 by Stratton, Woods, Colten Smith and John Bribiescas.

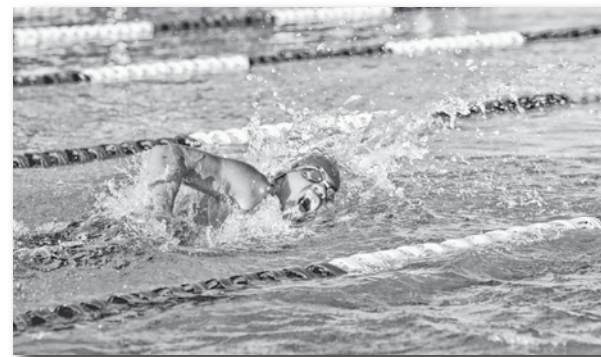

Head Coach Alex Gort was pleased with many things he saw at the meet. "The girls team is getting faster each week, and the boys team is starting to show just how good they are."

The boys record improves to three wins, one tie and zero losses, while the girls is zero wins and three losses.

The Miners next meet will be on Tuesday, Sept. 23 at home against Arizona College Prep (Chandler) and Florence High School beginning at 4 p.m. Florence High School was the only team to beat the boys last season in a Non Invitational meet, so the meet this year will be a good test for the Miners.

Bunch of firsts in Miners' win

By Andrew Luberda
San Manuel Miner

The Miners football team won its first game of the year last Friday, the team's home opener, against Tombstone, 28 – 20. Friday's game was also the home debut of new Miners' head coach David Ward, who earned his first win at San Manuel.

"The players have done a really good job," Ward said after the game. "They come to practice, they work hard, and we had a good run-to-pass ratio (in the game)."

After two lopsided defeats to start the season, in which the Miners scored a total of six points, they scored 28 points last Friday. According to Ward, the difference

in Friday's game compared to the first two was finally having his full allotment of players available. Several players missed the first two games due to injury, forcing the remaining players to play out of position.

Ward says he and the players are still learning about each other but it's getting better each day. He has a better feel for putting certain players at certain positions so they can have success, both individually and as a team.

The Miners have a bye this week and will prepare for the Homecoming game on September 26 against visiting San Carlos. The Braves are winless so far this season. The game is scheduled for 6:00 p.m.

Number 40 Shane Kelly tackles the Tombstone ball carrier. On the field is also Aramando Sierra, Bryan Valdez, Lawrecne M. Sanchez, Fabian Russo Garcia, Juan (Isidoro) Wasko.

Lady Miners playing with heart

By Andrew Luberda
San Manuel Miner

The Lady Miners volleyball team started its season with a win versus San Miguel, 3 – 0 (25-23, 25-14, 25-23). Since then they have dropped two matches in-a-row, showing great heart even in defeat.

"Our girls never give up," said Miners' head coach Al Trejo. "And what we lack in height we more than make up with heart."

In the win versus San Miguel, senior captain Kadi Monfred registered 11 kills and junior Lyana Waddell had 11 service points.

The Miners lost to Ray on September 4, 3 – 0 (25-13, 25-14, 25-6). Their next match against San Carlos took five games to

decide the winner. After splitting the first four games of the match, the Braves won game five, 16 – 14 to win the match, 3 – 2.

Junior Ashley Vargas has nine digs in the match against the Braves and senior Mireya Tamayo served up 12 aces.

"I am very pleased with our girls' performance today," Trejo said after the match versus the Braves. "We had to change our offense and defense after (playing Ray). This new rotation is more our style and the players have shown they've adapted to it."

The Miners have a tough schedule ahead, playing three matches this week. September 16 at Hayden, September 17 vs. Santa Cruz, and September 18 vs. Pusch Ridge Christian Academy.

Kadi Monfred jumping for the ball while Miraya Tamayo, Tiffany Quintero and Angela Navarro wait to assist.

Jr. Miners football team suffers first loss of the season

By Andrew Luberda
San Manuel Miner

The Jr. Miners suffered their first loss of the season last Tuesday, falling to the Globe Jr. Tigers, 50 – 28.

"Offensively, we moved the ball well," Jr. Miners' head coach Dave Jungbluth said after the game. "(We) stopped ourselves with fumbles and interceptions."

In addition to mistakes on the offensive side, the defense had a difficult time stopping the Jr. Tigers quarterback who accounted for six touchdowns on

offense. He also returned an errant Jr. Miners' pass for a score.

"Needless to say, we had a tough time stopping him because of his speed," Jungbluth acknowledged afterwards.

The Jr. Miners first score of the game came on 25-yard touchdown pass and reception from Caleb Quintero to Rey Martinez in the first quarter. Benny Laguna converted the 2-point PAT. Later, with Globe leading 20 – 8, Quintero hooked up with Laguna on a 51-yard touchdown pass. Laguna again converted the 2-pt PAT to

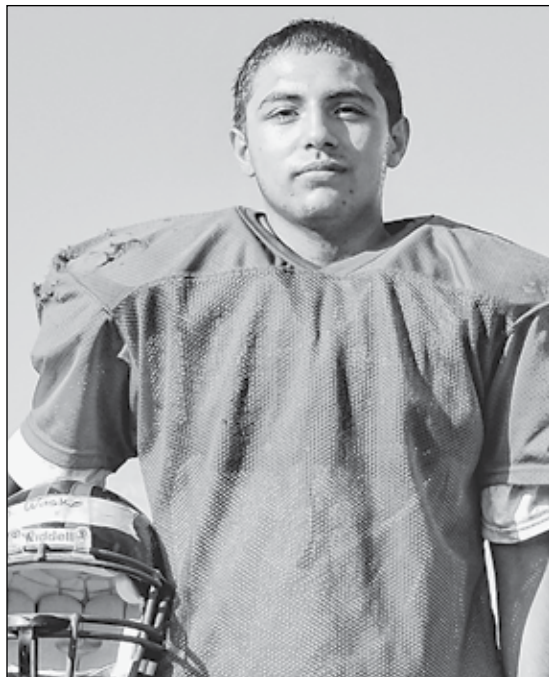

bring the Jr. Miners within four, 20 – 16.

Trailing 28 – 16 in the third quarter, the Jr. Miners pulled to within six points when Julian Rodriguez rushed 55 yards for a touchdown. Rodriguez later scored his second touchdown of the game on a 17-yard run in the fourth quarter.

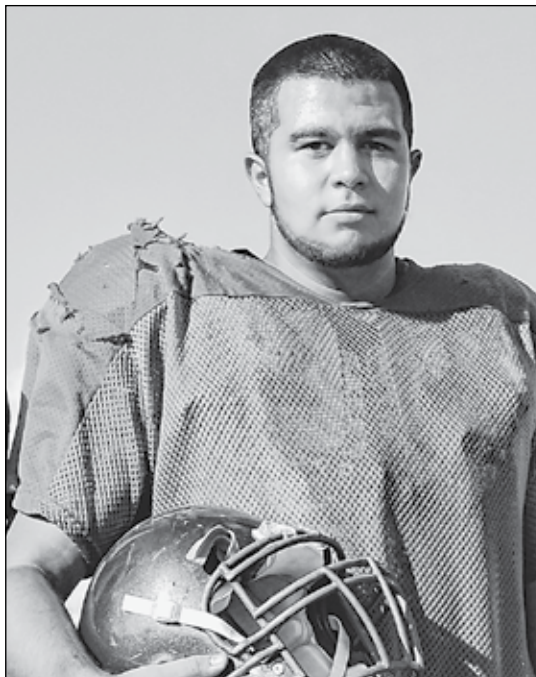

The Jr. Miners were short on players in the game due to injuries, according to Jungbluth, causing some players to play out of position.

Improving the team's tackling is the focus before the next game versus Ray.

Copper Corridor Survey for Towns in Pinal County

Strategic Research Initiatives, a market research agency in San Tan Valley, performed a Skills Assessment survey study for Apache Junction/Gold Canyon/San Tan Valley, earlier this year, for Tim Kanavel of Pinal County's Office of Economic Development, which had over 600 completed surveys. Pinal County would like to conduct the same study for the Copper Corridor—basically San Manuel, Superior, Kearny, Mammoth, SaddleBrooke, Oracle, Catalina and Dudleyville. For English speakers, go online to <http://bit.ly/1qYGIYZ>. For Spanish speakers, go online to <http://bit.ly/1s4PEzL>. The county is asking that one survey per household be completed.

sidewalks or driveways/entrances to any other property.

5. Vehicles must have a current, valid registration affixed to the license plates. The lack of a current license plate and/or license tag or an expired license tag affixed to a vehicle shall constitute proof that a vehicle does not have a valid and current registration.

6. No more than two personally owned vehicles may be offered for sale at any one time.

7. Vehicles must currently be operable.

Question #1

My son who is away at college has his vehicle stored at our house. Is it in violation?

Answer:

As long as the vehicle is licensed with current tags and currently is operable it is not in violation. Your son's main residence is still with you even though he is

in college.

Question #2

I do not take my vehicle off my property but do not want to put current tags on it, am I in violation?

Answer:

Yes, you are in violation. The code ordinance does not allow any vehicle to be on private property without current tags and currently be operable, regardless of whether you take it off property. If you store the vehicle in an enclosed garage, shed or barn you will not be in violation.

Question #3

I block up my vehicle and take off the tires, am I in violation?

Answer:

Yes, you are. As the ordinance states "must currently be operable" this means you must keep drivable tires on it.

Question #4

My vehicle is being repaired by me, am I in violation?

Answer:

Mammoth author boasts seven published titles

By John Hernandez
San Manuel Miner

Howard Brigham had been thinking about writing a book for more than 30 years. After retiring from the State Prison in Florence he sat down and wrote his first book. The book is titled *Smarter Ways to Camp*

Howard Brigham of Mammoth has seven published books.
John Hernandez | Miner

for *Seniors*. It is about how Howard and his wife have learned over the years to cope with their aging bodies and still enjoy camping, fishing and hunting. He has now written and published seven books in two years. He is currently writing another book which he will have published soon and is working on creating an audio book version of the first of his Mountain Man series.

Howard was born and raised in Louisiana. He is a Cajun and grew up on a farm with an alligator bayou in the middle of the property. His adventures and friends while growing up influenced two of his books. *Tales I Like to Tell Sitting Around the Campfire* has funny stories and is dedicated to friends of his that have passed away. *Cajun Tales I Like to Tell Sitting Around the Campfire* are stories from Louisiana about some of the Cajun people Howard met while growing up.

He has lived in Arizona for 45 years. While working for Magma/BHP, 15 years underground and 14 years open pit as a boilermaker/welder, he lived in San Manuel, Oracle and Mammoth.

Before going to work at the mine, Howard worked at Arizona State Prison for two years, back in the days when it was the only prison in the state. Frank Eyman was the Warden. Eyman was Warden from 1955 to 1972. He was also Pima County Sheriff for a few terms and was one of the deputies that captured John Dillinger back in the 1930s.

Howard had some interesting and funny stories from his days in Florence that we hope he one day decides to put in print. One of his adventures involved him being taken hostage at gun point during a prisoner escape attempt. Howard and four other guards were taken hostage, tied up and stripped of their uniforms. The inmate that held a gun on him was Gary Tison. Tison and the inmates

were captured before they could get over the walls.

Gary Tison would later successfully escape in 1978 aided by his three sons and convicted killer Randy Greenawalt. They would go on a rampage killing six innocent civilians including an infant before a shootout with law enforcement on Chuichu Road in Pinal County left one of Tison's sons dead, the other two captured along with Greenawalt. Gary Tison would die of dehydration and exposure in the desert. Greenawalt would be executed while Tison's two sons are still in prison serving life sentences.

Howard returned to work at the prison after retiring from BHP. He worked at the Eyman Complex, named after Warden Frank Eyman.

Howard has written a series of western books about the adventures of four brothers that become mountain men. The Jones clan are immigrants from Wales that migrate west. Although the books are fiction Howard mixes in actual Indian history into the stories.

"Read the first one and you will get hooked," said Howard.

He also said they do not have to be read in order to be enjoyed. The Jones Clan series are #1 – *Slim Jim Jones, Mountain Man*; #2 – *Too Tall Jones, West of the Divide*; #3 – *Amos Jones, A Timber Covered Mountain*, #4 – *Big Sam Jones, Man of the High Country*. A fifth book, *Cheyenne Jones*, will be coming out soon.

Howard's books are all self published. They are available on Amazon.com Bookstore and Kindle E-books. You can purchase some of his books locally. In Mammoth, they are available at Mammoth Lumber. Sue and Jerry's in Oracle also sell some of the books.

If Howard writes half as good as he tells stories, these should be good reading!
